BURLINGTON, KENTUCKY THURSDAY, JANUARY 5, 1950

NUMBER 25

Head-On Collision Proves Fatal To Local Boy and Girl

Two Other Passengers In Fair Condition At St. Elizabeth Hospital.

Death claimed two Boone Countyans this week, the result of an accident last New Year's Eve on U. S. 25 and 42 one-fourth mile north of Erlanger, according to reports.

The victims were Lee Regenbogen, 17, Constance, a soldier home on leave, and Miss Joyce Fincke, 17, of Sanders Dr., Florence. Miss Fincke died Tuesday night at 8:30.

Two other occupants of the car, Cecil Maxwell, Burlington, suffered a left arm fracture and Lols Fentemacher, 18, Florence, suffered a right leg fracture and face cuts. The conditions of the above were listed as "good," according to reports.

According to reports, Regenbogen's automobile was traveling at high speed on the wrong side of the road when it rammed head-on into a bus driven by Wallace Gable, Cincinnati, who escaped injured.

Both vehicles burst into flames following the collision. Two motorists Carl Rue, and Joseph Nicholson, fought the blaze until the Erlanger Fire Department arrived.

Firemen worked for more than 30 minutes to open Regenbogen's automobile after extinguishing the flames. The injured were taken to St. Elizabeth Hospital.

The bus, owned by American Bus Lines, was empty at the time of the accident and was bound for Covington.

Regenbogen is survived by his parents; three sisters, Mrs. Charles Easter, Cincinnati; Mrs. Charles Herbstreit, Constance, and Mrs. Keith Haines, Indianapolis, and a brother, Howard Regenbogen, of Constance.

Funeral services for Regenbogen were held at 2 p. m. Wednesday at the Constance Christian. A military burial will be held in Hebron Cemetery.

The Catherman funeral home, Ludlow, was in charge of arrangements.

Fincke Services
Miss Fincke, 17, a Florence senior succumbed to injuries at St. Elizabeth Hospital, Tuesday at 5:50 p. m. It was reported here by Sheriff Wendell Easton.

She was a member of the Concordia Evangelical Lutheran Church 1524 Race St., Cincinnati, Ohio, where funeral services will be held Friday afternoon at 2:30 p. m. Burial will be in Laurel Cemetery, Madisonville, Ohio.

Miss Fincke is survived by her parents, Mr. and Mrs. William Fincke, of Sanders Drive, Florence; two sisters, Eleanor and Lols; two brothers, William and Richard, all of Florence; her grandparents, Mr. and Mrs. H. C. Fincke and Mr. and Mrs. George Becker, of Cincinnati.

Ralph Smith, Florence funeral director is in charge of arrangements.

Grant of Aid Phosphate To Be Handled Thru Dealers
The Boone County PMA Committee has announced that arrangements are being made for Grant of Aid Phosphate to be handled thru local dealers in 1950. There will be a meeting at the County office at 1:00 p. m. on Monday, January 9th, concerning this program. All dealers interested in handling phosphate are urged to be present at this meeting.

Income Tax Man Will Visit County January 11 and 27

Will Assist Farmers In Preparing January 31st Declaration or Returns

Collector of Internal Revenue, S. R. Glenn, announces that a deputy from his office will visit Walton January 11 and 27th and Burlington January 12 and 30th, 1950 for the purpose of assisting farmers in preparing their January 31st declaration or final income tax returns, also taxpayers whose income under the law is not classified as income from farming and was not subject to withholding, and taxpayers who would be required to file amended declaration returns or would be privileged to file final returns by January 16.

The service is absolutely free. Collector Glenn urges the taxpayers of this county to see the deputy and let him help them with their income tax problems.

Allen M. Darby

Allen M. Darby, 55, World War I veteran, died Saturday of a heart attack at his home in Florence, Robert Brugh, Boone County Coroner, reported. He served with the 30th Artillery in France in the first war.

Mr. Darby was a member of Hebron Lodge No. 757 F. & A. M., Modern Woodmen of the World, and Boone Post No. 4, American Legion.

He is survived by his widow, Cora; a daughter, Mrs. Richard Carr, and a grandson, all of Boone County; three sisters, Mrs. Charles Carpenter, Florence; Mrs. Elmer Cummins, Ludlow, and Mrs. C. E. Hollis, Hebron, and several nieces and nephews.

Funeral services were held at 11 a. m. Tuesday at the Tallafiero funeral home, Erlanger. Burial was in Hopeful Cemetery.

Miss Laura McGlasson

Funeral services for Miss Laura F. McGlasson, a member of a pioneer Boone County family, were held Tuesday, December 27 at the Tallafiero funeral home, Erlanger. She died Saturday night at the home of a brother, Frank L. McGlasson, Lower River Road, near Constance. Burial was in Hebron Cemetery.

Until several months ago when she became ill, McGlasson, who was 89, had lived in the family homestead on Lower River Road, where she was born.

Besides her brother with whom she made her home, she is survived by another brother, Harvey McGlasson, Hebron and several nieces and nephews.

O. E. S. INITIATION POSTPONED

Burlington Four Star Chapter, O. E. S. has postponed initiation of candidates scheduled for Thursday night, January 5th until a later date, it was announced this week. The regular meeting will be held as scheduled.

Mr. and Mrs. Ernest C. Ruppert and family entertained Mrs. Lillian and Wolfe Rosenstein, of Frankfurt, during the Christmas holidays.

Farm and Home Week Scheduled January 31-Feb. 3

Farm Problems Will Be Discussed During Meeting At Lexington.

The thirty-eighth annual Farm and Home Week will be held at the University of Kentucky, January 31 to February 3, according to Bill Davis, County Agent.

Farmers will attend a general session the first day and speakers will include Allan B. Kline, president of the American Farm Bureau Federation, H. L. Donovan, president of the University of Kentucky and Thomas P. Cooper, director of extension and dean of the College of Agriculture.

After the first day farmers will divide into groups to consider problems of farm engineering, crop production, livestock raising, dairying, poultry production, farm management, soil conservation, fruit growing, livestock diseases and tobacco culture.

The new dairy center at the Experiment Station, which is one of the top institutions of its kind, will be dedicated during the convention. On the first day homemakers will hear Mrs. Raymond Sayre, president of the Associated Country Women of the World and Iowa farm woman; Dr. Bruce Underwood, state health commissioner; Dr. Regina Westcott of Milwaukee, consultant in family and community development, and Mrs. James Wyker of the Ohio Council of Churches.

February 3 has been designated as Homemakers Day at the Farm and Home Convention. High spot of the day will be the Homemakers International Luncheon, when Mrs. Raymond Sayre, of Iowa, international president of the Associated Country Women of the World, will speak. Two women will be recognized as Master Farm Homemakers at the morning program.

Homemakers who attended the National Home Demonstration Council in Colorado Springs will bring highlights of that meeting. Mrs. W. K. Morris, state president of the Kentucky Federation of Homemakers, will preside.

Miss Alice Word, Hopkinsville, International Youth Exchange, delegate, who spent four months in Denmark last summer through the cooperation of Homemakers clubs throughout the state, will use color slides in telling of her trip.

Walton Remains Undeclared; Has Nine Victories

Burlington Eagles Chalk Up Two Victories During Holiday Vacation.

Boone County basketball teams will really get into full swing during this and the next few weeks. Highlighting the coming games will be the Boone County tournament at Burlington on Wednesday and Thursday, January 4-5, but a number of other important contests are also slated. The coming games are:

Jan. 3—Walton at Newport.
Jan. 3—Williamstown at Florence.
Jan. 4-5—Boone Tournament.
Jan. 7—Burlington at Crittenden.
Jan. 9—Burlington at St. Henry.
Jan. 10—Florence at Silver Grove.
Jan. 10—Ludlow at Hebron.
Jan. 20—Millon at New Haven.

A roundup of recent games played shows the powerful Walton Bearcats still undefeated a 9-0 record. They added Crittenden's Bulldogs to their list during the holidays.

Burlington's Eagles pulled themselves together for two wins during the vacation to bring their season's record to 4-4. Their victims were Florence and New Haven. The Knights got an even split in their past two games, losing to Burlington and winning over New Haven. Hebron dropped one to St. Henry and the New Havenists lost to Burlington and Florence. Scores of the games were:

Walton 51, Crittenden 34.
Burlington 55, Florence 52.
Florence 100, New Haven 44.
Burlington 73, New Haven 21.
St. Henry 43, Hebron 40.

Burlington Lodge Elect 1950 Officers

Burlington Lodge No. 264 F. & A. M. held its regular election of officers, December 22, at its hall in Burlington.

Officers elected for the ensuing year are: Alvin Clure, Worshipful Master; Dudley Rouse, Senior Warden; William Rudicill, Junior Warden; Howard Lizer, Senior Deacon; Clarence Wolfe, Junior Deacon; Ernest C. Ruppert, Secretary; Ty Combs, Treasurer; J. D. Jarrell and Hobart Bowling, Stewards; and Franklin Maurer, Tyler.

The lodge will have its first meeting of the New Year, January 12, with the new officers at their stations. All members are urged to attend this meeting and visitors are extended a cordial welcome.

Mr. and Mrs. Wayne Hiser and daughter were guests of Mr. and Mrs. Jas. G. Smith, during the holidays.

Harry Nusbaum, Sr.

Requiem High Mass was sung at 9 a. m. Friday, Dec. 23 at St. Henry Church, Erlanger for Harry Nusbaum Sr., 82-year-old retired machinist, who died Tuesday at his home in Erlanger. Prayers were said at 8:30 a. m. at the Tallafiero funeral home, Erlanger. Burial was in St. Mary Cemetery.

Mr. Nusbaum was former treasurer of the Erlanger Building and Loan Association.

He leaves two sons, Harry Nusbaum, Jr., Erlanger, and Joseph Nusbaum, Florence.

Thomas-Hostein

Miss Elizabeth Thomas, daughter of Mr. and Mrs. William Thomas, of Walton, Ky., was quietly married Sunday afternoon, November 20, to Morton G. Hostein, son of Mr. and Mrs. Paul Hostein, of Pittsburgh, Pennsylvania, in the Little Church Around the Corner.

Miss Julia Ossa, of New Orleans, La., was the bride's only attendant and Mr. Clifford Hostein was best man.

The bride's suit was Barkley blue with an iridescent, navy beaded trimming and a matching hat. She carried a cluster of white orchids and baby's breath.

Miss Ossa wore a navy, knitted suit with matching hat and carried pale, yellow orchids.

Both costumes were designed by Hattie Carnegie.

A reception was held at the Hotel Marcy for the immediate family. The bride and groom left on a short wedding trip through the South.

Miss Thomas graduated from New Haven High School and attended Hunter College in New York City. She is private secretary to Dr. J. Zuckerman, famous New York eye surgeon.

Mr. Hostein is a graduate of Columbia University and spent three years in the service. He is associated with George Rose Apparel Co., in New York City.

Mr. and Mrs. H. N. Ockerman and family spent the holidays in Miami, Fla., and attended the Orange Bowl game New Year's Day.

Home Demonstration Agent Begins Work In Boone County

Assume Duties Here Jan. 3rd, According to Bill Davis, County Agent.

Miss Nancy McClaskey, former Assistant Home Demonstration Agent in Scott County, started work as Home Demonstration Agent in Boone County on January 3rd, according to Bill Davis, County Agent.

Miss McClaskey, a native of Bloomfield in Nelson County has been training as Assistant Home Demonstration Agent in Scott County for the past four months. She served as Home Economics teacher at the Kentucky School for the Blind in Louisville for four years following her graduation from Maryville College, Maryville, Tennessee.

High Averages Reported Far Local Burley Crops

The following is a list of Boone County farmers who sold their tobacco crops for high averages prior to the holiday recess:

Frank Michels reported the sale of 2886 pounds of burley Tuesday for an average of 58 1/2 cents. His crop was sold on the Carrollton Brite-Lite No. 2 floor.

The following crops were sold over the floor of the Kentuckiana Warehouse, Carrollton:

Wendall Farrell and Cecil Seebree sold 1812 pounds for an average of \$51.75.
Cecil Seebree sold 5038 pounds for an average of \$53.14.
C. H. and M. Baker, sold 716 lbs. for an average of \$52.03.
John Sutton, sold 1168 pounds for an average of \$51.34.
Fred Morris sold 2910 pounds for an average of \$56.39.
A. R. Kinman and son, sold 2342 pounds for an average of \$52.37.
A. Massey and J. Fields, sold 1266 pounds for an average of \$50.71.
H. Slickman, J. Taggart and S. Allen sold 2192 pounds for an average of \$52.26.
Raymond Maxwell, of Burlington sold 1012 pounds for an average of \$56.63.
F. L. Buckler, sold 1974 pounds for an average of \$53.51.
R. A. Gaines and B. Stamper sold 105 pounds for an average of \$53.02.

James Bristow, Jr.

James Bristow, Jr., 36 years, died of a heart attack in his automobile on Philadelphia Street, Covington, early Tuesday morning, according to Kenton County Coroner reports, and was not discovered until late Tuesday afternoon.

Mr. Bristow was single and lived with his parents, Mr. and Mrs. Jas. Bristow, of Union, Ky. He was Past Master of Boone Union Lodge No. 304 F. & A. M. and was employed by the Brighton Screw Co., of Cincinnati.

Besides his parents he is survived by three sisters, Emily Bristow, Mrs. Elmer Noel, Union and Mrs. Harild Bristow, Union, and a host of other relatives.

Funeral arrangements were incomplete at this writing. Philip Tallafiero, Erlanger funeral director will be in charge of arrangements.

Four Vehicles Figure In Accident December 21st

Drivers Escape With Minor Injuries, According To Reports.

Four vehicles figured in two accidents last Wednesday, December 22 near Union on U. S. 42, with drivers of all vehicles escaping with minor injuries.

Sheriff R. L. Rouse and State Troopers called to the scene of a wreck near Union at 4 p. m. and while there saw a lone auto, apparently out of control left the road and overturned twice, just a quarter-mile north of the first wreck.

In the first accident, a Kahn Meat Market Co. truck driven by Robert Metz of Cincinnati was forced from the highway by an auto which was towing a second car. The auto and the car it was towing crashed into the left side of the truck.

Both cars jack knifed and overturned in the road after the crash, it was reported. The lead car was driven by Woodrow Turner, of Horse Cave, Ky., who escaped with minor injuries.

Change Announced In Burlington Firm

Sam Ryle, of Ryle & Hambrick announced this week that he had purchased Ted Hambrick's interest in the business, and will continue to serve Boone County patrons as in the past.

An advertisement appears elsewhere in this issue concerning the transaction.

Mr. Hambrick is planning to erect a building 70x40 feet near his home in Burlington and will open a lumber business, to be known as Burlington Lumber and Builders Supply. He will handle a complete stock of lumber, cement, sand, gravel and concrete blocks.

Mr. Hambrick plans to begin erection of the new building in the near future.

HEBRON F.-T. A. TO MEET

The Hebron F.-T. A. will hold its regular meeting at the school auditorium, January 12th, 8:00 p. m. according to reports. All parents are urged to attend.

First Game Played Wednesday Night In Blind Tournament

Competition Expected To Be Keen in Four-Team Meet.

The first game of the third annual Boone County School News basketball tournament will get underway at 7:30 p. m. today (Wednesday). The second game of the first round will start at 8:45 p. m. Coaches of the four participating teams, Burlington, Hebron, Florence and New Haven—will draw for opposition and time of play a half hour before the opening whistle.

None of the four teams go into the tourney with impressive won and lost records. Coach Ralph Maurer's Burlington Eagles have the best all-games record of 4-4, but Chuck Ransler's Hebron Cardinals with a all-record of 2-0 are undefeated in the Boone Conference. They hold wins over the Eagles and New Haven in league play. Chuck Henderson and his Florence Knights have a 3-7 season's record and have split four games in conference play. The luckless charges of Bill McAllister at New Haven go into the tourney with a 0-8 standing, four of their losses coming in conference games.

Regardless of the team's season records, many of the defeats which came at the hands of strong Northern Kentucky conference quints, a red hot tourney is expected. Burlington, winners of the meet last year, Hebron, 1948 winners, and Florence all stand about an even choice. New Haven's Tigers though young and inexperienced (all freshmen and sophomores except one) may start climbing soon.

Probable starting fives as indicated by past games will be:

Eagles—Rouse, f; Cave, f; McBee, c; Cropper, g; Ryle, g.
Cardinals—Herbstreit, f; McGlasson, f; J. Tanner, c; Abdon, f; Toigall, g.
Knights—Markesberry, f; McKibben, f; Rowland, c; Martin, g; and England, g.
Tigers—Rhodes, f; Flynn, f; Carroll, c; Moore, g; Crume, g.

Tournament officials will be Edna McNabb, Beechwood, and Boyd Mahan, Dixie Heights, as referees; Garland Huff, John G. Carlisle School, official scorer, and Jas. R. Huey official timer. Admission prices for both sessions will be fifty cents.

Engagement Announced
Mr. and Mrs. Lloyd Rouse, of Florence, announce the engagement of their only daughter, Carolyn June, to Pfc. George Baker, son of Mr. and Mrs. Harvey Baker, of Florence.

Miss Rouse, a graduate of Florence High School, is employed by the Western & Southern Life Insurance Co., Cincinnati.

Pfc. Baker, also a Florence High School graduate, is stationed with the Marines at Camp Lejeune, N. C.

No date has been set for the wedding.

Eight Injured In Crash Near Florence Dec. 26

Eight persons were injured early Monday, December 26th in an auto collision eight miles west of Florence on U. S. 42.

Those injured in the collision were taken to St. Elizabeth Hospital in private ambulances.

Both automobiles figuring in the collision were demolished.

Right Of Appeal Upheld By Circuit Judge Ward Yager

Commonwealth Attorney Plans Investigation Of Case.

Judge Ward Yager upheld the right of appeal in the case of Robt. C. Ford, 65, convicted rapist now under a 30-year penitentiary sentence, in Boone Circuit Court Wednesday, December 21st.

Ford has appealed his conviction on the allegation that jurors considered "outside" evidence, and also on a request for a writ of "coram Nobis" which previously had been overruled by Judge Yager who upheld a demurrer by Commonwealth Attorney, R. L. Vincent.

Commonwealth Attorney Vincent stated that he would continue an investigation into a report that an effort was made to pay the child victim's father to change testimony in the case.

HOCUS POCUS

Many old sayings and customs are what we might call axioms. They are a certainty, they work, and yet they can't, or haven't been proven scientifically.

Many a farmer gets the laugh because he plants his garden or sows his seeds when the moon is right. Of course quite often there is some discussion as to when the moon is full or whether it is new or old. Other seeds must be planted on Good Friday, for it would be a waste of time to plant any other time. We can compromise and say they are at least fifty percent right.

Possibly the fellows that get more than their share of fun poking are the group known as doers. These folk claim they can locate water by using a forked prong from a tree. Some say they can find metal and oil. The forked prong must be a green willow or peach limb, while others use just any old fork, either dead or green, while others have used mechanical pliers. Do you have the W in your hand? If so you are supposed to be able to locate water with the forked branch. Some monograms are hard to read in your hand so try your luck anyway. Some folks have failed the first or second times but later have obtained results. Or if you are unable to locate water by means of the forked prong have some one to hold your wrists who is able to do the hocus-pocus and see if the fork will work for you.

No doubt during pioneer days the forked prong was responsible for the location of many homes because a good spring or well largely determined where the house would be located.

The forked branch is indeed money saved in pond construction work. Many a good pond site has been selected and a well cored dam built only to find you have a leaking pond. Some ponds or reservoirs fall to leak until they have become almost full, when the pressure becomes so great that the water may be pushed to a dormant spring that will take life and the water begins to sink. Yes, the core was built right and your bulldozer man has fulfilled his contract, yet the leak developed from a small water vein. The leak is often at the upper end of the pond or can be on either side.

Over two tons of a soil sealer was placed in a small pond in Boone County after recoring the dam, to be sure of a good job, but after the pond filled again, down it went. Hocus-pocus, by using a bulldozer

on one side of the pond the vein was cut into. This was well packed with clay and now the leak is stopped. On another occasion an old pond was almost dry. The forked prong went down on one end of the dam. The bulldozer started through the dam at this point and enough old cans and wire were removed to fill a truck. What had happened? When the pond was built years ago the fill had washed out and this junk was thrown in and later covered with dirt. This material kept the soil from packing. Many ponds have been repaired in Boone County after the leaks have been found with the forked branch. It must be remembered that enough water must be in the pond to feed the leak so there will be running water. Maybe you will have to wait until a heavy rain to get enough water in the pond to start the leak running. When you dig into the ground and the fork stops working you have reached the leak. It is well to go about a foot deeper and then start coring or refilling the dirt removed.

Water seepage (or small veins) costs railroads and highways millions of dollars yearly. Quite often you will drive over a new grade or even an old road and you dip, and the contractor's ears burn because you have said that the contractor did a poor job packing the dirt and it has settled. On the new grade you might be right but on the old road bed it is water movement. Some years back a railroad spent thousands of dollars driving piling and rebuilding a new culvert to carry off surplus water, yet the forked stick says there is water movement. Some drop was noted two years after the work, and no doubt there is now.

Now, if you have read this far and still sorta think it works, try this little experiment to see if your neighbor takes his bath promptly on Saturday night. Take your fork and walk across the water pipe leading to your neighbor's home. If the stick doesn't move you can rest assured he has fallen asleep or drowned so you had better knock on the door. Another interesting stunt is to let your wife drive down the highway where the water main is on one side of the street with taps running across the road to homes on the other side. Hold your fork as if walking and you will know who is washing the dishes.

What makes it work? Your guess is as good as mine, but if you do know, please let me know.

Can this hocus-pocus be of value to you? It has saved many a dollar in pond construction in Boone County.

MT. ZION HOME MAKERS

The Mt. Zion Homemakers enjoyed their Christmas party at the home of Mrs. Roger Maguire, Dixie Highway.

The club agreed to give financial aid to the anti Tuberculosis Society of Boone County.

Plans were also made to gather groceries and toys for someone's Christmas cheer.

At noon a delicious chicken dinner was enjoyed by all, after which the group enjoyed singing Christmas carols accompanied by the hostess on a beautiful antique organ.

Gifts were exchanged and then a jolly time was had playing games arranged by Mrs. Homer Burns and Mrs. George Reinhart.

Members in attendance were Mesdames Frank Domaschko, Frank Bresser, Burney Brown, Homer Burns, Robert Woods, David Volz, Henry Holzworth, Orville Noel, Geo. Reinhart and Roger Maguire. We were pleased to have Mrs. William Miller as a guest.

One of Two Sedans in 1950 Chevrolet Line

The Styleline, one of two individually designed sedans which have achieved immense popularity with Chevrolet owners, will have new beauty in 1950. Improved grille work, sturdier bumper guards and more tasteful ornamentation are some of the exterior improvements. New Chevrolet also offer increased power and comfort with the Powerglide automatic transmission as optional equipment on De Luxe models.

Florence

The Fellowship Club of Florence wants to take this opportunity to thank everyone who helped in any way to make our Minstrel Show "Cottonland" a success. A large portion of the funds raised was used to give needy families a Merry Xmas. The balance will be used to promote the Knochle team and our co-sponsorship of the Florence Boy Scouts.

Mr. and Mrs. O. P. Judy recently purchased the house of Mrs. Nancy Kendall, on Smith St., in Florence.

Wild onions in pastures in Todd County caused considerable loss to dairymen. 70 cans of off-flavor milk being returned in one day.

Mrs. Nora Grace Huffman

Mrs. Nora Grace Huffman was born January 3, 1909 and departed this life December 25, 1949.

She leaves to mourn her death two children Eugene, 15 and Wanda Lee 13; her father William Douglas, Atwood, Ky.; six sisters, Mrs. Cecil and Sue Ravenscraft, Newport; Kate Hand, Crittenden; Dorothy Hand, Burlington; Misses Celeste and Olen Douglas at home; two nieces Audria Lucas, of Newport and Doris Hand, of Crittenden; 3 nephews, Edward Ravenscraft, Covington; William and Myron Ravenscraft of Newport.

Funeral services were conducted at Swindler's funeral home in Independence, with burial in the Independence Cemetery.

DAIRYING NEAR TOP ON KENTUCKY FARMS

Dairying now ranks second only to tobacco as a source of income on Kentucky farms, according to the Agricultural Experiment Station at Lexington. Total state income from dairying may exceed \$150,000,000 in 1949.

Increase in alfalfa, clovers and other hay crops and more and better grass are encouraging dairying. With restricted acreages in tobacco and other cultivated crops, most farms have labor to milk a few cows or keep other livestock. With home-grown feeds, and often home-produced stock, profits are almost assured.

Farmers in more than half of the counties in Kentucky are now using artificial breeding to improve their herds.

COVER CROPS REPLACE STAND OF BROOMSEDGE

How Alton Fackler of the Fairmount community in Meade county made an "almost unbelievable transformation" of a 30-acre field of broomsedge to a lush green cover crop is described by County Agent H. P. Granacher.

The rolling land was said to be too thin even for pasture. Mr. Fackler cleared it off, leveled the field, then spread lime and phosphate. He now had an excellent stand of winter oats and fescue. He plans to sow Ladino clover in the low-lying areas of the field and lespedeza on the higher places.

This handy, combination attachment has a knife for grinding raw meat and two other knives for chopping vegetables and cooked meat, one fine, one coarse. Grinds meat for hash, hamburger, loaf, spreads, etc. A big help at canning time for making chile sauce, preserves, etc. Complete with power unit.

DRINK MIXER

A high-speed drink mixer, just like the fountain mixers. Mixes malted milks, milk shakes and other blended beverages. Gives complete, thorough blending. Complete with large mixing glass.

BUTTER CHURN

This new, fast and efficient Mixmaster Butter Churn attachment does the arm-work of butter making. Enables Mixmaster owners to make their own butter, either salted or unsalted to suit their taste, easily and quickly. Built to last with stainless steel, rustproof inside parts, wood paddles, sturdy 4-quart crystal glass churning jar.

De Soto Announces Brand New Model

De Soto announces a brand new model that goes on display at De Soto-Plymouth dealers on Tuesday, January 10. Advance information disclosed that the new De Soto will introduce a long list of new style and performance features. The rear of the car is completely new with sweeping, peak-crowned fenders; a wider, lower window 33%; larger, a deeper, lower, more protective bumper; and relocation of the combined tail lights, stop lights, and directional turn lights.

The newly designed grille is lower and new combined circular parking lights and turn signals are set into it. The hood ornament is a new beautifully sculptured bust of De Soto. Interior styling is luxurious. In the forefront of mechanical advances are new and larger hydraulic brakes. No car in America will have larger brakes. The 112-horsepower, high-compression engine combines with Tip-Toe Hydraulic Shift and gyro Fluid Drive to give excellent performance and "lets you drive without shifting."

Verona Youth Shares Christmas With Italian Underprivileged Children

Claude E. Washum, seaman apprentice, USN, of Verona, Ky., who is serving aboard the heavy cruiser USS Des Moines in the Mediterranean, this Christmas changed the conception many Italian children had of Santa Claus.

In the future, they will probably envision Santa as an American sailor or aboard a warship, instead of the proverbial sleigh. The reason is that plans were made for the crew of the Des Moines to share their Christmas with a group of underprivileged children from Naples, Italy. Their holiday entertainment consisted of a turkey dinner, a program of carols, and movie cartoons reflecting the Christmas spirit, capped by a visit from Santa with gifts. Each child received candy and nuts and was taken on a conducted tour of the ship.

The Des Moines is operating in the Mediterranean as flagship of the Sixth Task Fleet, under the command of Vice Admiral John J. Ballentine.

Erlanger Store Damaged By Fire Tuesday Morning

Loss Estimated at \$7,000 In Morris Department Store Blaze.

Fire caused damage estimated at \$7,000 in a combination two-story store and office building in Erlanger early Tuesday morning, and threatened a row of business houses before it was brought under control by the Erlanger Volunteer Fire Department.

The blaze started in a stockroom of the Morris Department Store, 15 Dixie Highway, traveled through a section of the rear store room into the walls and mushroomed between the ceiling and floor of offices occupied by Dr. Roger B. Rogers, chiropractor. Firemen checked the fire in the consultation rooms of Dr. Rogers.

Sam Metz, owner of the department store estimated his loss between \$4,000 and \$5,000. He reported water and smoke caused much damage to wearing apparel and dry goods stored in the stock room. Dr. Rogers sustained an estimated loss of \$3,000 to equipment used in examinations and treatment.

The fire was discovered about 5 a. m. by a truck driver who saw smoke pouring from the building. Erlanger and Elsmere firemen battled the blaze for one and a half hours, according to reports.

Other offices and an apartment on the second floor of the building were not damaged by the blaze, according to Erlanger Fire Chief Andy Scheben.

Camera Club Will Meet Tuesday, January 17th

The newly formed "Dixie Camera Club" will hold its regular meeting January 17th at the old Town Hall in Florence, Ky. Movies will be shown and there will be a talk for the camera fan and beginner.

The membership is open to men, women and children who are interested in photography. Anyone interested in photography is urged to attend.

Interior of Building Completely Redecorated; Open Three Days A Week

The Boone County Farm Bureau has rented the two-room building in Burlington owned by Albert Kirkpatrick and Mrs. Georgia Walton, fronting on Ky. 18 and adjoining the Burlington Grill.

The interior of the building has been redecorated and equipped as an office for the Farm Bureau personnel and its directors, according to John E. Crigler, secretary, and insurance agent. Mr. Crigler or his assistant will be at the office, according to present plans, on Monday, Wednesday and Friday of each week and by appointment on other days.

The Boone County Farm Bureau will endeavor to help its members in any way that it can be of service and especially through the several insurance services that are now provided for its members, which are auto, truck and tractor insurance, life, fire and windstorm insurance, comprehensive liability insurance and Blue Cross Hospitalization. Boone County has a membership of about four hundred and fifty and a goal of 600 members can easily be reached.

The general public is invited to stop in at the new office and look it over and your help and membership are solicited in order that the Farm Bureau may be of the maximum benefit to Boone County people.

James Ned Mason

James Ned Mason, son of Mr. and Mrs. Winston C. Mason of Union, died Monday, January 9, at Johns Hopkins Hospital, Baltimore, Md., according to reports received here.

Mason, an 18-year-old youth died of a rare head ailment from which he had suffered for six months. Following hospitalization in Cincinnati during the summer he was taken to Baltimore two weeks ago for further treatment. He graduated from high school last May and was stricken shortly afterward.

Funeral services were conducted today (Thursday) from the Union Baptist Church at 1:00 p. m. Burial will be in the Carrollton Cemetery, Carrollton, Ky.

Phillip Talliferro, Erlanger funeral director is in charge of arrangements.

Herman Buckler

Funeral services for Herman Buckler, 68, retired farmer and life-long resident of Boone County, were held at 2:00 p. m. Sunday at Bellevue Christian Church. Burial was in Bellevue Cemetery.

Mr. Buckler died Thursday at his home on Burlington R. 2.

He is survived by his widow, Mrs. Artie Buckler; 10 sons, Alton, Joe, Badger, Walton, Frank, Herman, Jr., James and Theodore, all of Burlington; Zach, Marion, Ind., and Norman, Platte City, Mo.; two daughters, Mrs. Earl Rawlings, Platte City, and Mrs. Galen Acra, Burlington; three sisters, three brothers and 37 grandchildren.

Ralph Stith, Florence funeral director was in charge of arrangements.

Limaburg Man Found Dead In Truck Friday

Was Employee of Union Light, Heat and Power Company.

The body of Leon H. Moyer, 46, an employee of the Union Light, Heat and Power Co., Cincinnati, was found Friday in a company truck stalled in the center of Gunpowder Creek, Limaburg, according to Wendell Easton, Sheriff.

Death was attributed to heart attack by Coroner Robert Brugh. Moyer had left home for work that morning and was apparently returning home when he attempted to cross the stream. Headlights were still burning on the truck when the body was found by two neighbors, George and Fred Heil.

Moyer was a member of Good Faith Lodge 95, F. & A. M. and the International Brotherhood of Electrical Workers.

He is survived by his widow, Mrs. Esther Roll Moyer; two daughters, Martha Belle Moyer and Shirley Anne Moyer, both at home; two brothers, Alvin Moyer, Mulberry, O., and Kyle Moyer, Batavia, O.; a sister, Mrs. Frank McCandless, Albuquerque, N. M., and two grandchildren.

Funeral services were held Monday at 2:00 p. m. from the Ralph Stith funeral home, Florence, with burial in Forest Lawn Memorial Park, Erlanger.

Dairy Tips

The profit derived from milking cows can be greatly increased by following a few simple rules, according to Bill Davis, County Agent.

1. Cows respond to kindness. Rough handling vicious dogs, ill-fitting or irritating milkers, and loud noises around the barn all help to cause a cow to hold up her milk. Keep dogs, cats and strangers out of the barn when milking.

2. Milk at the same time every day. Cows are creatures of habit and regular milking, feeding and caring for the dairy cows is an important factor in getting the most milk and profit.

3. Stimulate the milk let-down by washing the udder and feeding grain just before milking.

4. Milk quickly. When the milking is started it should be done rapidly. If a milking machine is used do not leave it on the cow after the milk flow has ceased. The milking machine will creep up on teats causing damage to the delicate membranes of the udder which may result in mastitis and in causing the cow to become a stripper. Too much stripping develops stripplers, decrease production and has a tendency to dry cows off.

5. When first milking a heifer, do so gently so the heifer will not dislike milking and become a kicker or poor milker.

Burley Averages \$48.75 On Kentucky Markets Past Week

Average Slightly Above Pre-Holiday Sales, According to Reports.

The marketing division of the State Department of Agriculture reported this week that 40,840,679 pounds of burley were sold in Kentucky last week. Receipts totaled \$19,957,277.65, an average of \$48.75 a hundredweight.

Strong post-Christmas sales last week boosted the season's price average for burley tobacco sold in Kentucky to \$47.57 per 100 pounds, according to tabulations.

The average for all markets in the eight-state burley belt stands at \$46.64 on sales that total 384,458,500 pounds, well over the halfway mark on the estimated crop.

Season's sales in the state now total 252,577,563 pounds for which growers have received \$120,162,645.70.

Through December 21, the last pre-Christmas sale, just 4 percent of the turnover throughout the burley belt was sent to the growers pool for failure to bring government support prices.

A total of 310,384 pounds of burley sold for \$149,360 at the first tobacco sale held after the holidays at the Covington Independent Warehouse, Erlanger, it was reported.

The average was slightly above that registered before the holidays. The high basket brought \$62 a hundredweight and the low brought \$12.

The price of good tobacco was slightly higher on an average. The Schwab and Smith, of Union, Ky., sold 2,570 pounds on the Independent floor for an average of \$57.08 a hundredweight.

The C. E. Vincent farm was sold at auction last Saturday, January 7 to Alfred Robbins, of Union, Ky.

This sale was handled by the Lute Bradford Realty Auction Co., of Florence.

River Reaches Fifty-Three Feet Wednesday Morn.

Heavy Rains Tuesday Cause of Climb; No Predictions Made.

Rains early Tuesday swelled the Ohio River to 53 feet Wednesday morning, one foot above flood stage, according to reports.

Heavy downpours throughout the Ohio Valley caused flood streams to leave their banks Tuesday, feeding the already swollen Ohio.

Heavy winds accompanied the rain throughout northern Kentucky area, with gusts reaching a high of 45 miles an hour in some sections.

Several roads in Boone County are blocked by the swollen Ohio, among them being the Conestoga-Bromley Road, and the Rabbit Hash Road to Hamilton school has been flooded since last week, with no school being held at Hamilton.

The Weather Bureau has made no predictions concerning the crest to be reached by the river.

Farm Bureau Plans Annual Meeting Thursday, Jan. 12

The annual meeting of the Boone County Farm Bureau will be held at the courthouse in Burlington at 8:00 p. m., Thursday, January 12th it was announced this week.

Two directors will be elected from each community. Officers of the Associated Women will also be elected.

Mr. John Koons of the State Farm Bureau and Mrs. Roberts of the Associated Women will be present to address the members.

Refreshments will be served immediately following the meeting.

Championship Game of Blind Tournery Called

Due To Power Failure In Third Quarter; Theo. Sanford Gives Ruling.

The "Light Man" did his part to make the third annual Boone County Schools News basketball tournament a "Blind Tournament" as it was billed. Twice during the final night of play the consolation game in which Florence defeated New Haven 79-44, was halted because of power failure but the big payoff came in the championship game between the defending champion Burlington Eagles and Hebron Cardinals when, with the host Eagles leading 28 to 18 with one minute and five seconds of the third quarter gone, the Mazdas went out for good.

Commissioner Contacted

H. N. Ockerman, superintendent of Boone County schools, announced yesterday that a communication from the office of the commissioner of Kentucky High School Athletics, Theo. Sanford, carried the suggestion that the outcome of the game be decided at the next meeting of the two schools in a regularly scheduled game, and that the first fourteen minutes and fifty-five seconds of the new game count also as the remaining time of the unfinished game.

A final announcement will be made early next week relative to the contest, school newspaper officials stated.

Cards Hot In Opener

Chuck Ransler had his Cardinals "red hot" in the turnover opener against Florence. With Jim Tanner doing most of the Hebron defensive rebounding and Abdon furnishing the offensive spark the winners have things their way most of the contest.

The Cardinals' final count, after a last quarter spurge by Florence, was 66 to 62. The first three quarter stops saw the Cards holding leads of 14-10, 37-20 and 53-44.

The Card scoring was Abdon 20, Tanner 17, McGlasson 15, Hogan 10 and Hebert 4.

For the Knights Billy Markesberry had 28 points and Roland had 17. Other Florence pointmakers were J. England 6, C. England 4, Martin 6, and McKibben 2.

Eagles 76, New Haven 31

Burlington had little trouble after the first few minutes in knocking off New Haven in the final game of the opening round by a 76-31 score. Scores at the stops with the Eagles leading all the way were 22-9, 36-20, 54-27. Eagle scoring was as follows: Cropper 19, A. Rouse 17, J. Ryle 15, G. Rouse 9, McBee 8, McFarland 2, Walton 3 and G. Ryle 3. For the losers Flynn had 8, Jones 7, Feagan 2, Moore 5 and Clayton 3.

Knights 79, New Haven 44

Florence won consolation honors when Chuck Henderson's crew waxed New Haven 79-44. Markesberry, the Knight's scoring ace, scored thirty points and Roland added 18. Other Florence scorers were McKibben 9, Bethel 11, J. England 3, Martin 5 and Scott 3. For the losing Tigers Jones and Moore divided 20 points, Carroll had 7, Clayton 2, Crume 2, Rhodes 8, Feagan 1 and Flynn 4. The scores at the first three stops were 27-16, 38-24 and 50-37 with Florence leading all the way.

Eagles Look Good

Burlington's Eagles appeared headed for one of their few good games of the year in their abbreviated contest with Hebron. They led the Cards 12 to 8 at the quarter and 24 to 18 at the half. In the sixty-five seconds played before darkness took over in the second half the Eagles added four more points while holding Hebron scoreless.

Bill McBee was pacing the Burlington quint as he had 11 points. Cropper had six, Ryle 4, G. Rouse 2 and Cave 1. For Hebron Hebert had six, McGlasson 4, Tanner 2, Abdon 4 and Hogan 2.

Constance Boy Enjoys Furlough With Parents

Sgt. Wm. Loze is enjoying a furlough with his parents, Mr. and Mrs. George Loze, of Constance after spending the past three years in Japan with the 1st Cavalry Division Artillery. Sgt. Loze was accompanied by Sgt. Jim Trainham, of Alabama, who is spending his furlough with the Loze family. He also has been stationed in Japan.

After their furlough they will report back to Japan for further duty.

FLORENCE F. T. A. WILL MEET THURSDAY JAN. 12

The Florence F. T. A. will hold its regular meeting Thursday evening, January 12th 7:30 p. m. at the school auditorium.

J. B. Conrad

Services were held at 2:00 p. m. Saturday at the Hopeful Lutheran Church for J. B. Conrad, 79-year-old lifelong resident of Boone County. Burial was in Hopeful Cemetery.

Mr. Conrad died Wednesday at the home of a son, John Conrad, Boone County, Ky. Besides his son he leaves three other sons, Stanley Conrad, Erlanger; Ivan Conrad, Hebron, and Ross Conrad, Rushville, Ill.; a daughter, Mrs. Val Dolwick, Florence; 12 grandchildren and seven great-grandchildren.

Ralph Stith, Florence funeral director was in charge of arrangements.

Charles Veach

Funeral services for Charles Veach, 61-year-old resident of Walton, Ky., were held at 11:00 a. m. Tuesday at the Chambers and Grubbs funeral home. Burial was in Highland Cemetery, Ft. Mitchell.

Mr. Veach died Saturday at his home in Walton following a heart attack. He was a member of a prominent Northern Kentucky family.

He is survived by two sisters, Mrs. Laura Cuni, Glendale, Calif., and Miss Elizabeth Veach, Huntington, W. Va.

Mr. and Mrs. Al Ruppert and daughter of Covington spent one evening last week with Mr. and Mrs. Ernest C. Ruppert and family.

First Defeat Of Season Suffered By Walton Bearcats

At Hands Of Strong Newport Five; Eagles Chalk Up Two Victories.

Walton's Bearcats fell from the rank of undefeated last week when they lost to Newport by a 30-19 count at the winner's floor. It was Walton's first loss in ten games. The Bearcats who usually are a high scoring outfit had plenty of trouble penetrating the Newport defense. Sheanshang was high scorer for Newport with 15 points. Vest led the losers with six.

Eagles Nip Two

Burlington's Eagles, currently on a five-game winning streak, added Crittenden and St. Henry to their list of victims last week. The locals tallied a 46-42 win over Crittenden at the Bulldog's floor Saturday night and trimmed St. Henry 44-31 at the Erlanger team's floor Monday night.

The Eagles lost the services of their pivot man and high scorer Bill McBee, for several games in the Saturday night encounter. A badly sprained ankle, a jinx that has plagued the Eagles all year has sidelined McBee for the second time this season.

Even though he played a little less than half of the Crittenden game before his injury McBee paced the winner's scoring with ten points. Cave had nine points, Cropper 8, Ryle 7, G. Rouse 7, A. Rouse 4, and Ockerman 1. Cook led the losers with 11 and Jump and Webster divided 18. The Burlington reserves won by a 28-13 score with "Goose" McFarland furnishing the offensive spark.

In the St. Henry game the all around improved play of Jim Ryle and Gayle Rouse was an optimistic note for local fans. Ryle had 19 points and Rouse had 8 plus doing a magnificent rebounding job. Bill Cave added 11 points, Cropper had 4 and Ockerman 2. For the Crusaders Cahill led with 11 points.

Burlington's seconds added another game to their win column with a 28-26, two-overtime periods, thriller over the St. Henry seconds.

CONSTANCE HOMEMAKERS

The Constance Homemakers held their regular monthly meeting at the home of Mrs. Freda Kottmyer January 5 at 10:30 a. m. Seventeen members, 1 visitor and four children were present.

It was voted to visit the County Infirmary on February 14th with all members in attendance.

"Our lesson on 'How to Make Hats' was given in the afternoon by Mrs. Bessie Kottmyer and Mrs. Ruth Kottmyer.

A special meeting will be held January 28 at 1:00 p. m. at the home of Mrs. Ruth Kottmyer with all members who are making hats requested to be present.

Our next meeting will be held February 8th at the home of Mrs. Grace Dolwick.

—Publicity Chairman.

Sixty-eight kerosene lamps were wired by six homemakers clubs in Henderson county in one month.

WOMEN'S SOCIETY MEETS

The Women's Society of the Florence M. E. Church convened January 3 at the church. The session opened with prayer by Mrs. C. N. Ogg. Mrs. Paul Chaney, president conducted the business period and reports were heard, followed by devotions by Mrs. C. A. McKibben. Mrs. Helen Bethel was chairman of the program entitled "Take My Love," which included the songs "Love Divine" and Saviour Thy Dying Love" by the group. The session closed with prayer by Mrs. Ella Bethel.

Members attending were Mesdames Ethel Daugherty, Eva Miller, Pearl Baker, Allie Markesbery, Kathryn Oliver, Ella Bethel, C. N. Ogg, C. A. McKibben, Helen Bethel, Ida Miller, Nannie Mitchell, Naomi Chaney, Lella Allen and Miss Mary A. Markesbery.

4-H STATE CHAMPION OWNS 12 HOLSTEINS

As a result of carrying a 4-H club dairy project for the past nine years, Miss Delma Dawson, 20, of Campbell county now has a herd of 12 registered Holstein cattle. During the past year she showed

two of her animals in eight shows or fairs, receiving a total of \$230 in premiums. As state dairy project champion, she attended the National 4-H Club Congress in Chicago. In addition to her dairy project, she also carried poultry and garden projects for two consecutive years.

WHAT A WALLOP!

That ice storm last week really dealt me a paralyzing blow! Falling tree limbs and heavy loadings of ice pulled down my lines in scores of places, snapped off poles and cross arms by the dozen, and disrupted my service throughout this entire area.

All available linemen and servicemen were called out immediately and emergency repairs were pushed with all possible speed, despite icy roads and severe weather handicaps.

Linemen worked early and late, scarcely taking time out to eat or sleep, but unfortunately they couldn't be everywhere at once. Transmission lines had to be repaired first, and then primary, secondary and house service lines, in that order.

It was a tremendous undertaking because the damage was so widespread, but the biggest part of the work is now finished, and our men will stay on the job until service is back to normal for everyone.

All of us at Community Public Service Company wish to thank you for your patience and understanding of our difficulties during a most trying time.

We especially wish to thank those who reported fallen lines, gave our men food and hot coffee and otherwise helped during the emergency. Your cooperation is sincerely appreciated.

Thanks a lot!

WORKERS OVER 65 ENTITLED TO BENEFITS

"Seasonal workers over 65 years of age who are not working during the winter months may be entitled to social security benefits for those months in which they do not earn over \$14.99 in employment covered under the Social Security Act," Elbert M. Bohon, manager of

the Covington, Kentucky office of the Social Security Administration, announced. "These benefits are automatic and workers must call at the nearest Social Security office in order to apply for them," Mr. Bohon added.

Every winter hundreds of seasonal workers over 65 years of age draw benefits for months they do not work. However, social security

records disclose that many other workers do not realize they may be eligible and fail to apply for payments until they retire permanently. Since benefits can only be paid for a period of three months before the month in which the application is filed, many of these workers lost payments.

All seasonal workers over 65 who have been working under the Social Security Act and are now laid off are urged to contact the nearest Social Security office to inquire about their benefit rights. A representative from the Covington office visits your county seat post office every month. Ask your postmaster for the date of his next visit.

WORD OF THANKS ISSUED BY BOONE COUNTY RED CROSS

The Boone County Red Cross wishes to thank all those throughout the county who sent in clothing and toys to be distributed to the less fortunate at Christmas. We are grateful to be considered as the agent to give out these things to those who need them and we are also grateful to be considered a part of the wonderful Christian spirit which prompted those who gave. As one man said in Florence "We cannot prevent trouble, but we can help when it comes."

Sincere thanks go to those organizations giving baskets of food and who came to use and asked what families we knew that needed these baskets. No public or general appeal was sent out, and for this reason, it is doubly wonderful how people gave. One church had each child in the congregation bring a wrapped toy and put it on the Christmas tree at the church needy children in the county. These gaily wrapped toys were put into a huge box and brought to the office of the Red Cross for distribution. All things have been given and we want everyone to know how much pleasure they afforded to the receivers, especially the little children and their parents for every mother and father want their children to have a happy Christmas. Through your generosity many children will remember this Christmas all their lives.

CLUB IDEAS HELP REMODEL KITCHEN

When Mr. and Mrs. R. C. Whitaker of Rockcastle county started remodeling the kitchen of the house they bought recently, they put to use some of the ideas Mrs. Whitaker had learned in her homemakers club.

In planning the heights of different cabinets, they checked Mrs. Whitaker's height and made them to fit her needs. One cabinet was made a comfortable height for mixing, another for rolling dough, meat pounding and the like, and a third for cutting. She also has a pull-out board placed so that it is over her lap as she sits to work.

Mr. and Mrs. Whitaker are doing the remodeling, as well as installing running water and a sink in the kitchen.

Grover Eads, commercial vegetable growers in Wayne county, treated approximately 1,500 square feet of plant bed with methyl bromide for weed control.

**WOLFE AGRICULTURE SHOWS IMPROVEMENT**

That farming practices in Wolfe county show 100 to 300 percent improvement during the past 12 years is indicated in reports from farm leaders to Charles E. Gabbard, farm agent. Reports Mr. Gabbard: "During the period from 1935 to 1940, the yield of tobacco was not over 500 to 600 pounds on the average farm. The yield of corn was estimated to be not over 15 to 20 bushels an acre. Milk and egg production were low because of improper feeds and feeding."

"Now the yield of tobacco is from 800 to 2,300 pounds per acre. Corn yields vary from 20 to 100 bushels, with an average of around 30 to 35 bushels per acre for the county."

"J. L. Phillips of Lee City reports 2,600 pounds of tobacco from 1.1 acres and gives credit to good soil building and management practices carried out according to recommendations in our county program. Approximately 50 other farmers reported yields of 1,700 to 2,000 pounds an acre. All give credit to recommendations given in the tobacco production program. "Yields of corn as reported by demonstrations were almost too good to be true. Many reported 3 1/2 to 4 bushels per shock, with about 30 shocks to the acre. All gave credit to hybrid corn, good soil building practices carried out in the past, proper use of fertilizer on a small acreage and to the general recommendations of our corn production program."

NEW ELECTRIC SUPPLY HOUSE TO OPEN SATURDAY

After weeks of preparation, Wittemyre's will have the formal opening Saturday, of their new, modern and complete plumbing and electrical Supply House, 125 Pike Street Covington, next door to the old location.

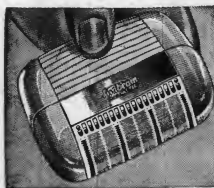

This enterprising and rapidly growing firm will give away, free, Saturday night, a 54-inch Youngstown Kitchenaid. You are invited to go in and register for this event. You need not be present.

**Fellowship**

Lesson for January 15, 1950

THE FIRST CHRISTIANS didn't have everything we have, but on the other hand they had one thing seldom to be seen nowadays. They did not have the New Testament, only the Old; they were not surrounded by an even partly Christian civilization; they had no centuries of Christian tradition; they had no world-wide Christianity, only a small knot of people in one small and out-of-the-way city, Jerusalem. On the other hand, for all they lacked, they had one great thing: Fellowship. We have it too, but too often in a week and watery fashion as compared with what they enjoyed.

Family Living

THE VERY FIRST CHRISTIANS lived literally like a big family. There is all the more extraordinary when you think of the variety of their backgrounds. (Look up the list of places mentioned in Acts 2:9,10 on a map of Asia, Africa and Europe.) A good family is a unit.

If little Willie comes down with appendicitis, his parents don't get out the family account book and figure out how much Willie has been worth to the family, in dollars and cents, in his eight years of life.

Suppose they calculated that his services, such as they are—carrying in the wood, feeding the chickens, or what not—had been worth about \$23.75 since the last time he was sick, they wouldn't send little Willie to the hospital with the note to the doctor: "Please give our Willie \$23.75 worth of operation. That's all he has put into the family budget and that's all we're going to let him take out!"

Not by any means. Little Willie is taken to the hospital and whatever operation he needs, that is the one his parents want him to have, even if it costs 20 times what Willie has been worth in cash. The family give Willie what he needs, and they also expect him to help out in all the ways he can.

Church Living

ONE TROUBLE with our churches today is that so many of them have actually lost this family-feeling. The early Christians, we are told, "were of one heart and soul." Could you say of your church that all its members are of one heart and soul?

The early Christians, feeling thus close to one another, "had all things in common." What do the members of your church have in common? They meet in one place once a week. But what else? Do they even speak to one another? If one member of the congregation falls sick, do the others find out about it quickly, and when they find out, what do they do about it? If trouble comes to a member, do the other members rally around him?

Does the church say to its members, as the Salvation Army does of hard-pressed men, "You may be down but you're never out?" Some churches have a pastor's or deacon's fund, to be used in cases of need.

Contributors to the fund are as anonymous as are those who are helped by it. The idea is for those who are blessed with large income, or those who may have special windfalls, bonuses, extra dividends, big crops, and so on, to chip in for the aid of all who may run into trouble.

Not All Troubles Are Financial

NATURALLY, not all troubles are financial. Some of the most serious troubles have little or nothing to do with money. There are many other kinds of needs. For example, in any church there will be lonely people, and you can't cure loneliness with a check, no matter how big.

The minister is the key man, he can locate the needs, but he can't supply them all. Lonely people, those who have been through deep sorrow, men trying to find the right jobs, young folks in danger of serious temptation—a church which is like a family will not let these people fight their battles alone.

What we all need is the feeling that we belong. The church can make all the difference between despair and happiness simply by making every single person in it feel that no matter what happens to him, he still belongs; he is more than among friends, he is among brothers.

SPECIAL EVENTS FOR HOMEMAKERS AT FARM AND HOME CONVENTION

February 3 has been designated as Homemakers Day at the Farm and Home Convention at Lexington, scheduled to begin Jan. 31.

High spot of the day will be the Homemakers International Luncheon, when Mrs. Raymond Sayre of Iowa, international president of the Associated Country Women of the World, will speak.

Two women will be recognized as Master Farm Homemakers at the morning program. Decision of judges on a creed for Kentucky homemakers will be announced and the author recognized. The winner of a story on the subject, "My Day," also will be introduced.

Miss Alice Word, Hopkinsville, International Youth Exchange delegate, who spent four months in Denmark last summer through the cooperation of homemakers clubs throughout the state, will use colored slides in telling of her trip.

Gavels will be presented to homemakers associations in Carter, Marshall, Monroe and McCreary counties for having met the requirements of the Kentucky Federation of Homemakers. The association in Powell county will be awarded a president's pin and gavel for having secured a home demonstration agent.

SOCIAL SECURITY OFFICER WILL VISIT ERLANGER

On January 19, Edward J. Bolter, Field Representative of the Social Security Administration office, will be at the Erlanger Post Office from 10:00 a. m. to 11:00 a. m. All persons interested in the old-age and survivors insurance program, or applicants for social security cards should consult this representative. Each worker upon reaching age 65 should call at the nearest office of the Social Security Administration to determine his status under this program. When a worker dies his survivors should get in touch with the social security office for assistance in filing claim for death benefits.

KENTUCKY JOINS PROGRAM DESIGNED TO PROMOTE DRIVER EDUCATION IN SCHOOLS

Kentucky and the other 47 states have joined in a common program designed to promote driver education in the high schools as a means of curbing teen-age recklessness on the highways and generally improving driving habits among the nation's future motorists, the Association of Casualty and Surety Companies announced today in New York.

Governor Earle C. Clements personally authorized Kentucky's participation and has appointed Capt. Estill B. Jones of the Kentucky State Police, as state coordinator of the program. In that capacity, Mr. Jones will promote driver education in high schools throughout the state as an effective and permanent means of increasing public safety on the streets and highways.

Kentuckians In Washington

By Gil Kingsbury
Each day the House and Senate are in session, Divine Guidance is asked before lawmakers get down to work.

On the day President Truman addressed the joint session, Dr. Edward G. Latch, pastor of the National Methodist Church, said the prayer. We believe all people—in and out of Congress—can well heed these words: "Save us from unworthy discords, keep us from perpetual motion, restrain our unruly desires. Make us worthy of high positions we hold, give direction to our desires, develop within us understanding minds and loving hearts that the influence of our lives may always be for Thy good. Grant us wisdom, grant us courage that we may not fail Thee."

Moving Time
This is the time of the year when Congressmen and Senators change offices. Painters, carpenters and electricians are busy as lawmakers move to better quarters.

Senator Withers, the junior senator from the Blue Grass, is one of those who has obtained a new office. It's on the third floor of the Senate Office Building, not far from the headquarters of the senator, Virgil Chapman.

The Withers' office now overlooks the north plaza of the capital with a beautiful view of the Supreme Court Building and the dome of the Capitol itself.

The Spotlight
The new Mrs. Barkley has taken the spotlight away from the other ladies of the Congress. Take the day the Senate opened. Mrs. Barkley was the center of all eyes as she took her seat in the gallery. Her distinguished husband was almost forgotten until he banged down the gavel and called the Senate to order.

Mrs. Barkley was accompanied to the first session by her step-daughters—Mrs. Max Truitt and Mrs. Douglas McArthur III. It looks like a happy family.

Back Home
We had an enjoyable visit to Northern Kentucky recently to present a gavel to the Christopher Gist Historical Society. The gavel was made from wood obtained at the Maryland farm of General Covington for whom Covington was named.

During the visit we had occasion to drive through Warsaw and LaGrange last one night, too late to

stop and see friends. But the quiet and charm of those two Kentucky communities reminded us of the English countryside. We were disappointed at not being able to take time out and spend several days away from the rush of Washington.

Do You Know?
While visiting the Fifth District we heard many complimentary things about Boone County's Judge Carroll Cropper. We were impressed, too, with the widespread popularity of John Graham, clerk of the Campbell Circuit Court. Congressman Spence had had luck almost as soon as he returned to the capital. Robbers broke into his Ft. Thomas home. And a recent Washington visitor was Major Jas. B. Davis, of Park Hills, just back from Alaska, and Lt. Col. Jack E. Wert, formerly of Ft. Mitchell.

Mrs. Harry Daugherty and Mrs. Paul Chaney were hostesses to a number of relatives and friends with a luncheon Dec. 30 at the home of the former, the honor guest being Mrs. J. F. Daugherty.

Mr. and Mrs. Russell House and Mr. and Mrs. R. B. Taylor departed for Florida on Tuesday of last week.

In our news of a recent issue we stated that pastor B. E. Easterday officiated at the Erlanger Christian Church. However, he has been officiating at the Elsmere Church of Christ instead.

Mrs. Irene Renaker entertained most graciously over the New Year

holidays with turkey dinners. Those enjoying the festivities were Mr. and Mrs. Carlton Crisler and sons Gary and Steve, Mr. and Mrs. Melvin Barth and daughter Marsha Jane, Mrs. Helen Rouse and sons Tommy, Jack and Brent, Mrs. Mamie Cahill, Miss Ruth Cahill and Robt. Miller of Ft. Mitchell, Mrs. Eva Miller and son Renaker and the hostess.

Harry K. Daugherty and brother Jos. F. and wife and Mrs. Minnie Daugherty of Walton were guests of Dr. and Mrs. Harry Daugherty over the holidays.

Services for Allen M. Darby 55, who succumbed suddenly of a heart attack, were held from the Tall-

Announcing the **NEW DESOTO**

Now on display

HERE's the best-looking new car of them all! It's the new De Soto, designed to give you more room, more comfort, more visibility, more safety and more lasting satisfaction than any car you ever owned. Here's the car designed with YOU in mind.

It's brand-new from handsome new front grille to tail-lights. And it's waiting for you to come and ride in it.

It lets you drive without shifting. It has a terrific high-compression engine, bigger-than-ever brakes, weatherproof ignition, feather-light steering. Yet it is excitingly easy to buy and amazingly economical to operate.

No matter which make of car you thought you might buy this year, "Drive a De Soto before you decide." Let us arrange a demonstration.

Amazing Relief From Foot Torture

N. TULCH

Foot Comfort Specialist at—
PEOPLE'S SHOE STORE
814-816 Madison, Covington

When your feet begin to roll inward and go down, the nerves and blood vessels in your feet are pinched and cramped, permitting waste matter to collect at the joints. Then comes inflammation and pain. It often creates symptoms of rheumatism, arthritis and other ailments. Those backaches—those headaches—those leg pains may be coming from the shoes you are wearing. Don't take chances with your health, happiness, and peace of mind. Go where schooled men will make an honest scientific foot analysis and recommend your correct shoe. Don't wait—stop that suffering now.—Adv.

RECIPE OF THE WEEK

For a company luncheon chicken is a general favorite. Mrs. Pearl Haak, specialist in foods at the College of Agriculture and Home Economics, University of Kentucky, suggests this way of making it serve several.

Chicken a la King

1/4 cup butter or margarine, 1/4 cup flour, 1/2 teaspoon salt, dash of pepper and of paprika, 1 1/2 cups chicken broth, 1 1/2 cups milk, 1 small can mushrooms, 1 hard cooked egg, 1 cup cooked peas, 4 tablespoons pimento, 2 cups cooked chicken.

Make a cream sauce of butter, flour, seasoning, milk and chicken broth. Add the mushrooms, peas, cut-up egg and pimentoes. Add the chicken cut in inch-size pieces, folding gently to avoid breaking them. Keep over hot water until ready to serve. Serve in patty shells or on toast.

Note: To cook chicken, cover pieces with boiling water, add 1 tea-

spoon salt, 4 stalks of celery and 4 tablespoons chopped onion. Simmer gently until tender, about two hours. Let cool in broth.

Party luncheon menu: Chicken a la king on patty shell, broccoli with cheese sauce, orange and grapefruit salad, poppy seed rolls, butter and ice cream topped with frozen strawberries and freshly grated coconut.

TO OUR FRIENDS

The family of the late Private First Class Leo E. Regenbogen, of Constance wishes to take this opportunity to thank each and every one of our many friends, who in a time of such great need, so generously offered their help and assistance, and shared our sympathy in the loss of our beloved son and brother, Leo.

We will, in our hearts forever, hold grateful remembrance for your kindness. It-p

NOTICE TO TELEPHONE USERS

Theleet storm on the night of January 4th did a great amount of damage to the outside plant of the Telephone Company. Trees fell on our lines breaking many poles and thousands of wires. Other wires were broken by the sheer weight of the ice that collected on them. We have been working from daylight to dark and when practical into the night every day since the storm struck. We have brought experienced men and equipment into this territory and we have employed all the local inexperienced help we can use. We have had material shipped from the factory by airplane. We are doing everything possible to restore service without unnecessary delay and we sincerely appreciate the fact that our customers realize that the extent of the damages make it impossible to avoid some interruption in service. It will be appreciated if all customers whose service is not restored by Friday of this week will report their telephone at this time although a previous report may have been made.

PUTS WATER IN HOUSE

John Preston of Letcher county has taken advantage of a fresh-water spring to supply his home with running water. Because it is

located in the hollow about 200 feet above the house, there is sufficient pressure to take care of all the conveniences of a home water system. County Agent Robert H. Fike

said that Preston built a reservoir with a capacity of about 3,000 gallons.

TENNESSEE BEAUTY BERRIES RANK TOPS

In the opinion of Charlie Cone of Marshall county, Tennessee Beauty strawberries have several desirable qualities over Aromas. The two kinds of berries were grown on level ground in the same field where fertility was high and phosphate used for the top dressing. Cultivated alike, they were also sprayed for the control of insects. The Tennessee Beauty variety produced 370 crates per acre, and the Aromas, 230 crates. Average crate net price was about \$4.50. Mr. Cone pointed out to Farm Agent J. Homer Miller that the Tennessee Beauty berries not only paid him about \$648 more for the crop, but also required picking only every three days, while the Aromas had to be picked every day in warm weather.

Men and women of Martin county made a tour of farms in Lawrence county in search of dairy cattle.

THE BOONE COUNTY RECORD

ESTABLISHED 1875

VOLUME 74

BURLINGTON, KENTUCKY, THURSDAY, JANUARY 19, 1950

NUMBER 27

March Of Dimes Drive Underway In Boone County

County Chairman Selects Precinct Workers For Campaign.

Ben F. Zimmer, Jr., local director of the Kentucky Chapter of the National Foundation for Infantile Paralysis, Inc., has opened the campaign for "The March of Dimes" commencing January 14th and continuing through January 31, 1950. The quota for Boone County has been set at \$2,000.00.

Boone County has been very fortunate during 1949. While Kentucky had 670 cases, Boone County had only 2. Campbell and Kenton County had fifty or more. Approximately one-third of the cases in Kentucky will be held over for years to come. This, plus the ever increasing new cases, created a greater demand this year than ever before.

The following persons have been appointed by Mr. Zimmer as chairmen of their respective communities:

Burlington, R. I. Rouse; Walton, Verona, Dave Tanner; Florence, Mrs. George Morith; Constance, Mrs. Martha Clayton; Petersburg, Jack Ryle.

Chairman for other communities in the county will be named in the next issue of this paper.

Howard B. Thompson and Stanley LaGory have been appointed as field representatives, handling distribution of material and money cans. Clarence West of Florence, program director of station WLW will handle public relations.

For entertainment there will be two basketball games. One will be played between Burlington and Florence. Players must be over 35 years old. The public is requested to come and see your stars of yesterday. These games will be very entertaining.

Mrs. George Morith, Florence chairman and her workers are making plans for a "March of Dimes Ball" for the young folk. Complete plans have not been completed at this writing.

Those in rural sections who have not been contacted by one of the workers, and who desire to contribute to this worthy cause, may do so by sending their contributions to the following places: Polio, care Ben F. Zimmer, Jr., Florence, Ky. Citizens Bank, Grant; Hebron Bank, Hebron and Union Deposit Bank, Union. All donations mailed to the above named places should be marked "Polio." Anyone desiring a receipt for their contribution can have one upon request.

Mr. Zimmer urges everyone to support this most worthy cause.

Mrs. Dorothy Guiley arrived by plane from Baltimore to spend a few days with Mr. and Mrs. Lloyd Guiley, of Union, prior to leaving for Florida with her parents, Mr. and Mrs. Robert Haley, of Covington.

Seal Sale Officials Express Gratitude For Local Support

X-Ray Unit Planned For County Early Next Summer, Is Report.

Officials of the Boone County Tuberculosis Association wish to express their sincere appreciation to the people of Boone County for their generous support of the recent seal sale.

Your contribution is helping to support Boone County patients who are now being cared for in the sanatorium at Hazelwood and it is helping to fight TB through education research.

It is the plan of the local association to have an X-ray unit in the county early next summer to furnish free X-ray examinations for all. This is the only sure way to detect tuberculosis.

Boone County can be proud of the fact that it stands at the top of the state in the seal sale per capita and in order to maintain this splendid record the committee composed of Sibbia Reimer, chairman, Kathryn Cropper, treasurer, and Ralph Maurer, publicity chairman, urges those who have failed to make their contribution to do so now. It is still not too late to help in this great cause.

Remember that eighty percent of all donations stays in the county and that none of it is spent for salaries—but for support of sanatorium patients, education and research.

Holbrook-Remley

Miss Mamie Marie Holbrook, attractive daughter of Mr. and Mrs. John Holbrook, of Burlington and Mr. Melton Remley, son of Mr. and Mrs. Claude E. Remley, Sr., of 3210 Graves Ave., Latonia, were married last Saturday, January 14th in the chapel of the Louisville Bible College by Professor R. T. Drake.

The bride is a graduate of Burlington High School and was employed by the Boone County Board of Education as an assistant to the superintendent.

The groom is a graduate of Holmes High School, Covington and is employed by Theiman Bros. Grocery in Cincinnati.

After a brief honeymoon the happy young couple returned to 107 East 15th St., Covington, where they will make their home.

Firemen's Auxiliary Plan Pillow Slip Bingo January 19th

The Ladies' Auxiliary of the Florence Fire Department announce their monthly Pillow Slip Bingo Social to be held at the Fire Hall and Community Center on Thursday evening, January 19, 1950 at 8:00 p. m. given for the benefit of the Community Center Building Fund. The next regular meeting will be held Wednesday night, February 8. Everyone is invited to attend the meetings which are held on the second Wednesday night of each month.

NEW FLASHER LIGHTS WILL BE USED BY STATE HIGHWAY DEPARTMENT

Blue flasher lights appearing on

Kentucky highways this winter will signal the approach of snow removal equipment operated by the State Highway Department.

W. P. Ringo, Department traffic director, said all snow plows and other snow removal equipment will be equipped with the blue lights which have been adopted by the majority of state highway departments following their approval by the American Association of State Highway Officials.

"This is the first year blue flasher lights have been used on our approximately 200 pieces of snow removal machinery," Ringo said. "They are not to be confused with traffic lights. However, motorists should drive with extra caution when snow equipment is approaching and give the operators plenty of room. Some of this machinery is equipped with sharp blades which whirling snow can hide."

TANNERS ENTERTAIN

Mrs. Ira Tanner and daughter, Miss Lucille entertained with a six o'clock birthday dinner for Miss Marguerite Tanner and Mrs. H. S. Tanner. The following guests were present, Mr. and Mrs. Robert B. Rouse, Mr. and Mrs. Ross Russ, Mr. and Mrs. H. C. Tanner, Mrs. Lillie Youell, Miss Frieda Marks, Mrs. Ora Tanner and daughter Marguerite and Lucille.

The honor guests received many lovely gifts, and an enjoyable evening was spent by all present.

Walton Bearcats Upset Hazard Five In Hard-Fought Game

Eagles Tounce Grant County Team By Score of 68-41.

One of the biggest upsets in Kentucky basketball occurred last Friday night when the Walton Bearcats defeated the Hazard five, who are coached by Homer Lee Osborne, former Walton star, 43 to 41, on the losers' floor. But in a "let-down" game the following night the Bearcats bowed to Leslie County High in Hyden, 55 to 46. The Burlington Eagles added their sixth straight win by defeating Williamstown 68 to 41 last Friday night. The Knights of Florence added a win by trouncing the Silver Grove Trains 61 to 50, while losing to Simon Kenton 62 to 34. Ludlow walked over the Hebron Cardinals 63 to 31 and New Haven lost a heart-breaker to Milton 40 to 39.

Bearcats Over Hazard
Vest of Walton poured through 16 points to lead his team to their 43 to 41 win over the strong Hazard team, which is rated twelfth in the state. Greer, Hazard's elongated center made 22 for the losers. The game was close throughout, with a 4 to 4 score at the quarter and 16 to 16 at halftime.

Walton traveled from Hazard to meet the Leslie County basketballers on Saturday night, and suffered their second defeat of the season 55 to 46. Click was high for the losers with 13 points.

Eagles Take Williamstown
Bill Cave, tall Burlington senior, paced the Eagles' scoring parade with 23 points, as they won easily over Williamstown 68 to 41, at Burlington last Friday night. Ryle tossed through 18 and Sonny Ockerman added 15 markers. Scroggins made 16 and Hall 13 for the losers.

Knights Win and Lose
Markesbery was not again as he scored 25 points for the Florence five in their win over Silver Grove 61 to 50, last Tuesday night. Fillhardt had 22 for the losers. Ludlow moved into an early lead and went on to defeat the Hebron Cardinals 63 to 31, last Tuesday night. Nutter tallied 16 points for the winners, while Tanner had 9 for the Cardinals.

Coming Games

Truck Load Limits Placed By Fiscal Court on Local Roads

Three-Ton Limit Placed On County Maintained Roads To April 15th.

Truck operation using Boone County roads from this date until April 15th, 1950 will be required to keep their load limit to three tons on roads maintained by the Boone County Road Department.

The above ruling was issued by the Boone Fiscal Court at a recent meeting of the body, and will be enforced by officials of the county. This measure is being taken by the court to protect and save the roads of Boone County during the winter months. Roads were damaged in recent years by overloaded trucks, costing the county thousands of dollars to repair.

The above restrictions apply to all rural blacktop roads and other county roads, but does not apply to State or Federal Highways in the County. Tractors will not be permitted to haul over three tons over and above the weight of their truck.

An advertisement issued by the Boone fiscal court appears on another page of this issue.

Refund of Social Security Taxes Paid On Wages Should Be Requested

"Refund of social security taxes paid on wages of more than \$3,000 should be requested," said Elbert M. Bohon, manager of the Covington, Kentucky office of the Social Security Administration in a statement made today.

"You may submit a claim for refund of taxes paid in excess of \$3,000 in the years of 1947, 1948, and 1949," continued Mr. Bohon. "All claims for refund must be filed within two years after the calendar year in which wages were paid, and simple forms (843 and SS-9a) can be obtained from your nearest Collector of Internal Revenue."

This advice concerns only the social security tax for old-age and survivors insurance and should not be confused with income or withholding tax. For further information on this subject, contact your Collector's office. For other Social Security information, contact your nearest Social Security Administration Office.

Accident Injuries Prove Fatal To Jesse Thornton

Widow Remains In Critical Condition At St. Elizabeth Hospital.

Injuries sustained in an automobile accident New Year's Day at Oneida, Tenn., proved fatal Friday, to Jesse S. Thornton, 64, of Walton, Ky.

Mr. Thornton, a United States Government tobacco grader was returning to Tennessee to resume his post as tobacco grader, when the accident occurred. He was accompanied by his wife, who remains in a critical condition at St. Elizabeth Hospital, Covington.

Following the accident, the Walton couple were taken to hospital in Knoxville, Tenn., and later were moved to Covington. Mr. Thornton's death was a shock to the entire section, as his conditions was not thought to be serious.

Mr. Thornton was well known throughout this section, having operated a grocery business at Walton for a number of years and had served as an employee of both the Community Public Service Co., and the Consolidated Telephone Co., of Boone County.

For the past several years he had been employed as a government tobacco grader, which position he held at the time of his death.

He was a member of the Masonic Lodge of Jonesville, Ky.

He is survived by his widow, Mrs. Lacy Collins Thornton; one son, Jesse William Thornton; a daughter, Mrs. James Vest, of Walton, three brothers, David, and Edward of Owensboro and C. F. Thornton, of Jonesville, and one grandson, Dyke Vest.

Funeral services were conducted from Walton Baptist Church Sunday at 2:30 p. m. with Revs. R. F. Demoss, Dearing and Garriott, officiating. Burial was in Walton cemetery, with Walton Lodge F. & A. M. conducting brief services at the grave.

Chambers and Grubbs, Walton funeral directors were in charge of arrangements.

Estimated Loss Set At \$1,000 In Fire At Carl Dunn Residence

The five-room residence of Carl Dunn, located near the airport, was badly damaged by fire and smoke Saturday morning, but the main structure of the house was prevented from burning, according to Chief Earl Aylor of the Hebron Volunteer Fire Department.

The fire was thought to have started from clothing hanging near an overheated stove. The fire was confined to one room, but smoke and water caused considerable damage to other parts of the building.

The Hebron Fire Department was prompt in answering the call and very successful in bringing the blaze under control.

District Tournament Will Be Played In Two School Gyms

Finals Will Be Staged At Simon Kenton Gym Saturday, March 4.

"A district basketball tournament which the fans can get seats and see" seems to be the theme of member schools of the thirty-fourth district this year. Representatives of the schools, in a meeting at Erlanger Monday night, decided to have the tourney at two sites, St. Henry in Erlanger and Simon Kenton in Independence. The arrangements as planned will place all teams who draw in the upper bracket playing at the Simon Kenton floor and all teams who draw in the lower bracket playing at St. Henry with the final game to be played at the Simon Kenton floor.

There will be one game each night at each of the two designated floors. The tourney will begin Wednesday, March 1, and extend through Saturday, March 4, with game time at both schools set at 8 p. m., officials stated.

Referees and other officials of the tournament have been selected but have not been officially announced. Tournament managers will be R. S. Hinsdale, principal of Simon Kenton, and Bert Wilmhoff, coach of St. Henry.

BURLINGTON HOMEMAKERS
On Thursday, January 5th the capable president, Mrs. Carroll Cropper, was the lovely hostess to the Burlington Homemakers Club. Before noon the ladies enjoyed an interesting business meeting. The Club was pleased to welcome Mrs. Allen Sullivan as a new member.

The Homemakers were glad to have with them at this meeting, the charming Miss Nancy McClaskey, Home Demonstration Agent for Boone County. Business was dispensed with by noon, the most important of which was electing a delegate for Farm and Home Week who is Mrs. Vernon Pope and donating \$5.00 to the tuberculosis fund.

After a bounteous, tasty lunch the ladies again convened for the lesson, "Hat Making." This was given by Mrs. Thos. Hensley and Mrs. Vernon Pope.

A pleasant social hour with Mrs. Margaret Stephens chairman, was enjoyed by Mesdames Carroll Cropper, Wendell Easton, R. C. Garrison, Thos. Hensley, Anna Huey, Grover Jarrell, J. Kelly, L. Kite, Robert Maurer, Lee McNeely, Jr., Vernon Pope, Pete Stephens, Allen Sullivan, Hubert White and the new H. D. A., Miss McClaskey.

Mrs. Leila Kite will be hostess to the February meeting, (first Thursday). Visitors welcome.

HEBRON HOMEMAKERS

The making of hats is an art, but can be learned very easily, as taught by Mesdames Myrtle Casper and Alma Dye at the January meeting of the Homemakers which met at the home of Mrs. Marietta Garnett on Thursday, January 12th.

Those attending were Mesdames Lea, Norma Aylor, R. L. Bowman, Myrtle Casper, Betty Casper, Myrtle Crutcher, Alberta Dickey, Alma Dye, Marietta Garnett, Hilda Hogan, Ola Riddell, Lina Mae Riddell, Flora Tanner, Gladys Oberjohn, Katherine Jane Peel, Pauline Birch, Mary Alice Smith, Ruby Hollis and Sue Rogers. We also had our new Home Demonstration Agent, Miss McClaskey for part of the day.

Our February meeting will be held at the home of Mrs. Henry Anderson with Mrs. Ruby Hollis, co-hostess. All who are interested in making hats are surely missing something worthwhile by not attending.

—Publicity Chairman.

BURLINGTON RD. HOMEMAKERS
The Burlington Road Homemakers held their regular monthly meeting at the home of Mrs. Leonard Meece's, the Northway Farms, Jan. 11 at 10:30 a. m. with ten members and one child present.

The morning was on old and new business, with the club collecting \$65.00 for cook books sold. The luncheon was served buffet style.

The afternoon was taken up on our lesson, "How To Make Hats," which was given by Mrs. Joe Northcutt, Mrs. James Rice, Jr.

A special meeting will be held Jan. 18 for those who want to go over to Cincinnati and get their material for their hats.

Our next meeting will be held February 8th at the home of Mrs. John Kyle with a Valentine Party. Members also miss Mrs. Arthur Ammon who is home with a broken leg. We also missed all the others who were absent due to sickness or otherwise.

—Publicity Chairman.

FLORENCE HOMEMAKERS

The Florence Homemakers will hold their regular meeting Tuesday, January 24 at 10:30 a. m. at the old Town Hall. There will be a covered dish luncheon at noon.

Every woman loves a new hat. Sometimes they are hard to fit into the budget, so here's your chance to learn to make your own. The afternoon session will be devoted to a lesson in "Millinery Making." If you aren't a member, come on out and find out what fun we have and how many things we learn to do.

RESOLUTIONS

Resolutions of respect and sympathy concerning the passing of Brother James R. Bristow, who was a member of Boone Union Lodge No. 304 F. & A. M., Union, Kentucky. Whereas it has pleased Almighty God to remove from our midst Brother James R. Bristow, who died January 3, 1950.

Whereas it is our custom to make public expression of our sorrow. Be therefore resolved, that this lodge has lost another valued member who we all admired and cherished and practiced the great tenets of our institution and be it further resolved, that the charter be draped for a period of thirty days and a copy of these resolutions be sent to the Boone County Recorder and to his family and that it be recorded in the record of the lodge.

NOTICE TO TRUCK OPERATOR LOAD LIMITS

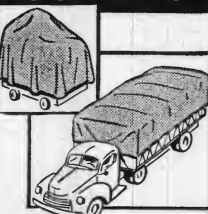

In order to protect and save the roads of Boone County during the winter months, the Boone County Fiscal Court feels that it will be necessary to set a weight limit on loads carried by trucks over these roads during the wet winter months, and the load limit has been set at a weight not to exceed three tons over, and above, the weight of the truck.

It is, therefore, ordered by the Court that no truck shall carry a load in excess of three tons over and above the weight of the truck on any of the roads maintained by the Boone County Road Department during wet and soft times from this date to April 15, 1950.

The above restriction applies to all Rural Blacktop Roads and other County Roads, but does not apply to State or Federal Highways in the County.

Burley Prices Hit New Low For Weekly Average in Kentucky

Monday's Sales Show Slight Increase Over Previous Week.

Kentucky's burley tobacco prices slipped to the lowest weekly average of the sales when the total figures shown an average of \$42.13 a hundred pounds for sales last week, shows a decline of \$3.36 from the previous week's figure, the marketing division of the State Department of Agriculture reported.

Markets opening Monday for the eighth week of sales showed prices somewhat stronger Monday than the closing sale Friday.

With returns missing from four markets, the State Marketing Division reported a statewide hundredweight average of \$40.51. Friday's average was \$40.22, lowest of the season. The 14 markets reporting Monday sold 7,539,350 pounds for \$3,053,852.08.

Markets in Kentucky sold 54,979,868 pounds last week for \$23,160,651.09, the division reported.

So far this season, 373,379,315 pounds brought \$173,281,682.95 on Kentucky markets, making the season's average \$46.41.

Several markets in Southern Kentucky closed last week and several are scheduled to close this week.

A total of 130,876 pounds of burley was sold Monday at the Kenton Loose Leaf Warehouse, Covington for \$49,638.00. The average price was \$37.93 a hundredweight. High basket went under the hammer at \$61 a hundredweight and low at \$13.

Carrollton reported sale of 740,960 pounds for a total of \$281,687.75, an average of \$38.02 a hundredweight.

Yelton-Walker

Miss Mary Ann Walker, daughter of Rev. F. E. Walker, of Covington, a former pastor of Burlington Baptist Church, and Mr. Philip Yelton, eldest son of Mr. and Mrs. A. D. Yelton were united in marriage at First Baptist Church, Covington, Sunday night, January 29 at 9:00 p. m. The bride's father officiated at the ceremony.

Paul Yelton, brother of the groom, was best man and Betty Lou Hall was bridesmaid.

The bride was given in marriage by her brother Farris Walker.

Miss Lorraine Lincke sang "Because" and the "Lord's Prayer" preceding the ceremony.

The bride is a graduate of Holmes High School, graduating in the class of 1949. The groom is a graduate of Dixie Heights High School and is now attending the University of Kentucky.

Immediately following the ceremony a reception was held in the church basement where refreshments were served to approximately 100 relatives and friends.

The happy young couple will reside in Lexington, where he will complete his engineering course at the University of Kentucky.

The Recorder joins their host of friends in wishing them success and happiness through life.

County Clerk Missing License Tag Report

County Clerk, C. D. Benson reported this week that a license plate No. 30-279 is missing from his office. He stated that it is possible he handed the tag out to someone, as they sometimes stick together.

If any person should have this tag they are asked to call Mr. Benson or return the tag to his office.

Russell Hunt Will Address Tobacco Growers Jan. 27

Varieties, Diseases and Culture In Burley To Be Discussed.

Russell Hunt, tobacco specialist from the University, will meet with tobacco growers at the courthouse in Burlington at 2:00 p. m. Friday, January 27th, according to Bill Davis, County Agent.

Mr. Hunt will discuss varieties, diseases and culture in the production of burley tobacco. A series of slides will be used to illustrate the important points of the discussion.

Mr. Hunt is an outstanding authority on the production of burley tobacco and always has information that is of value to those who hear him. Everyone is invited to attend the meeting.

Howard-Ammon

In an air of sweet solemnity two hearts were made to beat as one when Miss Shirley L. Howard, daughter of Mr. and Mrs. Anthony Howard of Florence became the bride of Mr. Richard L. Ammon, son of Mr. and Mrs. Arthur Ammon of Florence.

The very impressive double ring ceremony was performed in the Elmwood Baptist Church Tuesday, December 27, 1949 at 7:45 p. m. by Rev. W. H. Lodwick.

The altar was banked with greenery, sprays of white gladioli, white chrysanthemums and candelabra holding white tapers that cast a mellow glow over all. Pews for relatives and close friends were marked with bows of white satin ribbon.

Prior to the ceremony Miss Beverly Markesbery, soprano and cousin of the bride sang "Ah Sweet Mystery of Life" and the traditional "I Love You Truly." Miss Helen White was the accompanist and also played "Lohengrin's Wedding March" as the bridal party entered the church.

Attending the bride were Miss Billy Jean Dahlenburg, maid of honor and Misses Martha Ammon, cousin of the groom and Lois Jean Howard, sister of the bride, bridesmaids. The attendants wore identical dress of ice blue satin designed with high sheer yokes off the shoulder with folds of satin, fitted bodice attached to a full skirt with folds caught at intervals with rosebuds. The maids carried American Beauty roses with matching velvet and silver ribbon which was also carried out in their handpieces.

The bride given in marriage by her father was gown in white slipper satin, fashioned with a sweetheart neckline, fitted bodice open to the waistline, satin covered button trim, long sleeves pointed over the wrists and full skirt terminating in a long train dotted with clusters of orange blossoms. Her veil of illusion edged with lace was held in place by a crown of pearl orange blossoms. She wore a necklace of brilliant, a gift from the groom and carried a colonial arrangement of white roses and lilies centered with a white orchid and tied with white brocade ribbon.

The best man was Paul Ammon, eldest brother of the groom. Ushers were Robert Ammon, brother of the groom and Freeman H. Giles, cousin of the bride. The groom and his attendants were attired in black suits with white carnation boutonnieres.

Following the ceremony a reception was held at the church, after which the happy couple departed for a tour of the southern states and since their return are residing in Florence. For traveling the bride donned a dress of dark red crepe, accessories of dark green and hat of black and white felt with white and green trim.

The bride and groom graduated from Lloyd High School, Erlanger. He attended the University of Kentucky one year and is now taking an extended course in horticulture.

Out-of-town guests attending the wedding were Mrs. John Beck, the bride's aunt and an uncle Elroy Vore and wife of Dayton, O.

We join in wishing Mr. and Mrs. Ammon health, happiness and prosperity as they embark upon the sea of matrimony.

Walton-Verona Lodges Plan Joint Session Thursday, January 26

Walton and Verona Lodges F. & A. M. will hold a joint meeting at Walton Thursday night, January 26. It was announced this week. Five candidates will be given the M. M. degree at this time.

Verona's degree team, recently organized under the direction of Robert Ellis, will confer the second section of this degree.

Masons from this section are given a cordial invitation to attend this meeting.

New Piano Presented Florence School

The Florence P. T. A. is very proud of the new Hamlin piano which they recently purchased and presented to the Florence school.

Hoff-Tanner

On January 1 at Hopeful Lutheran Church, Miss Reba Hoff and Mr. David Tanner were quietly married. The couple's only attendants were the groom's brother and sister, Miss Mary Jane Tanner, and Joseph Tanner.

The bride was very lovely in a navy blue dress with a red rose corsage.

The groom chose a grey suit with a white carnation boutonniere.

Mrs. Robert Moore sang "Always," "I Love You Truly," and "Oh Promise Me," before the ceremony began. The couple are residing in Walton.

Their host of friends wish them a long and happy life together.

Florence Takes Two Games During Past Week Contests

Walton Emerges On Top In Close Game With Simon Kenton Five.

The outcome of most of the Boone County basketball games of last week were according to the "dopesters' sheet." The only games where the underdog showed his stuff were the Walton-Simon Kenton affair which the Bearcats finally managed to win by two points and the Hebron-Crittenden game which the Bulldogs trimmed the Cards. Burlington's Eagles split in their two games with Gallatin County and Falmouth, losing to the former and winning from the Penogran quint. The Florence Knights put two in the win column as they defeated Crittenden and New Haven. Besides losing to Florence, New Haven also dropped one to Holy Cross.

Scores
Holy Cross 59, New Haven 30.
Walton 69, Hebron 46.

Florence 73, Crittenden 40.
Gallatin Co. 44, Burlington 30.

Burlington 42, Falmouth 38.
Walton 53, Simon Kenton 51.

Florence 88, New Haven 42.
Crittenden 44, Hebron 42.

Gallatin County's Wildcats paced by Beach and Montgomery defeated Burlington at the local hardwood last Tuesday night by a 44-30 count after holding leads of 10-6, 23-13 and 34-24 at the first three stops. Inability of the Eagles to hit good shots caused their downfall. Gallatin's reserves also won over the little Eagles.

Burlington rebounded Friday night with a 42-38 win over the Falmouth Red Devils at Falmouth. McElvaine will lead the strong Simon Kenton Pioneers at the loser's floor. Quarter scores were 19-15, 28-27 and 42-39 in favor of Simon Kenton, but the Cats poured in 14 points in the final to nine for Simon Kenton. Vest led Walton 13 points and Coppage had 20 for the losers.

The Cats had little trouble last Tuesday night with Hebron at the home of the Cards. Walton won 69-46. Vest led 16 points and Rice with 15 led the Walton attack and Herbstreit had 18 for Hebron. Walton reserves won 34-27.

Florence Takes Two
Florence turned on the scoring punch in their two wins over Crittenden and New Haven. They took the Bulldogs by a 73-40 score at the home of the Cards. Billy Markesbery poured in 29 points, including 17 free throws. Cook led the losers with 14 points. Florence won the preliminary game downing the Crittenden reserves 39-17.

In the New Haven game Markesbery had 32 jallies and Rowland, the other half of the Knight punch, had 21. Moore led the losers with 13 points. Florence's seconds won 39-22.

Cards Lose Two
Besides losing to the Boone Conference leading Walton Bearcats, the Hebron Cardinals lost a 44-42 heart-breaker to Crittenden to help that team break a 11-game losing streak. Cook paced the winners with 17 points and Herbstreit had 17 and Tanner 10 for the Cards. Hebron won the second team affair 34-18.

Coming Games
Jan. 27—Hebron at New Haven.
Jan. 27—Burlington at Florence.
Jan. 31—New Haven at Burlington.

Jan. 31—Gallatin Co. at Walton.

Jarboe-Canfield

Sparta Baptist Church was the scene of a beautiful wedding Sunday afternoon, January 15, when before an altar of ferns and white gladioli with the scene softly candlelighted, Miss Norma Jarboe, eldest daughter of Mr. and Mrs. Harry Jarboe, of Petersburg, Ky., became the bride of Mr. Mervin Canfield, youngest son of Mrs. Mary Canfield of Aurora.

The bride was given away by Rev. A. E. Hoppas, pastor of the church.

Preceding the ceremony, Miss Patricia Helms of Petersburg, close friend of the bride, played softly, "Perfect Day," and "Always" and Mrs. Edmond Hammond, of Cincinnati, cousin of the bride, sang "O Promise Me" and "Because," and at the close of the service "The Lord's Prayer." At 3:30 the bridal party entered the church to the strains of Lohengrin's Wedding March.

The bride was lovely in a street length gown of navy blue crepe with close fitting hat and veil which was caught to the shoulder with her orchid corsage. She entered the church on the arm of her father, who gave her in marriage. The bridesmaid, Miss Betty Jarboe was dressed in pink taffeta with a corsage of white roses. The groom wore a navy blue suit. The best man was his very close friend Glenn Greenham of Middletown, O. The ushers were Harold Steinmetz, Jr., of Milan and Willis Trennepohl, of Moores Hill. All wore dark suits with white carnation boutonnières.

The bride's mother, Mrs. Jarboe, wore a gray suit with navy blue accessories and a corsage of yellow roses. The groom's mother, Mrs. Canfield, wore a blue suit with black accessories and corsage of pink roses.

Following the ceremony a reception, honoring the bride and groom, was held in the church basement where they received the congratulations and best wishes of many friends. A beautiful three-tiered wedding cake topped with a miniature bride and groom was cut by the bride, and with brick ice cream was served to approximately one hundred guests. Many lovely gifts were received.

Mr. and Mrs. Canfield left immediately for a short honeymoon and upon their return will be at home to their friends at 184 Conwell St., Aurora, Ind.

Mr. Canfield is a graduate of Moores Hill High School and of Miller School of Business and now holds the position of chief clerk in the office of the Public Service Co. of Indiana. His bride is a graduate of Hebron High School and is employed by McAlpin's Department Store.

Scroggin-Rogers

The Bellevue Baptist Church, Grant, Ky., was the scene of the beautiful wedding of Thelma Grace Rogers, daughter of Mr. and Mrs. Lewis Rogers to William Earl Scroggin, son of Mr. and Mrs. T. B. Scroggin, of Burlington, Ky., on January 14 at 7:30 p. m.

The church was filled to overflowing with relatives and friends to witness this beautiful and impressive double ring ceremony which was performed in a most gracious way by their pastor, Rev. Otis Brooks.

The altar was decorated with palms, ferns, baskets of white gladioli interspersed with pine and white chrysanthemums.

A light in each window and several seven-branched candelabra holding lighted white tapers and the light on the beautiful oil painting in the background, cast a soft glow over the lovely nuptial scene.

Mrs. Allen White played the traditional wedding marches and a selection of pre-nuptial music. She accompanied Rev. William Burket who sang, "Always," "Because," and "The Lord's Prayer" at the end of the ceremony.

Robert Mee, cousin of the bridegroom was best man while Messrs. Ivan Cason and Lefe Miller, Jr., served as ushers.

The bride given in marriage by her father looked lovely in her gown of ivory duchess satin with a long graceful skirt ending in a train. Her fingertip veil of sheerest illusion was attached to a tiara of seed pearls. She carried a bouquet of orchids surrounded by white roses.

Attending the bride was her aunt, Mrs. Walter Savage of Hollywood, Fla., as matron of honor, who was becomingly attired in a pink satin gown, with matching mits and hat, and carried American Beauty roses.

Mrs. Lefe Miller, Jr., and Margie Philson both classmates of the bride were attired alike in gold satin with round necklines and full skirts which were extended over hoops. They also wore matching hats and mits and carried American Beauty roses.

The flower girl, little Rebecca Howard cousin of the bride, wore a blue satin gown.

Mrs. Rogers chose for her daughter's wedding a dress of cinnamon-colored tissue faille. Her corsage was a purple orchid. Mrs. Scroggin wore a dress of brown crepe and a purple orchid corsage.

Immediately following the ceremony and the receiving of guests, a lovely reception was held in the church basement which was decorated so prettily with blue and white crepe paper and white bells.

The bride's table was overlaid with white lace cloth and centered with a beautiful three-tiered cake topped with a bride and groom. A silver branched candelabra was at each end of the table.

This happy young couple received many lovely and useful gifts.

After a short wedding trip thru southern Kentucky and Tennessee, they will reside in their newly furnished home on the Petersburg road where he is engaged in farming.

The bride and groom are both graduates of Burlington High School in the class of 1947.

Out-of-town guests were as follows: Mr. and Mrs. Vernon Scroggin, Jimmie, Donnie, Elsie and Jean of Romulus, Mich.; Mrs. George Shinkle, Howard Shinkle, Mr. and Mrs. Walter Savage and Rebecca Howard of Hollywood, Fla.; Mr. Emma and Ruby Casey, of Erlanger; Mr. and Mrs. W. T. Casey, Mr. and Mrs. Claude Casey, Mr. and Mrs. Eugene Lightmaster, Mrs. Edna Mee, B. T. Scroggin, Mrs. Margaret Vanlandingham, Mr. and Mrs. Ira Weldon, Mr. and Mrs. Jim Tumlin and Mr. and Mrs. Cecil Prezioso, all of Covington; Mr. and Mrs. William Burket and sons of Glencoe; Mr. and Mrs. Robert Mee and Melvin Scott, of Walton; and Mrs. Mary Casey and Mr. and Mrs. Howard Treadway, of Burlington and Mr. and Mrs. Elmer Spence, Moores Hill, Ind.

Ministerial Ass'n. Formed In Boone County Thursday

Rev. R. A. Johnson Named President of New Organization.

At a meeting held in Florence Thursday of last week with more than half the ministers of Boone County in attendance, a County Ministers Association was formed for the purpose of fellowship and cooperation.

In a meeting which was marked by genuine friendliness and goodwill, the following officers were elected by a unanimous vote: President, Rev. Johnson, Burlington Baptist Church; Vice President, Rev. Herman Andres, Hopeful Lutheran Church; Secretary, Rev. Sam Reid, Florence Christian Church; Treasurer, Rev. Vallis V. Hills, pastor of Boone County Larger Methodist Church Parish.

It was decided by unanimous vote that the organization would meet every third Monday at 9:30 a. m., with Rev. Cecil Ogg as host minister at the Florence Methodist Church. All licensed or ordained ministers in the county holding or having held regular pastorates are eligible for membership. The public is cordially invited to attend these meetings.

Mission Revival Set For February 4-5 At Burlington-Visalia

Extensive plans have been completed for a mission revival to be held at the Burlington and Visalia Baptist Churches, February 4-5. This program will be one of the greatest opportunities for Christians in Northern Kentucky to hear of our mission work in foreign lands. A great rally service will be held at Burlington Saturday night, February 4 at 8:00. The mission workers will have charge of the Sunday School, morning and evening services at each church February 5.

Those on the program include twelve students from Georgetown College. They are David Jackson, president of Georgetown student body and missionary from Colombia South America; Bill Cooley, mission worker from Alaska; Edwardo Lessa resident of Brazil; Kihoo Matsuhara outstanding Japanese preacher from Hawaii; Florence Talaras, May Queen at Georgetown and from Hawaii; Helen White, piano, organist and accompanist; Jim Brown, song leader and trumpeter; Mildred Watanabi from Hawaii; Jane Leguson from Hawaii; Marjorie Ferguson, mission worker from French settlements in swamps of Louisiana; Glenn Brown, representing Georgetown College and Bob Hickman, revival director. These twelve outstanding young people will present a program including slides, testimonies, messages, special music of all types and grand Christian fellowship.

Everyone is urged to attend these services both Saturday night and Sunday. A complete program will be published next week.

Neighboring churches are invited to attend as groups and enjoy these services, according to respective pastors, Rev. R. A. Johnson at Burlington and Rev. Bob W. Brown at Visalia. Both pastors have set goals for a packed house at each service. For foreign missions in action Feb. 4-5!

Jos. A. Huey, of Union attended a PMA meeting Monday at the County office.

Why
Hadacol
is the choice of so
many Well-Known Americans

Senators, Congressmen, Ministers,
Lawyers, and Business Leaders
TURN TO THIS NEW MEDICAL DISCOVERY.

In the list of the HADACOL customers are prominent names. Leaders who must have the best to bolster up their pep and their quick intellect, choose HADACOL to help Nature to keep them brimful of energy and in their rosy-glow of good health—for HADACOL is a quality preparation.

You too are entitled to the best. HADACOL contains not only one but five of the most important B Vitamins and four most important minerals. HADACOL comes to you in liquid form already dissolved so that your system will not only quickly assimilate these vital elements but will absorb more than if they were taken in powdered or tablet form.

Learn the full facts about HADACOL. Vitamins work better when taken together. That is why we have five of the B Vitamins. Minerals also need the cooperation of one another to function successfully in your system, and Vitamins work better when taken with Minerals.

HADACOL will bring you renewed energy. It will relieve the pains and aches of Rheumatism when as so often they are caused by nutritional deficiencies. HADACOL will prevent digestive disturbances and will aid Nature in digesting your food, and after taking HADACOL a while you will sleep better, you will feel better, you will eat better, and in a few days you should feel like your old self once again. Read what a few of these distinguished leaders have to say about this wonderful scientific medical discovery.

This is what a Chicago Congressman says (name furnished on request):

I have given a few bottles of HADACOL to friends of mine in the hope that they will experience results equal to the benefit I seem to derive from the bottle which you previously provided me.

Reverend Fidele Chission of Lafayette, La., LaSalle School, says:

For the past twelve years I have been afflicted with Rheumatism, and I suffered extreme pains in my legs and hands. I could not even kneel to say my prayers for a long time. I tried all kinds of medicine. I was advised to go on a very strict diet, but my pains seemed to grow worse. I had no appetite, no energy and I was growing weaker and weaker. I was losing weight, and I thought sure the end was near. At that time I was in Montreal, Canada, and I was advised to change climate and go to the tropics. I went there and remained six months. I came to Louisiana still suffering from Rheumatism.

I started to take HADACOL. I have now taken over twenty bottles, and write to let you know that now I am perfectly well. There is no trace of Rheumatism left in me. I have a grand appetite. I have lots of energy. I am back to my normal weight. In fact, I feel as well now as I ever felt in my life.

In the hope that my experience with HADACOL will help some suffering soul, I gladly permit you to use this letter.

Robert S. Mathis, Martin's Drug Store, Bemis, Tennessee, says: HADACOL is the best seller we have in our store, and we are selling more each day. Our customers tell us how much good it is doing them. It is one of the fastest selling tonics I have ever sold.

It is easy to understand, therefore, why countless thousands have been benefited by this amazing tonic, HADACOL. So it matters not how old you are or who you are. It matters not where you live or if you have tried all the medicines under the sun, give this wonderful preparation, HADACOL, a trial. Don't go on suffering. Don't continue to lead a miserable life. Be fair to yourself. Temporary relief is not enough for you. Give HADACOL a trial. Accept no substitute. Insist on the genuine HADACOL.

Sold at all the leading drug stores. Trial size only \$1.25, but save money—buy the large family and hospital size—only \$3.50.

We are so firm in our belief that HADACOL will help you that we sell HADACOL on a money-back guarantee. If you don't feel perfectly satisfied after using HADACOL as directed, just return the empty carton and your money will be cheerfully refunded. Nothing could be fairer.

Friends of Mrs. Isabella Hufnagle regret that she is confined to a hospital, and hope for her hasty recovery.

Mrs. Arthur Ammon, of Burlington Road, is recovering from a dislocated knee joint the result of a fall from a stepladder.

Mr. and Mrs. R. B. Taylor have arrived home following a pleasant vacation and sojourn in Florida. They state the temperature there was around 82 degrees and that they fished at various locations.

East, West and South. Mr. Taylor landed a bass 23 inches in length while Mrs. Taylor caught a sailfish weighing 90 pounds.

Friends of W. L. Oliver regret his illness at St. Elizabeth hospital. However, at this writing his condition is gradually improving and we are all hoping it will continue so.

Blayne Miller and Barbee Simpson, of Park Hills were guests Sunday of the former's parents, Mr. and Mrs. Geo. B. Miller, of Price Road.

Mrs. L. J. Thompson was called to Terre Haute, Ind., by the illness of her sister.

Mrs. Viola Idol is visiting relatives and friends in Indiana.

The Chaney-Congleton sale at the farm of Paul Chaney near Burlington, Saturday was well attended and livestock and farming equipment sold for high prices.

The Woman's Society of the Florence Methodist Church will hold their regular meeting February 7 at 1:30 p. m. at the church.

Mr. and Mrs. Richard Keyer were Sunday dinner guests of her parents Mr. and Mrs. Eldridge Carpenter.

The Ladies' Auxiliary of the Florence Fire Department wish to thank each and everyone who helped in any way to make the bingo social a success that it was the past week. They will look forward to seeing all of you again the third week in February for the next social.

Friends in the community were sorry to learn that William L. Oliver rural carrier on Route 2 was hospitalized the past week at St. Elizabeth Hospital for observation. We wish him a speedy recovery.

Mr. and Mrs. Bill Davis (nee Mary Helen Thompson) are being congratulated upon the arrival of a baby daughter the past week at St. Elizabeth Hospital.

Mr. and Mrs. John P. Lockwood and family entertained Mr. and Mrs. Larry Aylor and daughter on Saturday evening.

Mr. and Mrs. Cam Kennedy have moved from their farm on Gunpowder to their new location at Beaver Lick, Star Route Walton, Ky. They will be missed in the community.

Friends in the community are pleased to welcome back Victor Bruner to the teaching staff of the

Florence school. He has returned to fill a recent vacancy at the school.

The annual Polio drive known to most of us as "The March of Dimes" is under way in the County. Contributions are badly needed at this time, due to the heavy drain on the fund during the past season. When the representative calls at

your home, won't you be generous? If you are not at home when your home is solicited, please send your contribution to Ben Zimmer, Jr., or to Mrs. George Morith.

We wish to welcome the Leo J. Brophy Insurance Agency located in the Florence Building and Loan Building adjacent to the Post Office. You will also find the McEvoy

Brothers law office in the same building.

Clifford Tanner, sub-carrier is carrying the mail on rural route 2 in the absence of William L. Oliver, who is ill.

Mr. and Mrs. R. B. Taylor returned Friday from a two weeks' vacation in Tavares, Florida. They reported a most enjoyable trip.

NOTICE TO TRUCK OPERATOR LOAD LIMITS

In order to protect and save the roads of Boone County during the winter months, the Boone County Fiscal Court feels that it will be necessary to set a weight limit on loads carried by trucks over these roads during the wet winter months, and the load limit has been set at a weight not to exceed three tons over, and above, the weight of the truck.

It is, therefore, ordered by the Court that no truck shall carry a load in excess of three tons over and above the weight of the truck on any of the roads maintained by the Boone County Road Department during wet and soft times from this date to April 15, 1950.

The above restriction applies to all Rural Blacktop Roads and other County Roads, but does not apply to State or Federal Highways in the County.

Burlington Noses Out Florence Five In Close Contest

Hebron Chalks Up Another Conference Victory Over New Haven.

Three of Boone County's basketball teams split in their games last week, while the other two lost a single encounter and two games. Walton's strong Bearcat five won over the Bellevue Tigers and lost to Owingsville, the Burlington Eagles dropped a game to Simon Kenton and edged out Florence, Hebron lost to Holy Cross and trimmed New Haven and New Haven also dropped a game to St. Henry's Crusaders.

Scores
Holy Cross 63, Hebron 36.
Simon Kenton 49, Burlington 39.
Walton 67, Bellevue 61.
Owingsville 57, Walton 53.
Hebron 45, New Haven 38.
Burlington 38, Florence 36.
St. Henry — New Haven —.

The inability to hit close-in shots, and a seven made out of 22 attempts at the free throw line, was the big reason Burlington's Eagles lost their game to the Simon Kenton Pioneers last Tuesday night at Independence. The Eagles sported a 14-7 quarter lead but were outscored by the home team 15 to 3 in the second stanza for a deficit end of a 22-17 halftime score. In the third quarter the winners scored 15 while the Eagles made 11 and in the final period the winners held a 12-11 advantage.

Highlight of the games was the Burlington defensive work on big Gene Coppage, high scorer of the Pioneers. He was held to two free tosses during the three quarters he played. Offensively for the winners it was Irvin with 12 points and Hughes with 10. For the Eagles McBee had 12, G. Rouse 8, Ryle 8, Cave 7, Ockerman 2, Cropper 2 and A. Rouse 2. The Simon-Kenton reserves won 44-32.

Two-Point Win
In one of the most interesting games of the season the Eagles edged out the Florence Knights at Florence Friday night by a 38-36 score. The game was knotted up 7-7 at the quarter and 17-17 at the half. The Eagles paced by Jim Ryle and Bill Cave poured in 12 points in the third quarter while holding Florence to seven for a 29-24 lead. In the final period the Knights caught up and pulled ahead by one point with two minutes to play, but a long field goal and a free throw by Ryle put the Eagles ahead by their two-point victory margin. Ryle paced the winners with 16 points, Cave added 11, McBee had 9 and Cropper 2. For the losers Markesberry had 16, Roland 12, McKibben 5 and Stansel 3. Florence reserves won 35-18.

Walton Splits
Coach Charles Hayes' Walton Bearcats still show that they are one of the top teams in northern Kentucky when they defeated the Bellevue Tigers 67-61 at Walton last Tuesday night. The visitors led 11-9 at the quarter but the Cats rallied to hold a 26-19 halftime margin. The winners ran the score up to 49-34 at the close of the third period. The Tigers came back strong in the final period to outscore Walton 27-18. Vest paced the winners with 23 and Rice and Cleek split 26 points. For the losers Perin had 18, Uebel 15 and Havercamp 14. Bellevue reserves won 32-22.

The Bearcats lost to Owingsville at the winner's floor Friday night by a 37-53 score. It marked only their third loss of the season for the Cats and gave the strong Owingsville club a record of 15-1.

Hebron Splits
The Cardinals of Hebron got an even split in their two games the past week. They took an unexpected trimming from Holy Cross 63 to 36. The Latonia team ran up a 16-5 first quarter score and moved on to a 31-14 half score. Still pouring them in the home team outscored the Cards 22-10 in the third period for a 53-24 score. With both teams using reserves in the final period the Cards managed to outscore Holy Cross 12-10. Schreck led the winners scoring 23 points, while the Cardinals had 16 and Siemer had 12. For the Cards McGlasson and Abdon had eight each. The Card reserves won 28-19.

The Cards won over New Haven Friday night by a 45-38 count at New Haven. It marked the 15th straight loss for the home team. The Cards pulled into a 15-7 quarter lead and led 24-19 at the half. The Cards held a 35-26 lead at the third period stop. J. Tanner with 14 and Abdon with 9 points paced the winners. Crume had 10 and Jones and B. Mason split 14 points for the losers. Hebron won the second team game 27-25.

New Haven also lost to St. Henry

Monday night at Erlanger by a 40-30 margin. The Tigers played on even terms with the Crusaders during the first half but folded in the latter stages of the contest. The St. Henry reserves also won.

Coming Games

Highlighting the coming week's schedule will be Burlington's trek to Bagdad, Ky., Saturday night and the Walton Bearcat-Gallatin County game Tuesday night at Walton. The battle of the two Cats Friday should be a natural as both teams are loaded. Local fans making the trip to Bagdad Saturday night will see one of the better teams of the state. The Bagdad quint recently thumped Gallatin County by a 54-25 count at Warsaw. They are ranked high in the state standings and possess a 14-3 record for the season. The Eagles will be going all out to upset the downstaters and regain their pre-season prestige. Other coming games are:

February 3—St. Henry at Walton; Florence at Hebron.
February 4—Burlington at Bagdad.

February 7—Ludlow at Burlington; Florence at Dry Ridge; Holy Cross at Hebron; Walton at Gallatin County.

Burley Growers Ass'n Opposes Cigarette Tax

Would Put Kentucky's Tax Above Average, Says Growers Ass'n.

Tobacco farmers will lose income if the state cigarette tax is increased, the Burley Tobacco Growers Cooperative Association Executive Committee said this week.

The committee took issue with the three cent a package tax boost proposed by Kentucky teachers as one of the means to increase its \$22,300,000 school budget for the next two years.

"If the state legislature passed a five-cent levy, this would be an increase of 150 percent," the committee stated, "this would put Kentucky's tax far above the average of tobacco states that are now taxing cigarettes."

"The committee feels that it would be an almost unbearable burden on the principal money crop of Kentucky farmers," the statement said.

"Experience has clearly demonstrated that excessive taxes on cigarettes do reduce their use, which of course, means less cigarette production and less demand for leaf. This would result in a further decrease in acreage of burley growers, and could lead to a depreciation in farm income far greater than the revenue derived from the increased taxes."

The committee also pointed out that Kentucky "profits greatly by the tobacco industry located within the state and the labor used in selling, processing, storing and manufacturing tobacco would most assuredly suffer through loss of employment."

The committee explained that it was "not unfriendly" to sufficient school appropriations, but felt that the proposal was a temporary action which would not solve the problem for good.

The budget passed by the General Assembly, calling for a \$22,300,000 school fund for the next two years, was the largest school appropriation ever passed in Kentucky. It was submitted to the Assembly by Governor Earle Clements.

The teachers then suggested a tax program to raise \$12,200,000 in new revenue. One of the program's points would increase the Kentucky cigarette tax from two to five cents.

The Burley Association Executive Committee is composed of John W. Jones, Association president; John M. Berry, vice president and W. L. Staton, executive secretary.

The Association Board of Directors, representing burley growers all over Kentucky, agreed unanimously at their January meeting, that an increase in the cigarette tax would probably result in less farm income and should be fought by every tobacco grower.

GEORGETOWN STUDENTS IN MISSION REVIVAL

Standing: David Jackson, Kikoo Matsukawa. Seated Jim Brown, Mildred Watanabe, Jane Segoya, Florence Takahashi, Marjorie Ferguson, Helen White, Bob Hickman, Bill Crowley, Glenn Brown. Standing, Eduardo Lessa.

Mission Revival Set For Saturday and Sunday

The second annual Mission Revival will be held at the Burlington and Visalia Baptist Churches this week, February 4 and 5. A great mass meeting will be held at Burlington Saturday night at 8:00 o'clock. Sunday the visiting workers will be in complete charge of all services at both churches.

A grand musical program has been planned featuring solos, trios, quartets, instrumental numbers and great congregational singing. Jim Brown and Helen White are in charge of the music. Testimonies will be given by Mildred Watanabe, Jane Segoya and Florence Takahashi from Hawaii, Eduardo Lessa from Brazil. These four will also sing and teach Sunday School classes Sunday morning. The principal talks will be given by David Jackson from South America, Bill Crowley from Alaska, Kikoo Matsukawa Japanese youth speaker and Marjorie Ferguson, settlement worker from Louisiana. Glenn Brown represents Georgetown College and Bob Hickman is director of the revival. These twelve young people are all outstanding in their respective fields of service. All twelve are students of Georgetown College.

Everyone is invited to attend. All neighboring churches and friends are invited and urged to come and see foreign missions in action.

NEWPORT MAN FINED

Courtland L. Crawford, of Newport was fined \$104.50 and his drivers license suspended for 6 months when arraigned in Judge C. L. Cropper's court one day last week. Crawford was charged with operating a motor vehicle while under the influence of alcohol. He was arrested by State Highway Patrolmen.

Local Soldier Takes Special Food Training

Bolling Air Force Base, Washington, D. C.—Sgt. Dan Jasper, 39, son of Charles B. Jasper, Hebron, Ky. recently was graduated from a three-month special training course in food service at the Shoreham Hotel in Washington, D. C., according to an announcement by Col. S. D. Grubbs, commandant of the Headquarters Command, USAF, here.

The on-the-job training was under supervision of the hotel's Edward Debra, and was approved by AFL Local 208, Hotel and Restaurant Employees and Bartenders International union in Washington. Captain Eldridge Holland, food service supervisor of Headquarters Command, USAF, at Bolling Air Force Base in Washington, directed the assignment.

Upon graduation, Sgt. Jasper was returned to Andrew Air Force Base, Md., as a food service specialist with 1050th Food Service Squadron.

The sergeant has five years and three months of service to his credit, spending eight months in the South Pacific. He is a former employee of the Williamson Heating Co., of Cincinnati.

The sergeant's family, which includes his wife, the former Lueaver Baskins, and three children, Raymond D., 18, John C., 16, and Lueaver 15, live at 121 Jacob Pike Homes, Covington.

The hotel training was begun originally at Miami, Fla., in 1942, but was not introduced to the Air Force until June 1948 when it was begun in three Washington hotels, the Mayflower, Statler, and Shoreham. The plan has since given highly specialized training to airmen from all over the nation.

Dr. and Mrs. M. A. Yelton returned last week from Miami, Fla., where they have spent the past few weeks.

O. E. S. Initiation Set Thursday Night

Burlington Four Star Chapter O. E. S. meeting tonight (Thursday), Feb. 2nd, will confer degree work, according to the officers in charge. Lodge will be opened at 7:30 with initiation work following the business session. It was announced. All members of Burlington lodge are urged to attend and visitors are given a cordial invitation.

FIELD REPRESENTATIVE TO VISIT BOONE COUNTY

F. E. Duval, Field Secretary of the Kentucky Disabled Ex-Servicemen's Board, Louisville, will visit Burlington, Friday, February 10. He will be in the courthouse from 8:00 a. m. to 4 p. m. on the above date for the purpose of aiding in filing claims for veterans and their dependents and to advise them regarding any other benefits to which they may be entitled.

Prisoner of war veterans are especially urged to call at the court house at this time, Mr. Duval said.

Local Boy Assigned To Biggs Air Force Base

Pfc. Wilbur O. Ryle, Jr., son of Mr. and Mrs. W. O. Ryle, Jr., Route 2, Burlington, Ky., was recently assigned to the 98th Bomb Group at Biggs Air Force Base, El Paso, Texas.

He came to Biggs Air Force Base, from Chanute AFB, Rantoul, Ill., where he was assigned as a student in the aircraft mechanics school.

His duties at Biggs will be in the Aircraft maintenance section of the Bomb Group.

Mr. and Mrs. Ralph Maurer, Mr. and Mrs. Marvin Porter, Mr. and Mrs. Lee Roy McNeely, George Malmes, John Cropper, Bill McBee, Miss Helen Faye Eggleston and Albert Weaver attended the Xavier-U. K. basketball game at Cincinnati Gardens last Thursday night.

Farm Bureau Insurance Announce Sales Conference

John E. Crigler, local insurance agent for the Kentucky Farm Bureau and Southern Farm Bureau Life Insurance Company announced that the two companies are holding their Southern Farm Bureau Sales Conference at Memphis, Tennessee on February 27-28. He further stated that the trip with all expenses paid will be awarded to all local agents who can qualify by selling the required amount of auto and life insurance by February 20. John states that he is well on his way toward meeting the requirements for the trip and urges that you see him if you are in the market for any life or auto and truck insurance before February 20.

The new Farm Bureau office, in Burlington, is now open for business on Monday, Wednesday and Friday of each week and other times by appointment and is now in a position to serve your needs on all insurance matters.

CAN YOU HELP?

The Boone County Chapter American Red Cross has been requested to try to locate a hospital bed for a twelve-year-old child who has rheumatic fever. These folk would like to borrow a bed and will take good care of it. Rheumatic fever is not contagious. Also there is need for three used mattresses for double beds.

There are eight children in the family concerned, and their need is great. Both these families are deserving of aid.

If you can help call Florence 84, Mrs. Elizabeth Nestor, Boone County Red Cross, and arrangements will be made to call for these things.

Joyce Finn was home from school Monday due to illness.

Local Youths Injured In Accident Saturday Night

Car Failed To Negotiate Turn on Donaldson Highway.

Two Boone County teenagers suffered severe injuries Saturday night when the automobile in which they were riding failed to negotiate a sharp turn on Donaldson Highway and crashed into a tree near the Greater Cincinnati Airport.

Lowell Sorrell, 16 of the Hebron-Limaburg Road was in St. Elizabeth Hospital, where he is reported to have left leg and right arm fractures, a possible skull fracture and head cuts. His condition is reported as fair.

Friend, Carroll Goodridge, 15, of Hebron was treated at Booth Hospital, Covington, where her condition is described as "fair." She suffered a possible skull fracture, possible shoulder fracture and a fracture of her right leg. The injured were taken to the hospitals by E. S. Bromley Life squad and the Tallaferr funeral home ambulance of Erlanger.

The driver of the automobile Earl Wayne Newland, Ludlow, R. 2, suffered shock and cuts. He was released after treatment.

Four Injured
Four persons were injured Sunday in a traffic mishap involving three automobiles on U. S. Highway 25 about two miles south of Florence. Those injured were taken to Booth Hospital, Covington in an ambulance of the Chambers & Grubbs funeral home, Florence.

Those suffering injuries were Mrs. Harry Scott of Crescent Springs, knee injury; Charles Courtney, 13, Crittenden, Ky., forehead cut and knee injury, and Miss Beatrice Points 15, of Erlanger, abrasions on her legs and wrists.

Kentucky State police investigated the accident.

"Family Night" Announced At Bellevue Church

The Bellevue Baptist Church wishes to announce the coming date for "Family Night" which will be on Saturday night, February 11. This is a new endeavor for the church, whereby everyone comes together at 6:15 p. m. for supper and at 7 o'clock organization (including Brotherhood, W. M. U. Y. W. A. G. A., R. A. and Sunbeams) go to their separate meetings. Then afterwards all come together for devotional, followed by some entertainment for the entire group.

At the January meeting entertainment was a movie on the life of Stephens. The February meeting will include a Valentine party. The Y. W. A.'s will be in charge of the devotional for this meeting in keeping with Y. W. A. Focus Week. The pastor urges everyone to attend this meeting as it will be both profitable and enjoyable, with everyone working together in the work of the Lord, in a special mission effort.

BURLINGTON MEN OPEN BUSINESS IN ERLANGER

Harry J. May and Allen W. Sullivan, Burlington, have opened the M. S. Sandwich Shop at 408 Dixie Highway, Erlanger. They are serving sandwiches, short orders, ice cream and soft drinks.

In an advertisement appearing in this issue of The Recorder they invite their Boone County friends to give them a call.

Burley Prices Hit New Low During Past Week Sales

Volume Also On Decline According To Reports State Marketing Division

Burley tobacco hit a new low for the sales season in Kentucky when prices dropped to \$38.75 a hundred pounds, \$3.38 below the previous week's average, according to the State Marketing Division.

Volume of sales also slumped as the auction season approached its close. A total of 25,144,725 pounds was sold last week, compared with 54,979,866 pounds the previous week.

The marketing division reported 400,054,849 pounds sold for \$183-608,270.42 in Kentucky this season, making the average \$45.90.

In the entire burley belt, the Federal-state markets news service said, gross sales amounted to 28,700,000 pounds and brought an average price of \$38.38 a hundred-weight.

The general average was down \$2.91 and the poundage sold was about 45,700,000 pounds less, compared with the previous week.

Sales of burley tobacco for the week ending January 28, reported by the marketing division of the State Department of Agriculture at Carrollton was 3,472,372 pounds for an average of \$37.40; Covington 279,272 pounds for an average of \$35.82.

Engagement Announced

Mr. Oscar Fugate announces the engagement of his daughter, Mary Alberta, to Mr. Thomas Coombs, son of Mrs. Wayne Coombs, of Morgantown, West Virginia.

Miss Fugate lives at East Bend and is a graduate of Burlington High School. Mr. Coombs is formerly from Morgantown, W. Va., but is now residing in Hyde Park. He attended West Virginia University and is a member of Beta Phi Pi. He also served three years in the army and is now employed by Montgomery Ward.

The wedding will take place sometime in June.

Hamilton School Will Present "Variety Quiz"

February 16 is going to be a day you'll long remember. Yes, the "Variety Quiz" is coming to Hamilton School on that date at 7:30 p. m.

There'll be prizes galore—and all for answering a few questions. And that's not all—but the surprise will not be told until next week. Watch The Recorder.

This entertainment is being sponsored by the Hamilton P.-T. A. Admission is 15c and 30c.

Two Pedestrians Killed In Accidents During Past Week

Hitch Hiker Killed Near Drive-In Theater Thursday Afternoon

Two pedestrians were fatally injured in as many accidents during the past week at Florence, according to a report from Renaker Miller, State Trooper.

The first victim was Bernard Miles Burns, Sr., 68, Grant County, who had alighted from a Dixie Traction bus at the end of the line. Trooper Miller reported that Burns walked behind the bus just as the driver Earl Sullivan started the vehicle moving backwards, making his turn for the return trip to Cincinnati. The driver told patrolmen that he did not realize he had struck anyone until two men ran to the front of the bus and called to him to stop. The men shouting the warning were Dongell and John Dimfield, both of Toronto, Canada, who said they were hitchhiking and were waiting for a ride on U. S. 25.

The victim died of internal injuries and shock. He suffered a pelvic fracture and a deep cut extending from the knee to the ankle on the left leg. The driver was exonerated of any charges.

Mr. Burns was a retired L. & N. engineer and made his home with relatives in Grant County. Previously he had lived in Lexington.

Burns was removed to St. Elizabeth Hospital, Covington by Ralph Stith's ambulance where he died several hours later.

Cincinnati Man Victim
Dave Sumner, 53, of Cincinnati was killed instantly when struck by an automobile near the Drive-In Theater Thursday, Renaker Miller State Trooper, reported.

Sumner was walking south on the highway, according to reports and apparently stepped into the path of the southbound auto driven by Thomas M. Kenney, of Cincinnati. Robert Cough, Boone County coroner said Sumner sustained a skull fracture, and fracture of both legs.

Mr. Kenney was released from any charges after a court of inquiry was held in Judge C. L. Cropper's Court Saturday morning. Witnesses testified that the accident was unavoidable.

Joseph T. Higgins

Funeral services for Joseph T. Higgins, 77, who died Wednesday at his home on Burlington, Pike, near Florence were held at 2:00 p. m. Monday. Burial was in Highland Cemetery, Ft. Mitchell.

A member of Madison Avenue Christian Church, he was a former resident of Carlisle, Ky.

He is survived by a brother Columbus, C. Higgins, Glencoe, and a sister, Mrs. Sally Wharton, Covington.

Officers of Red Cross Attend Workshop Held In Covington

On Wednesday, January 25 an important workshop was held at the Kenton County Red Cross headquarters for officers of Red Cross. Campbell, Kenton and Boone Counties were represented at this meeting. Mrs. Elizabeth Nestor and Mr. and Mrs. Dean Bloss represented Boone County. Speakers included Mrs. Nestor and Mr. Bloss.

Various phases of Red Cross work were discussed. No set plan was set as conditions vary in each county. However, suggestions offered during the day will be used as needed.

Annual Red Cross fund drives will open in March. All counties are expected to enlist large corps of workers to insure a successful drive.

Burlington Glee Clubs Will Sponsor Show Friday

One of the outstanding entertainment programs of the year will be sponsored by the Glee Clubs of Burlington High School Friday evening when they present Dr. Murray Holt, a nationally famous magician. Dr. Holt will present his amazing, different and unbelievable mystic show at the Burlington school. He has performed in many of the largest schools and institutions throughout the nation and has appeared on numerous Hollywood shows. His program has received the praise and recommendation of many of the nation's newspapers and magazines.

For an evening of real entertainment don't miss this show of "Magic of the Orient." Admission prices will be 20 and 35 cents, the sponsoring organizations stated. The program will begin at 7:30 p. m.

RESOLUTIONS OF RESPECT

In memory of Bro. James R. Bristol, who died January 3, 1950.

Death has again entered our Chapter Hall and called to the eternal home a dear Brother who has completed his faithful labor here in ministering to the cry of the orphan, to the call of the want, and to the piteous wail of sorrow and as a recompense has received the welcome plaudit "well done" from the great Master.

And whereas, the loving Father has called our beloved brother home and he, having been a true and faithful member of our "Mystic Order," therefore be it

RESOLVED that Union Star Chapter No. 461 Order of the Eastern Star of Union, Ky., in testimony of its loss, drape its charter in mourning for thirty days and that we tender to the family our sincere condolence in their deep affliction and that a copy of these resolutions be sent to the family.

How great is Thy love, oh Father divine
That we lost not our dearest and best;
But find them again with Thee—
safe at home
In the mansions of eternal rest.

Those attending the quarterly meeting of the North Bend W. M. U. at Immanuel Church, Covington were Mesdames R. E. Smith, Ray Newman, Lucy Newman, Bert Ross, Preston Hedges, Chas. Hedges, J. A. Huey and Victor Ratchford. Miss Joan Anderson, new leader

of the Sunbeam Band of the Baptist Church, conducted a very attractive program to an interesting group of little folks in the church basement Monday afternoon from 3:30 until 4:30. Refreshments were served after the program and games were played.

Mrs. Luther Wagner of Berry, Ky., was the house guest the past week of Mr. and Mrs. Harold Gruelle and family.

Mrs. Helen Jane Gatewood entertained her mother, Mrs. Maude Feldhaus, of Erlanger, over the week-end.

Mr. and Mrs. H. W. Stevens, of Covington and attractive daughters were dinner guests of Mr. and Mrs. Volney Dickerson, Sunday evening. Mr. and Mrs. Overton Sandlin, of

Batesville, Ind., were visiting friends here Saturday. Friends of Miss Sue Allison Greenup are sorry to know that she will be confined to her bed for a while with rheumatic fever and are anxious and hopeful that she will have a rapid recovery.

Mrs. Alberta Hopperton and small daughters Linda and Sheila, of Walton, were guests of her parents, Mr. and Mrs. Walter Craddock, Sunday. J. T. Bristow does not improve at St. Elizabeth Hospital. His friends are very concerned over his illness.

A very colorful and interesting foreign missionary program was observed at the Union Presbyterian Church Sunday with Richmond and Lebanon Church participating. The day was more interesting by pres-

ence of 16 Japanese American Missionaries, who were dressed in native costumes and told of their many Christian experiences, both at home and in America.

Tom Matson Huey attended the Young Peoples' Conference of the Louisville Presbytery in Louisville last Saturday.

Mrs. H. R. Anderson, Mrs. Norma Huey, Mrs. Harry Hicks and Mrs. Ed Grater helped celebrate the

PERMA-STONE

For Beauty - Permanence - Strength

FOR
NEW BUILDING
OR REMODELING

*The Most Modern
And Beautiful*
OF ALL OUTSIDE WALL COVERINGS

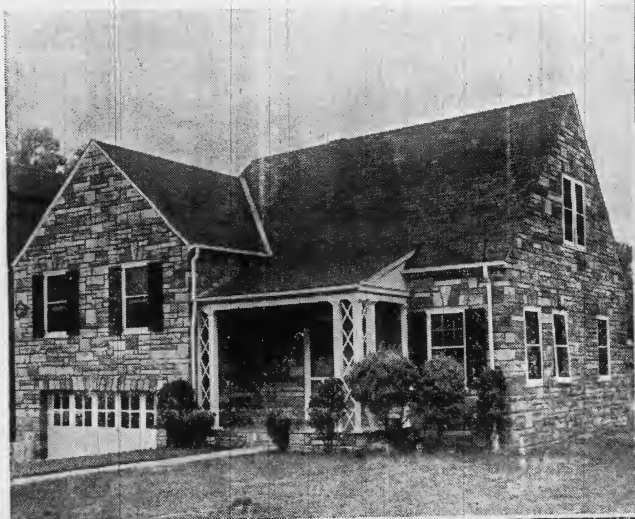

CAN BE APPLIED OVER ANY
TYPE OF CONSTRUCTION
OR ARCHITECTURE

MAKES NEW STRUCTURES OF OLD
HOMES OR BUILDINGS.

PERMA-STONE houses stay modern long
after other types of coverings have become
unsightly and outmoded.

All the beauty and charm of
natural stone, available in a
wide selection of styles and
color combinations.

PERMA-STONE IS MADE FROM THE SAME INGREDIENTS AS
OUR GREAT BRIDGES, DAMS AND OTHER MASSIVE STRUCTURES.
IT'S CEMENT, QUARTZ AGGREGATES, SUNFAST MINERAL COLORS,
WATER-PROOFERS AND METALLIC HARDENERS.

INSULATES · WEATHERPROOFS · FIREPROOFS

PREPARED AND CAST DIRECTLY ON WALLS WITH PATENTED PRESSURE MOULDS

For New Construction

THE USE OF PERMA-STONE OVER LESS SCARCE MATERIALS SUCH AS TILE, CINDER OR CEMENT BLOCK IS STRUCTURALLY CORRECT; IS TRUE ECONOMY; IS AS PERMANENT AS STONE—AND MEANS THE DIFFERENCE BETWEEN AN OTHERWISE, VERY ORDINARY BUILDING AND THE STRIKING BEAUTY OF THE MODERN HOME SHOWN ABOVE.

All These Materials Now Available

PERMA-STONE solves many construction problems, eliminating future maintenance expense — providing beauty, comfort and permanence. Can be applied on new or old tile, stucco, brick or block and on new or old frame construction. Installations quickly made without disturbing the occupants.

PERMA-STONE converts any property —new or old, home or commercial—into an outstanding investment for either owner occupation or re-sale. For those who build or own, those who value distinctiveness and want to make the first cost the last cost, PERMA-STONE is the ideal choice for outside walls.

PERMA-STONE is not a mere "residing job." It encases the building from the ground up in a stone-like, weather-proof, concrete armor.

A FAVORED MATERIAL

Architects, builders and realtors throughout the country use and recommend it.

W. M. U. NOTES

The W. M. U. of Union met at the church January 18. The topic for discussion was "Your Program for 1950."

The devotional, "To whom much is given" was brought by our program leader Miss Lucy Newman. Scripture found in 2 Cor. 8:1-15.

Thesis points to be discussed on the program were given by Mrs. R. E. Smith, "A spiritual Revival"; "Stewardship," Mrs. Ray Newman; "Cooperation," Mrs. Edythe Hedges; "Proportion," Mrs. James Gatewood; "Twenty-two States," Mrs. Betty Kirtley; and "The Spearhead Advance," Mrs. Bernice Hedges.

Huey led in prayer at the conclusion of the program. Mrs. R. E. Smith, president, presided over the business session.

After singing the new hymn and repeating the watchwords, the roll called and 12 members and 1 visitor or answered with a scripture verse.

The new officers for 1950 were announced by the president, as follows: Mrs. R. E. Smith, president; Mrs. Ray Newman, secretary-treasurer; Mrs. Edythe Hedges, 1st vice president; Miss Lucy Newman, 2nd vice president; Mrs. Virginia Gatewood, 3rd vice president; Miss Joan Anderson, Sunbeam leader; Virginia Gatewood, Y. W. A.; Mrs. Elaine Greenup, G. A.; and Linda Seebree R. A.

The society is looking forward to a great year in His name.

Why
Hadacol
is the choice of so
many Well-Known Americans

Senators, Congressmen, Ministers,
Lawyers, and Business Leaders

TURN TO THIS NEW MEDICAL DISCOVERY.

In the list of the HADACOL customers are prominent names. Leaders who must have the best to bolster up their pep and their quick intellect, choose HADACOL to help Nature to keep them brimful of energy and in their rosy-glow of good health—for HADACOL is a quality preparation.

You too are entitled to the best. HADACOL contains not only one but five of the most important B Vitamins and four most important minerals. HADACOL comes to you in liquid form already dissolved so that your system will not only quickly assimilate these vital elements but will absorb more than if they were taken in powdered or tablet form.

Learn the full facts about HADACOL. Vitamins work better when taken together. That is why we have five of the B Vitamins. Minerals also need the cooperation of one another to function successfully in your system, and Vitamins work better when taken with Minerals.

HADACOL will bring you renewed energy. It will relieve the pains and aches of Rheumatism when as so often they are caused by nutritional deficiencies. HADACOL will prevent digestive disturbances and will aid Nature in digesting your food, and after taking HADACOL a while you will sleep better, you will feel better, you will eat better, and in a few days you should feel like your old self once again. Read what a few of these distinguished leaders have to say about this wonderful scientific medical discovery.

This is what a Chicago Congressman says (name furnished on request):

I have given a few bottles of HADACOL to friends of mine in the hope that they will experience results equal to the benefit I seem to derive from the bottle which you previously provided me.

Reverend Fidele Chinniss of Lafayette, La., LaSalle School, says: For the past twelve years I have been afflicted with Rheumatism, and I suffered extreme pains in my legs and hands. I could not even kneel to say my prayers for a long time. I tried all kinds of medicine. I was advised to go on a very strict diet, but my pains seemed to grow worse. I had no appetite, no energy and I was growing weaker and weaker. I was losing weight, and I thought sure the end was near. At that time I was in Montreal, Canada, and I was advised to change climate and go to the tropics. I went there and remained six months. I came to Louisiana still suffering from Rheumatism.

I started to take HADACOL. I have now taken over twenty bottles, and write to let you know that now I am perfectly well. There is no trace of Rheumatism left in me. I have a grand appetite. I have lots of energy. I am back to my normal weight. In fact, I feel as well now as I ever felt in my life.

In the hope that my experience with HADACOL will help some suffering soul, I gladly permit you to use this letter.

Robert S. Mathis, Martin's Drug Store, Bemis, Tennessee, says: HADACOL is the best seller we have in our store, and we are selling more each day. Our customers tell us how much good it is doing them. It is one of the fastest selling tonics I have ever sold.

It is easy to understand, therefore, why countless thousands have been benefited by this amazing tonic, HADACOL. So it matters not how old you are or who you are... it matters not where you live or if you have tried all the medicines under the sun, give this wonderful preparation, HADACOL, a trial. Don't go on suffering. Don't continue to lead a miserable life. Be fair to yourself. Temporary relief is not enough for you. Give HADACOL a trial. Accept no substitute. Insist on the genuine HADACOL.

Sold at all the leading drug stores. Trial size only \$1.25, but save money—buy the large family and hospital size—only \$3.50.

We are so firm in our belief that HADACOL will help you that we sell HADACOL on a money-back guarantee. If you don't feel perfectly satisfied after using HADACOL as directed, just return the empty carton and your money will be cheerfully refunded. Nothing could be fairer.

HOOT, MON, I'M THRIFTY!

EVEN a Scotchman would be glad to have me on the payroll. I still work for pre-war wages, and the more work I do the less I cost per hour.

No job is too big for me and no hours too long. Every day, in many ways, I help you enjoy better and easier living, and at the same time save you time, work and money.

Just for fun, divide your next electric bill by the number of days in the month to get my daily pay. Then think of all the jobs I do and you'll agree that I represent by far the biggest bargain in your household budget.

Thieves Take \$344 In Loot From Shop Of Calvin Cress

Entrance Gained By Breaking Window In East Side of Building

Calvin Cress & Sons, owners of the International Harvester show and sales room, Burlington, suffered a loss of \$344.11 and one electric toaster when thieves entered their building located on Burlington-Florence Pike, Saturday night and rifled the cash drawer.

The culprits entered the building through a window after breaking the glass. The cash register was pried open with a screw driver and its contents removed. A safe in the building was also ransacked, but nothing was taken from it.

Wendell Easton, Boone County Sheriff, reported that Mr. Cress had posted a reward of \$25.00 for the arrest and conviction of the persons involved in the theft.

State Troopers, called in to investigate the theft took fingerprints. Although the person committing the crime wore gloves, two fingerprints were obtained by the officers, Sheriff Easton stated.

County officers and State Troopers are making a complete investigation, it was announced.

Burlington School Yearbooks Available

John K. Cropper and Katherine Cress, editors of "Res Memoriae," senior yearbook of Burlington high school, have announced that the staff has been able to obtain an additional order of yearbooks for sale to the public. Order for these must be placed with Bill Cave or Mary Hamilton, business managers, or with any member of the senior class.

"Res Memoriae" will be one of the most complete annuals published by a small school. The book will contain more than two hundred pictures of students, student activities and scenes of the school. It will also have a complete history of the senior class and several other unannounced features. Subscription price is one dollar and a half and orders must be placed soon staff members announced.

Banks Will Be Closed Monday, February 13th

All Boone County banks and all County offices will be closed on Monday, February 13th in observance of Lincoln's birthday. It was announced this week. They will also be closed on Wednesday, February 22, which is Washington's birthday.

February 15 Is Last Day For Corn Allotment Requests

Allotments Will Be In Effect Throughout Boone County.

Operators of farms where no corn was produced in 1947, 1948, or 1949, but who wish to apply for a corn acreage allotment for 1950 have a week in which to apply for these allotments. Joseph A. Huey chairman of the county PMA committee announced today.

The deadline for accepting applications for 1950 corn acreage allotments from operators of farms with no production history during the past three years is Wednesday, February 15, 1950.

Boone County is one of 55 Kentucky counties designated in the commercial corn area of the state. Mr. Huey said, and allotments will be in effect throughout the county.

Corn growers in the county who have not yet reported their production in the years 1947-49 to the county PMA office should do so at once. Mr. Huey said. A report should be made for any farm where corn was produced in any one of these years.

Farmers' reports on their corn production for the past three years will be used to establish individual farm acreage allotments for 1950.

Wedding Announced

Mr. and Mrs. Festus Hale, of Sanders Drive, Florence, announce the approaching marriage of their daughter Gloria Mae, to Mr. Bobby Hodges, son of Mr. and Mrs. Ernest Hodges, of Petersburg Saturday evening, February 11 at the home of the bride's parents.

School of Missions Planned At Burlington Church Feb. 12-17th

The Burlington Baptist Church wishes to extend to all an invitation to attend a school of missions to be held Sunday, Feb. 12 through the 17th. There will be a guest speaker for each service. Speakers scheduled come from both home and foreign mission fields.

This will be an opportunity for everyone to learn first hand what is being done in giving the Gospel to the world. All services will begin at 7:30.

The pastor issues a special invitation to everyone to attend these services regardless of your church affiliation.

"If we don't want the H-Bomb then we must have them the Gospel," Rev. Johnson stated. This will be your opportunity to hear what is being done about it.

Walton Bearcats "Team To Beat" In District Tourney

District Drawing Set Thursday, February 9 At Florence.

With the basketball season headed down the home stretch it still appears that the Bearcats of Walton high school will be the "team to beat" in the coming 34th district tournament. The Walton quint is leading the Boone Conference with a perfect 4-0 record and they have an overall record for the season of 14 won and three lost. Their three setbacks came at the hands of Newport, Leslie County and Owsingville. Their wins were over county opposition, several of the stronger Northern Kentucky Conference outfits, Gallatin County, Hazard and other top rated outfits.

None of the other county teams, and in fact none of the other 34th district teams, have very impressive records as the final month of the season begins. Simon Kenton and Lloyd, members of the NKAC, have had tough sledding holding their own in that league and both have season records of about fifty percent wins. Burlington's Eagles have shown little during the season though they hold second place in the Boone Conference and a season's record of 11-7. Florence, Hebron, St. Henry and New Haven all show a deficit in the games won column. Hebron is third in the local conference, Florence is fourth and New Haven, winner all year, is in the last slot. St. Henry is bringing up the rear in their league.

Tourney Drawings Tonight Pairings for the 34th district tournament will be made tonight (Thursday) by members schools at the Florence school. It was announced by R. A. Hinsdale, Simon Kenton principal, and Bert Wilmoth, St. Henry coach, the two tourney managers.

The tourney will be held at two gymnasiums this year, those teams drawing in the upper bracket will play their contests at Simon Kenton and those drawing in the lower bracket will meet at St. Henry with the championship game scheduled for Simon Kenton.

This arrangements for playing the tournament was made by school officials for the purpose of letting more fans see their favorite team in action.

Referee named to handle the two-site tourney are Miller, Gessell, Cover, Braun and Mahan. Official scorers and timers will be Huff, Huey, Scheben and Martin. Admission prices for each one-game session will be sixty cents except for the final which will be eighty cents.

Games Last Week
Burlington 67, Gallatin County 40.
Florence 48, Hebron 33.
Walton 58, St. Henry 49.

Organization of Boone County Historical-Society Proposed

What do you know about Boone County? Do you know when it became a county? Do you know that it was once a part of Campbell County and that its earliest records are in the Court House at Alexandria? Do you know that the location of the State Capitol in Boone County was once considered? Do you know how the first settlers came into Boone County and where they came from? Do you know that the streams of Boone County have been panned for gold? Can you picture the county when prehistoric animals lived here? Do you know about the bones of these animals found at Big Bone? Did the glaciers come into Boone County? Do you know why Florence is not called Connersville as once named? Do you know that a family once lived in a tree in the county? It is reported that General Lafayette once spent the night in the county and that the fifty-cent coin with which he paid for his lodging, meals, and care for his horse is still in the county. Do you know when the Burlington Court House was built? Do you know of the famous men and women Boone County has produced? Do you know of the clock invented by a Boone Countyman? It tells more than the time of day and it is still in operation in the county. The same inventor mechanized his farm so

Blind Minister To Speak at Big Bone

Rev. Reese Farnell, blind telephone minister, of Mobile, Ala., will speak at the Big Bone Baptist Church Saturday night, February 11 and at the Bullittsburg Baptist Church Sunday morning, February 12th at 11:30 a. m.

Rev. Farnell has been blind since 1944, but has not let this handicap interfere with his telephone ministry. He has done a wonderful work for the Lord during this time. All people of the county are cordially invited to hear him.

Motorist Receives Fine of \$104.50 Wed.

Arnold Hensley, of Marill, Ky., was fined \$104.50 in Judge C. L. Cropper's Court Wednesday of last week on a charge of driving a motor vehicle while under the influence of alcohol. His driver's license was also suspended.

Hensley was arrested by Sheriff Wendell Easton, in Florence.

Stroke Proves Fatal To Clifton Roberts Florence Resident

Services Held Monday At Florence Funeral Home.

Clifton C. Roberts 49-year-old former office manager for the Carborundum Co., Cincinnati, died Friday at St. Elizabeth Hospital, Covington, a few hours after suffering a stroke at the Conner Grocery, Florence, where he was employed as a clerk.

Mr. Roberts was a member of a prominent Boone County family. He had worked for the Carborundum Co. for many years, but had resigned because of ill health. He had recently taken employment at the Conner Grocery.

He was a member of Walton Lodge No. 719 F. & A. M., and the Covington Lions Club. He made his home with a brother-in-law, M. G. Martin, of Florence.

Mr. Roberts is survived by a niece, Miss Mary Lee Holmes, Cincinnati, and a cousin, Miss Sally Rogers, of Lexington.

Funeral services were held at 2:00 p. m. Monday from the Chambers and Grubbs funeral home, Florence with burial in Highland Cemetery.

State Budget Fair And Effective Says James B. Rhody

In Article Carried By State Journal, Frankfort, Sunday, January 29.

On Sunday, January 29, the State Journal of Frankfort carried the following comments by James B. Rhody, under the heading of This 'N' That concerning the Budget Bill recommended by the Governor and passed by the Legislature. Mr. Rhody has had twenty years experience in the newspaper field and has a wide knowledge of the state government. He did not support the Governor and oftentimes has been critical of his policies. The article follows:

"It is beginning to appear that Governor Earle Clements isn't to fare so badly after all as a result of his budget bill. Of course, there are still some vocal ramifications, but for the most part the tumult and shouting have died away and there is less and less talk by opponents of adopting punitive measures against the Governor should he make the race for the U. S. Senate this year.

"And that's as it should be, for the Governor did only what he could do under the circumstances. And we imagine most of the people realize that by now. It is always dangerous to overestimate the intelligence of the public.

"Kentuckians know what's going on and despite a lot of confusion, propaganda and other attempts to beloud the issue, it is becoming easily demonstrable that Governor Clements' budget recommendations were fair and effective. He was surrounded by experts who counseled with him on the budget and his figures were no last-minute, sleight-of-hand or out-of-the-hat propositions.

"To lean upon simile which every Kentuckian will appreciate and understand, so some individuals may be compared to a cistern and not an everflowing well. You can only take from a cistern the amount of water which is in it. When it is emptied, you can get no more water unless you put some back in it.

"It is always a popular procedure for legislators to be willing to vote for all appropriations and no taxes. But it required great courage for the members of the Legislature and the Governor—meeting tremendous pressure—to steadfastly refuse to take from the cistern everything that was in it; because they knew that when there isn't enough water—or anything else—on hand with which to do a particular job, then the job must be done with whatever means are at hand and as well as possible under existing conditions.

"That was the position of the Governor and the Legislature. There wasn't enough to go around as everybody might have wished it distasteful—so some individuals and groups had to be disappointed. It was an unavoidable situation, but it had to be met and it was met.

"It would have been a vastly popular move, perhaps had the Governor and the Legislature decided to take the easy course, to allocate with a right free will, and not

past and the present and their inscriptions bear messages that the future will need. Many of these have been allowed to go to ruin before the inscriptions on the stones had been recorded in some safe place. Not so long ago an estate could be settled because of a name and date found on a partially buried grave stone. Family Bibles are sometimes discarded with little regard for the births, marriages, and deaths recorded in them.

There are many people throughout the county who are aware of the great wealth of information that is being lost to the future, and they are making an effort to help preserve facts, legends, and folklore of Boone County.

With this in mind a Boone County Historical Society is proposed. A meeting has been planned for Friday, February 17th at the Florence Town Hall at 8 p. m. Every one who is interested in knowing more about Boone County or who is willing to pass along some of his knowledge of the county is invited to attend.

Do you have articles of historic value, such as an old history, a family Bible, a newspaper clipping, a relic with historic connection? Bring it along so that others may see it. Come prepared to tell some little known story from out of the past. The teller of the best tale will be awarded a prize.

worrying over-much about where the money was to come from. "That Governor Clements and the Legislature did not do that, is to their everlasting credit. It was a bit of statesmanship of the type that has been all too rare in Kentucky for many years."

Leaf Prices Show Sharp Decline As Season Nears Close

Burley prices on four Kentucky markets Monday continued to decline as \$33.302 pounds sold for \$279.751.54 an average of \$33.57 a hundredweight, according to the State Marketing Division.

Carrollton sold 22,990 pounds for an average of \$27.20 it was announced.

This average is far below the average a week ago, when burley sold for \$38.75 a hundredweight.

During the first five days of the State burley markets the week brought an average of \$44.92 a hundredweight, which was slightly smaller than the average one year ago for the first five days of sales.

12 Delegates From Boone Co. Attend Farm-Home Week

Information Gained By Delegates Will Be Shared With Clubs

Farm and Home Week for 1950 brought thoughts to the minds of 12 delegates from Boone County attending the meetings in Lexington last week. Much of the information gained by the delegates will be shared with the club throughout the month.

The program was started each day with a grand community singing led by Miss Mildred Lewis, Department of Music, University of Kentucky.

Miss Myrtle Weidman of the College of Agriculture and Home Economics, greeted the delegates and gave information which would make the visit more enjoyable. Her message Tuesday morning was "Let's Make the Most of It."

Mr. Charles P. Taylor, Educational Director, American Cancer Society, Louisville gave a very realistic and understandable talk on what we as individuals can do to defeat cancer.

"Every Woman Can Be Beautiful" by Miss Mary Studevant, certainly held the audience spellbound. Dr. Regina Estcott sent forth many ideas for community action. Mrs. James Wyker, from the Ohio Council of Churches, added much to the week's program under the topic "The Rural Home, America's Bulwark." Food, fun and fellowship were enjoyed by all during this inspiring week at the University of Kentucky.

Boone Representatives The Boone County Homemakers were represented at the Farm and Home convention by the following: Mrs. Vernon Pope, Burlington; Mrs. John Kyle, and Mrs. Joe Northcutt, Florence (Burlington Rd.); Mrs. Richard Kottmeyer, Constance; Mrs. Roy Lutes, and Mrs. Victor Benham, Florence; Mrs. Henry Fisher, Union; Mrs. John Aylor, Petersburg; Mrs. Mathew Flynn, Walton; Mrs. Earl Morehead, Taylorsport; Mrs. S. Rogers, Hebron; and Miss Nancy McClaskey, Home Demonstration Agent.

Several other delegates attending the meetings for a day were: Mrs. Pearl Johnson, Mrs. Mildred Taylor, Mrs. Elmer Goodridge, Mrs. Gilbert Dolwick, Mrs. J. P. Dolwick, Mrs. Virgil Kelly, Mrs. Dolpha Sebree, Mrs. Robert Moore, Mrs. Walter King and Mrs. G. Maddox.

Thieves Loot Erlanger Concerns Over Week End

Gasoline, Tools, and Accounting Machines Included In Loot.

Thieves looted two Erlanger concerns sometime between Friday night and Monday morning, it was reported by Police Chief Howard Thompson, of Erlanger.

The culprits took 100 gallons of gasoline and various tools from the Park Hills Trucking Co., of Oklahoma, which parks its trucks in the Southern Railway yards on Crescent Avenue. The theft was reported by Curtis Williams foreman of the trucking concern.

The Boone-Kenton Lumber Co., located near the railroad yards, apparently was victim of the same robbers, Chief Thompson reported. The office of the lumber firm was ransacked and two accounting machines valued at \$250 each were reported missing.

One of the machines, probably too heavy for the thieves to carry, was found in the railroad yards early Monday morning. R. C. McNay, president of the concern reported.

The Park Hills Co., has been hauling pipeline equipment into Boone County.

Agricultural Planning Meetings Scheduled

The annual agricultural community planning meeting in the following communities have been set for the coming week, according to Bill Davis, County Agent:

Constance 8:00 p. m. February 14 at the schoolhouse.
Walton 8:00 p. m. February 15 at the schoolhouse.
Florence 8:00 p. m. February 16 at the schoolhouse.
Hamilton 8:00 p. m. February 17 at the schoolhouse.
Verona 2:00 p. m. February 18 at the schoolhouse.

...to BETTER LIVING!

PROBABLY no other man in history did more to raise living standards in his lifetime than Thomas Alva Edison.

Through his invention of the incandescent lamp and his many other discoveries in the field of electricity, Edison brought better light and better electrical living to all the world.

Today, electricity is serving more people in more ways at lower cost than ever before. You have only to imagine life without electric service to realize what Edison's achievements have meant to mankind.

Small wonder then that Edison lives on in the hearts and minds of a grateful humanity. His genius has made life brighter and work lighter for everyone.

Our years of research have proven that foot comfort depends on foot balance.

For years men have been guessing about foot balance, putting steel support under feet and elastic bands around feet, all sizes and shapes corn pads, plasters, callos plaster, etc. Yet people continue to suffer with their feet, legs, back and with various other aches and pains, resulting from feet in numerous cases, because they have never had their body weight prop-

erly balanced on their feet with shoes.

Your feet may look regular to you, but, naturally you cannot detect weakness or have any way of testing for imbalance. But remember: "Fat on the ribs" is by no means an adequate criterion of physical well being.

Don't take chances. If you are suffering with leg pains, knee pains, stiffness, backaches, or severe headaches, or sleep poorly and are always tired, your feet may be the cause.—Adv.

Notes and Comments

From the Editor's Desk

Free People Must Win

Many Americans must still wonder if the Soviet Union actually calls the tune within the satellite states or if these states, as the Kremlin claims, are actually independent "people's democracies." They must wonder too just how Communism manages to overrun a state—Czechoslovakia, for example—which has always had a high degree of individual freedom.

The October issue of Foreign Affairs carried a revealing answer to these questions. It was written by Jozsef Reval, whom the magazine terms "the leading theorist of Hungarian Communism," and was published in a Hungarian Marxist journal.

The gist of Reval's remarkable article is found in this paragraph: "We were a minority in parliament . . . but at the same time we represented the leading force. We had decisive control over the police forces. Our force . . . was multiplied by the fact that the Soviet Union, and the Soviet army, were always there to support us with their assistance . . . When we struggled directly and apparently only for steadfast achievement of bourgeois-democratic task, we fought as

well for the establishment and assurance of the conditions which made possible the socialist transformation. The change in the development of our people's democracy into the dictatorship of the proletariat began with the destruction of the right wing of the Smallholders' Party, with the liquidation of the conspiracy and the fall of Ferenc Nagy (Nagy headed a Hungarian coalition government). Then the kulak (the more prosperous class of farmer) became an enemy, then the leading role of our party and the working class was strengthened . . . This development, our development into a dictatorship of the proletariat, was crowned and definitely assured . . . by the destruction of the right wing of the Socialist Party and the establishment of the unified Workers' party."

That is a frank and accurate description of the standard Communist technique, written from the inside. It applies in principle to every country which has adopted the Marxist religion. The Kremlin actively aids and abets the movement, and the threat of Red army action always exists. The wolf-in-sheep's-clothing device is always employed to disarm the people. And, once power is seized, all opposition is liquidated—including even the more moderate elements within the socialist ranks.

Reval's article implies one more fact of the highest importance. The

Communists must win an election or any other form of political struggle only once—then they are in for good, unless war or revolution unseats them. Those who believe in free, representative government must win every time if they are to survive.

Plenty of Room

The relationship between "big business" and "small business" was well described by a spokesman for one of the largest American corporations in testimony given before a congressional committee.

He took as an example nylon staple. His company received \$1.92 for enough to make a dress retailing at \$49.95. The difference large-

ly went to small business—spinners, weavers, finishers, cutters, retailers. It paid for the vast amount of work necessary to turn a raw material into a finished product.

Then he said, "This, I think, illustrates the essential relationship between big business, which is able to produce the things that require large investments, and small business, which can transform these basic materials into useful goods. Each is dependent upon the other."

To say that big business, in any field, is the enemy of small business is to fly in the face of facts. Practically every big business, by its very nature, has in one way or another helped create many small businesses. And any business, big or little, succeeds only if it serves its public well.

One of the great strengths of this country is that there's plenty of room in it for business of all sizes.

NO ACCURATE TEST FOR SOIL NITROGEN

No practical chemical test has been devised for determining the nitrogen in the soil, says the Kentucky Agriculture Experiment Station. The need of nitrogen can best be judged by past liming, manuring and cropping.

On soils that have enough other plant foods, that is, phosphorus, potash and lime, increased yields may be expected per pound of nitrogen used about as follows:

Corn, a third to a half-bushel; small grains, a fourth to a third of a bushel; tobacco, 5 to 6 pounds, and grass and hay crops, 40 to 50 pounds. Where the yield already is high, less increase may be expected. Large amount of nitrogen may lower the quality of burley tobacco or cause small grains to lodge.

Hebron

Friends of W. B. Imwall and William Turner wish them a speedy recovery.

Word has been received from S. M. Graves that he is having quite an enjoyable vacation in Florida. Mr. and Mrs. White moved from the James Hart farm last Thursday to their son, Upshire White's residence in Newport.

A. Ledford spent the week-end in Lexington. Several from here attended the concert given by the College of Music, symphony orchestra in the Odeon auditorium. Ray Scott, teacher of piano and in the Hebron school, was soloist.

Mr. and Mrs. George Wohrley spent the week-end with her parents, Mr. and Mrs. Earl M. Aylor and son.

Mr. and Mrs. Robert Ledford were guests of his brother Howard Ledford and family Sunday.

Mr. and Mrs. Wilbur Denniston left for a vacation in Florida this week.

BANKING BUSINESS

Banking would be a dull business, indeed, were it not for the pleasure we have in helping our customers to succeed in their undertakings. The mere formality of handling checks, deposits, notes, etc., carries with it the satisfaction that we are filling a necessary place in this County, where our customers are welcome and where we bend every effort to make it a pleasure to do business with us. No item of business is too small to claim the painstaking and courteous attention of the officers and employees of this bank. We believe in the old adage that "Large Oaks From Little Acorns Grow." This bank is here to serve you—Use it.

Mothers Find New Way to Interest Children in Hadacol!

Wise mothers in many parts of the country have found a new method of getting their children to be interested in their health and growth by giving them the Captain Hadacol Comic Book. This full color comic book, just as the kids love to have, not only tells an exciting story, but shows the children the importance of getting enough vitamins and minerals in their daily diet.

This comic book tells a fascinating story about the adventures of Captain Hadacol when he encounters the Gray Gang, and how he defeats them. And best of all, this book is offered absolutely free to all who write in for it.

Just send a letter or post card telling us where to send the book. Address your letter to The LeBlanc Corporation, Dept. H, Lafayette, Louisiana, and your free copy will be rushed to your child. Supplies are limited so send for your copy today.

SEES POSSIBILITIES IN CROP IRRIGATION

Irrigation, now used by truck gardeners and a few tobacco growers, could be used with profit by many farmers, thinks Ralph Kenney of the College of Agriculture and Home Economics, University of Kentucky. Water could be supplied artificially not only to improve tobacco but also to stimulate yields of grains and hays and even grass, he declared.

Dry weather in midsummer often

makes necessary the sale of cattle before they are ready for market, Kenney pointed out, and checks the growth of corn and other grains, legumes and grass. If land could be irrigated at such times, sale of unfinished stock could be avoided. Beef cattle could be kept gaining and production of milk could be kept up. Also, injury to tobacco and grain crops could be prevented.

Kenney told of experiments which showed a profit of \$32 an acre of grass a year, above expenses of putting on water.

In only one year in the past 25 years has rainfall in Central Kentucky been sufficient at all times of the season, according to Kenney.

In the past season of 1949, rainfall at Lexington was so distributed that crops never suffered. Irrigation of crops at the Agricultural Experiment Station showed little or no beneficial results. However, such seasons are rare, Kenney pointed out.

Try A Want Ad - They Sell

Talmage Huff of Harlan county estimated he saved about \$200 by planting native shrubs when he landscaped his new home.

At the Lexington tobacco show and sale, 4-H's sold 16,550 pounds of tobacco for an average of \$44.33 per hundred.

HE'S EARNING

4¢ AN HOUR

Earning only 4c an hour while other vital farm jobs wait. Jobs that would pay him far more! For pumping, carrying or hauling water is especially impractical now that labor is scarce and costly. Let a Fairbanks-Morse Water System do these time-stealing, low pay jobs for you—at only a few cents a day!

READY-TO-PLUG-IN

Many Fairbanks-Morse Water Systems come to you ready to use. No wiring—no extra equipment to buy. Just plug into a light socket—couple to your lines—and you're all set—for years to come.

Time need no longer be wasted pumping water by hand. And in addition, the owner of a Fairbanks-Morse Water System has the comfort, sanitation, and convenience of running water in his home.

Pulpit Committee Announces Selection Of New Pastor

The pulpit committee of the Petersburg Christian Church announce that by the unanimous vote of the congregation, Rev. J. Edgar McDonald, Jr., has been called to the pastorate.

The new Petersburg minister received his B. A. degree from Transylvania College, Lexington, Ky., and at the present time is working toward a B. D. degree at the College of the Bible in the same city.

Rev. McDonald is a native Ohioan but lived in Mississippi for a while and now claims Liberty, Missouri as his home town where his father is minister of the First Christian Church.

While in Transylvania, he was secretary of Kappa Alpha fraternity, editor of the Crimson Rambler, the college newspaper, and was selected as one of four students from Transylvania College to study in Washington, D. C., for a semester at American University.

Graduates From New York Technical Institute

James Loftin, of Hopeful Road was among the recent graduates of the New York Technical Institute, specializing in radio and television receivers.

Mr. Loftin is employed at Elsmere Drug and Appliance Co., as radio and television technician.

NUMBER 31

Three Men Arrested Sunday On Charges of Breaking and Entering; Bond Set At \$2,000 By County Judge

Youth Confesses Burglary of Calvin Cress' & Sons Shop, February 3rd.

Three Boone County men were arrested Sunday by Sheriff, Wendell Easton, Deputy Byron Kinman and State Troopers Robert Miller and Robert Gordon in connection with two recent burglaries in Boone County.

One of the trio confessed to the burglary of Calvin Cress & Sons' International Harvester Shop near Burlington on Friday, February 3. He is registered as Norman Stephens, according to Sheriff Easton. Others held are Henry Bradshaw, 22 and Jess Miller, 30.

Miller and Bradshaw, charged with robbing a camp near Rabbit Hash owned by George Betz, of Covington, confessed after being questioned by William McEvoy, County Attorney, Sheriff Easton reported.

No clues were left in the International Harvester burglary. Sheriff Easton heard a report that a large amount of silver had been scattered on the road in an auto accident the following night after the robbery, near Pleasant Isle, Kentucky. A bag full of nickels had been stolen in the International Harvester burglary, and Sheriff Easton quietly made an investigation.

Threads of evidence pieced together pointed to Stephens, who was recognized as he returned to the scene of the accident to pick up some of the money scattered on the highway.

Approximately \$70 in cash, together with a toaster and electric iron were recovered in the loot obtained from the Cress & Sons Shop. A shotgun was recovered in the Rabbit Hash robbery, though several cases of beer, a pony jacket and some field glasses have not been located.

The three men are being held in Burlington jail after failing to post bond set at \$2,000 each by County Judge C. L. Cropper.

Dixie Dew Hotel Damaged By Fire

Fire burned a three-foot hole in the front wall of the Dixie Dew Hotel and Restaurant, 223 Dixie Highway, Elsmere, Monday. A short circuit in a transformer in a neon sign started the blaze.

Flames penetrated into a second-story bedroom and ignited a mattress, which partly burned. Loss was estimated at \$200.

Walton-St. Henry, Florence-Burlington To Open Tourney

Wednesday Night, March 1; Drawings Made Last Thursday.

St. Henry's Crusaders and the Walton Beacats at Simon Kenton gym and Burlington's Eagles and the Florence Knights at St. Henry's gym provides the opposition in the first round of the thirty-fourth district tournament which will open Wednesday night, March 1.

The second night's play will see Hebron and Simon Kenton tangle at the latter's floor and Lloyd of Erlanger and New Haven battle at St. Henry. Semi-final games will place the St. Henry-Walton winner against the Hebron-Simon Kenton winner at Simon Kenton and the Burlington-Florence victor against the Lloyd-New Haven survivor at St. Henry on Friday night.

The final will be played at Simon Kenton Saturday night. All games will begin at eight o'clock tomy managers, Bert Winnhoff and R. S. Hinsdale, announced.

The schedule of officials as announced by the tournament managers will be: Wednesday, Mahan and Gesselbracht at Simon Kenton and Braun and Cover at St. Henry; Thursday, Miller and Gesselbracht at Simon Kenton and Braun and Cover at St. Henry; Saturday (final) Miller and Gesselbracht. James R. Huey and Garland Huff will serve as scorer and timer at Simon Kenton and Bill Scheben and Bob Martin will serve in the same jobs at St. Henry, officials stated.

The tournament drawings were made last Thursday night by district school officials at the Florence school.

E. E. Newman Named Fund Chairman of Boone County Red Cross Drive

E. E. Newman, Lockmaster of Dam 38 is fund chairman for the annual Red Cross drive which opens March 1st. Mr. Newman will announce his precinct chairmen in a later issue of The Recorder. Rev. Roy Johnson is chairman of church activities.

The little one has been named Ward Richard. Both mother and son are doing nicely. This is the first addition for the Rices.

The maternal grandparents are Mr. and Mrs. A. O. Robbins, of Florence and paternal grandfather, M. B. Rice, Picacho, Arizona.

Walton Man Killed In Auto Accident Near Nicholson

Funeral Services Held Tuesday At Walton Baptist Church.

James Thomas Cheeseman, 31, Walton, was killed instantly early Sunday morning when an automobile in which he was riding turned over in a ditch on the Walton-Nicholson Road about half a mile from Nicholson.

The car driven was Cheeseman was attempting to pass another car when the accident occurred, it was reported. Cheeseman died of a crushed skull and internal injuries. He was pinned beneath the machine with his head pressed between the body of the car and one of the doors.

The driver of the other, Robert Bell, 17, of 1225 Banklick St., Covington, was cited on a technical charge of manslaughter, according to reports.

Three other occupants of the car driven by Cheeseman suffered no serious injuries. One of the passengers, Charles C. Richardson, 28, of Burlington, a cousin of Cheeseman received a cut over his eye. The other two passengers, Gene Marksberry, 18 and Roland Marksberry, 17, of Crittenden, escaped injury.

Cheeseman is survived by his widow, Mrs. Grace Morris Cheeseman; a son, James Cheeseman, Jr., and a daughter Jo Ann Cheeseman, both at home; his parents, Mr. and Mrs. Maurice R. Cheeseman, Walton; four brothers, John, Robert, Morris and Ray Cheeseman; and two sisters, Mrs. Kenneth Collins and Miss Helen and Miss Tillie Cheeseman, all of Boone County.

Funeral services were held Tuesday at 2:00 p. m. from the Walton Baptist Church, with Rev. Burton Garrett officiating. Burial was in Independence Cemetery.

Chambers and Grubbs, Walton funeral directors were in charge of arrangements.

Woman Injured

Whitaker were visitors here Tuesday afternoon, and while in town called at The Recorder office, having their subscriptions moved up. They will leave Wednesday by plane for California, where they will spend the next two weeks.

Walton Man Named County Chairman of Bond Sale Committee

Will Assist In Promotion of Sale of U. S. Savings Bonds in County.

N. L. Rockey, State director for Kentucky, U. S. Treasury Department's Savings Bonds Division, today announced the appointment of Walter D. Vest, of Walton, as County chairman of the Savings Bonds Committee for Boone County.

In his newly appointed capacity, Mr. Vest will assist in the promotion of the sale of U. S. Savings Bonds in Boone County in order to bring about an increase in the number of these bonds purchased.

Mr. Vest is an outstanding attorney, and is well known throughout northern Kentucky. He was appointed by County Judge C. L. Cropper to the office of County Attorney, due to the death of Chas. W. Riley, which position he filled in a very efficient manner until a successor could be elected.

Mr. and Mrs. A. J. Ogden, of Erlanger were visiting here Monday morning.

Ten Games Set In Boone Conference During Next Week

Card-Eagle Game Will Decide School News Blind Tourney Champs.

Ten games, including three Boone Conference tilts and a polo-benefit contest, will be played by County fives during the next week. The conference games will pit first place Walton and second place Hebron at Hebron, Walton and Florence at Walton and Hebron at Burlington. The Card-Eagle affair at Burlington on Friday night, February 17, will also settle the Boone County School News blind tournament since those two teams were cut short in the tourney final by light failure. The score when the lights went out, just a few seconds after the half was 28 to 18 in favor of the Eagles. At the recommendation of the Kentucky High School Athletic Association the first fourteen minutes and fifty seconds of the coming game will count as the last fourteen minutes and fifty-five seconds of the unfinished contest.

Coming Games

Feb. 14: New Haven at Milton; Walton at Hebron; Holy Cross at Burlington.
Feb. 17: St. Henry at New Haven; Florence at Walton; Hebron at Burlington.
Feb. 18: Burlington at Gallatin County.
Feb. 20: Florence at St. Henry.
Feb. 21: Mason at Hebron; Crittenden at Walton.

In games last week Walton's Beacats continued to win. They had victories over Gallatin County 57-49 and Burlington 51-49. Florence added two to the win column with victories over Dry Ridge 54-28 and St. Henry 42-36. Hebron continued their losing ways with losses to Holy Cross and to Dry Ridge. New Haven also dropped games to Gallatin County and Covington Catholic. Besides Burlington's defeat at the hands of leading Beacats they also dropped a 50-49 thriller to the Ludlow Panthers.

Scores

Covington Catholic 65, New Haven 25.
Holy Cross 41, Hebron 21.
Walton 57, Gallatin 49.
Walton 51, Burlington 49.
Florence 62, St. Henry 36.
Ludlow 50, Burlington 49.
Dry Ridge 49, Hebron 37.
Florence 54, Dry Ridge 28.

Highlights of games last week were the "red hot" scoring pace set by Billy Ray Markesbery of the Florence Knights who poured thru 33 points in the St. Henry game and 26 in the Dry Ridge battle, and the general improved play of both the Florence and Burlington teams. The Eagles though losing close one and two-point games to Ludlow and Walton showed vast improvement and Florence showed plenty in trimming St. Henry and Dry Ridge. The Knights and Eagles drew each other in the opening 34th District tournament.

Walton received a severe blow last week when Dyke Vest, their star player, injured an ankle in practice. He is expected to be out of the lineup for at least two weeks.

GUNPOWDER HOMEMAKERS

The theme on "Every Woman Can Be Beautiful" was indirectly passed on to the Gunpowder Homemakers at the regular meeting Feb. 7th at the home of Mrs. M. B. Shelton by Miss Nancy McClaskey, H. D. A. Other reports on Farm and Home Week followed.

At the business meeting plans were made and committees appointed for serving lunch at the Slinger sale, Feb. 18th.

Following a most enjoyable dinner served by the incomparable hostess, Mrs. Shelton, the lesson on "Hat Making" was completed. Much interest has been shown in this project, with several hats in the making and two being completed by Mrs. Dolphie Seebie and Mrs. Virgil Kelly, leaders. These hats illustrate that "The trimmings must speak the same language as the hat on which it is placed and the costume with which it is worn."

Members attending were: Mesdames George Black, Robt. Moore, Dolphie Seebie, Edgar Utzinger, Elva Piper, Cliff Norman, Virgil Kelly, Bert Markesbery, Glenn Stevens, B. M. Stevens and the hostess. Also present were the Home Demonstration Agent, two guests, Mrs. Skeezix Shelton and Mrs. Neal Shelton.

Boone County Roads Included In Contracts Let By State Dept.

North Bend Road and Hopeful Road Will Be Improved.

Frankfort, Ky.—Award of road contracts valued at \$1,915,085 and providing for 230 miles of federal-aid, state and rural secondary road projects was announced by State Highway Commissioner John A. Keck.

The awards included 22 miles of rural secondary road work costing \$68,143 and financing under the state gasoline tax. Also included were 208 miles of federal-aid and state work representing an expenditure of \$1,608,942.

Contracts for Boone County are as follows: Florence-Warsaw road, three stretches, 15 miles; Lexington-Cincinnati road, through Florence, 0.5 mile. The contract was awarded to the State Contracting Co.

County roads to be improved are North Bend road from Hebron to south of Taylorsport, 5.5 miles and the Hopeful road from Ky. 18 to U. S. 42, 2.1 miles; reconstruction and traffic bound surface. The contract was awarded the Fuller-Davies Co., Covington for \$59,458.15.

New Store Hours For Covington Merchants

Starting this Friday, February 17th most Covington stores will be open on Friday nights until 9 p. m. and will close Saturday at 6 p. m.

Because of increased requests from customers, the Covington Merchants' Association conducted a survey in November and December among customers of the Covington shopping area, both urban and rural. The results of this survey showed that customers expressed a preference for Friday night opening in a proportion of more than three to one over Saturday nights.

At a meeting recently the member stores unanimously agreed to in the future keep their stores open until 9 p. m. on Friday nights and to close their stores on Saturday nights at 6 p. m.

All these participating merchants are joining in staging a city-wide Dollar Day sales event on this first Friday night opening, February 17, according to Mr. Curtis, President of the Northern Kentucky Retail Merchants Association of Covington.

Sears, Roebuck & Co., 13 West Seventh St., Covington announce that the store will continue to remain open until 9 p. m. on Saturdays.

Fish and Game Club Will Meet Tonight

The Burlington Fish and Game Club will hold its regular monthly meeting tonight (Thursday) at the club house located on Burlington Idelwild Road, according to Alvin Clore, president.

Refreshments will be served by the committee in charge.

All members of the organization are urged to attend, and visitors are welcome.

Plans Made To Contact Large Majority Of Boone Farmers.

Twenty Boone County Farm Bureau directors from each of the ten communities, and a large group of volunteer workers will hold a kick-off membership drive meeting at the Burlington School on Monday, February 20th at 8:00 p. m. It was reported this week.

They plan to contact a big majority of the Boone County farmers and those interested in better agriculture, who are not already members in the coming membership drive.

Farmers all over the county are fast seeing the need for a farm organization and Farm Bureau is by far the largest farm organization in the nation and able to command the attention of our lawmakers and officials in getting things done for the interest of agriculture.

By the end of 1950 it is expected that the bureau's goal of 1,500,000 members in the nation will be reached; 65,000 Farm Bureau members in Kentucky and 1000 in Boone County. "This goal is easily within our reach if farmers will cooperate and work for their own interest," an official of the organization said.

Boone County is well on its way toward having the largest, strongest Farm Bureau that it has ever had and every farmer is urged to help the cause and take advantage of its service.

Sub-District Meeting Held At Williamstown

The M. Y. F. sub-district meeting was held at Williamstown, January 23. The program on the subject of "Faith" was given by Falmouth.

The business meeting was held, with Mattie Miller as presiding officer. The total attendance was eighty members.

The attendance at mid-winter institute, Grace Methodist Church, Newport, January 27, 28, 29 (in cooperation with two other M. Y. F. subdistricts) urged by president and counselor, Rev. V. V. Hill.

The next meeting will be held at Big Bone, which is a part of Boone County Parish. This program will feature magic acts to be given by Rev. W. E. Garriott, who is pastor of Grace Church, Newport, Ky.

Mrs. H. F. Pelley, of Burlington R. 1, was a visitor in Burlington Tuesday afternoon of this week and while here called at this office having her subscription moved up another year.

Interest Increasing In Formation of Historical Society

Meeting Planned Friday, February 17 at Florence Town Hall.

Last week an article was printed suggested that there was sufficient interest in the history and folklore of Boone County to justify the formation of a Boone County Historical Society.

Reports during the past week indicate that there is interest in many parts of the county and a number of persons have indicated their intention to come to the meeting at the Florence Town Hall on Friday, February 17, at 8 p. m.

One gentleman tells that his family has tired of hearing his stories of the glorious past and that he plans to come to the meeting in hope that someone will be willing to listen to him.

These stories are the history of Boone County. They are being lost and before long we will know nothing of the pioneers who fought, bled, and died, in carving our homes out of the wilderness.

It is reported that there is a Winston graveyard in the county and that these Winstons are connected with Winston Churchill's family. This report should be investigated, the graveyard located, and the facts recorded.

A Geologist from Cincinnati has offered to come out sometime to talk to the group about the geologic history of the area and of the animals living here before the glacial invasion.

Do you know about Hang's Tree? Do you have any copies of old Boone County newspapers? Come to the meeting on Friday. You will enjoy the evening.

Mothers Find New Way to Interest Children in Hadacol

Wise mothers in many parts of the country have found a new method of getting their children to be interested in their health and growth by giving them the Captain Hadacol Comic Book. This full color comic book, just as the kids love to have, not only tells an exciting story, but shows the children the importance of getting enough vitamins and minerals in their daily diet.

This comic book tells a fascinating story about the adventures of Captain Hadacol when he encounters the Gray Gang, and how he defeats them. And best of all, this book is offered absolutely free to all who write in for it.

Just send a letter or post card telling us where to send the book. Address your letter to The LeBlanc Corporation, Dept. H, Lafayette, Louisiana, and your free copy will be rushed to your child. Supplies are limited so send for your copy today.

Millions Suffer Without Knowing The Reason Why

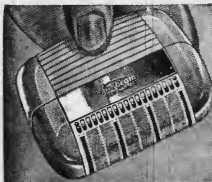

N. TULCH

Foot Comfort Specialist at—
PEOPLE'S SHOE STORE
811-816 Madison, Covington

A prominent "foot specialist" stated that it may be a far cry from a case of headache, or backache, or indigestion to a pair of bad feet, but the sooner the sufferer realizes that the pain in the back of his head CAN be related to the pain in the bottom of his feet—the sooner he is going to get relief. Cramped nerves in the feet send "Nerve Reflexes" to distant parts of the body. Cramped blood vessels slow up circulation, letting chemical deposits and waste matter form at the joints of feet and legs. The next step is INFLAMMATION and PAIN at the joints that is often mistaken for arthritis or rheumatism. Why suffer longer? Why take chances with your health, comfort, and peace of mind. Go where schooled men will fit you with scientifically correct shoes for your type of foot.—Adv.

**POTASH APPLICATION
NEEDED FOR ALFALFA**

The increasing number of farmers interested in growing alfalfa is told by Dr. W. A. Seay of the College of Agriculture and Home Economics, University of Kentucky,

that applications of potash to the soil often are needed for good yields and long life of alfalfa. Alfalfa uses up large amounts of potash, he said, and several cuttings a season may so reduce the potash in the soil that the alfalfa no longer

er produces well, or may even fail to survive.

Farmers are accustomed to applying phosphate fertilizer when seeding alfalfa, Prof. Seay noted, but they often fail to use any potash.

The relation between the amounts of potash in the soil and in the alfalfa itself was pointed out. Good alfalfa hay contains about 2 percent potassium. To have this, the land should contain 150 to 200 pounds of available potassium an acre.

Top-dressing land with about 200 pounds of 60 percent muriate of potash an acre after the last cutting of the year was recommended by Dr. Seay for alfalfa two years or older. Increase in yield the following year will more than pay the cost, he said. Potash not only keeps the alfalfa living longer, he said, but also increases the yield and improves the quality of the hay.

To determine the need of potash, soils now can be tested in laboratories in many counties, or can be sent to the Experiment Station at Lexington. County agents first should be consulted.

**HEALTH CONFERENCE
SET FOR TUESDAY, MARCH 7**

The second annual statewide Citizens Health Conference will be held in Louisville at Warren Memorial Presbyterian Church on Tuesday, March 7. Sponsored last year by the State Board of Health, the conference this year will be under the sponsorship of the Kentucky Public Health Association, announced Mr. J. F. Blackerby, president of that organization. The Health Conference immediately precedes the second annual meeting of the Kentucky Public Health Association, which will be on March 8, 9, and 10 at the same place.

The primary purpose of the Health Conference, according to Dr. Bruce Underwood, State Health Commissioner, Moderator of the Conference, is to bring members of Citizens Health Committees and other interested citizens of the Commonwealth together for a better understanding of the health problems of Kentucky, both urban and rural, and to acquaint them with methods of solving these problems in their own home communities.

Dr. Underwood said that the program will be "Improving Health in Kentucky," and will include outstanding speakers representing citizens, practicing physicians, public health workers, the United States Public Health Service, the Kentucky State Medical Association and hospitals. Another feature of the one-day meeting will be a People's Forum of questions and discussion.

Every citizen interested in better health for Kentucky is urged to attend this conference.

TALL BEAUTY TRIUMPHS AS BALLERINA IN "ICE CAPADES"

Ice show talent scouts might be inclined to pass up Texas in their quest for embryonic skating stars. It is natural that they should regard Canada and the Northern part of the United States as a more promising field for their hunt. Yet from Dallas comes a most attractive young lady whose determination and hard work have won her a place in the spotlight in "Ice Capades."

The tall young beauty is Helen Davidson who decided she wanted a skating career when she first saw "Ice Capades."

Helen had studied ballet dancing from the time she was five and had started skating lessons. With her mind definitely set on joining "Ice Capades," she concentrated on her skating. Although only 16 when she had her audition, Miss Davidson convinced Producer John H. Harris and his staff that she had a future as a skater.

She reported to the show in Hollywood, California, in 1945 and became an Ice Capet. She was keenly interested in all phases of the big show but had set a solo number in the show as her goal. So, while rehearsing faithfully for her group numbers, she also put in as

much time as she could in practice.

The following year Helen was selected as one of four girls for a specialty and carried out her assignment so well that in last year's show she was promoted to a solo. Her graceful routine won her acclaim throughout the tour and assured her of her much desired place in the spotlight.

As the featured skater in "Winged Iridescence," Miss Davidson has her most important number and the young Texas beauty has gained her first objective. Now, established as a soloist, she plans on continuing her climb right to the top. If hard work and determination can do it, Helen Davidson should be a big star of tomorrow.

The big "Ice Capades" cast also includes a long list of ice-doms' greatest stars including Bobby Specht, Ruby and Bobby Maxson, Eric Waite, Pat Phillips, Charlie Slagle, The McKellen Bros., Fergie & Larson, Mary Lea Wood, Alan Konrad, Jackson & Nelson, Don Bearson, Johnny Lettengarver, Salter & Kinney and a big group of the prettiest girls ever assembled—the Ice Capets.

The "Ice Capades of 1950" will appear at Cincinnati Gardens, Inc., February 17 through 26th.

GEORGETOWN COLLEGE WILL ENTERTAIN HIGH SCHOOL SENIORS FEB. 17-19

Georgetown College will entertain high school seniors in Kentucky at a special conclave February 17 through 19 designed to guide them in the choice of religious vocations, Russell Noel, Director of Student Religious Activity, revealed today.

The conclave will be conducted in the manner of a clinic, including conferences, special movies, and inspirational meetings. The students will also be permitted to sit in on classes in which religious vocational subjects are being taught. Dr. Carlyle Marney of Austin, Texas, and Dr. B. B. McKinney of Nashville, Tennessee, will be the guest speakers at the opening session Friday night. Dr. Marney is pastor of the First Baptist Church of Austin, Texas. Dr. McKinney, famous hymn writer, is music editor of the Sunday School Board of the Southern Baptist Convention and editor of the Broadman Hymnal.

The other speakers and forum leaders will be members of the Georgetown College faculty. Included in the entertainment planned for the students is a reception Saturday afternoon at the home of Dr. Samuel S. Hill, president of Georgetown College. Saturday night the local Baptist Student Union will give a buffet supper and party.

Sunday morning the students will attend a breakfast and the morning devotional radio broadcast, which is carried by station WLAF, Lexington, from 8:45 to 9:00.

A special morning worship service will be held Sunday morning for the high school and college students in the John L. Hill Chapel. Dr. George W. Redding, head of the Bible department, will bring the address.

The Georgetown College Chapel Choir, under the direction of professor William B. Anders, head of the music department, will give a short concert of religious music before the Friday night meeting.

The theme of the conclave will be: "Where are you going?"

Plans and organization are being carried out by the local B. S. U. Miss Marjorie Ferguson, a junior from Louisville, is in charge.

This conclave of high school students interested in religious vocations has been scheduled to follow the annual campus revival, February 12-17.

Reservations for the conclave may be made at no cost by any high school senior in the state, through Russell Noel of Georgetown College. Mr. Noel stated that he anticipated approximately 200 students. Information about the conclave is being distributed through high school principals and Baptist ministers in the state.

STATEWIDE SURVEY OF GARBAGE COLLECTION AND DISPOSAL UNDERWAY

A statewide survey of methods of garbage and refuse collection and disposal is being conducted by the State Department of Health's Division of Sanitary Engineering, says F. C. Dugan, Director of the Division. Questionnaires have been sent to sanitarians in all county health departments requesting information about how and how often garbage and refuse is collected in communities of 1,500 population or more, what disposal method is used and what the cost of the present system is to the community.

Mr. Dugan said that information obtained in the study will be useful to the Division in comparing costs

and effectiveness of various methods, so constructive advice can be given to towns interested in improvement. Many cities have satisfactory ways of collecting garbage and refuse but dispose of wastes in an insanitary manner which invites flies, other disease carrying insects and rodents. Adequate refuse disposal is of the greatest importance in the prevention of filth-borne diseases.

Since the manner in which a community disposes of its refuse and garbage is often a reliable indication of the general level of environmental sanitation, the present survey is expected to be of great value to the Division of Sanitary Engineering in planning its program of improvement in sanitation for all counties in the state.

PREDICTS HOMEMAKING TO TOP ALL PURSUITS OF KENTUCKY'S WOMEN

In Kentucky, housewives today outnumber the women in all other roles combined, by a ratio of almost three to one.

This is the finding of Annamary Morgan, consumer research director of Perma Starch laboratories, Ill., who based her calculations upon the results of a nationwide study.

The study is being conducted by Miss Morgan to uncover current facts about American women to be used in the introduction of a new synthetic starch which stays in clothes through many washings. The research reveals that slightly more than 610,680 women in Kentucky over the age of 20 this year will manage homes as opposed to following other pursuits. They will constitute 71 percent of the 856,300 Kentucky females of adult years expected to be included in the 1950 census.

The Kentucky average of women engaged in homemaking, 71 percent, tops the national average of 61. The percentage for the combined four-state east-south central area—Kentucky, Tennessee, Alabama and Mississippi—is 70 for the 3,308,400 females in the area.

Also disclosed in Miss Morgan's report is the fact that Kentucky women have achieved a current birthrate of 26.9 children per 1,000 population. The highest rate in the area is Mississippi's, which is 29.7.

BURLINGTON, KENTUCKY THURSDAY, FEBRUARY 23, 1950

Florence Calls Mass Meeting For Thursday, March 30 to Discuss Plans For Complete City Sewage System

Resolutions Are Adopted At Regular Meeting of Trustees Held Feb. 14.

The Board of Trustees of Florence, Ky., has taken another step toward the solving of the sewer problem of the community. All engineering plans for a sanitary sewer system have been completed and have been approved by state authorities. City Engineer O. G. Loomis and City Attorney E. L. Bramlage are about ready to begin securing easements for mains and outfall lines.

At the regular meeting of the Board of Trustees held on the fourteenth of February, a resolution was adopted calling for a general mass meeting to be held on the thirtieth of March to discuss further action.

The resolution adopted by the board and signed by Clifford Coyle, chairman and William Fitzgerald, City Clerk, follows:

Whereas, the City of Florence is presently faced with the serious problem of disposing of its sewage and thus maintain the healthy standards of living to which its citizens are accustomed, and

Whereas, the Board of Trustees has caused an estimate to be made of the cost of constructing a sewage disposal plant, together with the necessary feeder and outfall mains, and the necessary appurtenances, and

Whereas, the cost of said construction will approximate \$300,000.00, of which approximately \$160,000.00 can be financed through the issuance of sewer revenue bonds and approximately \$140,000.00 can be financed through direct assessments against abutting property within the corporate limits of Florence, and

Whereas, the issue of revenue bonds can be retired and paid through the levy of an annual rental on the use of sanitary sewerage of approximately \$30.00 against the estimated 400 users in the City of Florence, over a period of approximately 20 years, and

Whereas, the direct assessment for mains in front of abutting property can be paid through an assessment of approximately \$3.75 per front and abutting foot.

Now, therefore, be it resolved that the Board of Trustees adopts the estimate of the cost of a sanitary sewerage disposal system for the City of Florence, and approves the method of financing said construction.

Be it further resolved that a copy of this resolution be published in the Boone County Recorder, and that a public meeting of the citizens of Florence be held on the 30th day of March, 1950, to discuss the further progress of the municipal sanitary sewerage disposal system.

Passed and adopted this 14th day of February, 1950.

The farm was purchased by Albert Couch, of Newport, Ky.

Bullittville Christian Church Will Observe World Day of Prayer

Bullittville Christian Church will be host to the Hebron School community in the observance of the annual World Day of Prayer, Friday, February 24th at 8:00. The Woman's Missionary Society will be in charge of the service.

The public is urged to attend this service and in so doing help promote a World Community Spirit that will lead toward peace and good will in our world. All of the churches are invited to share in this cooperative endeavor.

"Let us turn to God in a larger community spirit and call upon Him in an attitude of earnest prayer. May these words reach your heart and help you to sense the need of God's enlarging presence," sponsors stated in urging a large attendance.

"Forgive, O Lord, the littleness of our return for Thy great bounty. Save and deliver us from the sins that so easily beset us—our selfish pride, our anxiety, our envy, our eagerness to be praised, our resentments, our unkindness, our narrowness of vision, our complacency before the agony of the world. By Thy grace heal our unholiness of divisions, race and class and unite Thy Church to serve Thee by serving all mankind. Amen."

Slow-Pitch Softball League Planned By New Haven Boosters

The New Haven Booster Club, of Union is making plans to organize a slow-pitch softball league for Boone County and surrounding towns, according to a member of the club.

All teams in this section interesting in entering the league are requested to contact Hank Fisher, of Union, Ky.

A meeting of the club to discuss further organization plans will be held in the near future, Mr. Fisher stated.

Penalty Will Be Placed On Delinquent Taxes

February 28th is the last day to pay county and state taxes, without a penalty, according to Tax Collector R. I. Rouse.

All taxpayers will be required to pay a six percent penalty after the above date. Property will be advertised in the early part of March upon which taxes have not been paid, Mr. Rouse stated.

Walton Bearcats Win Conference Crown With 7-0

Burlington Holds Second Place; Blind Tournery Champs Decided.

The climax of the 1949-50 basketball season is about here. Thousands of teams throughout the state and nation will wind up their regularly scheduled games next week and on or about the first of March begin the district tournament grind. Many conference titles have already been won and many of the closer races will be settled in the final few games. In general the season has been rather successful in northern Kentucky. The outstanding quints, according to records in this region are Newport Public and Campbell County of the NKAC, Newport Catholic of the Catholic loop and Walton-Vernon of the Boone County Conference.

Bearcats Win Crown

Walton assured itself of the Boone Conference crown last Tuesday night when they defeated Hebron by a 43-33 score. They kept their conference record clear on Friday night by trimming the Florence Knights 64-41. They now have a 7-0 record in the Boone Conference and have an overall record of 19-3 for the season.

Eagles Win 3 Lose One
Burlington's Eagles, a team which appears on the upgrade during recent weeks, won three games during the past week and lost one. Their wins were over Holy Cross 51-47, Hebron 51-30 and 60-25 and their loss was to the Gallatin County Wildcats 54-46.

Tourney Winners
The double victory over Hebron came in one night as the Eagles won the annual Boone County School News blind tournery championship by defeating Hebron 51-30 in a game that was started and not completed early in January, and went on to defeat the same team 60-25 in the regular contest. The score of that game, when the lights went out due to power failure, was 28-18 in favor of the locals. The game was just one minute and five seconds old in the third period when darkness took over. The Eagles picked up their mastery over the Cards in the regularly scheduled game and went on to win by a 21 point margin. They even turned on more steam in the remaining part of the regular game to win it by a 35-point difference.

The Eagles lost to Walter Hambrick's Gallatin County outfit Saturday night by a 54-46 count. The game was hard fought and close throughout though the Warsaw quint held a slight advantage after the first few minutes of the game.

Knights Split
The Florence Knights split in their two games last week. They

defeated the Covington Catholic Colonels 52-47 last Tuesday night at Florence and then lost to Walton 64-41 at Walton on Friday night.

New Haven continued their losing ways with a loss to Milton and a 69-30 lacing at the hands of St. Henry. These two defeats marked their 19th and 20th consecutive losses of the season.

Final Games
Feb. 20: Florence at St. Henry.
Feb. 21: Mason at Hebron; Crittenden at Walton.
Feb. 24: New Haven at Walton; Hebron at Florence.
Feb. 25: Crittenden at Burlington.

Sportsmen's Clubs Will Receive Quail Chicks

Application blanks for quail chicks will be in the hands of District Supervisors by the end of February, Larry Gale, Superintendent of Game Management, has announced, in pointing out that those sportsmen's clubs participating in the cooperative quail-raising program should contact their local conservation officer or supervisors to make application. After obtaining their application blanks, the clubs should fill in the data requested and return the blanks to the Superintendent of Game Management. These blanks should be in the office not later than April 15, so that the delivery schedule can be made. The first deliveries will be made in the Ninth District, with the light next, and so on, until all the deliveries are completed.

Mr. Gale pointed out that sportsmen obtained more than 60,000 quail last year and a few additional will be available for 1950. This additional amount, however, it was pointed out, will go to new clubs and clubs which raised birds last year should request no more than they handled at that time. Depending on weather conditions, the first deliveries are expected to be made early in June. They will continue until all the birds have been distributed.

Erlanger Man Dies From Injuries In Auto Accident

Cab Strikes Guard Rails Near Walton Early Sunday Morning.

Ezekiel Preston Hobbs, 29, owner of the Dixie Taxi Cab Co., Erlanger, was injured fatally early Sunday morning when a cab in which he was answering a call struck several state guard rails two miles north of Walton on U. S. 25.

Hobbs was rushed to St. Elizabeth Hospital, but was pronounced dead upon arrival. Death was due to a basal skull fracture received when the automobile overturned throwing him to the roadway, Mrs. R. J. Eaton County Coroner, reported.

An employee of Hobbs called his wife and reported that he was uneasy about his employer, since he had been gone more than one hour on a short trip. Mrs. Hobbs obtained her own car and started out the Dixie Highway in search of her husband. Sighting the wreck, she stopped to investigate and then called for help.

Sheriff Wendell Easton, State Trooper Robert Lucas and other officers investigated the accident.

Besides his widow he is survived by a son, Eddie Hobbs; his parents, Mr. and Mrs. William Hobbs, of Williamsburg; a brother, William Hobbs, of Erlanger and three sisters, Mrs. Pauline Hamblin, Belding, Mich.; Mrs. Katherine Tye, of Georgia, and Miss Imogene Hobbs, Williamsburg.

Marketing Clinic Planned March 2 For Local Farmers

Afternoon Session Will Be Devoted To Discussion of Marketing Problems.

The Department of Markets at the University of Kentucky together with County Agents in Northern Kentucky have planned a marketing clinic for March 2, according to Bill Davis, County Agent.

The schedule for the day will include a tour of the Kroger Warehouse and a local retail market, with a afternoon session devoted to a round table discussion of marketing problems.

The proportion of home grown products being used in Cincinnati has been declining for a number of years. The purpose of the meeting is to bring together the producers, wholesalers and retailers, to discuss the cause of this condition, and to suggest a program that will enable growers to maintain a satisfactory outlet for their produce.

The meeting will begin promptly at 9:30 a. m. at the Kroger Warehouse on Depot Street. A free lunch will be provided by the Kroger Company.

Anyone planning to attend should contact Bill Davis, County Agent so a reservation can be made.

The meeting has been planned to be of interest to all fruit and vegetable producers.

C. L. Cropper Represents Gov. Clements At Meeting Held Friday.

Contract for a survey preliminary to construction a new toll bridge over the Ohio River connecting Lawrenceburg, Ind., and Boone County was signed by the Indiana Toll Bridge Commission, Friday of last week, according to reports.

The action was taken after Indiana and Kentucky officials discussed the proposed Indiana-Kentucky Memorial Bridge. The new structure will be erected at a cost of approximately \$3,500,000, it was reported.

The survey contract on the new proposed bridge, authorized by Indiana alone, was awarded to the New York traffic engineering firm of Parsons, Brinkerhoff, Hall & McDonald. The survey to determine whether the project is feasible, will take about two months.

The new Lawrenceburg-Boone County bridge would be financed by revenue bonds and would probably be self-liquidating. The new proposed bridge would connect U. S. 50 with Kentucky Highway 20 near Petersburg, only a short distance from the Greater Cincinnati Airport, located near Hebron.

Although Kentucky will not participate in the bridge plans until actual construction is studied, a delegation of Kentucky officials attended the meeting at Lawrenceburg Friday. Those attending were Judge C. L. Cropper, representing Governor Frank P. Clement; D. H. Burg, State Highway Engineer; H. P. Creal and J. F. Stigers, Assistant Engineers.

WARDS OF THE GOVERNMENT

By Dean Russell

The following is the text of a speech delivered before the Convention on Individual Liberty at Billings, Montana, January 20, 1950. The Convention was sponsored by the Montana Chamber of Commerce.

Dean Russell is a member of The Foundation For Economic Education, Inc., New York. The article follows:

"The constitutions of former American slave states generally specified that the masters must provide their slaves with adequate housing, medical care and old-age benefits. The Mississippi Constitution contained this additional sentence: 'The legislature shall have no power to pass laws for the emancipation of slaves... (except) where the slave shall have rendered the State some distinguished service.' The highest honor that Mississippi could offer a man for distinguished service to his country was personal responsibility for his own welfare! His reward was freedom to find his own job and to have his own earnings freedom to be responsible for his own housing, freedom to arrange for his own medical care, freedom to have for his own old age, in short, his reward was the individual opportunities and the personal responsibilities—that have always distinguished a free man from a dependent.

What higher honor can any government offer?

The Rights of A Slave
But many present-day Americans are trying to avoid this personal responsibility that is freedom. They are voting for men who promise to install a system of compulsory, government-guaranteed "security"—a partial return to the slave laws of Georgia that guaranteed to all slaves "the right to food and raiment, to kind attention when sick,

to maintenance in old age..." And the arguments used to demand this present-day trend toward the bondage of a Welfare State are essentially the same arguments that were formerly used to defend the bondage of outright slavery.

For example, many of the slaveholders claimed that they knew what was "best for the slaves." After all, hadn't the masters "rescued" the slaves from a life of savagery? The advocates of government-guaranteed "security" also claim that they know what is best for the people. Many of them argue in this fashion: "After all, haven't the American people conclusively shown that they are incapable of handling the responsibility for their own welfare?"

Many of the slaveholders sincerely believe that the "dumb ignorant slaves" would starve to death unless their welfare was guaranteed by the masters. And the advocates of compulsory "security" frequently say: "Are you in favor of letting people starve?"

Most Precious of All
But as proof of the fact that personal responsibility for one's own welfare brings increased material well-being, consider the emancipated slaves. Among them, there were old and crippled and sick people. They had no homes, no jobs, and little education. But—most precious of all—the former slaves were responsible for their own welfare. They were free. They had the privilege of finding their own security.

Now compare the remarkable progress of those former slaves to the lack of progress of the American Indians who were made wards of the government; who were given state-guaranteed "security" instead of freedom with responsibility. In

1862, most American Negroes were slaves. Today they are about as self-supporting and responsible as other American citizens. Meanwhile the Indians as a group have become less self-supporting and more dependent on government aid. It has been claimed that many thousands of Indians will actually die of starvation unless the government feeds them. If this is true, why is it so?

Caretakers
There seems to be no scientific basis for calling the Indians an innately inferior race. As has been proved by the success of many individual Indians, they have just as much capacity for understanding and advancement as the Negroes and the so-called Nordics. But today there are more than 12,000 federal employees directly "taking care" of the 233,000 reservation Indians who are still classified as wards of the government. The number of government caretakers for the Indians has been steadily increasing over the years. As a result, the reservation Indian is becoming less self-sufficient, and more dependent upon what he calls "the Great White Father in Washington."

Instead of freedom, the Indian has government-guaranteed "security." Instead of individual responsibility, he has a government bureau to handle his personal affairs. There are special laws governing his right to own land and to spend tribal money. Under that system of bondage it should surprise no one to find that many thousands of Indians have remained uneducated, hungry, diseased, and mismanaged.

Mrs. Elizabeth Pitcher called on her parents, Mr. and Mrs. Ben Hodges, Sunday. Her father was ill Sunday.

Mr. and Mrs. Thos. Huff called on Mr. and Mrs. Tom Hamilton, Sunday.

The quiz program given by the P.-T. A. last Thursday night at Hamilton school auditorium was

quite a success. The committee extend their thanks to everyone who helped in any way.

Ninety-seven attended Sunday School at Big Bone Baptist Church Sunday morning. More than one hundred were present at morning worship services.

Floyd Smith is the guest of his daughter Mr. and Mrs. Arthur Bickers, in Covington.

Mr. and Mrs. Virgil Daniels and four children, of Ludlow, Ky., were

guests of Mrs. Anna Smith and son Gilbert over the week-end.

Mr. and Mrs. Dale Williamson are driving a 1950 Chevrolet.

Mrs. Georgia Ryle called on Mrs. Bertha Huff, Friday.

Mrs. Lillie Huff, Mrs. Bertha Huff and Mrs. Georgia Ryle called on Mrs. Anna Smith during the past week to help her quilt.

Mr. and Mrs. Jim Stephenson and son were Wednesday evening callers of Mrs. Anna Smith.

Lower Gunpowder

Born to Mr. and Mrs. Harold Hodges Wednesday, February 15th a 7 pound girl at St. Elizabeth Hospital.

Mr. and Mrs. F. H. Sebree spent Saturday afternoon with his brother Will Sebree and wife in Burlington.

Harold Hodges is moving to the Clarence Mitchell farm on Camp Ernst Road.

There were 97 in Sunday School Sunday, and if all had been on time there would have been over 100.

Mrs. Maud Hodges' daughter, Mrs. Blanche Noble, who is in the hospital is improving somewhat. We wish for her a speedy recovery.

Mr. and Mrs. F. H. Sebree took dinner with Mr. and Mrs. H. C. Love and daughter. Mr. and Mrs. Lloyd Stephens and two sons spent the afternoon there.

Mrs. Edna McCubbins, Mr. and Mrs. Daniel Hawkins spent Sunday evening with Mrs. Maud Hodges and daughter Elizabeth.

LEADER STRESSES 4-H CLUB VALUES

More than 1,200 boys and girls in the Ottawa community of Rockcastle county have been in 4-H clubs led by J. M. Wallace in the past 30 years. He was given recognition for his volunteer work with young people and his community at the Farm and Home Convention banquet at Lexington.

Although Mr. Wallace points with pride to the trebled corn yields, the hay crop of 1½ tons an acre, tobacco increase from 500 pounds to 1,850 pounds, and to Ottawa's two of the county's four milk routes, it is of the "crop of club members" that he is most proud.

"Insofar as I know, none that has passed through my 4-H club has been indicted for a crime, but all are good influential citizens," he said. "Many of them are 4-H club leaders in this and other counties and states."

Convinced in 1919 of the values of the service rendered farmers by the College of Agriculture and Home Economics, University of Kentucky, Mr. Wallace since has served as local 4-H club leader, chairman of the community Agricultural Board of Directors and member of the County 4-H Council and County Agricultural Extension Committee. He has served also on other farm boards, and on committees for the betterment of roads, schools and churches.

Mr. Wallace is proud of having had a part in obtaining the improved three-room school building with electric lights and well equipped playground.

Carrying out on his farm of 150 acres the principles of improved soil and crops which he encouraged among his 4-H'ers, he brought a wasteland farm to one of high fertility. The entire farm was fenced, 134 acres treated with lime and 100 acres with phosphate, the house enlarged and several farm buildings built.

This farm was sold in 1946 because of its inconvenient location. Mr. Wallace then bought a 70-acre farm with modern home and good buildings on a hard surfaced road, close to school and church. His crop yields were corn, 60 to 75 bushels an acre; tobacco, 2,000 pounds, and hay, 1½ tons. He has six cows on the cow-and-calf plan.

Mrs. William Damon of Kenton county, who has caned 32 chairs since she joined her homemakers club, has completed the refinishing of an antique chest.

Due to high water, the home furnishings leaders of the Dundee Homemakers Club in Ohio county traveled 94 miles to attend a training school.

Surgical Shoes

N. TULCH

Foot Comfort Specialist at—
PEOPLE'S SHOE STORE
814-816 Madison, Covington

HISTORY—Mrs. G. E. M. suffered headaches and neckaches. Her neck ached so intensely at the base of the skull she could hardly see. Days at a time she could not get out of bed because of the severity of the pains. She read one of our ads., telling of the good work we were doing, and decided to see what we could do for her. After a very short time wearing surgical shoes, pain in the head and neck lessened till finally it disappeared entirely and she is well and happy. It is now possible for her to do her own work even when it is necessary for her to climb a stepladder. Surgical shoes seemingly worked miracles for her.

COMMENT—Strain on ligaments and tendons naturally has a weakening effect upon muscles. Continued neglect of these conditions may be the cause of your aches and pain in the neck and back and if you have been unable to get relief, come in and let us see what we can do for you.

If your ankles are weak and you are constantly rolling them, surgical shoes are definitely the answer to your problem.—Adv.

WARDS OF THE GOVERNMENT

(Continued from Page One)

The Indians themselves to handle their own affairs on the basis of individual freedom and personal responsibility. If this is not true, then the blessing of freedom would appear to be fanciful myths. But for some queer reason, we Americans seem to believe that just because our pioneer fathers once subjugated the Indians, we in turn are obligated to keep them in the bondage of government "security." As a result, the Indian has the status of a ward instead of a citizen. Instead of being a responsible person, he is a dependent.

And in a like manner, if we free Americans continue to turn to government for our security, we too will surely become dependent wards instead of responsible citizens. There will be a Commissioner to control our personal affairs and our individual responsibilities. Instead of calico and blankets, we may be promised a hundred dollars every month. But since the principle is the same in both cases, the results will also eventually be the same.

A Return To Bondage
The advocates of this compulsory "security" honestly seem to believe

that most Americans—including the Indians—are too ignorant or lazy, or worthless to be trusted with their own destiny; that they will literally stave in the streets unless their welfare is guaranteed by a "benevolent" government. However good their intention may be, these disciples of a Relief State are demanding that they be given the power to force mankind to follow their plans. In the name of liberty they advocate bondage!

This is true because the persons who receive support from the state are thereby led to expect—and then to demand—more support from the state. They become dependents. Thus they enter into a form of bondage. They lose their individual freedom of choice to whatever extent the state assumes responsibility for their personal welfare. In time, as is now the case in the Welfare State of Russia, the people become completely subservient to the state. In effect, they become slaves of the "benevolent" government that has promised to solve all of their personal problems for them!

Admittedly, this is not the intent of the planners. Apparently, most of the advocates of the government paternalism really believe that they

are able to know and to do what is "best" for all of the people. Most of them may honestly desire to help the people. But their efforts always result in some form of bondage. For example, the leaders of the Labor government in Britain probably never even dreamed of bringing compulsory labor to its supporters. Yet that is what they did. In England today the democratically elected leaders can—and do—force persons to work where the government decrees they are most needed. And if the person objects to his government's decision force is used to make him conform.

The Road To Hell V.
In Russia we find another example of the fact that good intentions are no guarantee of freedom. For instance, in the beginning Lenin and Stalin probably had no desire whatever to bring slavery to Russia. Their announced plan was to free the Russian people from the slavery of an all-powerful government. But look what happened!

We Americans of today are following this same path toward the bondage of a Welfare or Slave State. Just as the law once guaranteed "adequate" medical care for American slaves, so a law to guarantee adequate medical care for all Americans is being demanded today. And who will determine what is adequate medical care for a person? Not the person, but the government official who has the authority.

And jobs? Of course the government can guarantee every man a job—just as every Russian is guaranteed a job. But it is impossible, of course, for the government to guarantee everyone a job of his own choosing. Some persons must be guaranteed the scavenger jobs. They may not like it, but dependents have little choice.

The Only Hope
It is true that many citizens in this country are old and crippled and sick and homeless. Possibly some of them are jobless through no fault of their own. The same conditions existed during our Revolutionary War. But our ancestors knew that the only hope for permanent security lay in their own individual efforts. They knew that the main purpose of government should be to protect whatever security the people were able to attain individually or in voluntary cooperation. They knew that electing or appointing a man to public office cannot endow him with wisdom; it can endow him only with power. Thus they took no chances on this power of government being used to encroach upon their individual liberties and their personal responsibilities. In advance, they put positive restrictions on all office-holders. And as a final guarantee of freedom, they specified that any powers not expressly given to the federal officials were to remain with the individual citizens and their local governments.

The Use of Force
The American Constitution naturally did not list virtues—such as compassion, charity, and respect for one's fellow man—as functions of government. The statesmen who founded our government knew that all virtues are purely personal and voluntary. It is utter nonsense to imagine that a person can be forced to be good. Government can and should use force to punish a person who commits a crime. But this same force cannot be used to create kindness and compassion within the mind and heart of any person.

Thus the authors of our Constitution left compassion and charity—aid to the unfortunate—on a strictly voluntary basis. They designed a form of government based on individual freedom, personal responsibility, and equity before the law for all citizens. Wisely, they made no attempt whatever to separate freedom of choice from the resulting reward or punishment, success or failure. Since they recognized the absurdity of passing laws to protect a person from himself, they left all citizens free to make their own decisions concerning their own personal welfare. From all viewpoints, including that of material security for the so-called common man, those decisions concerning the proper functions of government proved to be the most effective that the world has ever known in this field.

Bread and Circus
If this state-guaranteed "security" idea were new, it might help explain why so many people insist on trying it. But it is not new. It was written into the Code of Hammurabi over 4,000 years ago. In one form or another, it has been tried time and again throughout history—always with the same result. In the Roman Empire it was called "bread and circus." More recently, Karl Marx called it socialism. He believed that the state should take "from each according to his abilities" and give "to each according to his needs."

Marx said that it was the duty of government to provide all people with adequate housing, medical care, jobs and social security. Word for word, the advocates of govern-

ment "security" in this country are saying the same thing today. And just as the Russians are enslaved to a Welfare State, so this country is being carried into bondage by accepting the same false principle. Just as force is used in Russia to make the people conform to the security laws designed "for their own good," so we also are now forced to submit to American security laws designed "for our own good." And just as the Russian state punishes any objector, so the American state will now imprison us if we refuse to conform.

Enemy of the State
If you doubt that compulsory socialism has gone to that extreme in this country, just test it, for instance, by refusing to pay the social security tax that is taken from your salary. The government will do the same thing to you that it did to the owner of a small battery shop in Pennsylvania who balked at the idea of compulsory social security. First, the state confiscated his property. Still he refused to obey. Then the state preferred criminal charges against him. And in January of 1943, the government gave him the choice of confining or going to prison as a criminal—an enemy of the state because he refused to pay social security! He paid. And his six-months prison sentence was suspended.

Next may come total government housing—"for our own good," of course. Then the state will assign us so many square feet of "adequate" living space. This is true because, under complete state ownership of housing, there is no other way that government can do it. We may ask for more space, a different location, better service, or a choice of neighbors. But we already know the government's answer. Even today, a person has no real choice when he lives in government housing.

Next may come full employment with government-guaranteed jobs for everyone. A person will say: "I don't want this job." And as happened under England's program of government-guaranteed full employment, the American Welfare State will also answer: "We will put you in jail as a criminal unless you work at your assigned task."

Along about then, the advocates of government-guaranteed "security" may begin to understand the inevitable results of their ideas. They may realize that it is power that makes a dictator, and not what he's called or how he's elected. When that fact has become obvious to everyone, the advocates of compulsory "security" will then exclaim: "But we didn't mean this!" It will be too late to turn back at that point. Just as the night follows the day, so government as to the individual is followed by government control of the individual, which necessarily means government force against the individual.

No Easy Way
Fortunately, it is not yet too late for America to turn away from the evil that is a Welfare State; a Slave State. But, unfortunately, there is no simple or easy way to do it. Both major political parties—along with the smaller ones—seem to be trying to outbid each other by promising more government housing, more social security, more "free" medical care, more government "welfare" projects, and more special privileges to various groups and interests.

Most of our movies, magazines, newspapers and radio programs generally endorse—directly or indirectly—the idea of some form of government-guaranteed "security." Even the few objections seem to be aimed mostly at poor administration instead of a recognition that the theory is wrong in principle.

And, whether we like it or not, many of the instructors in our schools and colleges are teaching the desirability of the Relief State, the "planned economy" and government ownership in general.

Learn Rule Rejected
Finally, even some of our church leaders are teaching that the force of government should be used to make people charitable and good. Some of these Christian leaders seem to have forgotten that the principles of the Good Samaritan and each individual—doing unto others as he would have others do unto him—are voluntary principles. In many cases, these principles have now been discarded for this evil slogan: "It is the duty of government to care for the sick, to feed the hungry, to aid the unfortunate, and to build houses for those who need them." Probably one of the main reasons for the declining influence of the church is that the church is defaulting on many of its own responsibilities by turning them over to government. Many of our church leaders are rendering unto Caesar that which does not belong to Caesar.

But the politicians, periodicals, schools and churches generally reflect the opinions of the persons who support them. Thus the final decision rests on the attitude of each individual American. If

enough of us accept the regressing idea of a Welfare State—a Relief State, a Slave State—the process will soon be completed. But if enough individual Americans desire a return to the personal responsibility that is freedom, we can have that too.

The Choice Is Ours
Before choosing, however, consider this: When one chooses freedom—that is, personal responsibility—he should understand that his decision will not meet with popular approval. It is almost certain that he will be called vile names when he tries to explain that compulsory government "security"—jobs, medicine, housing, and all the rest—is bad in principle and in its total effect; it saps character and strength by encouraging greed and weakness; it destroys the individual's God-given responsibility for self-help, respect, compassion and charity; in some degree, it automatically turns all who accept it into wards of the government; it will eventually turn a proud and responsible people into cringing dependence upon the whims of an all-powerful state; it is the prime road to serfdom.

No, the choice is not an easy one. But then, the choice of freedom never has been easy. It never will be easy. Since this capacity for personal responsibility—freedom—is God's most precious gift to mankind, it requires the highest form of understanding and courage.

LARGE CROWD ATTENDS SALE
Rel C. Wayman & Sons, real estate and auction brokers, report that more than 500 people attended their absolute auction of Katherine Maloney Dwyer sale at Morning View last Saturday. Everything sold good, including the real estate which sold at the high price of \$15,250.00 and was bought by Joe Murphy of Morning View. The cows brought good prices also and many cows going to other counties.

A local girl, Billie Cross, from Morning View, won the fat pig and Mrs. Vernon Calston won the television set.

The Wayman Auction Co. reports that this was the largest crowd that has attended one of their auctions in recent years.

Troy Mullins of Menifee county started his broiler project in January with 1,000 chicks.

In Henry county 115 homemakers have stenciled their names on their mail boxes.

Clark county sheepmen are losing an estimated \$8,000 annually from sheep killed by dogs.

Kentuckians In Washington

By Gil Kingsbury

We wish we could have attended last week's organization meeting of the Boone County Historical Society. Word that such a session would be held sent us to the Senate Library to do a little research on Boone County, the 30th in order of formation.

We found an extremely interesting item about Major John P. Gaines, a hero of the Mexican War, a member of the General Assembly, a member of Congress and a resident of Boone County. We learned that his Boone County friends and neighbors thought so much of him that while he was a prisoner of war in Mexico, he was elected to Congress. Here in Washington he continued to make friends. President Fillmore named him governor of the Oregon Territory. Unfortunately, the Boone County hero died a short time later.

Boone County Ham
We've been engaged in a friendly argument with some friends from southern Virginia. They claim their peanut-fed Virginia hams are superior to anything cured in Kentucky. We are sticking with the Boone County ham as the best in Washington or the world. It's hard to convince those Vir-

ginians. They won't admit anything. But they don't have to. When they reach for "seconds" and "thirds" it's equivalent to an admission of defeat.

The Boss
Vice President Barkley rules the Senate with a firm but gentle hand. When senators get out of order, talk too much, disturb the speaker, the famous Kentuckian brings 'em back to earth with a sharp slap of his gavel. Silence descends over the chamber.

Well, the other day the Washington papers carried a picture of the Vice President sitting comfortably in the kitchen while Mrs. Barkley did the dishes on the maid's night out. But this part of the picture was important: Mrs. Barkley was busily talking. And the Veep was giving her silent but respectful attention.

The Hydrogen Bomb
Most persons want to stay as far away as possible from the hydrogen bomb. But down at Paducah some brave souls have other ideas. Kentucky members of Congress recently received letters from a group of citizens at Paducah. They suggested that Uncle Sam could put to good use the abandoned Kentucky Ordnance plant by using it to manufacture the superbomb.

Most of our communities would insist that the plant be located in some other area, preferably thousands of miles away.

BOBBY SPECHT FEATURED IN "ICE CAPADES OF 1950"
The oh and ahs from the feminine spectators can be heard even above the applause when Bobby Specht does his spectacular jumps and spins in "Ice Capades of 1950" at Cincinnati Gardens. The show now in progress, closes February 26.

The handsome young skating champion and outstanding star of the big revenue probably has as large a group of feminine admirers as anyone in the entertainment world. His fans aren't limited to the jitterbug group. In fact they include women of all ages.

And with all this evident admiration, Bobby remains a modest, likeable fellow who apparently has no serious romantic entanglements. Not the least important of his following are the big group of lovely young ladies in "Ice Capades." Dr. Gallop could pull the entire cast without finding a girl who didn't think Bobby Specht was one of the nicest boys she knew.

Specht has a personality that matches his great blade talent. He is a real friend to everybody in the cast and is always ready with help or advice for the newcomer.

It's inevitable that during the course of nearly every interview the question arises as to whether his "best girl" is one of the beauties in the show or some one outside the professional field.

So far, Bobby has succeeded in answering without revealing any favorite. When pinned down for a definite answer he always says: "Mother."

And his mother really seems to be the No. 1 girl for young Mr. Specht.

Robert McMullen and father Owen McMullen of Union, were visitors in Burlington Tuesday afternoon. While here Robert called at The Recorder office and renewed his subscription for another year.

Henry "Hank" Fisher, of Union was a business visitor in Burlington Tuesday, and while here called at The Recorder office, having his subscription expiration date moved up.

BURLINGTON HOMEMAKERS

The regular February meeting of the Burlington Homemakers met at the home of Mrs. Kite for an all-day meeting.

The morning was devoted to the business routine. At noon the group adjourned for lunch.

The second lesson on hat making was given in the afternoon. The ladies enjoyed a social hour led by Mrs. Stephens the recreation chairman.

The club was glad to welcome Mrs. Thelma Smith as a member.

Mrs. Pope, a delegate to Farm and Home Week and Miss McClaskey were missed.

Friends interested in the subject "Entertainment," are invited to the March meeting first Thursday, at the home of Mrs. Margaret Stephens.

Those who enjoyed Mrs. Kite's hospitality were: Mesdames Clore, C. Cropper, W. Easton, J. Eddins, R. C. Garrison, Thomas Hensley, J. Jarrell, Jim Kelly, J. Maxwell, H. White, P. Stephens, Thelma Smith and a guest, Mrs. V. Williams.

Mothers Find New Way to Interest Children in Hadacol

Wise mothers in many parts of the country have found a new method of getting their children to be interested in their health and growth by giving them the Captain Hadacol Comic Book. This full color comic book, just as the kids love to have, not only tells an exciting story, but shows the children the importance of getting enough vitamins and minerals in their daily diet.

This comic book tells a fascinating story about the adventures of Captain Hadacol when he encounters the Gray Gang, and how he defeats them. And best of all, this book is offered absolutely free to all who write in for it.

Just send a letter or post card telling us where to send the book. Address your letter to The LeBlanc Corporation, Dept. H, Lafayette, Louisiana, and your free copy will be rushed to your child. Supplies are limited so send for your copy today.

WHO IS THIS MAN?

Ten years ago a man, working by the month, came to us for financial assistance to go in business for himself. He had less than \$500.00 but he had a WILL to make good on his own. We helped him and today he owns his own home, his business and his credit is good for \$10,000.00 with this bank if he needed it.

We would not think of divulging his name but will say that many other young men can do likewise if they work hard, save their money, apply themselves strictly to business and take their banker into their confidence at all times.

Excitement galore is in the air. That's because the Times-Star and WKRC, the Cincinnati Times-Star, are giving away a 1950 Silver Streak Pontiac... plus 24 other luxurious gifts!

How come? Why, so you can help us celebrate WKRC's 25th birthday!

Here's how you can join in the celebration and win one of the valuable prizes. Simply identify the radio stars or programs now appearing daily in the Cincinnati Times-Star. You'll

find it's easy, because clues are given each day. Then tell us what your favorite WKRC program is.

That's all. But it's enough so let 25 people win 25 truly magnificent awards, including that new Pontiac.

Full details of this fascinating new contest are appearing now in the Cincinnati Times-Star. Be sure to get a copy tomorrow without fail. You may be the winner in the WKRC Silver Anniversary Contest.

SOMETHING SPECTACULAR FOR THIS LENT

Folk of all faiths will be interested in "Lenten Goldspots," starting in the Times-Star Ash Wednesday, Feb. 22. A new story each day by an outstanding person demonstrating the living religion each knows as a personal experience. Forty stirring stories in all by 40 notable authors, including Edie Rickelbacker, Cecil B. de Mille, Gene Tunney and J. Edgar Hoover. Read "Lenten Goldspots" new in the Times-Star.

E. E. Newman Dies From Heart Attack Wednesday Night

Was Speaker At Red Cross Meeting When Stricken

Everett E. Newman, lockmaster at Dam 38, Bellevue, died Wednesday night at St. Elizabeth Hospital, Covington, after suffering a heart attack at a Red Cross meeting in Florence.

Mr. Newman was stricken at a kick-off dinner of the Boone County Red Cross. He was County chairman of the campaign and was principal speaker of the evening. He was removed to the office of Dr. Harry Daugherty, then to St. Elizabeth Hospital, where he died a few hours later.

Mr. Newman was widely known throughout this section for his work in converting the grounds at Dam 38 into one of the most beautiful spots on the Ohio River. Among the many improvements made during the supervision of Mr. Newman was the park, which was visited by thousands during the past summer. Mr. Newman and his assistants beautified the entire reservations from salvaged material.

Prior to being named lockmaster at Dam 38, Mr. Newman was chief engineer at Dam 32, Vanceburg, Ky. He was a Vice President of the American Federation of Government Employees, Lodge 354, Fernbank, Ohio.

He is survived by his widow, Mrs. Ethel Newman; his parents, Mr. and Mrs. C. E. Newman, Little Hocking, Ohio; three sons, Robert and Daniel Newman, both at home and Charles Newman, Covington; two daughters, Mrs. Florence Horton, Covington and Miss Sharon Newman at home; three sisters, Mrs. Danford Randolph, Belvoir, O.; and Mrs. Leona Hamilton and Mrs. Victor Russell, Coolville, Ohio; and three brothers, Richard Newman, Watertown, Ohio; Glenn Newman, Little Hocking, and Owen Newman, with the Army in Frankfurt, Germany.

Funeral services were held Sunday at 2 p. m. from the Bellevue Baptist Church with Rev. R. A. Johnson and Rev. Otis Brooks, officiating. Burial was in Bellevue Cemetery.

Chambers and Grubbs, Florence funeral directors were in charge of arrangements.

Idelwild To Meet Hebron Five In Independent Tourney March 4th

Idelwild Independent basketball team will play Hebron Vets Saturday afternoon, March 4, 2:00 at Campbell County High School, Alexandria, Ky., in a tournament game.

These two teams have reached the semi-final play-off as a result of defeating Falmouth and Dayton, Ky., who are in the Northern Kentucky Veterans' Basketball League.

Boone County basketball fans are given a cordial invitation to see these two teams in action.

Ben H. Berkshire Answers Summons At Warrensburg, Mo.

Was Member of Board of Directors of Farmers Bank, Petersburg.

Ben H. Berkshire, retired Boone County farmer and member of the Board of Directors of the Farmers Bank at Petersburg, died Thursday following a stroke, in Warrensburg, Mo., where he was spending the winter with a daughter, Mrs. Robert Woodruff.

Mr. Berkshire was well known throughout the county. He was a member of the Petersburg Christian Church, served as a director of the Farmers' Mutual Fire Insurance Co. of Boone County, and was active in civic and church affairs.

He is survived by two daughters, Mrs. Stanley Palmer, Rome, Mich., and Mrs. Herbert Woodruff of Warrensburg, Mo.; two sons, Robert E. Berkshire, Lexington, Ky., and J. Norris Berkshire, Brevard, S. C.; a sister, Mrs. Lou Crisler, New York; a brother, Gene Berkshire, Petersburg; nine grandchildren and six great-grandchildren. His wife, Mrs. Ethel Norris Berkshire, died in 1948.

Funeral services were held Monday at Petersburg Christian Church at 2:00 p. m. with burial in Petersburg Cemetery.

Chambers and Grubbs, Walton funeral directors were in charge of arrangements.

Burlington Fire Dept. Elect Officers Monday

The regular election of the Burlington Volunteer Fire Department was held at the firehouse on Monday night, and the following members were elected to serve for 1950: Dudley I. Rouse, Alvin Clore and Clarence Wolfe, directors; A. E. Stephens, chief; J. K. Cropper, secretary and treasurer; Albert Kirkpatrick, assistant chief; Ray Holbrook, Nelson Poston, Captains; Wm. Jarrell, Gerald Clore and D. I. Rouse, Lieutenants.

Several matters of importance were discussed and an effort will be put forth to invite and encourage more outside interest in the department and especially for all citizens to attend at least part of the regular meetings and have some voice in the administration of the fire department.

W. W. Magill Will Meet With Fruit Men March 3

W. W. Magill, horticulturist from the University of Kentucky, will meet with fruit growers on Friday, March 3, 9:30 a. m. at the William Moore farm on Conners' lane near Hebron, according to Bill Davis, County Agent.

Mr. Magill will discuss with growers new developments in insect and disease control and culture of fruits. The annual fruit program will also be discussed at the meeting.

Highway Ass'n. Formed Thursday At Carrollton

Parent Group Formed At Meeting Held February 17th

Organization of the new U. S. 25-42 Association was completed, and an offspring unit to be known as the U. S. 42 Association was formed in a joint session Thursday at the Gypsy Inn, Carrollton.

The parent group was formed at a previous meeting held February 17th of restaurant owners and other merchants interested in promotion of tourist and other traffic along Dixie Highway between Covington and Florence.

The U. S. 25-42 Association was represented at the meeting by Charles Cronin of the Swan Tavern, Erlanger, President; John Edwards of Doc's Place, Elsmere; Willis Vance of the Dixie Gardens and John G. Cox, Executive Director of the Covington and Kenton County Chamber of Commerce.

Charles Wootton of the Blue Star Tavern, Park Hills, was elected Vice President of the U. S. 25-42 Association. The directors include John Fletcher, Ben Castelman, Doc Edwards, John S. Jett, Harry Longbaugh and Mr. Vance. Mr. Cox is Secretary-Treasurer of the new association.

After the February 17 meeting of business men from Covington to Florence, the group was enlarged to include interests from Covington to Lexington on U. S. 25 and Covington to Louisville along U. S. 42. The interests of the U. S. 25-42 Association and the U. S. 42 Association will be promoted by measures of advertising and publicity.

Mary F. Chapman

Miss Mary Frances (Molly) Chapman of Walton died Tuesday of last week at the home of a nephew, John E. Chapman, 1701 Pleasant St., Cincinnati, where she had been staying for the past six weeks. She was 70 years old.

Mrs. Chapman is survived by a sister, Miss Anna Chapman, Walton, who had accompanied her sister to Cincinnati, and several nieces and nephews.

Funeral services were held at 2 p. m. Thursday from the Walton Baptist Church, with Rev. Burton Garrett officiating. Burial was in Mt. Zion Cemetery, Grant County. Chambers and Grubbs, Walton funeral directors were in charge of arrangements.

Mrs. Sarah Curry

Regulium High Mass was sung at 9 a. m. Saturday at St. Paul Church of Florence for Mrs. Sarah (Sally) Curry, who died Thursday at 8:30 a. m. at the 8th funeral home Florence, with burial in St. Mary Cemetery.

Mrs. Curry had made her home with a sister, Mrs. Jennie McEvoy of Florence, for the past 47 years. Besides her sister, she leaves a son, George Curry, Covington; a brother, Isaac Jameson, Philadelphia, Pa.; four grandchildren and seven great-grandchildren.

District Tourney Underway At Simon Kenton-St. Henry

Burlington-Florence In Opener; Hebron-Simon Kenton Play Thursday.

The first whistles of the thirty-fourth district tournament were heard Wednesday night, (March 1) at St. Henry gymnasium in Erlanger and at Simon Kenton at Independence. In the first round games Coach Ralph Maurer's Burlington Eagles (14-10) opposed Chuck Henderson's Florence Knights (13-11) at St. Henry and the Crusaders of St. Henry (9-16) and their coach Bert Wilmoth, who is also co-tournament manager with R. S. Hinsdale of Simon Kenton, will move out of their own gym to take on Charley Hayes and his Boone Conference champs, the Walton Bearcats (21-3) at Simon Kenton.

Thursday night's schedule for first round games will place Charles Ransler's Hebron Cardinals (6-17) against Willard Shropshire's Simon Kenton Pioneer (11-15) at the latter's hardwood and Paul Champion's Erlanger Lloyd Juggernauts (9-15) against Bill McAllister's winless New Haven Tigers (0-22) at St. Henry.

The Burlington-Florence winner of Wednesday night will meet the Lloyd-New Haven victor on Friday night at St. Henry and the Walton-St. Henry winner of Wednesday night will take on the Hebron-Simon Kenton survivor Friday night at Simon Kenton. The final game will be played Saturday night at Simon Kenton.

All games will begin at 8:00 P. M. Tournament managers stated. Admission prices will be sixty cents for the first three nights and 80 cents for the final, they said.

Officials Assignment

Assignment of officials of the two-side tourney as announced by coaches is as follows: Wednesday (St. Henry) Braun and Coxer, Wednesday (Simon Kenton) Mahan and Gesselbracht; Thursday (St. Henry) Braun and Cover, Thursday (Simon Kenton) Miller and Gesselbracht; Friday (St. Henry) Mahan and Gesselbracht, Friday (Simon Kenton) Braun and Miller and Saturday night at Simon Kenton, Miller and Gesselbracht. Official scorer and timer for all games at St. Henry will be Bill Scheben and Bob Martin. At all games in the Simon Kenton bracket James Huey and Garland Huff will serve as scorer and timer.

Lloyd, Simon Kenton in 1949 Erlanger Lloyd won the thirty-fourth district tourney last year and the runner-up quint was Simon Kenton. Both teams were defeated in their first round games of the ninth region. Both teams have shown enough strength at times during the regular season to make it a repeat performance this year, but according to the record Walton will be a favorite in the top bracket which consists of Simon Kenton, Hebron, St. Henry and Walton. In the lower bracket which is composed of Lloyd, Burlington, Florence and New Haven, the Lloyd

Cress & Sons Shop Robbed Second Time Saturday Night

Thieves Gain Entrance By Forcing Back Door; Safe Is Cracked.

For the second time in less than a month the shop of Calvin Cress & Sons, located 1 1/2 miles east of Burlington on Burlington-Florence Road has been entered by burglars, according to Wendell Easton, Sheriff.

The shop was entered Saturday night by thieves who gained entrance by forcing a back door of the shop. A large safe in the office of the building was cracked by the culprits, damaging the safe considerably, it was reported.

A small amount of money in pennies were taken, deeds, insurance papers and other papers, of value only to the owners. The shop was broken into several weeks ago when \$344.00, an electric iron and electric toaster comprised the loot. Two young men were arrested after the first burglary and are being held for action of April session of Boone Circuit Court.

Officials investigating the theft stated that no fingerprints were left, or no clues were found to identify the robbers. Sheriff Easton stated the culprits apparently wore gloves.

Goodridge-Kindall

The home of Mr. and Mrs. Thos. Goodridge in Taylorsport, was the scene of a very informal, but beautiful wedding on Saturday evening, February 18th at 6:30, when their third daughter Esther Dell became the bride of Mr. Otis Kindall, Jr., of Covington. The ceremony was performed by Bro. Young of Bullittsville Christian Church and took place in the flower bedecked and candlelit living room.

The bride wore a floor-length dress of white tulle with fingertip veil and carried a bouquet of white roses, carnations and orchids. The bride's youngest sister and only attendant, Miss Alice Goodridge was dressed in a floor-length dress of apple green satin and carried yellow roses with matching head band.

Harold Race, of Covington, and a friend of the groom was best man. The bride was given in marriage by her father.

A cousin Miss Esther Kamphaus of Sayler Park played "Because" and the Wedding March on the piano. The wedding was witnessed by the immediate families and a few friends.

Reception was at 8 o'clock and many friends and relatives gathered to wish the young couple well and bade them God speed as they left for a short trip thru the south. Among out-of-county guests were the groom's parents, Mr. and Mrs. Otis Kindall, Sr., and daughter Joy of Carrollton and sister Mrs. Genevieve Kyle and daughter Patsy, of Worthville, Ky.

Camp Ernst Will Be Used By 4-H Members

Camp Ernst will be taken over by 4-H'ers from June 26 to 30, 1950, it was announced this week. County and Home Agents met in Covington February 24 to set up plans for the summer camp.

The counties represented in this meeting were Boone, Campbell, Grant, Kenton, Owen and Pendleton.

Mrs. Courtney Kelly was unable to teach in Burlington school last week due to illness. Mrs. J. K. Cropper taught during her absence.

Dean Bloss Named Chairman of Local Red Cross Chapter

At Annual Meeting Held Wednesday, Feb. 22nd.

The Boone County Chapter American Red Cross held its annual dinner and election of officers Feb. 22 in the luncheon of Florence School.

The Florence P-T-A served a delicious supper. The meeting was called to order by G. W. Scott, past chairman. Ralph Maurer was secretary in the absence of Mrs. R. C. Eastman.

Mrs. Elizabeth G. Nestor, Executive Secretary gave an informative and interesting report regarding services rendered during the last twelve months. There were 41 veterans, 40 servicemen and 59 civilian cases handled. Although a case may involve twenty people, it is tabulated as one case. The actual number of people assisted runs into the hundreds.

Red Cross is by congressional charter an organization for serving men, veterans, their families and dependents, and disaster and safety service. However, in Boone County 59 civilian cases received aid in the twelve-month period.

Francis Check, State Liaison Officer brought to the meeting his helpful ideas regarding the duties and obligations of officers and members in order to do a good job in this work.

The election officers followed. Those elected are: Chairman, Dean Bloss, Bellevue; first vice chairman, W. D. Scroggins, Verona; 2nd vice chairman, John McEvoy, Florence; secretary, Mrs. R. C. Eastman; treasurer, Mrs. Mabel G. Sayre, Florence. Directors are Mrs. John Bustetter, Florence; Mrs. Harry Daugherty, Florence; Frank Demolay, Walton; Chester Goodridge, Hebron; Howard Huey, Petersburg; Everett Jones, Big Bone; Mrs. Roy Lutes, Florence; Ralph Maurer, Burlington; Chas. Melton, Devon; Mrs. Warren Miller, Jr., Union; Mrs. George Moody, Union; Everett Newman, Bellevue; Dan Roberts, Walton; Bink Shinkle, Petersburg and Clarence Wolfe, Burlington.

With these representatives from all sections of the county the Red Cross has a fine group of public-spirited citizens working together to continue the worthy work of this organization.

Regular Basketball Season Officially Closed Friday Night

Boone Conference Title Won By Walton Bearcats With Record of 8-0.

The regular high school basketball season is over and in Boone County it came to a success close. Especially was it successful for the Walton Bearcats who finished with a season record of 21 victories and three losses. They also won the Boone County conference with a perfect 8-0 record and they are going into the district tourney play as a favorite to take top laurels. The Haysemen have a veteran quint and are plenty deep in reserves and have met some of the top teams in the state, which gives them plenty of good opposition-experience.

The Burlington Eagles, who 1948-49 tied Walton for the conference leadership, had to be content with second place this season. Maurer, Maines and crew have blown hot and cold all season, but during recent outings have shown some of what was expected of them. The Eagles won the Boone County School News tournament for the second year in a row this season.

Hebron, a team that has been used to winning most of its games, had a losing season this year. Highlights of the Card season was a one-point win over Burlington at Hebron and a decisive win over Florence in the mid-year tourney.

Florence appears to have reached their peak as the season ended. Their season record was about a fifty-fifty deal, but most of their wins came in the latter part of the year. The Henderson coached outfit has a good one-two offensive punch in Markesbery and Roland.

New Haven which was hit heavy with graduation last year has had a bad year. They failed to win a regular season contest, but it must be remembered that with one exception the squad is made up of freshmen and sophomores.

Final Games

In final games last week, Walton trimmed Crittenden and New Haven by impressive scores, Florence beat St. Henry in an overtime thriller and Hebron by a lopsided count. Hebron took St. Henry and Mason by close scores and lost to Florence, and New Haven dropped two games to Walton and Dry Ridge. Burlington's final game was cancelled due to bad weather.

Scores
Florence 56, St. Henry 51.
Hebron 40, Mason 38.
Walton 59, Crittenden 41.
Hebron 32, St. Henry 30.
Walton 75, New Haven 30.
Florence 70, Hebron 35.

Hale-Hodges

Miss Gloria Mae Hale, daughter of Mr. and Mrs. Festus Hale, of Florence, became the bride of Bobbie K. Hodges, son of Mr. and Mrs. Ernest Hodges, of Petersburg, Ky., in a very impressive ceremony performed by Rev. C. L. Leopold, pastor of the Florence Baptist Church on Saturday evening, Feb. 11 at 6:30 p. m. at the home of the bride's parents on Sanders Drive.

The attendants were Miss Carol Sue Hale, sister of the bride and Mr. Paul Leek of Hebron, Ky., lifelong friend of the groom.

The bride was lovely in an ice blue satin dinner dress carrying a bouquet of white orchids and matching accessories. Her sister Carol, was attired in eggshell satin, carrying a bouquet of pink orchids with matching accessories.

As the tunes of "Because" and the "Wedding March" rang out, the bride entered on the arm of her father and stood in front of a decorative mantle of white lilies and green palms with 14 candlesticks and white gladiolus all beautifully decorated by the Schreiver & Sons florists of Ft. Mitchell. Following the ceremony a reception was held and the couple left for a short honeymoon and are now residing at the home of the groom's parents, Petersburg, Ky.

The bride is a graduate of the Florence High School, class of '48 and the groom is a graduate of Hebron High School, class of '48. We join in wishing them health, happiness and prosperity as they go down the pathway of life together.

Training Class Well Attended At Florence

The Foods Training Class which was given with Mrs. Pearl J. Haak, food specialist from the University held at the Community Hall in Florence was well attended by leaders from fifteen Homemakers Clubs. Those attending were Mesdames F. Stephens, K. Cropper, J. Northcutt, M. Meece, C. Patrick, C. Hill, E. Calton, V. Dulwick, R. Cox, H. Wessler, R. J. Myers, C. Moore, M. E. Shelton, S. Rodger, P. Birch, R. Schwanberg, M. Hickman, Mrs. F. McGuire, J. Miller, G. G. Fischer, E. Owens, V. Pope, J. Aylor, E. Smith, A. M. Burch, A. Stone.

The next training class will be held March 16th.

NFLA Annual Meeting Held At Burlington

The Boone County National Farm Loan Association held its annual meeting at Burlington last week. The meeting was well attended with both members and visitors.

Richard H. Morris, of Williams-town gave an excellent talk on "Desire for Fertile Soil."

R. V. Robinson, Regional Manager of the Federal Land Bank gave a short talk and presented the association with a citation for "Achievement of New Business" for the past year.

After the meeting a delightful lunch was served by the Burlington Grill.

Local Man Assisting In Marshall Plan of Economic Division

Paris, France—William G. Finn, brother of Russell, Aubrey and John Finn, all of Burlington, is working here in European headquarters of the Marshall Plan as part of the American team which is helping Europe to regain its economic health. Mr. Finn, a member of the Food and Agriculture Division, of the Economic Cooperation Administration, works in the Marshall Plan offices of the Bedford Hotel, near the Church of the Madeleine and the Paris Opera.

Mr. Finn, who has been with ECA in Paris for 4 months, is attached to the office of the Special Representative, the nerve center for Marshall Plan missions in 18 countries, headed by Ambassador W. Averell Harriman. As a tobacco specialist, Mr. Finn is concerned with the progress made by the Marshall Plan nations in their efforts with this crop. He serves as an advisor in this field for those interested in the growth of tobacco in Europe.

Western Europe, after one and a half years of Marshall Plan aid, has succeeded in averting the post-war chaos and misery which would have facilitated Communist coups. The essential purpose of the work in which Mr. Finn is engaged is to aid the free nations of Europe to stand on their own feet without extraordinary aid, as stated in the 1948 U. S. law creating the ECA "the existing situation in Europe endangers the establishment of a lasting peace, the general welfare and national interest of the United States, and the attainment of the objectives of the United Nations."

"I wish it were possible for me to visit every one of you in person, but we know that is impossible, so it is in this way that I am asking Boone County, one of the greatest in the State of Kentucky, to get in back of the drive as never before. This is a fine tribute to Mr. Newman and we are grateful for such a fine man. May we all join Mr. Johnson in a special effort to completed this work and give him the support he deserves."

Rev. Johnson in accepting the chairmanship, makes the following statement:

"Upon the death of Mr. Newman, who was the chairman of the Red Cross drive I was asked to accept the chairmanship to complete a job well underway. I accepted this work, first because I believe in Red Cross and second because I want to complete a job begun by a good friend of mine, who looked forward to a great victory in the drive this year."

"I am urging every worker to put forth their best in the drive this year and am asking the public to answer their visit with a worthy contribution. The Red Cross has, and is doing a great work in rendering service to those in need. It is an agency of mercy to all who ask for help."

Well Known Tobacco Man Answers Call Sunday Morning

Thomas W. Marshall, of Florence, widely known tobacco man in Northern and Central Kentucky, died early Sunday at his home. He was 73 years old.

Mr. Marshall has been connected with tobacco warehouses for many years and for the past twelve years had served as sales manager of the Harrison County Tobacco Warehouse, Cynthiana, Ky. He also served as a tobacco buyer on Kentucky markets for many years. He is survived by his widow, Mrs. Stella Ashcraft Marshall; a daughter, Mrs. Ellen N. Rosebrook, Cincinnati; four sisters, Mrs. O. C. Jones and Mrs. Frank Norman, both of Walton; Mrs. Clara Kuester, Cleveland, Ohio, and Mrs. Arthur Adams, Cincinnati, and one brother, William Marshall, Cincinnati.

Funeral services were held at 2:00 p. m. Tuesday at the Richmond Presbyterian Church, with burial in Richmond Cemetery.

Chambers and Grubbs, Walton funeral directors were in charge of arrangements.

R. A. Johnson Will Conduct Red Cross Drive In County

Urges Every Worker To Cooperate In Fund Raising Campaign.

Rev. R. A. Johnson, pastor of Burlington Baptist Church has been named chairman of the Boone County Red Cross fund raising campaign to fill the vacancy caused by the death of E. E. Newman, who was elected to this office several weeks ago.

Publicity chairman, Mrs. Dean Bloss makes the following announcement concerning the appointment:

"As publicity chairman of Boone County Red Cross it was my job to make public through the medium of the newspapers, the appointment of Mr. Everett Newman as fund chairman of the 1950 fund drive. It is now my task to try in words to express the great sense of loss and shock we experienced when we learned of Mr. Newman's untimely death."

"About fifty persons had enjoyed dinner with Mr. Newman and heard him nominated and elected to the board of directors of this organization. We then assembled for a program he and Mr. E. A. Johnson had prepared for our enjoyment. During this program Mr. Newman became ill and left the room to see a physician."

"Our memories of Mr. Newman are of the best, we enjoyed a good fellowship with him, working in a worthy cause. Our heartfelt sympathy is extended Mrs. Newman and family. May you know we shall strive to live up to the example he set before us."

"Mr. R. A. Johnson, long time friend of Mr. Newman, knowing of the sincere effort he had made to have a successful drive, volunteered to take over this unfinished work. This is a fine tribute to Mr. Newman and we are grateful for such a fine man. May we all join Mr. Johnson in a special effort to completed this work and give him the support he deserves."

Rev. Johnson in accepting the chairmanship, makes the following statement:

Mothers Find New Way to Interest Children in Hadacol

Wise mothers in many parts of the country have found a new method of getting their children to be interested in their health and growth by giving them the Captain Hadacol Comic Book. This full color comic book, just as the kids love to have, not only tells an exciting story, but shows the children the importance of getting enough vitamins and minerals in their daily diet.

This comic book tells a fascinating story about the adventures of Captain Hadacol when he encounters the Gray Gang, and how he defeats them. And best of all, this book is offered absolutely free to all who write in for it.

Just send a letter or post card telling us where to send the book. Address your letter to The LeBlanc Corporation, Dept. H, Lafayette, Louisiana, and your free copy will be rushed to your child. Supplies are limited so send for your copy today.

DISTRICT TOURNNEY

(Continued from Page One)

team is sure to have some tough opposition from the winner of the Eagle-Knight fray, even if they slip by the hapless New Haven Tigers.

Probable Starters

Burlington: McBee, Rouse, Cave, Ryle and Cropper.
 Florence: Markesbery, Stansel, Roland, England and McKibben.
 Walton: Rice, Johnson, Mattox, Vest and Cheesman.
 St. Henry: Draham, Geise, Dahlenberg, Frisch and Cahill.
 Hebron: Hogan, Herbstreit, Tan-

ner, Bowman and McGlasson.
 Simon Kenton: Coppage, Berryman, Ervin, Hardgrove and Hughes.
 Lloyd: Johnson, Graham, Jones, Porter and Haven.

New Haven: Flynn, Crume, Mason, Rhodes and Jones.
 A number of these probable starters played outstanding ball in last year's tourney. Several who made all-district, including Johnson (Lloyd), Cropper (Burlington), Maddox (Walton) and Coppage (Simon Kenton) will be back. Also such outstanding season performers as Vest and Cheesman of Walton, Jones and Haven of Lloyd, Ervin and Berryman of Simon Kenton, Markesbery and Roland of Florence, Ryle and Cave of Burlington and Cahill of St. Henry will add their spark to the tourney.

The tournament winner and runner-up team will represent the district at the ninth regional tourney at Newport next week.

DRESSING YIELDS OF HOGS KILLED ON FARM

A hog that weighs around 225 pounds should produce a carcass of about 175 pounds, say meat specialists at the College of Agriculture and Home Economics, University of Kentucky.

The fresh hams, shoulders, bacon and jowls should weigh around 90 pounds, and loins, ribs and sausage, 35 pounds. About 27 pounds of lard usually comes from a 225-pound hog in good slaughter condition.

MILK AND NOT BREED COUNTS IN DAIRYING

Dairy farmers with grade cattle might make more progress in increasing milk production if they would use the best bulls available regardless of the breed, Dr. O. E. Reed, chief of the U. S. Department of Agriculture's Bureau of Dairying, said recently at the Experiment Station of the University of Kentucky.

In cross-breeding experiments conducted by the government, in which good sires were mated to cows of a different breed, it took only two generations to get an increase of 155 pounds of butterfat. In the case of purebreds, it took six to eight generations to get an increase of 200 pounds of fat.

Dr. Reed would require a record of performance for registering dairy animals. He said there was no logical excuse for registering animals solely on a basis of ancestry. For commercial dairymen, it is production at the stall that counts, he asserted.

One hundred percent of the homemakers in Johnson county made kitchen improvements after lessons on the subject in their clubs.

HALF MILLION ENROLLED SINCE 4-H CLUB WORK LAUNCHED IN KENTUCKY

Plans to observe National 4-H Club Week March 4-12 bring an announcement from the College of Agriculture and Home Economics, University of Kentucky, that an estimated half-million Kentucky boys and girls have been enrolled since the beginning of club work in this state.

Prof. George Roberts of the Agricultural Experiment Station, organized the first 4-H club in Kentucky in Fayette county in 1909. It was formed to study improved methods of growing corn.

All of the 120 Kentucky counties now have 4-H club work. There were 66,000 club members and 9,151 local volunteer club leaders in the state in 1949.

A 4-H Hall of Fame each year contains the names of project winners—those excelling in raising beef cattle, hogs, sheep and chickens, in dairying, in growing corn, tobacco, vegetables and other crops, and in housekeeping, canning, baking, room improvement and other homemaking arts.

A delegation of 25 outstanding Kentucky club members attends the

National 4-H Club Congress in Chicago each year, and four members go to the National 4-H Camp in Washington each June. Around 1,000 boys and girls attend 4-H Week at the University of Kentucky each spring.

For the annual Kentucky fair cattle show and sale, an outstanding state and national event, 4-H club members feed around 3,000 cattle, of which they exhibit 1,500 to 2,000 head.

Members of 4-H clubs also make exhibits at the Kentucky State Fair and at district dairy cattle, lamb and tobacco shows and at numerous county fairs.

BOOK CLUB WILL MEET MONDAY, MARCH 6TH

The Boone County Book Club will meet Monday, March 6 at 1:30, with Mrs. Albert Rogers, with Mrs. Earl Morehead as leader. The subject will be "Radio and Its Effect On Literature."

THREE WOMEN WIN IN STATE ESSAY CONTEST

In an international essay contest on "A Country Woman's Day," names of three Kentucky homemakers were announced as state winners at the annual Farm and Home Convention at the University of Kentucky.

They are Mrs. H. R. Montgomery, Garrard county; Mrs. S. J. Stokes, Fayette county; and Mrs. Ernest B. Williams, Logan county.

The stories written by the contestants will be sent to London, England, for further judging. The best ones from each of the countries affiliated with the Associated Country Women of the World will be compiled into a book, giving a picture of the lives of country women the world over.

GREENS BUY MACHINES

Members of the Smithtown and Revelo 4-H Clubs in McCreary county turned Christmas greens into sewing machines. Boys and girls brought in holly, laurel, rhododendron, spruce and pine-branches for 33 boxes. Teachers helped in packing boxes for shipment. Each club now has a sewing machine for girls enrolled in sewing classes.

GUNPOWDER HOMEMAKERS

The Gunpowder Homemakers will meet at the home of Mrs. Glenn Stevens Tuesday, March 7th at 10:30 for the regular meeting.

The major project "Nutrition in Meal Planning" will be presented by Mrs. Robt. Moore and Mrs. M. B. Shelton leaders.

All members are urged to be present and visitors are always welcome.

IT'S A FACT!

No Other Work Shoes of Any Make...
 At Any Price...Are of Triple-Tanned
 Inner Shell Horsehide...in Both
 Soles and Uppers

WOLVERINE
Shell HORSEHIDES

Are vastly different. Wolverine tanned horsehide looks much like other leather—but that's all. Our tanning process is different. It's our own exclusive, secret tanning formula—not in existence in any other tannery in the world.

This forty-five year old formula tans buckskin-soft comfort in this vertical-grained inner-shell hide, yet holds all its great natural strength and wear. It's not only SOFT—it dries out SOFT—and stays SOFT. As we tan it—it produces a work shoe leather that wears and wears—that fights off barnyard acids and scuffs. The net result is a combination of comfort and money-saving service not found in any other work shoe.

Only WOLVERINE

Produces work shoes of this triple-tanned shell leather in both soles and uppers. That's a fact! It's a hundred to one that if you once wear a pair, you'll never care to wear any other kind. Visit your Wolverine dealer—he will be pleased to have you try on a pair without obligation.

THINK ABOUT THIS

It is an old saying that "A fool can make money but it takes a wise man to save it." It is also well said that the first One Thousand Dollars is the hardest to get. That is because many people do not think of trying to save in small amounts, which would soon add up to that first thousand. It is not what you make—it is what you save that counts. Try it—we are here to help you save. Open that Savings Account, add to it regularly and watch it grow.

District Census Office Will Be Set Up In Newport

For Purpose Of Compiling 17th Decennial Census; Bornhorst Is Supervisor.

Establishment of a district office for the 17th Decennial Census of the United States in Newport, Ky., was announced last week by William J. Bornhorst, Census District Supervisor for the Fifth Congressional District. The Census District office is located in the Finance Bld., 4th and York Sts. Phone AX 1812.

Mr. Bornhorst states that preliminary work on the 1950 Census, to be taken in April, will begin immediately. This includes organization of the district office, conducting publicity, interviewing and testing applicants for jobs as enumerators.

The territory included in the Census District is comprised of the Counties of Boone, Campbell, Carroll, Grant, Gallatin, Kenton, Oldham, Pendleton and Trimble. Enumeration Districts will be established for each of these counties and for sections of the larger communities in each county. Approximately 225 enumerators will be employed to take the 1950 Census in this area.

These enumerators will make the house to house calls in the work of collecting official Census information regarding the population and housing in urban areas and, additionally, agricultural activities in the rural areas.

Applicants must be citizens of the United States, be in good physical health and of excellent character, and between the ages of 21 to 65. Applicants with veteran preference who meet these requirements will be given priority over non veteran applicants.

Applicants for enumerator jobs in rural areas must have an automobile available in good operating condition. The method of payment will provide for the cost of operating cars on official Census business.

Most of the enumerators will be employed for a period from two to four weeks. They will be expected to complete their work within a limited period of time without regard to the customary number of hours worked each day or week. Evening work will be necessary in order to reach occupants of dwellings who are away during daytime calls.

County Agent Urges Planting of Hybrid Seed Corn

More Profitable To Growers and Promotes Better Farming.

The planting of adapted hybrid corn will retain profits to the producer by saving labor, increasing yields, lowering production costs and promoting better farming practices. Hybrid corn will save labor because (1) it is not generally necessary to thin or replant the crop, (2) the stalks of most hybrids stand up, even against heavy winds, and the corn is therefore more easily handled, and (3) hybrid corn husks easier than open pollinated varieties. Certified seed of hybrid corn is accurately graded and at least 90 percent of it germinates with strong sprouts. It is therefore safe to plant it at the desired thickness so the crop will not have to be thinned.

In many tests throughout the state, Kentucky hybrids produced more corn than local varieties. Hybrids are more dependable than open-pollinated varieties, especially in hot, dry seasons and when there are heavy winds. Hybrid corn, by saving labor and increasing yields, lowers the production cost per acre resulting in higher profits to the producer.

Hybrid corn promotes better farming practices because its higher yields will produce the needed amount of corn on fewer acres leaving less productive land in sod. As hybrid corn matures earlier than open pollinated varieties, cover crops can be seeded earlier and do a better job of protecting land during the winter.

While hybrid corn will average higher yields than other varieties it must be remembered that moist fertile soils increase yields more than any other thing. The plowing under of cover crops, manure and straw do much to build up the humus in the soil and increase its water-holding capacity. The addition of lime, phosphate and complete fertilizer go a long way in increasing yields.

U. S. 13 is the earliest hybrid recommended for Kentucky. It has a low, strong stalk and an excellent root. A yellow hybrid, 125 days to maturity.

Ky. 102 is about 10 days later than U. S. 13. It has a strong stalk, it is leafy and useful for silage as well as grain. A yellow hybrid, 135 days to maturity.

Ky. 103 falls between U. S. 13 and Ky. 102. It is later and taller

than U. S. 13 but earlier and not as tall as Ky. 102. Very dependable under all conditions, one of the most popular hybrids in the State. A yellow hybrid, 128 days to maturity.

Ky. 203 is a high yielding white hybrid, moderately early with good sized ears, grains are not too hard. It is dependable over a wide area, 128 days to maturity.

The decision of planting white or yellow hybrids depends on the use to which the corn will be put. The higher yielding white hybrids bring more for milking purposes, and are less damaged by earworms. The yellow hybrids are best for feeding, especially where green feed is lacking, as they contain more Vitamin A.

Two new hybrids have been de-

veloped that give promise of becoming popular. They are: Ky. 158, a yellow hybrid and Ky. 405 B, a white hybrid. Both have been tried extensively and compare favorably in yields with Ky. 103 and Ky. 203.

Barney Turner, Admr., Plaintiff
versus
Mamie Heist Barlow,
et al. Defendant

NOTICE OF SALE

By virtue of a judgment and order of sale of the Boone Circuit Court rendered at the December term thereof 1949, in the above cause, I shall proceed to offer for sale at the courthouse door in Burlington, Kentucky, to the highest bidder, at public auction on Monday, the 6th day of March 1950 at One O'clock P. M., or thereabout (being County Court Day), upon a credit of 6 and 12 months, the following described property to-wit:
Lying and being in Boone County, Ky., on the north side of the 11th street and Dry Creek Pike and bounded thus: Beginning at an iron stake in the middle of the pike thence west forty feet to Mrs. Anderson's line, thence north with her line three hundred and sixty feet more or less to the Ohio river, thence west with the river forty feet to a stone on the river bank, thence south three hundred and sixty feet more or less to an iron stake in the middle of the pike, the beginning.

For the purchase price, the purchaser must execute bond, with approved surety bearing legal interest from the day of sale, until paid, and having the force and effect of a judgment. Bidders will be prepared to comply promptly with these terms.

A. D. YELTON,
Master Commissioner Boone C. C.

Old man winter arrived in full force over the week-end with over four inches of snow and temperatures as low as zero Sunday morning.

Mrs. Chas. Carpenter was agreeably surprised Friday evening when a party of friends and relatives arrived to join in the celebration of her birthday. The guests served refreshments consisting of sandwiches, ice cream, the traditional decorated birthday cake and coffee. Those participating in the festivities were Courtney Hollis and family, Mr. and Mrs. Horace Pelly, of Hebron, Miss Retha Moulder, Elmer Cummins and family, M. G. Martin and Mr. and Mrs. Chas. Carpenter. We join in wishing Mrs. Carpenter many happy returns of the day.

For economy and convenience... have your upholstery and floor coverings Duracleaned by experts, right in your home. Watch the unusual care with which these craftsmen beautify your furnishings.
Duraclean means your fabric lasts longer because this modern, safe cleaning process avoids strong soaps and chemicals which so often harm the dyes or fabric. Longer life too, because there is no wear, no breaking of fibers caused by machine scrubbing.
This patent protected service is recommended by America's leading furniture and department stores.

It cleans by absorption!
Embedded dirt and grit are first removed by "deep suction." Many cleaning methods leave enough dirt-laden soap in your rug and upholstery to cause "matting" or "rapid resoling." Duraclean avoids this.

The mild aerated Duraclean foam loosens and absorbs sticky soil and stains, holding this grime in suspension above the surface until removed.

No inconvenient Duracleaned fabrics are dry in just a few hours. Special ingredients regenerate wool fibers. Run pile carpets and rugs. Colors revive. Your fabrics are left clean, fresh, enlivened... your home is more beautiful to live with.

Duraclean—if you wish, you may at the same time have your floor coverings, upholstery, clothing or fur Duracleaned. You have 4 years protection against damage from moths and carpet beetles. Also protects against mildew. The annual cost is less than applying less effective moth repellents yourself. Have your fabrics Duracleaned today—before damage develops.

SECOND TO TOBACCO**

Dairying provides about a fifth of the farm income in Kentucky and ranks second only to tobacco, according to a new circular called "Feeding Dairy Cows," published by the College of Agriculture and Home Economics, University of Kentucky.

The number of dairy cows in Kentucky could profitably be increased in step with the expansion in the production of pasture and hay, it is stated. Dr. D. M. Saeth, head of the college's dairy section, is the author of the circular.

The publication deals with everything about feeding, which is the most important part of dairying. Copies may be had at county agent offices or by writing to the college at Lexington.

IN STATE CONTEST**

Eight members of 4-H clubs in Kentucky were among 24 winners of awards in an agriculture and home economics contest conducted by The Courier-Journal, The Louisville Times and radio station WHAS.

Elsie Marie Isaacs of Clark county placed first in 4-H home economics and Tony Cocanougher of Garrard county first in agriculture.

Pearl Hill of Whitley county was second; Jane Alexander, Bath county, third, and Barbara Gorbant, Oldham county, fourth, in 4-H home economics.

In 4-H agriculture, John Parks, Jr., Madison county, was second; Jimmy Wallace, Caldwell county, third, and William Stutzenberger, Jefferson county, fourth.

ABSOLUTE AUCTION

633 — ACRES — 633

THE HEIRS OF THE LATE THOMAS SUTTON HAVE CONTRACTED WITH ME TO SELL AT ABSOLUTE AUCTION THEIR 633-ACRE FARM WITH A BEAUTIFUL 8-ROOM COUNTRY HOME AND ALL HOUSEHOLD FURNITURE AND SOME ANTIQUES

Sat., March 4 --- 1 P. M. Fast Time

Located a short distance from State Highway 22, between Williamstown and Falmouth. Follow auction arrows—U.S. 27 to State Route 22, go to Perry's Store on 22, 2 miles southeast, U. S. 25 to Williamstown, turn on State Highway 22, follow 22 to Morgan road, on right and follow auction arrows.

The farm will be sold in the following tracts—will not be grouped—(the acreage given in approximate, until the survey is completed by engineer on Feb. 28 then any prospective buyers can see plaque, land at that time will be staked and flagged).

TRACT NO. 1—Home tract, 375 acres, 3000 feet of road frontage, with beautiful 8-room country home with 3 halls, magnificent stairways, full-basement and furnace, 2 porches. This is really an outstanding country home, all spacious rooms, well kept, workmanship is of the best. Floors and wood-work can be only appreciated when you see them; has beautiful setting with large lawn and an abundance of shade trees. Telephone and electric. Included in this tract will be 2 large barns and outbuildings.

TRACT NO. 2—12 acres with double corn crib and shed, 1700 feet road frontage.

TRACT NO. 3—28 acres; 1,000 feet of road frontage.

TRACT NO. 4—218 acres, tenant house and barn, 1000 feet of road frontage

Here's your chance to hedge against inflation, be independent—buy a good farm—best investment you can make. Located close to State Highway, also close to schools, churches and stores, and since U. S. 27 is completed it's only a few minutes drive to Covington or Cincinnati. Farm has been in this family for over a century; lot of good virgin soil. Kentucky State Park Board has been considering this farm for the site in this area for a new State Park. Be sure to be on hand day of sale, starts promptly at 1:00 p. m. rain or shine.

TERMS—On real estate, 20% down day of sale; balance with deed on or before 30 days. Possession with deed.

Can't Buy Utopia Overnight

A New York Herald-Tribune editorial discusses the government-proposed vast social security program with its emphasis on protection against loss of income for the ill and unemployed, better housing for the people, better health and medical care, an insured income for the aged, and the rest of it. It then says: "No one disputes the desirability of the goals, no one doubts that the American system has within itself the power to attain them to a degree known to no other nation. But to achieve them demands more than mere faith, more than a political formula, more than the denunciation of reactionaries." The program which Mr. Truman puts forth... is as complicated, difficult and costly as anything which would be imagined. Combined with the vast commitments for defense and foreign aid which the United States has undertaken, it would constitute a crushing burden on the productive energies of America. This is not what "the will of the people" demanded, nor what Mr. Truman told the voters in the 1948 campaign. He spoke then, and he speaks now, as if a goal has only to be stated in legislation to be won, painlessly and finally. The experience of too many countries with this kind of wishful thinking, however, has proved to be futile and dangerous.

What the Herald-Tribune is saying, in essence, is that men of good will, impatient to immediately attain some great end, have unwittingly created economic ruin for millions. In no country in the world has the life of the masses of people, been so greatly improved as in ours. The life will, in the normal course of events, get better, happier, more secure. But if we try to buy utopia overnight, the consequences will be disastrous.

Why Be Copy Cat

One misleading bit of propaganda in favor of compulsory health insurance for this country has its roots in Britain's experience with a scheme which is about the same in principle. It is pointed out that more than 90 percent of British doctors have registered and are now working under the health act. Therefore, it is argued, the vast majority of British physicians must favor it.

That may seem a sound argument on the surface, but it won't stand analysis. In Britain, it had long been the procedure for doctors, when they wished to settle in some locality, to buy the practice of a doctor who had died or retired. These purchases represented a big outlay—up to twice as much as the annual gross income.

When Britain adopted her national health act, she made the purchase of practices illegal. In order not to rob the doctors, she set up a large fund to compensate for the change. However, the catch was this: to be eligible for compensation a doctor had to enter the medical scheme by a certain date. If he didn't he would get nothing. And so 90 percent of the doctors registered in self defense.

Distinguished doctors—including British, American, and others—have made careful studies of the workings of nationalized medicine. Almost to a man, they have reported a serious decline in the standards of medical care, insufficient time and money given to research and preventive medicine, and that doctors are burdened with so many patients that those who are really ill cannot be properly treated. On top of that, the costs, paid for out of taxes, have been excessive, and have greatly exceeded all estimates.

Socialized or regimented medicine, in other words, is second-grade medicine for which a big price is paid. And what is true of England would be true of this country if we wish to be a copy cat.

Pick Your System!

Writing in the American Magazine, Harold G. Moulton, President of The Brookings Institution, says: "The only economic system sufficiently dynamic in character to assure us of enjoying a century of great abundance is free enterprise. It is the only system with the driving force capable of helping this still blessed land realize its great potentialities."

That conclusion was not reached by guess. It followed a careful and objective Brookings Institution study of the four major types of economic organization now in existence—communism, socialism free enterprise, and hybrid types where private enterprise operates under governmental domination. And, when the facts were tabulated, free enterprise came out on top by a

Bullittsville Christians Join In Observing "One Great Hour of Sharing"

The Bullittsville Christian Church in cooperation with other churches throughout the United States and Canada, join hands in observing "One Great Hour of Sharing."

"One Great Hour of Sharing" is the theme which Disciples of Christ are using this year in observing Week of Compassion.

This project endeavours to lend a helping hand to such areas of our world as have felt the impact of the destructive forces of war, famine, disease, and other forms of suffering.

The offering will be received on Sunday, March 12th at the 11:00 service. The money received will be used for the following: Bibles and Christian Literature, refugees, relief, rebuilding churches, missions, benevolence, christian education, new churches, and recruits for full or part time religious service.

Rev. A. C. Young urges every member, and invites others to have a part in this worthy work. It was a great hour in the life of the good Samaritan when he shared with the man on Jericho Road. It will be a great hour in our lives if we make sacrificial gifts in "The One Great Hour of Sharing."

Those unable to attend the 11 o'clock service are requested to mail their offering in to Mrs. Howard Acra, Route 1, Burlington, Ky., so that it will be received by the 15th of March.

Baptist Hour Heard Over Station WZP

"Time for Decision" is the theme of the sermons being preached by Mr. Charles Wellborn on the Baptist Hour heard over WZP each Sunday afternoon at 2 o'clock.

His subjects for the following Sundays this month are "Love's Last Appeal," "Life at a Price," "Nice People—Or New Men," "To Whom Shall We Go?" and "It's Up To You."

Mr. Wellborn, a native of Glade-water, Texas, served with the Army's 10th Mountain Division during World War II and while overseas was twice decorated for heroic achievement in action.

A successful evangelist, widely known and popular as a speaker on college campuses, Mr. Wellborn has led youth congregations throughout the South, speaking to audiences ranging from 4,000 to 10,000. The Baptist Hour is being acclaimed by many as the finest religious program in America today.

It is by special arrangements of some Baptist church in Northern Kentucky that this program is made available to you.

Petersburg Youth Initiated Into College Fraternity Feb. 26th

Wyman Stephens, son of Mr. and Mrs. B. E. Stephens of Petersburg, Ky., a sophomore in the College of Arts and Sciences at the University of Kentucky, was formally initiated into the Phi Deuteron Chapter of Phi Sigma Kappa social fraternity on Sunday afternoon, February 26.

Mr. Stephens is also a member of the Outing Club and the Lexington Center of Dance Society of America.

Thrift Charges Withdrawn After Youth Is Arrested

Charles Poppis, 21, of Taylorsport, who was arrested Thursday by Sheriff Wendell Easton and deputy Byron Kinman at the home of his father near Hebron, was released when arraigned in Judge C. L. Cropper's Court on a charge of auto theft after the plaintiff, a brother-in-law of the defendant refused to prefer charges and requested all charges be dismissed.

Poppis admitted driving the car to Georgia after taking it from the home of a brother-in-law, Everett Maxwell, but returned to the home of his father near Hebron last Wednesday and called his brother-in-law, telling him that his car was at his father's residence and could be picked up there, according to deputy sheriff Byron Kinman.

Poppis was released after Maxwell withdrew charges, Judge Cropper stated.

huge margin.

Will we Americans be intelligent enough to keep the system that is responsible for both our material abundance and our personal freedom?

Health Committee To Be Organized In Boone County

Meeting Scheduled Tuesday, March 14th At Burlington.

Every organization in the county is urged to send a representative to a meeting to be held at Burlington Courthouse on Tuesday, March 14, 1950, 8:00 p. m. The meeting will be open to all who wish to attend but each organization represented will be entitled to only one vote each.

The meeting is being held to select four citizens of the county to serve on the Citizens Health Committee for Boone County. The four citizens selected will serve with a physician, a dentist and a magistrate to form the committee.

Complete details will be presented at the meeting. Every organization in the county is urged to send one official representative to the meeting.

Mrs. Roy C. Lutes has been requested by Dr. Bruce Underwood, State Health Commissioner, to assume the organization of the committee for our county. He has sent the following information concerning the purpose of the Health Committee:

The Purpose of a Citizens Health Committee

By Bruce Underwood, M. D., State Health Commissioner

The purpose of a Citizens Health Committee is to serve as a representative of the people in all public health problems which are related to the work of the County Health Department. The Committee should serve to help the Health Department reach the people and help the people reach the Health Department. The Committee should represent the people as a point of view. It should assist the county health officer in developing and maintaining the best possible County Health Department. It should work under the professional guidance of the county health officer and the County Board of Health.

In counties that do not have a county health officer or a County Health Department the only function of a Citizens Health Committee is to assist the people in securing a County Health Department if they want one. We believe every county in Kentucky should have a Citizens Health Committee through which we can reach them and through which they can reach us. We firmly believe the people of Kentucky will work with us to achieve the best possible program of public health for our Commonwealth.

The cooperation of the organizations and the people of Boone County is requested in this endeavor to give the people a greater opportunity to develop the type of public health program they want.

Tritsch-Bowman

A very impressive wedding ceremony was solemnized Saturday evening, February 18 at the home of Rev. C. N. Ogg in Florence, when Miss Carol Tritsch, daughter of Mr. and Mrs. M. E. Tritsch of Florence became the bride of George Bowman, Jr., son of Mr. and Mrs. Geo. Bowman of Idlewild.

The bride was lovely in a navy blue suit with gray accessories and white orchid corsage, while her attendant, Miss Brenda Sturgill also wore a navy blue suit with matching accessories and white rose corsage.

The groom chose for his best man his friend, Roy Utley, of Erlanger and they were blue and brown suits respectively.

Other guests present were parents of both bride and groom. After the ceremony a reception was held at the home of the bride's parents.

The bride was formerly a student at Florence High School, while the groom attended school at Hebron and has been employed at Lawrenceburg, Ind., for the past two and one-half years.

They are residing temporarily with his parents, but expect to occupy their own home in the near future at Idlewild. The young couple have the best wishes of their many friends for much happiness in life together.

Tax Hearing Conferees Named By Commissioner

Will Hear Appeals From County Board of Tax Supervisors.

Commissioner of Revenue H. Clyde Reeves has announced the appointment of fourteen tax hearing conferees to hear appeals from the county boards of tax supervisors on property assessments.

The hearing conferees for Boone County is James Ford, of Owenton, Ky.

These hearing conferees were authorized under an act of special legislative session of 1949. Its purpose is to give the taxpayer an opportunity to make his appeal and to be heard in his own county. This saves him the expense and inconvenience of a trip to Frankfort which was required for appeals under the old law.

Any taxpayer who is dissatisfied with the assessment on his property after action of the county board of supervisors, may appeal to the State Tax Commission. This appeal must be made in writing and may be done by letter addressed to the Kentucky Tax Commission in Frankfort. The appeal must be accompanied by a certified copy of the assessment made by the county board. Such cases will be referred to the appropriate hearing conferee who will take the evidence and report it to the Kentucky Tax Commission for action.

Any taxpayer who wishes to appeal the action of the Kentucky Tax Commission may then take his case to the circuit court in his own county.

Northern Kentucky District Federation Planning Meeting March 10

The Northern Kentucky District Federation Planning meeting will be held in Covington March 10th at the Federal Building at 10 a. m. Mrs. Clyde Arnold, District Publicity Chairman, Mrs. Earl Morehead, County Homemakers President and Miss Nancy McClaskey, Home Demonstration Agent will attend this meeting, Friday.

Constance School Looted Saturday; Back Door Forced

Lunchroom Supplies Included In Loot, According To Sheriff.

The Constance school was looted Saturday night, March 5, when culprits forced the back door of the building in gaining entrance.

Lunchroom supplies consisting of nine pounds of butter, 23 pounds of ground beef, five pounds of wieners, 3 cans of salmon, 1 can of lard and 28 pennies made up the loot of the thieves, according to Sheriff Wendell Easton, who was called to investigate the theft.

No clues were left to identify the culprits, and as we go to press no trace of the thieves has been found.

Season Tobacco Market News Report Given

General Quality Lower Than Last Year, According To Report.

The 1949 burley crop was comprised of exceptionally light-bodied offerings. Thinner composition made it highly usable for cigarette manufacture. The general quality, however, was lower than that of last year. Average prices for most grades displayed slight fluctuations as compared with the 1948 crop. The general average was 87c lower. Volume of offerings was around 42.6 million pounds less.

The Federal-State Tobacco Market News Service reports gross sales totaled \$69.9 million pounds for \$45.10 per hundred. It was estimated that around 5.5 percent of this amount was resale tobacco. The average price was the third highest on record. Gross poundage ranked fifth. Largest sales were for the 1946 crop when 636 million gross pounds were sold. The highest average was for the 1947 crop when 500.0 million pounds brought \$48.30.

Average prices by grades showed changes of 50c to \$2.00 in most instances. A few variations were as much as \$3.00. Gains and losses were about equally divided. Increases were chiefly for good and fine leaf and most low to good lugs and flyings. Some grades were at their highest averages on record. Included in these were all red grades of lugs and flyings. Declines were most prevalent for fair and better grades of lugs and flyings in buff and tan color.

Smaller proportions of good and fine offerings lowered the general quality. More low grades were offered. The percentage of tobacco in tan color was less and more reddish-tan and red color was sold. Most sales were made up of low and fair leaf lugs, low to good flyings and fair tips. Last year the bulk was composed of low to good grades with leaf predominating.

Receipts of associations under the Government loan program were reported as 38.9 million pounds. This was about 6.6 percent of gross sales. Last year 96.7 million pounds or 16 percent, was pooled. This year all grades, with the exception of better quality lugs and flyings, brought auction prices substantially above their Commodity Credit Corporation loan values.

Marketing began on November 28, 1949 and final regular sales were held at Lexington, Ky., February 17. The marketing season ran for 51 sales days.

Jack Cave Enjoying Brief Furlough At Home

Jack Cave of the U. S. Navy, who has been stationed at New Orleans, La., is enjoying a brief furlough with his parents, Mr. and Mrs. Raymond Cave and family.

Jack, a graduate of Burlington High School entered the Navy two years ago. After completing his "boot" training he attended radio school, and then was assigned to duty aboard the DD 708 Dickson, a destroyer of the U. S. Navy.

Jack will report for active duty at Pensacola, Fla., March 19th where he will take a course as an aviation cadet. This course requires from 18 to 22 months, and when completed will make him eligible for a commission.

The Recorder joins Jack's many friends in wishing him much success in his new school work.

County Sunday School Meeting Announced At Walton Baptist Church

Boone County Sunday Schools of the Baptist Churches will meet at the Walton Baptist Church Monday evening, March 13, 7:45.

At the last meeting of the group there were 271 present, and a goal of 300 has been set for this meeting.

These meetings are proving to be very valuable to Sunday School work in all the church, it is an hour when all meet in a great fellowship session, enjoying singing and special music, which is under the direction of Joe Rouse, of Verona. A good inspirational message is a feature of the evening at each meeting.

A cup is given to the church having the largest number present at each meeting. Big Bone is now in possession of the cup, having 78 present at the last meeting.

All Baptist Churches in the county are urged to send representatives to this meeting, and are urged to help in surpassing the goal of 300.

Mr. and Mrs. Ernest C. Ruppert and family spent Saturday with her mother, Mrs. Lillian Wilhelm of Frankfort and called on Wolfe Rosenstein while there.

Walton Bearcats Take District Honors In Saturday Finals

Erlanger Is Runner-up By Virtue of Defeat Handed Eagles.

Walton's Bearcats of the Boone County Basketball Conference made their big brothers of the N. K. A. C. take a back seat in the thirty-fourth district tournament last week. The Cats had little trouble in taking of the tountry honors with successive victories over St. Henry (60-31), Simon Kenton (50-33) and Erlanger Lloyd (65-46).

Erlanger Lloyd the other finalist in the tournament earned the runners-up trophy by trouncing New Haven (83-29) and Burlington (58-39).

Burlington and Simon Kenton got into the semi-final by virtue of wins over Florence and Hebron. The Eagles won over Florence (62-40) and Simon Kenton took Hebron (53-37).

Regional Title Week

Walton and Lloyd will represent the thirty-fourth district in the ninth regional playoffs this week, which are being held at Newport. Tuesday night Dry Ridge met Dayton and Walton met Newport; Wednesday night Williamstown will play Lloyd and Ludlow will play Covington Holmes; Thursday night semi-finals upper bracket; Friday night semi-finals, lower bracket, and Saturday night finals. The first game of each session is slated for 7:30 p. m.

Newport Defeats Bearcats

Newport, one of the strong contenders for the regional championship, defeated the Walton Bearcats Tuesday night in the first round of the ninth regional tournament at Newport by a score of 68-54.

With this victory to Newport's credit it is expected that they will have easy sailing through the remainder of the tourney, as Walton was slated as their strongest opposition.

Basketball Team and Cheerleaders Will Be Honor Guests At Services

The Florence basketball teams and cheerleaders of the school will be honored in the Sunday morning services of the Florence M. E. Church, March 12th according to an announcement made by the pastor.

All parents and friends of the team and cheerleaders are invited to attend these services. Sunday, March 12th is dedication Sunday in the Methodist Church.

MASONS WILL MEET TONIGHT

Burlington Lodge No. 264 F. & A. M. will hold its regular stated meeting tonight (Thursday) at the hall in Burlington, 7:30 p. m., according to Alvin Clore, Master.

All members of the lodge are urged to attend this meeting, as business of importance will be discussed at this time.

Farm Bureau Drive Progressing Nicely In County, Is Word

Board of Directors Will Meeting Thursday Night, March 9th.

The membership drive in the Boone County Farm Bureau, which has been under headway the past two weeks, has been very successful according to reports from the directors and others of the membership committee. It is believed that the original goal of 600 members may be obtained if the committee will close the campaign with a final drive.

The board of directors will meet at the Farm Bureau office, Thursday night, March 9, 8:00 p. m. and a final report on membership will be given at that time.

Approximately forty directors and membership committeemen agreed to contact the rural people and enlist Farm Bureau membership.

If the goal is reached it was proposed to celebrate by having a victory meeting.

All rural people are invited to join the Farm Bureau so that there may be a strong organization to fight for improved agricultural conditions and to save farmers money through insurance services. If you are not contacted in the membership drive, you are urged to send your membership to the Boone County Farm Bureau, John E. Crigler, Secy.

John H. Mannin passed away Monday, February 27, at his home, after several months illness at the

age of 78 years. Funeral services were held Thursday at the Catherman funeral home, with burial in Hebron Cemetery. His widow has the sympathy of her many friends.

Friends here of Mrs. Ruby Hollis of Florence regret to learn that she is in St. Elizabeth Hospital where she underwent an operation last week. She is a former resident of this community.

UNION O. E. S. WILL MEET THURSDAY, MARCH 9TH

Union Star Chapter No. 461 Order of the Eastern Star will meet Thursday, March 9, in Boone-Union Masonic Hall, Union Ky. Initiation is scheduled. Mrs. Mary Belle Noe, Worthy Matron and Reuben Kirtley, Worthy Patron will preside.

THINK ABOUT THIS

It is an old saying that "A fool can make money but it takes a wise man to save it." It is also well said that the first One Thousand Dollars is the hardest to get. That is because many people do not think of trying to save in small amounts, which would soon add up to that first thousand. It is not what you make—it is what you save that counts. Try it—we are here to help you save. Open that Savings Account, add to it regularly and watch it grow.

Here's what **BUTTER**
would cost you today

...if it had come down from its 1939 price
like the unit cost of **ELECTRICITY**

Other prices have soared in the last 10 years, but your electricity is one thing you buy that actually costs less per unit now than pre-war.

Your electric rates have not been increased, and as use has gone up the average price per kilowatt-hour has come down. It is now 30% less than in 1939.

If creamery butter had followed the same trend, the pound that cost you 27c in 1939 would cost 19c today, instead of the 65c or more you are now paying.

True, your electric bill may be higher, because if yours is the average household you're using 68% more electricity than in 1939. But the price you pay per kilowatt-hour was never lower than it is today!

Mrs. L. J. Thompson was called to Springfield, Ohio, recently by the passing of her brother Rev. Otis E. Watson, who had been ill two years. The community extends sympathy to Mrs. Thompson.

Mr. and Mrs. Paul Aylor were among the guests in the home of a daughter, Mrs. Harold Rogers and Mr. Rogers, of Petersburg, Sunday. Guests from a distance were another daughter, Mrs. Pauline Reed, her husband and son of Indianapolis, Ind., Mrs. Reed being the honor guest as she was celebrating a birthday.

Mrs. Geneva Arnold and Mrs. Dorothy Easton entertained Saturday evening with a shower at the home of Mrs. Arnold honoring Robt. Reinhart and bride who were married recently.

Chas. Corbin and wife were visiting his mother, Saturday. Mrs. L. D. Daugherty, of Devon, who has been very ill in a hospital is improving, according to latest reports.

Mr. and Mrs. Will Nieberding

have sold their home in Erlanger and departed Saturday for Hialeah, Fla., where they expect to make their home.

Miss Ruth Bristow, a student of U. K. spent the week-end with her parents, Mr. and Mrs. James Bristow.

Mr. and Mrs. Floyd Sinner and family are now occupying their new home, recently completed on Russell St.

Mr. and Mrs. Tom Watson have moved to the Paul Aylor farm on Gunpowder Creek road.

Sympathy is extended the family of Thomas Marshall, who passed away recently.

Mr. and Mrs. Geo. Black are now residents of Beaver, having pur-

chased property there.

Friends and relatives in the community of Mrs. Curtie Mannin, of Hebron, extend sympathy to her in the death of her husband John Mannin.

Robt. Reinhart of Price Road, and Miss Betty Buckley, of New Richmond, Ohio were united in marriage Feb. 11th at Immanuel Reformed Church, Bromley. May they enjoy health, happiness and prosperity as they go through life together.

Week-end guests of Mr. and Mrs. Clyde Arnold were Mr. and Mrs. Stanley Bonta and son, their daughter, Mrs. Moulder and husband and Mr. and Mrs. Jeff Edmonds and son of Latonia.

Light tractor economy, convenient controls, roomy platform, air-cushion seat, and other outstanding features are yours in the "MC," the little giant of the track-types. See us for details... soon.

More Beautiful to live with... Duraclean

For economy and convenience... have your upholstery and floor coverings Duracleaned by experts, right in your home. Watch the unusual care with which these craftsmen beautify your furnishings.

Duraclean means your fabric lasts longer because this modern, safe cleaning process avoids strong soaps and chemicals which so often harm the dyes or fabric. Longer life too, because there is no wear, no breaking of fibers caused by machine scrubbing.

This patent protected service is recommended by America's leading furniture and department stores.

It cleans by absorption!

Embedded dirt and grit are first removed by "deep suction." Many cleaning methods leave enough dirt-laden soap in your rugs and upholstery to cause "matting" or "rapid resoiling." Duracleaning avoids this.

The mild scented Duraclean foam loosens and absorbs sticky soil and stains, holding this grime in suspension above the surface until removed.

No inconvenience! Duracleaned fabrics are dry in just a few hours. Special ingredients re-soften wool fibers. Rug pile unsmats and rises. Colors revive. Your fabrics are left clean, fresh, rejuvenated... your home is more beautiful to live with.

Duraproof—If you wish, you may at the same time have your floor coverings, upholstery, clothing or fur Duraproofed. You have 4 years protection against damage from moths and carpet beetles. Also protects against mildew. The annual cost is less than applying less effective moth repellents yourself. Have your fabrics Duraproofed today—before damage develops.

HOMEMAKERS SUPERVISE SCHOOL LUNCH PROGRAM

Two homemakers in Harlan county are supervisors of the school lunch programs in two of the schools in the county. They are Mrs. J. D. French at the Wallins High School and Mrs. Arla Hibbard at the Cumberland High School. Both of these women were foods leaders in their homemakers clubs over a period of years, said Mrs. Roxie Perkins, home agent. The information learned there helped prepare them for planning menus for 200 to 400 children in each school, and in the preparation of the food.

Mr. and Mrs. Edgar Snyder recently enjoyed a trip to Illinois to visit Mrs. Snyder's brother. Mrs. Clara Seebree spent Tuesday

and Wednesday with Mr. and Mrs. Wm. Worford. Wm. Worford returned last week after a three-week vacation at Ft. Meyers, Fla. Bill Burns has been ill with the flu the past week. We wish for

him a speedy recovery. Mr. and Mrs. Henry Deck attended a birthday party at Mr. and Mrs. John Burns' in honor of Mr. Burns' birthday.

NOTE OF THANKS

We wish to express our appreciation for all the prayers which were offered for me, the beautiful flowers, cards and encouraging letters sent, the nice gifts, visits and inquiries during my illness at St. Elizabeth Hospital and at home.

Especially do I want to thank the ministers of the churches for their visits and my relatives for their thoughtfulness. Your kindness will always be appreciated. 1*

Mrs. Geo. M. L. Cook and Husband.

CARD OF THANKS

I wish to thank my many friends and relatives for their unflinching attention extended me during my ten weeks' stay in the hospital. The stacks of cards, delicious candy and fruits, beautiful flowers and host of visitors surely made my stay there more pleasant. 1*

James L. Bristow, Union, Ky.

CARD OF THANKS

We feel that it would be impossible to thank each one individually for the many acts of kindness shown to us during our siege of illness and misfortune.

We would like to take this means of thanking each and everyone who has sent cards and gifts. But most of all we deeply appreciate your prayers. 1*

Elaine, Bill and Sue Greenup

CARD OF THANKS

Words cannot express how much I appreciate the many cards, gifts, letters, visits and valentines which I received from my many friends in the past 12 weeks when I was ill. I wish to thank each and every one of you. 1*

Thanks again, sincerely. Frances Acra

CARD OF THANKS

The family wishes to express their thanks to Dr. Nunnally, Dr. Yelton, Brother Johnson and the many friends who called and rendered help during the illness and death of our beloved mother.

Mrs. Vina Horton
We also wish to thank Ralph Stith for the efficient manner in which the funeral was conducted; donors of the flowers and the singers for the beautiful songs. 1*

Notes and Comments

From the Editor's Desk

Voting Ourselves Into Eden

Those who believe that in order to compete with totalitarian powers in the cold war, we must imitate their methods and principles, find no friend in Dr. Vannevar Bush, the brilliant scientist who directed much of our top-secret arms research and wrote the recent distinguished best-seller, "Modern Arms and Free Men."

We cannot meet the Russian threat, he said, "if we turn this country into a wishy-washy imitation of totalitarianism, where every man's hand is out for pabulum and while creative genius has given birth to the patronizing favor of swollen bureaucracy."

"Dictatorship can compete with dictatorships, and a free-virile democracy can outpace any such in the long pull. But a people bent on soft security, surrendering their birthright of individual self-reliance for favors, voting themselves into Eden from a supposedly inexhaustible public purse, supporting everyone by soaking a fast disappearing rich, scrambling for subsidy, learning the arts of political log-rolling and forgetting the rugged virtues of the pioneer, will not measure up to competition with a tough dictatorship."

The total state, or the socialist state, or the welfare state, or whatever you wish to call it, always achieves one thing, as certainly as tomorrow follows today. It weakens and finally destroys initiative, self-reliance and human, individual enterprise. It can't help but do that—where is the need to think and work for ourselves when an all-powerful, all-wise state is doing it for us? And if we want to do something for ourselves, the chances are that we'll be financially unable to do it, because the state takes most of our income to pay for all our "security" and "welfare."

This generation has lived through two world wars which were won by the achievements, courage and labor of free peoples. It is now living in a chaotic age, in which millions of human beings have become the important subjects of slave states based on slave philosophies of government—and in which only the free peoples have a living standard much above the level of a zoo. If that isn't enough of the virtues of freedom, what is?

Dr. Bush also said he was convinced that "we have the wit to recognize a dangerous trend and laugh at sirens with cracked-brained economic theories who would guide us down an easy path over a precipice." We had better pray that this is so.

State Beekeepers Ass'n. Will Meet At Florence Sunday, March 19th

The Kentucky State Beekeepers' Association will meet at the Florence Community Center, Sunday, March 19th at 2:00 p. m., it was announced Tuesday.

The program will include all angles of bee culture and two films will be shown.

All beekeepers and other interested persons are urged to attend this meeting.

Jacqueline Vater Is Finalist In Cinderella Contest

Will Appear On Stage Of Albee Theater In Cincinnati, March 16th.

Miss Jacqueline Vater of Florence has been selected as one of the 100 finalists in the "Cinderella" contest and will appear on the Albee stage in Cincinnati, Thursday, March 16th.

The contest is being sponsored by the Cincinnati Post in connection with the showing of the Walt Disney movie "Cinderella." The object is to select the girl in the greater Cincinnati area who has done more things for other people and who shows "golden heart qualities." Of the many hundreds of girls who have been nominated for the honor, the judges have chosen 100 and sent them telegrams notifying them. These 100 girls, all between the ages of 14 and 19 will receive a set of Cinderella tumblers and an album of records of the music in the show.

Jackie is 15 years old and is the daughter of Mr. and Mrs. Virgil Vater of 110 Ridgeway, Florence. She is a sophomore at the Florence High School.

Goal Reached In Sunday School Meeting At Walton

The Boone County Baptist Sunday Schools, meeting with the Walton Baptist Church Monday night for its monthly meeting, exceeded its goal of 300 when a total of 315 were in attendance. The host church was awarded the cup for the month with 142 present.

A very interesting message was brought by Rev. C. L. Leopard, pastor of Florence Baptist Church, his subject being "Teacher Training."

The choir of Big Bone Baptist Church furnished special music.

The Baptist Sunday Schools of Boone County are making plans for the largest attendance in the history of Boone County at Easter services Sunday, April 9th. Each Sunday School is urged to set up a goal and work toward reaching or surpassing the goal.

The next meeting of the Sunday Schools will be held Monday night, April 10th at Florence Baptist Church. This meeting is for all Sunday Schools of North Bend Association.

Training Class Set Saturday, March 18

A 4-H project leaders training class will be held March 18th at 10:00 a. m. in the Burlington courthouse. It was announced this week. Miss Dorothy Gentry and Mr. Fish from the University of Kentucky will be here to give suggestions and answers to questions about 4-H work. Vera Dean Scott and Betty Hood will talk about "How 4-H Leaders Can Help Me."

Fish and Game Club Will Meet March 16th

The Boone County Fish and Game Club will meet tonight (Thursday) at the club house on Burlington-Idelwild Road at 7:30 p. m., it was announced by the president.

Members are urged to attend this meeting as business will be brought before the club which is of interest to all members. Visitors are extended a cordial invitation.

Refreshments will be served by the committee in charge.

ESSAY CONTEST CLOSES APRIL 1; HEALTH DEPARTMENT COOPERATING IN MOVEMENT

The Kentucky Council for the Handicapped and the Governor's Committee on Employment the Physically Handicapped have announced an essay contest on the subject, "Hire the Handicapped—It's Good Business." Top winner of the state contest, which is open to any student in the 11th or 12th grade in a public or private high school, will then be eligible for the National Prizes. The contest closes on April 1.

In endorsing the fine work of the Kentucky Council and the Governor's Committee, Dr. Bruce Underwood, State Health Commissioner, said that the State Department of Health is cooperating in this worthy movement by giving preference to handicapped persons of equal qualifications for employment.

Details of the contest are as follows: Essays should be 1,200 words or less and should be typed double space on 8 1/2 x 11 white paper with 2-inch top and bottom margins. The first prize in the state contest will be a \$100.00 U. S. Savings Bonds; second prize is a \$75.00 bond; third, a \$50.00 bond and fourth, a \$25.00 bond. All state contest winners will be honored at a luncheon to be held in Louisville, at which time the prizes will be presented by Governor Earle C. Clements. In addition to these state prizes, some communities are offering prizes for winners in local contests.

The National grand prize is to be a check for \$1,000.00; second prize, \$400.00; third, \$300.00; fourth, \$200.00; and fifth, \$100.00.

Essays are to be forwarded to Mr. John W. Brooker, Executive Secretary, Kentucky Education Association, Heyburn Building, Louisville.

Week-end Revival Planned By Young People's Group

There will be a week-end Young People's revival at the Florence Methodist Church beginning Friday evening, March 17th at 7:30, and continuing through Sunday, March 19th.

Rev. Jiles Kirkland of Asbury College, will be the evangelist. All young people are urged to attend.

Florence Drive-In Announces Opening

The Florence Drive-In Theater will open St. Patrick's Day, Friday night, March 17th with the picture "Tall in the Saddle."

The box office will open at 6 p. m. Free souvenirs will be given away at this time.

New \$700,000 School Building Proposed For Price Pike

There will be a meeting of the Boone County Board of Education at the office of the County Superintendent on Tuesday night, March 21st at 7:30 for the purpose of discussing a proposed new school building on Price Pike at an estimated cost of \$700,000.

A lot consisting of 20 acres, located just outside of Florence, is said to have already been purchased for \$20,000.00 and that contracts for the construction of a building will be discussed at this meeting.

Although the Board of Education has released no information whatsoever on this project, it certainly is well underway and the people of Boone County have been kept entirely in the dark on the subject.

According to information we have been able to obtain (not from the Board of Education) the proposed new building will cost approximately \$700,000 and it is proposed to issue bonds at about 3% to finance the cost of the building. The architect for the building will be paid 6% of the cost of the building or approximately \$42,000.00 for plans and specifications.

It is an undisputed fact that Boone County needs school improvements, but we feel that the people should not be kept in the dark on any project as

large as this, and are entitled to know what is going on behind the scenes. It is not known whether this is to be a Consolidated High School building or whether it is just a new building, the same as we now have.

Many of our schools throughout the county are crowded and need more space to operate in a more efficient manner. This condition is general and can be approached in many ways.

Our school board members were severely criticized in their recent move to raise the County school tax rate without explaining the situation to the people involved. Many persons were unaware of this increased tax until they paid their taxes almost a year later. Certainly we do not want a recurrence of this situation unless we are sure it is what a majority of the people of Boone County desire and want done.

All persons interested in this project, either for or against, are urged to contact your School Board member or be present at this meeting at the County Superintendent's office on Tuesday night, March 21st at 7:30.

The board members for the various districts are as follows: Bruce Ryle, Carlton; R. C. Eastman, Florence; Hubert Conner, Hebron; C. G. Kelly, Burlington; John Louis Feagan, Beaver; H. N. Ockerman, County Superintendent.

Weston Rogers Named National Music Councilman

Is Highest Office In Chapter, A. M. E. Church

Eta Chapter of Phi Mu Alpha Sinfonia, honorary music fraternity, announces that Weston Rogers, R. R. 2 Ludlow, was recently elected to the office of National Councilman. This is the highest office in the chapter.

In fulfilling the duties of this position, Mr. Rogers will maintain contact with the national office of the fraternity, represent Eta Chapter at musical functions, and schedule and arrange recitals involving members of the chapter.

A special duty this year will be serving on a Central Executive Committee to arrange for the National Convention. This will be held in Cincinnati on July 7, 8, 9. Mr. Rogers has been arranging for a nation-wide radio broadcast of the fraternity chorus, consisting of 200 voices, under the leadership of a nationally prominent Sinfonian.

Sinfonians that will be present at the convention include Dr. Thor Johnson, conductor of the Cincinnati Symphony Orchestra; John Charles Thomas, baritone; Thomas E. Dewey, governor of New York and a former editor of the fraternity magazine; Peter Dykema, educator; as well as teachers, college directors, instrumental performers, and other persons vitally interested in music.

The convention this year will present many additional problems, for according to recent statistics, Sinfonia is not only the largest professional fraternity, but the largest fraternity of any kind. The full facilities of the Hall of Mirrors and the Pavilion Caprice at the Netherlands Plaza, as well as many drawing rooms, will be needed for the members to attend the various meetings and programs. To give an idea of the enormity of the task of playing host to such a large group, the Central Committee has been allotted a budget of \$10,000.00 to arrange for food, lodging, transportation, and the program of the delegates.

Variety Supper Planned

A variety supper will be given by the "Women's Work" of the Constance Church of the Brethren on Saturday, March 18th at 5:00. It was announced this week.

You are invited to attend and bring your friends.

COLORED CHURCH PLANS MUSICAL PROGRAM MARCH 18

There will be a musical program given at Colored Baptist Church at Burlington, Saturday evening, March 18 at 8:00 p. m. The public is cordially invited to attend.

Diseases Among Chicks Costly To Farmers In State

Department Places Emphasis on Purchasing Baby Chicks

The Kentucky Department of Agriculture at this time is making an extended drive to acquaint the farmers of Kentucky with its poultry problems. In the past there has been production and importation of diseased baby chicks to such an extent that it has cost the farmers thousands of dollars.

At this time the Department of Agriculture places emphasis on the purchasing of baby chicks. It is a state law of Kentucky that all hatcheries and dealers have a permit to sell baby chicks. To obtain this permit there are certain disease free standards to be met.

The Department of Agriculture urges each farmer before purchasing his chickens to be familiar with the dealer, be certain that his chicks are disease free, and from pullover tested flocks.

Most Kentucky farmers will find that his local dealer meets these requirements.

If purchasing from an out-of-state hatchery be certain that the hatchery or dealer has a Kentucky Approved Number.

Frank L. Michaels, of Burlington, R. 1 was a business caller in Burlington Tuesday, and while in town called at The Recorder office having his farm posted and renewing his subscription for another year.

NOTICE TO WALTON-VERONA SUBSCRIBERS

We have had numerous complaints from all our subscribers on Walton and Verona routes that they are not receiving their papers until Friday and Saturday of each week.

We have checked with the Walton postmaster and find that the papers are arriving there late also. The Recorder is printed and mailed from Burlington at 2:30 p. m. every Wednesday with-out fail, and should be in Walton post office not later than Thursday morning.

We have further checked with the Superintendent of Mails at Covington and he informs us that due to the coal strike several key trains had to be removed from their regular runs and thus delayed the mail delivery to many points served by trains. He now states that all trains have been restored to duty and that mail service will be back to normal this week.

If you fail to receive your paper on regular time hereafter, please let us know at once as we have been promised some action on the matter should it happen under normal conditions.

Airport Highway Meeting Set For Thursday Noon

Plans of New Express Highway Will Be Aired At Meeting.

Business and professional men of Erlanger, Elsmere, and Florence will meet today (Thursday) at Doe's Place, Erlanger, to discuss plans for a new express highway to relieve congestion on U. S. 25-U. S. 42 out of Covington, and at the same time prepare plans to encourage more tourist trade over U. S. 25 and 42.

A new proposed route to the Greater Cincinnati Airport would follow a path swinging close to Ludlow and in general to the tracks of the Southern Railroad, leading toward Crescent Springs.

The first proposed highway would run parallel to the Dixie Highway through the Fort Mitchell residential area, according to reports. This route met much opposition by property owners in the area.

The alternate route, according to reports would pass through open country and would encourage the development of the district between Crescent Springs and the Ohio River.

The group meeting today has circulated petitions as an expression of interest in an early decision on the road work. R. C. McNay, Erlanger lumber dealer, said the petitions do not ask that one route or another be chosen, but that action be taken promptly.

State Highway Department officials stated that as soon as rights of way for the new road could be cleared moves could be made in Frankfort toward actual construction. No route has been selected by the Highway Department, it was announced.

Lulie Logan Will Attend Advisory Council Meeting

Miss Lulie Logan, assistant state leader of home demonstration agents, will be in Boone County March 30th for the Homemakers' Advisory Council meeting. All the present homemakers club presidents and county officers are asked to attend this meeting March 30th at 1:00 p. m. in the Town Hall, Florence.

North Bend Training Union Planned March 20

The North Bend Association Training Union will meet in a combined officers' and leaders' conference and mass meeting at the Burlington Baptist Church, Monday, March 20th, 7:00 p. m.

Every church is urged to be represented in these meetings. All the officers and leaders are urged to be present at 7:00 p. m. for a conference to help improve the work in training unions.

At 7:45 the mass meeting will be held, which is to be a singsgiving in which all churches are urged to take part with one or two special musical numbers, such as solos, duets, choir numbers, or musical numbers or trios. The mass meeting is for everyone and the goal has been set at 150.

Cups will be awarded to the largest percent of Juniors and Intermediates in attendance compared to enrollment.

A short business session will be held at the beginning of the mass meeting, according to the association director, Rev. James W. McGregor.

Ladies' Auxiliary Plan Monthly Pillow Slip Bingo At Florence

Mrs. George Morith, heading a committee composed of Alysie S. Blackburn, and Mrs. Robert A. Scott, are in charge of the monthly Ladies' Auxiliary Pillow Slip Bingo Social to be held at the Fire Hall and Community Center on Thursday evening, March 16, 1950 at 8:00 p. m.

Mrs. Lewis Houston, president of the Auxiliary of the Florence Volunteer Firemen has announced that there will be 30 games with hand embroidered pillow cases as prizes. During the course of the evening there will be two special cover-all games featuring special prizes. There will be a free game at 8:00 p. m.

Members of the Volunteer Fire Department will be on hand to serve refreshments. A very special invitation is extended to the people of Boone County to attend. The social is being given for the benefit of the building fund.

John B. Walton Pledged By Alpha Gamma Rho

John B. Walton, son of J. B. Walton, Burlington Route 2, and a student at the University of Kentucky is being pledged by the University's Omicron chapter of Alpha Gamma Rho social fraternity.

A graduate of Burlington High School, Walton is now a sophomore in the U. K. College of Agriculture. The U. K. chapter of Alpha Gamma Rho, only college fraternity composed solely of members interested in some phase of agricultural work, was installed on the University campus in 1920. It is one of 33 national chapters of the fraternity which has a total membership of over 10,000.

District Superintendent To Speak At Big Bone Methodist Church Sunday

Rev. R. R. Patton, District Superintendent of the Methodist Church, Covington District, will be the guest speaker at the Big Bone Methodist Church, Sunday, March 19, 7:30 p. m. Rev. Patton is an outstanding speaker and church leader, and will have a message that all can enjoy and profit by.

Urges Support Of Red Cross Drive

Only Four Precincts In County Give Report of Amount Raised.

Roy A. Johnson, chairman of the Boone County Red Cross campaign urges every worker in the county to double their efforts in the fund raising campaign that the county goal may be reached at an early date.

In the first report made by chairmen throughout the county, it is noted that only four precincts have reported. Although committees were late in starting, their chairman urges every worker to cover their territory as rapidly as possible.

The four precincts reporting are as follows: Bullittsville, collected \$60.00; goal \$100.00. Burlington, \$97.00; goal \$400.00. Florence, \$106.00; goal \$650.00. Petersburg, \$18.00; goal \$75.00. Goals for the other precincts are as follows:

| | |
|-----------|---------------|
| Beaver |\$ 50.00 |
| Bellevue |\$100.00 |
| Constance |125.00 |
| Hamilton |50.00 |
| Hebron |250.00 |
| Richwood |100.00 |
| Union |250.00 |
| Verona |200.00 |
| Walton |500.00 |

The chairman stated that he wishes to thank everyone participating in the drive in anyway, and if at any time he can be of assistance to the workers please call Burlington 281.

He stated that his desire is to see every precinct in the county reach its goal as soon as possible.

Sarah Pearl Becker

Miss Sarah Pearl Becker, 70, operator of a race horse breeding farm in Boone County, died Thursday at her home near Florence. Miss Becker operated the Hopeful Stock Farm near Florence for many years and many of the animals she bred raced on Kentucky tracks. Prior to the death of her brother Doc Becker, she was co-owner with him of a small racing string.

She also operated the Becker Chemical Co., Cincinnati.

Miss Becker was a member of Madison Avenue Baptist Church, Covington.

She is survived by a sister, Miss Floy Becker, and three nieces. Funeral services were held at 2:30 p. m. Sunday at the Sixth funeral home, Florence.

New Haven Juniors Will Present Play

The production of "He Couldn't Marry Five" given by the Junior class of the New Haven School will be presented at the school auditorium on March 31st at 8:00 p. m.

The cast includes Sayre Judge, Joan Anderson, Della Jones, Frances Conley, Sarah Cook, Norma Snow, Lizzie Rosenstiel, Babe Kenney, Scottie Friend and G. W. Baker. Mrs. Walton Smith will direct the production.

The local cast is working hard to make it as polished and finished as a professional stage performance.

Meeting Held To Consider Formation of Historical Society

Organization Meeting Scheduled Friday, March 17 At Florence

On February 17 more than thirty residents of Boone County met at the Florence Town Hall to consider the formation of a Boone County Historical Society. The interest displayed indicated the desire for an organization to preserve the history and folk-lore of the community.

Mrs. J. P. Brothers, of Limburg, was awarded a copy of the Life of Daniel Boone for telling the most interesting story of early life in the county.

It was agreed to meet again on March 17, at the Florence Town Hall, at 8:00 p. m. for organization. A committee composed of Mrs. E. G. Nestor, Mrs. J. P. Brothers, Mr. John Gault, Mrs. Ann Connor, was appointed to nominate candidates for the offices of the society. The committee will report at the meeting on March 17, at which time officers will be elected.

Lucian Bradford presided at the meeting and William Fitzgerald was secretary.

BULLITTVILLE HOMEMAKERS

"Diet and Health" was the theme of the March meeting of the Bullittville Homemakers at the home of Mrs. Burnam Roberts.

Mrs. Robert E. Grant, president at the business session which included committee reports and a motion to donate \$3 to the National Red Cross.

Mrs. Charles Patrick and Mrs. Ray Hill very ably led the discussion on nutrition after cooking and serving a delicious meal.

Mrs. Ray Hill led the group in several interesting stunts and Mrs. Wm. Hill was door prize winner. Sixteen members, two guests, the Home Agent and four children were present. Those attending were Mesdames L. E. Marshall, Earl Souther, A. B. Ligon, Albert Willis,

Charles Ray Willis, A. L. Pfaltzgraf, Chester Grant, Chester Grant, Jr., R. E. Grant, R. Aylor, C. Patrick, R. Hill, Wm. Hill, T. McCrann, Nick Mikkelsen, and two guests, Mrs. H. Slekmann and Mrs. R. W. Grant, who were welcomed as new members.

Mrs. N. Mikkelsen gave a most interesting talk on Denmark, where she recently spent eight months visiting her mother and other relatives and friends.

SKATING VANITIES OF 1950
TO BE FEATURE AT GARDENS

Skating Vanities of 1950 will appear at the Cincinnati Garden in Cincinnati, on March 21 through March 26.

As this will be Skating Vanities

second annual appearance in the Queen City, the management of the Garden is convinced they will have little trouble in packing the arena to capacity of each evening performance and the matinees on Saturday and Sunday. Skating Vanities made an enviable record on previous appearances here and from all indications the 1950 version will offer even a newer and more interesting type of diversion.

While every effort has been made by Harold Steinman, owner and producer, and Miss Gae Foster, director, to make Skating Vanities as entirely new as possible, the same format that has made the show such a success in the past has not been entirely discarded. Miss Foster has taken previous ideas and embellished them with her own so that this year Skating Vanities will offer an entertainment with appeal to young and old, and especially for those who pine for the "good old days of vaudeville."

Skating Vanities travels on a trail of three baggage cars and five

pullmans, this being necessary for the company of 140 people, the vast array of properties, scenery, costumes and lighting effects, and the personal baggage of the performers.

IN LOVING MEMORY

Of Clinton Moore who passed away March 11, 1949.

We never heard your lips complain Though your eyes were oftentimes sad, And yet we knew of all the trials And the troubles you had.

You never showed your silent tears, Or told us of your pain, And you reflected sunshine When our world was wet with rain.

You bore the cross of every care Without wince or sigh And when you knew we were to blame, You never asked us why.

We loved you for your sweetness And our happiness with you, But God had to take you from our midst

To make us know these things were true. —Sadly missed by his aunt, Mrs. Belle Jones. 1t*

Look what **COFFEE** would cost you today

...if it had come down from its 1939 price like the unit cost of **ELECTRICITY**

Anyone will agree that coffee at 16¢ a pound would be a bargain today. But that's what it would sell for if it had come down from its 1939 price* like the unit cost of electricity.

Your electricity is one of few things you buy that hasn't gone up during the last 10 years. In fact, due to increased use on the lower steps of your sliding-scale rate, the average price per kilowatt-hour has come down 30% since 1939.

True, your electric bill may be higher because if yours is the average household you're using 68% more electricity than in 1939. But the price you pay per kilowatt-hour was never lower than it is today.

HOMEMAKERS CREED

From a statewide contest with all homemakers participating, the following creed was selected. This creed was adopted by the state organization and will be used in each club in the state.

I believe in the home as an in-

spiring and happy center of family life, comfortable and attractive, a place for relaxation and work where pleasure and responsibilities are shared.

I believe in the homemakers, alert, diligent and in search of better ways of doing ordinary things for the welfare and happiness of

her family.

I believe in the homemaker as a leader in her community in her responsibility for passing on to others her mastered skill and knowledge. I believe in the home, its contribution to community life which reflects the development of the homemaker and her family.

I believe in the fellowship that comes through the homemakers' organization, the exchange of ideas, the joy of knowledge shared with others thus broadening our lives and lifting household tasks above the commonplace.

For these opportunities I am grateful. I am thankful for the courage of yesterday, the hope for tomorrow and a growing consciousness of God's love always.

BURLINGTON HOMEMAKERS

The Burlington Homemakers met for the regular meeting on March 2nd at the home of Mrs. A. E. Stephens. It was an all-day session with 14 members answering the roll with a quotation from a book read during the year.

The president, Mrs. Carroll Cropper called for reports from the chairman. In the absence of Mrs. Pope, Miss McClaskey gave an interesting detailed account of Farm and Home Week.

The business was then dispensed with, the most important of which was a donation to the Red Cross fund.

The ladies then adjourned for lunch presided over by the gracious hostess. During this noon hour, television played an important role. "Meal Planning Patterns" was interestingly given in the afternoon by Mrs. Kirtley Cropper. After the lesson the group was kept alert by the playing of games arranged by

the recreation chairman, Mrs. A. E. Stephens.

Those enjoying the day were: Mesdames Kirtley Cropper, Carroll Cropper, Wendell Easton, R. C. Garison, Thos. Hensley, Grover Jarrell, Jim Kelly, Lella Kite, Lee Roy McNeely, Jr., Carroll Rice, F. O. Smith, Mrs. Hubert White and Mrs. Vernis Williams and the hostess Mrs. A. E. Stephens.

The meeting then adjourned to meet on the first Thursday in April. —Publicity Chairman.

MT. ZION HOMEMAKERS

The Mt. Zion Homemakers held their regular monthly meeting March 1 at the home of Mrs. Frank Bresser.

The meeting was called to order by the president Mrs. Frank Domaschko.

The homemakers were glad to have with them at this meeting Miss Nancy McClaskey our new Home Demonstration Agent for Boone County. The Club was pleas-

ed to welcome Mrs. Eugene Parson as a new member.

After a delicious lunch the ladies again convened for the lesson "Planning Everyday Meals" given by Mrs. Roger McGuire and Mrs. William Miller.

Those attending were Mesdames Romer Burns, Orville Noel, Frank Domaschko, A. J. Albers, Frank Bresser, Robert Woods, Roger McGuire, William Miller and David Volz.

The Living Faith

Lesson for March 19, 1950

MANY a funeral sermon has been preached over the Christian church, but somehow the corpse never stays put. What keeps it going? All sorts of explanations have been given by unsympathetic outsiders. The church (we are told) is an upper-class lobby, or a lower-class opiate; it is a social club, it is a burial society; it panders to pride, or it is a perverse form of self-torture; it is kept alive by a well-run organization. Such explanations do not explain. The truth is at heart quite simple: The Church is kept alive by faith. What is Christian faith, the faith of the church? A study of the Scripture for this week, or a broader search through the New Testament from end to end, will convince any impartial reader of the falsehood of some of the notions about what Christian faith is.

Some have claimed that it is nothing but faith in the Fatherhood of God and the brotherhood of man. Let the reader try to find this in the New Testament if he can. If you had said this to an early Christian, he would have replied along this line: That is just the problem—how can we become sons of God? How can men achieve brotherhood? Others tell us that faith is belief in a series of doctrines.

Let the reader search the New Testament and see if he can find there anything about faith in a creed. Sometimes this notion takes another form—that faith originally was a belief that Jesus' beliefs were true; in other words, that faith is accepting the "religion of Jesus."

Now the church from the beginning believed that Jesus' thoughts were true thoughts; but faith was never a simple second-hand acceptance of any one's creed, not even that of Jesus. The faith we find in the New Testament is none of these things. Still less is it faith in the saints, in Mary, or in an "infalible" church.

Faith: Not About, But In... THE FAITH that broke out in glorious light in those early days of the church, and has continued shining down through the centuries, was not belief about anything or anybody, it was belief IN Some One; and that Some One was Jesus Christ.

There is a simply astonishing variety of ways in which he is spoken of in the New Testament. He is Son of Man, he is teacher and healer, he is the first-born of many brothers; he is Priest and Sacrifice, he is the Propitiation, the Reconciler of men to God; he is Master and Lord, he is the Word—that is, what God has to say to us; he is the Son of God, he sits on the throne of the universe, he will judge every man; he is the pattern for every man's character.

To put it quite bluntly, the church believed (and still believes) in a supernatural Christ and not only in a human Jesus. They believed in him as a teacher, as the Teacher indeed; but not merely as one whose teachings had been interrupted by an untimely death. They did not "play down" his death, on the contrary they played it up.

Christ crucified for us is always strongly in their minds. But they were far from leaving him as it were on a crucifix. Any form of Christianity that thinks of Jesus chiefly as a Christ-mas baby; or a star-eyed idealist; or as a pathetic figure hanging on a crucifix is a perversion of New Testament ways of thought.

Everywhere in the center is the Christ who "was dead and is alive forevermore."

There is No Other A YOUNG MOSLEM who became a Christian and is very happy about it, was asked what it was that changed him, for Moslems are hard to change. It was not an argument, he said, it was the lives of some missionaries in Iran whom he knew.

He wanted what they had—it was as simple as that. He went on to say this: "Christianity doesn't have much in theology that Mohammedanism doesn't have. There is just one thing Christianity has that we don't have, nor anything like it; Jesus Christ."

That is what—that is who wins men today, and that was the secret of the early church, and that is the secret today of the living church everywhere. Christ alive by faith in the lives of those who love him.

On Sunday Mr. and Mrs. Jaycox accompanied her home. They attended the Bullittsville Christian Church and spent the rest of the day with their parents, Mr. and Mrs. A. B. Nichols.

BIG BONE W. M. U. MEETING HELD THURSDAY, MARCH 8

The Womens' Missionary Society met on Thursday March 8 for an all-day "season of prayer program." Our program chairman, Mrs. Sue Ryle led us in this wonderful program: "Am I My Brother's Keeper?"

We searched the scriptures to learn that we as Christian women are our brother's keeper. We also learned that Christ expects us to witness for him. By our daily witnessing we as missionary women can help advance God's kingdom.

We studied the great need of our Southern Baptist Home Mission field and found the field ripe unto the harvest, but the laborers are few. Many thousands of dollars are needed to supply this great field. Women of the Southern Baptist Convention must rally to our responsibility. Some can go, most can send their money, but all can pray for this vital work.

During our business meeting we voted to help sponsor the "Baptist Hour" on WZIP each Sunday afternoon at 2:00 p. m.

There were 11 members and 2 visitors present. We enjoyed a bountiful covered dish luncheon. We wish to report that absent members missed a good and inspiring program.

BURLINGTON W. M. S.
The Burlington Baptist W. M. S. met Wednesday, March 1 for an all-day session. The president, Miss Estelle Huey led the devotion in the morning with 14 present.

Mrs. Walter Brown was in charge of the program, presenting it in a very interesting manner. After the business session lunch was served.

The afternoon was spent in the study of Home Missions under the capable direction of Mrs. Virgil Vice. The theme for discussion was "On Our Door Step" Interesting facts about Home Mission accomplishments and tragic needs of almost every state of the Southern Baptist Convention as well as those of Cuba, Panama, District of Columbia and Alaska were given by Mesdames Virgil Vice, Walter Brown, Thomas Hensley, Jesse Edkins and Elmer Horton.

Welcome visitors were Mesdames Roy Vice, Vernon Pope and Frank Rouse.

Many are planning to attend the state meeting in Latonia April 4, 5 and 6th.

More Beautiful to live with... after Duracleaning

For economy and convenience... have your upholstery and floor coverings Duracleaned by experts, right in your home. Watch the unusual care with which these craftsmen beautify your furnishings.

Duraclean means your fabric lasts longer because this modern, safe cleaning process avoids strong soaps and chemicals which so often harm the dyes or fabric. Longer life too, because there is no wear, no breaking of fibers caused by machine scrubbing.

This patent protected service is recommended by America's leading furniture and department stores.

What Makes Duraclean "Different"

It cleans by absorption!

Embedded dirt and grime are first removed by "deep suction." Many cleaning methods leave enough dirt-laden soap in your rugs and upholstery to cause "matted" or "rapid resoling." Duraclean avoids this.

The mild sanded Duraclean foam loosens and absorbs sticky soil and stains, holding this grime in suspension above the surface until removed.

No inconvenient Duracleaned fabrics are dry in just a few hours. Special ingredients re-nature wool fibers. Rug pile remains soft and pliable. Colors revive. Your fabrics are left clean, fresh, revived... your home is more beautiful to live with.

Duraclean—If you wish, you may at the same time have your floor coverings, upholstery, clothing or fur Duracleaned. You have 4 years protection against damage from moths and carpet beetles. Also protects against mildew. The answer cost is lower than applying less effective moth repellent yourself. Have your fabrics Duracleaned today—before damage develops.

POEM WRITTEN BY W. W. GAINES APPEARS IN CHRISTIAN INDEX

The following poem appeared in the Christian Index, written by W. W. Gaines, a former resident of the Bullittsville neighborhood, Boone County:

When He Plants A Tree
What does he plant, who plants a tree?
He plants a house for you and me.
A house, with children, dear, and gay.
The Nation's pride, the Nation's stay.

What does he plant who plants a tree?
He plants a ship which sails the sea.
A ship with sturdy timbers tough,
That rides the rolling billows rough.

What does he plant who plants a tree?
He plants a church for the years to be.
A church with slender steeple high,
That points the pilgrim to the sky.

What does he plant who plants a tree?
He plants curatives for men, in fee.
Tonic, and balm, in bark and leaf;
Nature's kind thought for human relief.

He plants rich kindness, favor, health,
And benefaction, hope and wealth.
His debtors, men, forever shall be,
He plants all this who plants a tree.

—W. W. Gaines, Atlanta.

CONSTANCE HOMEMAKERS

BULLITTSBURG W. M. S.

The Bullittsburg W. M. S. met at the home of Miss Mattie Kreylich March 1st for an all-day meeting in observance of the Week of Prayer, for Home Missions commemorating the Annie Armstrong week of prayer.

Our missionary chairman, Mrs. Alberta Stevens gave an interesting message. A donation of \$15.00 was given.

After a covered dish luncheon was served, the meeting was called to order and devotionals given by the president. The roll call was answered by giving a verse of scripture. After the business session the Royal Service program was given.

The 1950 W. M. S. officers are: President, Mattie Kreylich; vice president, Mrs. Lucille Grant; treasurer, Mrs. Grace Pfalzgraf; secretary, Mrs. Nell D. Grant; program, Mrs. Bernice Snyder; study chairman, Mrs. Alberta Stevens; community service, Mrs. Mildred Sullivan; stewardship, Mrs. Mary Jo

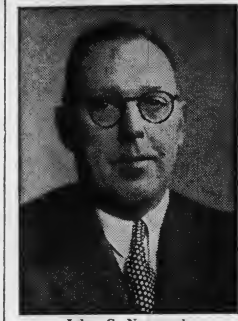

Grant; training school, Mrs. Viola Elliott; publicity, Mrs. L. Kreylich; young peoples leader, Mrs. Wm. Hill; Y. W. A. counselor, Mrs. Helen Stamper; Royal Ambassador, Chester Grant, Jr., and wife. —Publicity Chairman.

The many friends and neighbors of Mr. and Mrs. Edwin W. Evans will be pleased to hear that their mother is back home after six weeks at St. Elizabeth Hospital recuperating from a very serious operation.

APPOINTED MANAGER

John C. Newcomb, Bardstown, Kentucky, has been appointed manager of the 1950 Horse Show at the Kentucky State Fair by the Fair Board. His recommendation for manager was made by the State Fair Horse Show Advisory Committee.

Newcomb served on the State Fair Board from 1935 to 1941. For four years he served in the dual capacity of Fair Board member and manager of the Horse Show. Previous to his management of the show, he was board member in charge of the show.

Residing on a farm near Bardstown, Newcomb practices general farming and raises purebred Angus cattle. He has been a distributor for the Gulf Refining Company in Bardstown for 25 years. He is a native Kentuckian, born in Marion County, and moved to his present farm near Bardstown when nine years of age.

In an interview, when asked what plans he had in mind for the 1950 Horse Show, he was conservative but was of firm conviction that the show would be continued on the same high level of previous years. He hinted at some plans to improve the facilities for the convenience of the exhibitors, but said that he would elaborate on those plans after further consideration and discussion with Fair Board members and fair manager, George E. Lambert.

BULLITTSVILLE HOMEMAERS

The February meeting of Bullittsville Homemakers was held in the home of Mrs. Chester Grant, Sr. Fourteen members and four guests and our new agent, Miss Nancy McClaskey, answered roll call.

Four new members, namely, Mrs. Charles Patrick, Mrs. Ruth Huesey, Mrs. C. R. Willis and Mrs. Amos Perry, were gladly received into membership.

The second and last lesson on "Hat Making" was given by Mrs. Lee Marshall.

Miss Nancy McClaskey gave a most interesting report on "Farm and Home Week."

Mrs. Nick Mikkelsen, recently returned from a visit to Denmark, was welcomed back to the club. She was accompanied by her daughter, Mrs. Jerry Brown and small son.

Mrs. Ray Hill, program chairman, conducted the club in several infusing games and several ladies received prizes for their efforts.

A lovely covered dish dinner and television program was enjoyed at the noon hour. Our March meeting will be held in the home of Mrs. Burnam Roberts. Members are urged to come and guests are welcome.

—Publicity Chairman.

Third Attempt To Pass Airport Bar Bill Defeated

Fails To Muster Strength To Emerge From Senate Rules Committee.

Prompt action and alternance on the part of Boone County officials working in close harmony with the very capable Senator Alvin Kidwell was sufficient last week to cause the sudden death of the Greater Cincinnati Airport Liquor Bill which was never able to emerge from the Senate Rules Committee.

This was the third attempt on the part of Kenton County to get through legislation that would permit the sale of liquor by drink at the bar of the Boone County Airport. Since Kentucky law does not permit the sale of liquor by the drink in counties that do not have cities of the third class, this has meant that since the airport was located in Boone County and owned by Kenton County interests, they have never been permitted to sell liquor by the drink at the bar, even though they have already erected and installed a very expensive bar with the expectation of serving liquor by the drink.

Before anyone here could be informed, the present bill had already been introduced and had passed the House.

Judge C. L. Cropper, County Attorney Wm. P. McEvoy, Sheriff W. H. Easton assisted by Senator Alvin Kidwell were able to obtain a hearing on the bill before the Senate Rules Committee and after a very thorough explanation of Boone County's position on the measure, it failed to gain sufficient strength to emerge from the Senate Rules Committee.

Judge Cropper told the Rules Committee that "Boone County was wet and that beer was sold in the rural sections and sections in liquor in the cities. Our midnight closing law and Sunday sales of beer are strictly enforced and we have no gambling or slot machines here now. Our county is clean and the people want to keep it just that way."

The time is coming when everyone is going to have to take a stand and contend for what they believe to be right if Boone County is to maintain her high moral standard as she has in the past. Much praise is due these county officials who went to Frankfort and made this good fight. We extend our hearty congratulations—keep up the good work.

To our very capable Senator Alvin Kidwell who represents Boone County at Frankfort, we also want to extend our appreciation for his very fine work in the interest of our County. We know now what Frankfort means when they rated Senator Kidwell at the top of the list of Senators who are most alert and outstanding in the protection of the interests of the counties they represent.

With good honest county officials and a people who are determined to uphold their actions at all times, Boone County can and will continue to maintain her high standards of government, even though we are living in a day of evil and corruption on all sides.

Scholarships Available To High School Seniors

Twenty-Three In Agriculture, Ten In Home Economics.

Thirty-three scholarships in the College of Agriculture and Home Economics, University of Kentucky are available to high school seniors, according to Bill Davis, County Agent.

Twenty-three of the scholarships are in Agriculture and ten in home economics. They range from \$150 to \$500. Donors are the Houston Endowment, Kroger Company and the Sears, Roebuck Foundation.

Seniors who are interested in applying for the scholarships in the college of agriculture and home economics should write Professor L. J. Horlacher, Assistant Dean of the College or contact Bill Davis, County Agent.

Burlington Juniors Will Present Western Play Friday, March 31

The shy Burlington Juniors are rapidly becoming bold western stars! Yep, and it has all started because they have chosen a three-act western comedy, "The Angel of Red Canyon" to be presented March 31st at 8:00 p. m. Each junior answers to an amusing name—everything from "Seattle Sal" to "Klondike Charlie."

Leota Rhyll plays the leading role of Mrs. Virginia Marshall, a widow from the East, who causes quite a hullabaloo in the "Roarin' Dog Hotel" with her managing tactics and bartering. Sharing the lead with Miss Rhyll is Albert "Mouse" Rouse as Jim Andrews, a one-time flame of Virginia, who again realizes the spark. Assisting these characters are a dozen more hilarious westerners who try to complicate matters very much.

No siree! You just can't miss this class in western talk and fashion. Come early and get your seat.

Utopia Meeting Set Friday, March 24th

The Boone County Utopia Club will meet at the home of Charlotte Marshall, Florence, at 8:00 p. m. Friday, March 24. An interesting program has been planned with reports from the District Utopia meeting. Everyone is urged to attend.

Boone County Group Attend Bureau Meeting

Held In Louisville March 14 and 15; Opposition Voiced To Brannon Plan.

The Kentucky Farm Bureau president's conference at Louisville on March 14 and 15 was attended by a group from the Boone County Farm Bureau. Those attending were J. Lashig Huey, president; John E. Crigler, secretary-treasurer and insurance agent; Wm. E. Davis, County Agent, and Mrs. John E. Crigler, secretary-treasurer of the Associated Women.

Much opposition was voiced at the conference by Farm Bureau leaders and others against the Brannon Plan. They do not believe it to be workable and beneficial to the average American farmer over a long period. Farm Bureau is leading the fight against this plan, which is set up on a subsidy basis and will be too expensive and impractical to operate.

A report was made by the auto and truck insurance program, which has grown to have the largest number of policies of any company in the state. It now has over 45,000 policies in effect and has the largest surplus credited to policy holders since it has started operation. It seems reasonably sure that it will not be but a few months more until some dividends can be declared to policy holders.

Fire and wind insurance is now being written on farm buildings and personal property. It can be written in cooperation with local fire assessment companies. The other two insurance services offered by the Farm Bureau to farm people are life insurance and Blue Cross Hospitalization.

Boone County has forged ahead, especially in the last few months in both membership and insurance written, now having the largest number of Farm Bureau members since its organization in 1942, with a membership of 544, and from January 1, 1950 to February 20, 1950, Boone County ranked fourth in the state in insurance written. This qualified John E. Crigler, local insurance agent to a free trip to Memphis, Tenn., to the Southern District Agent's conference several weeks ago.

The group attending the president's conference also went to Frankfort along with a large number of other Farm Bureau leaders, where the House of Representatives and Senators were in session to oppose legislation fixing wholesale and retail profits on cigarettes as it would increase the price of cigarettes and in turn if extended to other farm products it would reduce the price paid to farmers for the things sold or increase the price paid by farmers for the things bought.

Rural people represent only 18% of the total population and it becomes increasingly important to organize for self preservation and for their share of the national income. Farm Bureau is the largest and most powerful organization of its kind and working for better agriculture, therefore all rural people are urged to join.

Census Report To Get Underway Saturday, April 1

Ernest C. Ruppert Named Crew Leader of Boone County Area.

Housewives of Boone County will be called to their front doors during the first two weeks of April by the knock of the Census takers from the United States Bureau of the Census, according to reports.

Twelve enumerators, under the direction of Ernest C. Ruppert, crew leader will cover the Boone County area, according to reports. The Census taker will present his credentials, in the form of an identification card introducing him as an enumerator for the 17th Decennial Census. He will carry an official Census of Population form on which he will write down names and note information about each individual in the household. He will have nothing to sell and he will ask only the questions which appear on the Census form.

If the visitor claims to be a Census taker but cannot produce his credentials he is an impostor and will be subject to penal action for impersonating a Federal officer. If he undertakes to conduct any business other than the collection of official Census information, he betrays himself because official Census takers are subject to loss of their jobs if they combine their Census work with soliciting money, selling house-to-house, distributing advertising material, or other similar activities which bring canvassers, peddlers and the like from door-to-door.

Housewives who have reason to believe that they are being imposed upon by a faker are urged by Mr. William H. Bornhorst, local Census District Supervisor, to notify the police and give the authorities a description of the individual. Police authorities here have been shown the type of credentials required of Census takers and have assured the Census Bureau of assistance in apprehending impostors.

A complete list of enumerators for Boone County will be carried in the next issue of The Recorder.

Florence Man To Head Easter Seal Sale in County

Campaign Opens March 25th and Continues Thru April 9th.

The appointment of Clarence West of Florence, as the Boone County Easter Seal chairman was announced today by Sidney Rosenblum, of Louisville state head of the campaign for the Kentucky Society for Crippled Children. The drive in Kentucky starts March 25 and continues through Easter, April 9th.

West has revealed that nearly one thousand letters are being placed in the mail with each letter containing a sheet of 100 Easter seals. It is pointed out that the use of seals on letters and cards helps promote the work of crippled children.

It will be necessary, according to the Boone County Chairman, to raise the assigned quota in Kentucky of \$175,000 to carry on the activities of the society in crippled children work.

Miss Myrtle Weldon, of the University of Kentucky will also be present.

All members are urged to attend the April meeting and make reservations for this day.

Red Cross Chairman Makes Second Report In Local Fund Drive

Progress Made During Past Week, According To County Chairman.

Progress has been made during the past week in the local Red Cross fund raising campaign, according to Rev. R. A. Johnson, local chairman.

With progress continuing during the remainder of the month equalling that of the past week, it is hoped that the quota will be reached.

The following is a report from the various precincts in the county as handed us by the chairman:

| | Quota | Amt. |
|---------------|----------|----------|
| Bellevue | \$100.00 | \$000.00 |
| Beaver | \$50.00 | \$97.85 |
| Bullittsville | \$100.00 | \$81.00 |
| Burlington | \$400.00 | \$381.00 |
| Constance | \$125.00 | \$000.00 |
| Florence | \$650.00 | \$280.00 |
| Hamilton | \$50.00 | \$13.35 |
| Hebron | \$250.00 | \$25.00 |
| Petersburg | \$75.00 | \$25.00 |
| Richwood | \$100.00 | \$000.00 |
| Union | \$250.00 | \$154.00 |
| Verona | \$200.00 | \$000.00 |
| Walton | \$500.00 | \$83.00 |

Rev. Johnson urges every one on the committee to do their best to reach the goal by next Friday. He requests chairmen to call Mrs. Nestor, Florence 84 if they have not reported to him.

School Board Conducts Open Meeting Tuesday

At Burlington School Building; Approximately 200 Present.

The Boone County Board of Education conducted an open meeting in the school cafeteria of the Burlington School on Tuesday night for the purpose of discussing plans for the elimination of the crowded condition now existing in our present school system.

Approximately 200 persons from all parts of the county were present, with all school board members in attendance. The meeting was presided over by C. G. Kelly, chairman, who introduced Supt. Ockerman to lead the discussion. Mr. Ockerman outlined the present school conditions and concluded by saying that upon the recommendation of the State Board of Education the Board had decided against building additional rooms to our present schools and had advised that a new building be erected. Upon this recommendation, the Board had purchased and paid for a lot located on Price Pike, consisting of 20 acres for the sum of \$20,000.00.

Four different proposals have been considered for the building and were outlined as follows: (1) to erect a six-room building with temporary partitions; (2) to erect a six-room building with permanent partitions; (3) to erect a high school building for Florence and all others who want to attend; (4) to erect a Comprehensive High School for the entire county. It was not stated which of these proposals was being considered. However, it was said that the State Board had approved Boone County spending 5% of the county's total assessed valuation on the project or approximately \$700,000.00.

A lengthy discussion followed on the conditions now existing in our schools throughout the county and the methods now being employed in their maintenance and care.

Quite a few people have the mistaken idea that this newspaper has taken a stand against school improvement. We feel that in this position on this subject is simply this: If the present school buildings can be brought up to standard and maintained as such, and a comprehensive high school building can be built for the entire county, regardless of its location, if all this can be done and placed on a sound financial basis that would not place a severe tax burden on the taxpayers of the County in the future, then we are for the program in its entirety and will support it in every possible way.

However, if the building of a large high school for the entire county would place the county system under such a financial strain that our smaller graded schools would be even more neglected than at present, and there is a possibility that a severe tax burden would have to be levied to pay the bill, then we feel that an injustice would be done and that our progress would be hindered.

As to the location of the proposed building, we feel that in this modern day that a few miles one way or another means very little and location should not even become an issue in this matter. The school board members have a tough job and naturally receive much criticism and little praise. We know every member of this board personally and feel sure that their judgment in selecting a site will be sufficient.

Let us all weigh well the things we are about to undertake and if there is any doubt in our minds, let us consider them now, rather than be sorry in the future.

Everyone come out and see your championship teams a few years hence. Give them a chance and a big hand—the small fry like it too!

Christian Church Sells 50-Acre Farm At Petersburg

The Petersburg Christian Church completed negotiations for the sale of a 50-acre tract of land near Petersburg, Thursday, March 16th, it was announced this week. The property was purchased by Kenneth Stephens.

The farm was willed to the church by Mrs. Martha Collins, deceased.

Aged Man Faces Breaking And Entering Charge

Arrested By Officials In Abandoned House Near Big Bone Springs.

James Thomas, alias George Shaffer, 65, who was captured while sleeping in an abandoned house near Big Bone Wednesday night, is charged with breaking and entering.

The suspect was captured after a four-hour hunt by Sheriff Wendell H. Easton, Deputy Sheriff Byron Kinman, State Troopers Miller, Lucas and Gordon.

The search was made after Walter Ryle, Rabbit Hash farmer, named Thomas as a suspect in the theft of a .38 caliber automatic pistol, ammunition, two watches and a wedding ring from his home.

Thomas had been employed at the Ryle home recently and had a passkey.

Following directions of persons who said they had seen Thomas, the officers found him asleep under a blanket in the abandoned house. The automatic pistol was near his right hand, but he was taken without a struggle.

Thomas has a prison record of several years, according to Sheriff Easton. He served a term of 1 to 3 years for carrying concealed weapons, 1 to 15 years for horse theft and 10 years for auto theft in Columbus, Ohio, penitentiary, and served a term of 1 to 3 years for carrying concealed weapons at Jeff City, Mo., penitentiary.

After being arraigned in Judge C. L. Cropper's court, he was held for action of the April session of Boone County grand jury.

Fireworks Bill Is Signed By Gov. Earle C. Clements

Measure Bans Sale of Fireworks Throughout Kentucky.

Governor Earle Clements signed into law late Friday a measure banning the sale of fireworks throughout Kentucky. It makes an exception, however, for supervised exhibitions—and for cap pistols.

The much discussed fireworks measure was one of 12 bills to which the Governor affixed his signature. He let three others become law by leaving them untouched for 10 days after final legislative enactment.

The fireworks problem has been discussed for the past two years, with many cities and several counties banning the sale of fireworks, while other permitted its sale. However, the fourth of July this year will be celebrated by cap pistols only—legally that is.

Passing of this measure has met with much favorable comment throughout the state, and no doubt will eliminate many serious accidents during the celebration of July 4th.

Walton Hotel Is Destroyed By Fire Early Friday Morning

Loss Is Estimated At \$25,000; Grant County Man Held.

Guests of the Phoenix Hotel, Walton were routed from their beds early Friday morning when fire swept through the large frame structure, gutting the entire structure.

The fire alarm was given shortly before 5 a. m. by Mrs. Virginia Schwab when she noticed the glare of the flames on the wall of her bedroom on the first floor of the hotel.

Miss Virginia Lou Schwab, 16 daughter of Mr. and Mrs. Schwab, owners of the hotel was carried from her room by Chesterfield Pulliam, 26, Frankfort, an employee of the State Highway Department. Several guests leaped from second story windows, while others had time to dress before leaving by a stairway.

Boone County officials are holding a 63-year-old Grant County farmer who was suspected of having dropped a lighted match into a large wastebasket in the hotel lobby. Sheriff W. H. Easton took the man, registered as Matthew Cleek into custody. After being questioned by officials, Cleek admitted having been in the hotel.

Sheriff Easton said Cleek had been drinking and that the farmer told them he had entered the lobby of the hotel after midnight and had "stirred up the fire in the stove and lit a match which he dropped in the stove. The hotel was heated by a furnace and there was no stove in the lobby. Louis Schwab, operator said that heat in the lobby had been cut off for the night.

Cleek also was reported as saying that it was "hot as h—l in there," when he came out.

Sheriff Easton said Cleek was arrested on a formal charge of being drunk in a public place.

The two-story building had 12 sleeping rooms and three baths on the second floor, and a restaurant, the lobby and an apartment on the first floor. Mr. Schwab said he had placed the hotel in the hands of a real estate man and was asking \$25,000 for it.

Asbestos shingles, which covered the original frame siding, kept the flames from spreading to adjoining property. Volunteer firemen of Walton, Florence and Independence fought the fire for more than four hours. Firemen saved part of the furniture.

Green Pastures Meeting Scheduled March 23rd

A meeting to discuss the Kentucky Green Pastures program as it applies to Boone County is scheduled for 1:30 p. m., Thursday, March 23 at the Town Hall in Florence, according to Bill Davis, County Agent. Mr. William Johnstone, field agent in agronomy, will discuss this program, of pasture development and show moving pictures on the subject.

All farmers, seed dealers, fertilizer dealers, bankers, veterans, teachers, and representatives of all agricultural agencies are invited to attend.

Tires and Wheels Stolen From Parked Car

Two tires and wheels were stolen from a car owned by Perry Renaker of Florence, Sunday March 12th, it was reported to Sheriff Wendell Easton. The car was parked in front of Renaker's house, on Garrard St., Florence.

Agricultural Meeting Planned at Florence Thursday, March 23

Several Items Of Importance Will Be Discussed

The agricultural program planning meeting in the Florence community will be held at 8:00 p. m. Thursday, March 23 at the Florence Town Hall. Several items of importance will be discussed. These will include the establishment of a soil testing laboratory, the Kentucky Green Pastures program, new tobacco varieties, new vegetable varieties and insecticides, according to Bill Davis, County Agent.

All farmers and their wives are invited to attend.

HOMEMAKERS LESSONS

TEACH DRESSMAKING

Although Mrs. J. E. Cravens of Webb Cross Roads in Russell county has to walk two miles to get a ride to the training school for homemakers, she has not missed a meeting since last fall, regardless of weather. Since starting the series of lessons from Miss Verna Latzke, clothing specialist from the College of Agriculture and Home Economics, University of Kentucky, she has made four dresses for her daughters, some of which were of corduroy which she had before hes-

itated to sew.

Learning how to establish necklines, make different types of collars, set in sleeves, make shoulder pads and apply bias binding and facing are some of the pointers she found helpful.

FLORENCE HOMEMAKERS

A lesson on "Nutrition and Meal Planning" will be held at the home of Mrs. Roy Nutes, Shelby Street, March 28th at 10:30 a. m.

During the years of drouth (1931-36) 300,000 persons left the Missouri Basin.

ENJOY GREATER POULTRY PROFITS

By raising your chicks on an improved feed. Unique 20% Starter Mash will grow your chickens faster, suffer fewer losses, bring you greater profits in a shorter feed period.

Mr. Wilbur Hudson feeding 2000 chicks says Unique Starter has something other feeds does not have.

Mrs. Finley Roark says she produced 3-pound chickens in 8 weeks on Unique Starter. Mrs. John Dolwick says that in 8 weeks she cleared a profit of 50c a head. So there must be a reason. You try some.

COLLEGE HAS MANY
TIMELY CIRCULARS

"Brooding Chicks" Circular 157, published by the College of Agriculture and Home Economics, University of Kentucky, deals with making brooders, including sun porches and colony houses, oil, electric and home-made stoves, and gives instructions on handling chicks, including heat and feeding.

Breeding, feeding, sanitation and good management develop pigs to market condition when six months old. Extra-heavy hogs are not wanted on most markets. "Pigs from Birth to Market in Six

Months" is the name of Circular 368, a guide to successful hog production.

"Your Vegetable Garden Month by Month" Circular 376, gives suggestions on growing a garden and directions on what to do month by month. Every detail of gardening is covered in a practical way.

Irish Cobbler and Bliss Triumph are early potatoes recommended in Circular 307, "Potato Growing." Certified seed treated for diseases is best. How to prepare seed, how to plant and cultivate, how to spray and dust and how to store potatoes are discussed.

There is a surprising lot of inter-

est in beekeeping in Kentucky, both from the standpoint of producing honey and from having bees to pollinate fruit and legume crops. Valuable information on beekeeping is given in Circular 288, "Beekeeping in Kentucky."

Copies of the above circulars may be had free of charge at offices of county agents and home demonstration agents or by writing to the college at Lexington.

HOMEMAKERS CLUBS
DO WELFARE WORK

That members of homemakers clubs in Kentucky have interests far beyond their own doorsteps is seen in the annual report of Mrs. Sherman Dean, Nicholasville, state citizenship chairman of the Kentucky Federation of Homemakers.

Donations from 763 clubs for welfare purposes totaled \$14,059 the past year. Twenty-nine civic and community projects were sponsored by 318 clubs. Included were the testing of water in schools and homes, testing of cows for disease, cleanup campaigns, church and school grounds landscaped, cemeteries improved, school and hospital rooms painted, mail boxes painted and stenciled with names, hospital rooms equipped and first-aid kits supplied for schools.

Four hundred and eight clubs made a study of health needs and 230 clubs of recreation needs. In Red Cross, 1,939 members assisted in the drive for funds, rolled bandages and provided blankets. Four-H clubs were sponsored by 465 homemakers clubs, while 1,019 homemakers served as 4-H club leaders, an increase of 148 over last year.

More than 2,000 packages of food and clothing were sent direct, or through CARE, to families in other countries. Three counties reported "adoption" of seven families in England, Holland and Czechoslovakia. Six hundred and twelve clubs have contact with women of other lands through pen friends.

Homemakers clubs in every county in the state cooperated through financial aid to send Miss Alice Word, Christian county 4-H club girl, as an International Farm Youth Exchange student to Denmark for four months last summer.

A study of UNESCO is included in the programs of 368 clubs.

GEESSE EAT CRABGRASS
IN STRAWBERRY PATCH

Now that it is again time for crabgrass to appear in strawberry beds, Farm Agent Woodrow Coats of Simpson county is reminded of what a flock of geese did for this pest on the farm of John McKay last year. The geese saved this farmer at least \$225 in controlling the weed, he reported.

Mr. McKay says that geese like crabgrass particularly well when it is just coming through the ground. Consequently, in early April, he turned 13 mature geese in his 3-acre field of strawberries. In June, after the berries were picked, 20 goslings were added. It took only cultivation and being on his part to control the wide-leaved weeds in order to have a weed-free strawberry field.

This field is one of the outstanding prospects in the county for a good crop, said the county agent. Mr. McKay used 1,300 pounds of superphosphate at setting time and top-dressed with 800 pounds of commercial fertilizer per acre in September. As a precautionary measure to control the crownborer he applied 30 pounds of toxaphene per acre.

EVEN FLOODS FAIL
TO CHECK FESCUE

Farmers in Breckinridge county are finding that fescue does well under flood conditions. D. C. Moorhead of Glen Dean has 30 acres of this grass, two and three years old, which were under water for most of January. He told County Agent Kenneth A. Brabant that he thought the grass grew while it was under water. "I pastured that grass all fall and winter until it was extremely short. It is now as green or greener than it was before being flooded," he said.

HOMEMAKERS FIND
LAP TABLE USEFUL

When Mrs. Otto Tracy of Franklin county heard at a homemakers training school of a portable lap table to permit one to sit while working, she was skeptical about it. But being a project leader of the Thorn Hill Homemakers Club, she sought the help of her husband and they made one. Now having used it for several weeks, she has changed her mind completely about it, calling it a "work-saver," not a "space-taker." Writes Mrs. Tracy: "When the time came to wrap Christmas packages, I rolled the lap table in the living room and it made the job much more fun than usual. It naturally followed that I used it when addressing Christmas cards.

"For our homemakers Christmas party, I had to make five pies, so I decided to see if the lap table would make work easier. I gathered the necessary supplies, put them on the lap table, then rolled it between the stove and sink. Then I sat down to make the crusts. To my surprise, I found I made five crusts, baked them and had them

on the cloth to cool and I hadn't moved out of my chair. I'll never say again that I can't sit to work.

"In January, Miss Irene Beavers, our home agent, asked me to make a pad for the lap table so that it might be used for ironing. This I did, as well as a cover with a drawstring to hold it tight. At the homemakers training school for leaders, we learned the easy method of ironing. I now sit and iron, and find it much easier than standing.

"I use my lap table when I ice cakes and prepare vegetables and, as I do a lot of canning, I am sure it will be grand for that. I now know that the lap table has many uses, which I'll find out for myself as I work on different seasonal tasks."

PLANT HYBRID CORN
FOR HIGHER YIELDS

Adapted hybrid corns yield better than common open-pollinated kinds according to tests made by the Experiment Station of the University of Kentucky.

Each dollar invested in good hybrid seed brought an increased yield of almost 10 bushels an acre. Also the hybrids grew better during drought, had stronger stalks and large root systems and ripened earlier.

The following white hybrids are recommended for Kentucky: Ky. 69, Ky. 72, Ky. 72B and Ky. 203.

Yellow kinds—U. S. 13, Ky. 102 and Ky. 103.

Farmers are cautioned not to use corn produced from hybrid seed for planting. Such corn produces 15 to 25 percent lower yields than true hybrid seed. For further information, see a county agent.

BULLDOZERS USED TO
RESTORE GRANT LAND

The pasture program in Grant county, as reported by County Agent Robert Hume, has already resulted in the renovation of 18 tracts of idle and neglected land. Bulldozers and bush and bog harrows were used to strip off bushes and scrub timber, to level up gullies and to move dirt to bare spots.

In most cases, the land was so roughed up that it did not wash in January's heavy rains, Hume said. It will be seeded just as it is but

some farmers will disk in fertilizer before seeding.

"This new, speedy and comparatively cheap method of restoring land is being watch with interest," said Hume. "If it succeeds, and there is reason to believe it will, a lot of land once considered no good will soon be growing grass to support the increasing number of dairy cows, sheep and beef cattle on Grant county farms."

Ships at sea found dust of the Dakotas settling on their decks, when the Dust Bowl was most active.

SPRAY APPLES NOW

An apple spray schedule issued by the College of Agriculture and Home Economics, University of Kentucky, says an oil, liquid or dry lime sulfur spray should be put on apple trees before they begin to leaf out. This dormant spray should be put on only when the temperature is above 45 degrees.

Another liquid lime sulfur spray should go on when green tips of leaves are exposed. Both sprays are for the control of scab.

Copies of the spray schedule can be had at offices of county agents or by writing to the college.

GREAT PROVEN GUERNSEY SIRE ADDED TO K. A. B. STUD

The Guernsey bull, Marco of Tamarack Ridge, has just recently been placed in service in the Kentucky Artificial Breeding Association Stud. He was purchased from Fred Garrod, Lawrence, Michigan.

Marco is an outstanding proven sire with eleven daughters that average 9,000 pounds of milk and 44 pounds of butterfat. On seven daughter-dam comparisons the daughters show an average increase of 486 pounds of milk and 11 pounds of fat over the average of their dams. These records were made under ordinary farm conditions that any dairymen in Kentucky can duplicate or improve on.

The daughters of Marco are large bodied, good type cows with very good udders. This sire can make real improvement in the Guernseys of Kentucky.

MARSHALL FARMERS CLAIM GRASS PAYS

Marshall county farmers are realizing that crops other than corn can be produced profitably, says County Agent J. Homer Miller. Dr. Schmidt reported that he is getting more net return from pastures than from land put to corn each year. Hatler Morgan, another farmer, stated that he fed hay to his herd of beef cattle only one week during the winter and that was when ice covered the ground. The rest of the time, the herd grazed on fescue and Ladino clover.

4-H TOBACCO PAYS

Tobacco grown by 4-H club members in Montgomery county brought excellent returns, according to Floyd McDaniel, farm agent. None of the 42 crops sold for less than an average of 50 cents a pound. They ranged from \$50.20 to \$58.60 a hundred-weight. Primed leaves added considerable in both quality and weight.

Tragic Drift

Of late, there has been a noticeable change in Mr. Truman's relations with the press. In the words of Marquis Childs "He has come to believe that the press is obtrusive, unfair, irresponsible and even, at times, insulting."

Evidence of this has made its appearance at a number of President Truman's periodic press conferences. The importance of these conferences is very great—they are attended by representatives of the wire services, the radio networks, the columnists, and correspondents of the great dailies which maintain bureaus in the capital. They are, as a result, the source of practically all information concerning the government which reaches the public. This violation of an unwritten but long-established custom which holds that the President will not give a scoop to anyone, but will make what he has to say available to all accredited correspondents. When queried about this at the next press conference, Mr. Truman replied that he would break the custom whenever he felt like it, that he was his own free agent, and that he would say whatever he pleased to anybody he pleased and would not be censored. A correspondent then said that the press corps thought their business important. The President replied to the effect that sometimes he wasn't so sure of that. The situation was definitely acrimonious, and the ill-feeling on both sides was evident.

This might seem like an unimportant little business, which will soon blow over, were it not for one further matter. Many a seasoned newspaperman, including some who are generally in sympathy with present Administration policies, feel that the President and other top men—including Mr. Acheson, the Secretary of State—are not giving the nation as much information as to what is going on as it should have. Of this, Mr. Childs writes, "There is scarcely even the rudimentary information on which others might base a policy of leadership. The Administration seems to regard information as something to be withheld as punishment, or given as a favor. There is an atmosphere of even more hostile government in this time of tragic drift."

In the same column, dated February 21, Mr. Childs said, "Historians in the future may well assign to the days between November 1 (when the public was first told of H-bomb plans) and the present the date of the failure of America in the leadership of the western world."

Thus, the difficulties between Mr. Truman and the press, and the alleged refusal of Mr. Truman to be frank in giving out news, mesh in one way or another with the massive problems of world peace, of the solidity and security of the West, and of the terrible prospect of another war. Unpleasant as the fact may be, there is a feeling of depression and hopelessness in many quarters. The progress that the Soviet Union has made in its grand plan of world expansion is greater, in all probability, than is generally believed or understood. And it certainly can be strongly argued that the Administration has done relatively little to cast light into dark places.

It may be that Mr. Truman was stung by the considerable amount of press criticism that greeted his apparent disinclination to call another Big Three meeting—an idea which was advocated by Winston Churchill shortly before the British elections. The President said that the door was always open if anyone wanted to see him and he went no further.

This attitude is understandable in the light of Russia's past deceptions and failures to live up to agreements—and particularly agreements of a general nature which can be twisted out of all semblance of reason by cynical interpretations. That consideration also seems to be guiding the policies of Mr. Acheson. Even so, many of the best and most thoughtful publicists in the country feel that the situation is so grave, and the possibilities are so horrible, that nothing should be left undone that would have even a remote chance of producing a modicum of constructive result.

In any event it can scarcely be doubted that Western leadership, so far as the public can see, has been ineffectual in many important phases. The debacle in China, whether it could have been prevented or not, is the latest example and one of the worst. And here the danger goes beyond the event itself—other nations are wondering uneasily if the Western powers mean to talk much and do little. No one wants to join in with a loser.

That is the significance of "the tragic drift" of which Mr. Childs wrote.

The soil is our strength.

Benefit Square Dance Announced For March 29

An old fashioned square dance will be given at the Florence School auditorium Wednesday, March 29th at 8:00 p. m. for the benefit of the Red Cross.

Special floor show and prizes will be features of the evening's entertainment. Music will be furnished by the Kentucky Valley Boys.

The committee in charge announces that sandwiches and soft drinks will be served.

W. G. STEWART IS INVENTOR OF DISPLAY CASE

William G. Stewart, proprietor of the Stewart Stationery Store, 505 Madison Avenue, Covington, has patented an entirely new type display case.

The case, Mr. Stewart explained, is made up of four different sized blocks so arranged as to fit any article. Its flexibility makes eye-appealing displays possible, which gives an added advantage to the customer and the owner, he added. The counter is made so that the sales person can make a display in a few minutes; no tools are needed for any change.

Such counters Mr. Stewart said, are designed for use by hardware stores, automotive parts stores, stationery stores, groceries, department stores and others.

WESLEYAN SERVICE GUILD TO SPONSOR BAKE SALE

The Wesleyan Service Guild of the Florence Methodist Church will sponsor a bake sale at the Covington Market House, Saturday, March 25th. Anyone wishing to contribute to the sale please leave bakery goods at Mrs. Bethel's or the church not later than 9:30 a. m. Saturday.

FARM AND HOME

Frank Dean of Breckinridge county raised 10 pigs per sow from six sows by giving them careful attention at farrowing time.

Nick Johnson of Harlan county plans to grow 8 acres of cabbage this year in time to beat the local Texas market.

In Hancock county the sale of Ky. 35 tobacco seed by the Farm Bureau outsold all other varieties combined.

Seed dealers in Elliott county report selling four times as much Ladino clover and fescue seed as in 1949.

R. C. Beatty of Clinton county has completed building a new home the timber having been cut from farm woodland protected from fire and grazing.

Fred Blunich of Laurel county reported that a Brown Swiss calf 8½ weeks old weighed 325 pounds and sold for \$24 per hundredweight.

The Allan County Tuberculosis Association has been formed in an effort to reduce the number of cases of this disease in the county.

In Pike county, 27 4-H club boys and girls are enrolled in the special strawberry project and have ordered 12,500 plants.

McCracken county has 27 organized homemakers clubs with a membership of 645 women.

Milk production and consumption in Boyd county increased two million pounds the past year.

Thousands of acres of woodland in Livingston county have been saved the past year through the co-operation of the county fire guard, community wardens and tower operator.

About 1,000,000,000 tons of rich soil is carried into the ocean each year. It takes about 10,000 years to form 1 ft. of soil.

A farmer holds the welfare of his soul, soil, and self in the palm of his hand.

Erosion is caused not only by flood but by a combination of drouth and high wind.

"The great cities rest upon our broad and fertile prairies. Burn down our cities and leave our farms and our cities will spring up again as if by magic—but destroy our farms and weeds will grow in the streets of every city."—Wm. Jennings Bryant.

Campbell county homemakers have learned to use their sewing machine attachments, some of which have been unused for 40 years.

Twenty-three leaders of 13 homemakers clubs in Hart county converted kerosene lamps to electricity at a leaders' meeting.

About 75 homemakers in Boyd county plan to make tailored coats or suits this spring, having 164 special lessons in tailoring.

During the past month, Union county farmers requested from their county agent building plans for farm homes, poultry houses and tool sheds.

More Beautiful to live with... after Duraclean

For economy and convenience... have your upholstery and floor coverings Duracleaned by experts... Watch the annual care with which these craftsmen beautify your furnishings.

Duraclean means your fabric lasts longer because this modern, safe cleaning process avoids strong soaps and chemicals which so often harm the dyes or fabric. Longer life too, because there is no wear, no breaking of fibers caused by machine scrubbing.

This patent protected service is recommended by America's leading furniture and department stores.

What Makes Duraclean "Different"
It cleans by absorption!

Embedded dirt and grit are first removed by "deep suction." Many cleaning methods leave enough dirt-laden soap in your rugs and upholstery to cause "bleeding" or "rapid re-soiling." Duracleaning avoids this.

The mild sanded Duraclean foam loosens and absorbs sticky soil and stains, holding this grime in suspension above the surface until removed.

No inconvenient Duracleaned fabrics are dry in just a few hours. Special ingredients re-enrich wool fibers. Real pile carpets and rugs. Colors revive. Your fabrics are left clean, fresh, enlivened... your home is more beautiful in the end.

Duraclean—if you wish, you may at the same time have your floor coverings, upholstery, clothing or furs Duracleaned. You have 4 years protection against damage from marks and carpet beetles. Also protects against mildew. The annual cost is lower than applying less effective moth repellents yourself. Have your fabrics Duracleaned today—before damage develops.

World-Wide Church

Lesson for March 26, 1950.

GOD WORKS his purposes out in ways that not even the wisest of his servants can foresee. A beautiful example of this is the way Paul went to Rome. Long before he saw that city he wanted to preach there. All roads led to Rome, as they do to all world-centrals, and people went there from everywhere.

World Horizon
When Paul writes to his "pen-friends" at Rome (15:22-29) of a projected trip to Jerusalem and Spain, taking in Rome on the way, he was laying out a trip to the east and west ends of civilization, the jumping-off places. His plan was as ambitious as if a modern evangelist would write to some Dr. Foreman church in India: "I aim to visit Iceland and Japan, and call on you on the way out."

Bond Voyage
PAUL EXPECTED to go to Rome a free man, his ticket (so to speak) reading on through Spain. Actually that was the end of his run. He went there under military guard, prisoner under sentence. The story is all there in Acts, how first he was jailed for protection from a blood-hungry mob, then kept in jail on general principles (which is to say, the governor kept hoping he would pay well for an acquittal), and finally appealed to Rome, the highest court of the empire. Appeals were expensive and slow, then as now.

But Paul must have come to look at his imprisonment, false as it was, as a heaven-sent opportunity to make that journey to Rome. It was a gut-edged accident insurance. Free, he might never escape the plotters and reach Rome alive. Chained, the efficient Roman army would see that he arrived—and he did.

Four pairs of eyes were on him night and day. No plotter could stick him with a dagger or shove him overboard. So—after some hair-breadth escapes to be sure—he was delivered safe and sound in the very city of which he had been dreaming all these years.

The Church at the Hub Of the World

THERE IS NOTHING at all in the New Testament to indicate that the church at Rome was considered, by Paul or any one else, as The Church, or the Mother Church. There is no claim that it was founded by St. Paul, still less by St. Peter.

It grew, as other churches grew, by imitation. Christians who moved to the big city would get together, and there the church would be. Yet, of course, the Roman church was important.

It was important because it was at the hub of the civilized world. Paul did not seem to mind it in the least, that he could work only inside his prison, or "confined to quarters."

Writing from his jail cell to the Philippians, he mentions converts from the army and from the imperial slaves. "Caesar's household" in Phil. 4:22 does not refer to the Emperor's family, but to the retinue of palace slaves. We know from the letter to Philemon that Paul converted at least one "jailbird" named Onesimus.

The True Church Is A Marching Church

PAUL KNEW that a soul is a soul, sitting in the emperor's chair or waiting at the emperor's table. God is no respecter of persons. But he also knew that these Christian soldiers would not always stay in Rome; that even Christian slaves would be sold down the river; that the restless feet which brought their owners to Rome would take them away again. Great cities are like that.

Putting down Christianity in Rome was not like putting a single seed into a sheltered corner of the garden. It was like scattering a handful of it to the breeze, to be carried far and wide. Paul's vision is still the vision of the church at its best. The true church marches on, along the high-roads and byroads of the world.

We shall never be content with a narrow, sheltered Christianity. We cannot be satisfied with half-world religion. One world-Christianity matches the grandeur of the New Testament ideal.

Mr. and Mrs. Gilbert Carpenter were summoned to Miamisburg, O., Sunday of last week by the passing of Mrs. Carpenter's aunt and her husband.

Henry Smith and Carl Rouse were visiting the latter's brother, Dr. L. E. Rouse of Ludlow, Thursday. Dr. Rouse was confined in Booth hospital a brief period for observation.

Mrs. Eldridge Carpenter was the guest of her daughter, Mrs. Jean Keyer, Saturday afternoon.

The P. J. Allens were visiting her cousins, Mr. and Mrs. M. L. Crutcher and Mr. and Mrs. Howard Ledford and son Lacy, Sunday.

The youth revival at Florence M. E. Church conducted by Rev. Jiles Kirkland was attended by large crowds and accomplished much good in the community.

Mr. and Mrs. Cam Kennedy, of Walton, are at home following a

pleasant visit with their son Walter L. Kennedy and family, of Birmingham, Ala.

Mesdames Lullie and Alice Aylor enjoyed the week-end with relatives in Bellevue.

Information was received here of the death Sunday night of Mrs. John Utzinger, of Rising Sun, Ind. She was an aunt of Edgar Utzinger of U. S. 42. Sympathy is extended to the family.

Mrs. Laura Utzinger, of Cincinnati was guest of her son Edgar and family Sunday. The occasion was in honor of Miss Lorraine Utzinger who was celebrating a birthday. We wish her many happy returns of the day.

LESS CORN, MORE HAY AND GRASS IN ESTILL

The 1950 farm improvement program in Estill county, as planned by a county council and County Agent Fred Brockman, includes 20 percent less corn acreage, more alfalfa and other hay crops and improved pastures.

Corn will be confined wherever possible to bottom or other level or near-level land, hybrid seed used and fertilizer applied. Total production is expected to be as high or higher than that of recent years.

At two places in the county demonstrations will be made of pasture improvement. The soil will be tested, the needed fertilizers applied and grass mixtures seeded. One field will be a hillside and the other bottomland.

Three hundred acres of waste land cleared during the winter will be fertilized and seeded to permanent pasture. Reports of seed purchased indicate that 1,000 to 1,200 acres of land usually put in corn will be seeded to grass. At least 300 acres of alfalfa will be sown this year, and several farmers will sow Kenland clover, if seed is available. County Agent Brockman said.

Since January 1, six lime spreaders have been made on Estill county farms from plans furnished by the county agent. They were made from old automobiles and scrap metal picked up on farms, at a cost

of about \$26 each. Brockman said they would do the work of spreaders selling for around \$60.

Soils tests showed that much Estill county land is acid and that most of the land would be improved by applications of limestone, Brockman said. Much of the land also needs phosphate, and potash deficiency is probably widespread, the tests showed.

33 SCHOLARSHIPS TO AGRICULTURE COLLEGE

The University of Kentucky announces that 33 scholarships are available to boys and girls who would enter the College of Agriculture and Home Economics as freshmen next fall.

Twenty-three in agriculture and 10 in home economics, they range from \$150 to \$500. Donors are the Houston Endowment, Kroger Company and Sears Roebuck Foundation.

Interested boys and girls should write Prof. L. J. Horlacher, assistant dean, College of Agriculture and Home Economics, University of Kentucky, Lexington.

REFINISHES FURNITURE

Mrs. Bertis Hardesty of Union county is refinishing 11 pieces of furniture, using the instructions given in the Waverly Homemakers Club. Among the pieces is a small rocking chair which belonged to her husband as a child.

WOMEN'S SOCIETY AND WESLEYAN SERVICE GUILD MEETING HELD AT FLORENCE

The Women's Society and Wesleyan Service Guild of the Florence Methodist Church held a joint meeting at the church Tuesday evening, March 14th. Mrs. Harry Daugherty was chairman of the program which opened with the song "Holy, Holy, Holy." Mrs. Martha Daugherty gave a scripture reading followed by prayer by Mrs. Christine Politt. Miss Beverly Markesbery rendered a solo entitled "Some Day He'll Make It Plan." Mrs. Kay Bowman gave highlights on the subject "Japan Begins Again" and a fitting and interesting sequel to Mrs. Bowman's talk were picture slides shown by Mrs. W. E. Park, Covington District President, the title being "Christ's Work In Japan."

There were 29 in attendance including visitors who are always welcome. Following the program the business session was held with Mrs. Paul Chaney presiding. Reports were heard and the meeting was dismissed with prayer by Mrs. Mary Carpenter.

Mrs. Reeves wishes to thank every one that sent her a card and also Mrs. Erbaugh for her plant. An enjoyable evening was had by all present.

4-HERS HONORED

Billy Watts, 4-H corn club champion in Russell county, and Jimmy Davis, producer of 99 bushels on an acre, were honor guests of the Liberty Lions Club. Carol Posey, president; Mary Jo Clements, secretary, and Barbara Carman, leader, of the Posey Pep Workers, top 4-H club of Russell county, were guests at a Kentucky Utilities Company banquet at Danville.

If a field is left without a cover crop over winter, more fertility is lost by erosion and leaching than there is used by a crop of corn.

FEATURED IN SKATING VANITIES AT GARDENS

Ritualistic secrets of the East Indian dances, particularly those practiced by the court dancers of the Malay Archipelago, is being revealed by Gloria Nord, the most beautiful girl in the world on skates in Skating Vanities of 1950, which opened Tuesday and runs through Sunday, March 26.

Miss Nord, a master of free style and acrobatic skating, has extended her activities to the field of interpretative dancing on skates her version of the Hawaiian Hula Hula last year creating such a sensation that she was prompted to delve deeper into the classics for its latest edition of the \$1,000,000 spectacle. East Indian dancing is unique as the gesturing of the hands and head tell a story as completely as the intricate steps and lithe body movements.

While in Paris last summer with Skating Vanities on its first venture across the Atlantic, Miss Nord spent considerable time with Kathryn Dunham, acknowledged leader of East Indian dance interpretations, and later in England she trained with members of the London Ballet.

Critics of the dance who wanted Miss Nord's Hula interpretations were amazed at the authenticity of her efforts, gained by long study with a native Hawaiian dancer. She has spent countless hours of developing her East Indian routine, and is now ready to offer what 'Gae Foster, director of choreography for Skating Vanities, declares is a "most startling revelation in interpretative dancing on skates."

Miss Foster, who also stages and directs the massive productions at the Roxy Theatre in New York, has built a special East Indian production number to introduce Miss Nord's latest specialty. Executives of four major motion picture companies have studied Miss Nord's work, and her latest effort indicates that she soon will be starred in an annual film.

Plans For Complete Central High School Building To Be Drawn

Repair Program Planned For Present County School Buildings.

The following article was prepared by H. N. Ockerman, Secretary of the Boone County Board of Education, concerning a meeting of the board held last Thursday evening.

The Boone County Board of Education met last Thursday evening for the purpose of securing more information on the proposed building program which has been discussed with much interest during the past few weeks. Richard Elliston, architect, met with the board and presented a site plan for the plot of ground recently purchased by the board of education.

Mr. Elliston's plan shows the entire developed area as to buildings, playground, roadway, walkway and parking area. The plan also shows how additions to the building may be made in any sequence and still conform to the master plan. In developing this site plan, Mr. Elliston presented two different layouts. The major difference in the two layouts referred to a change in playground location and amount of excavating. Although no final opinion was given by the board, they decided that the plan calling for the least amount of excavating was most advisable.

Mr. Elliston also presented a new layout for the building whereby it would be possible to construct an auditorium to the building at any future date. After numerous suggestions as to proposed changes, the board, by vote, decided for the architect to develop the preliminary drawings for a complete central high school for the county.

It was agreed upon by the board to authorize the architect to inspect our present buildings and suggest changes—based upon his experience in that field—whereby these buildings may be put in a state of good repair. This inspection work has already begun and detail suggestions will be presented at the next meeting of the board of education. This repair work will be done during the summer months.

—H. N. Ockerman,
Sec'y, Boone Co. Board Education

Caponizing Demonstration Scheduled April 7th

A demonstration on the caponizing of cockerels will be held at the farm of R. M. Burns at 1:30 p. m., Friday, April 7th. Mr. Burns' farm is the first farm north of the Boone County Monument Co., on U. S. 25.

Mr. J. E. Humphrey, extension poultry specialist from the University of Kentucky will conduct the demonstration.

All interested persons are invited to attend.

County Residents Urged To Support Easter Seal Sale

Forty-Four Crippled Cases In Boone County Aided By Society.

Boone County residents were urged this week to support the sale of Easter seals which will enable the Kentucky Society for Crippled Children to carry on its 1950 program without curtailment.

Citing the fact that forty-four crippled cases in Boone County have been aided by the Society, chairman Clarence West urged all county residents to support the drive.

Easter Seals were mailed last week to residents of Boone County. The Kentucky Society has set a goal of \$175,000 for its 1950 program to continue in its aid to children whose greatest wish in life is to lead a normal existence.

The society is the parent agency for all crippled children in the State. County chapters of the society help to see that the need of crippled children is properly handled.

Support of the campaign has brought new life and hope to children through corrective treatment and education received at the Society's expense. Plans for 1950 call for expansion of present services and addition of new ones including field services for all types of handicapped. To complete its present program and initiate new services, the Easter Seal campaign must have the support of all residents of Boone County.

Mrs. Mary Daugherty

Mrs. Mary Frances Daugherty, member of an old Pendleton County family, died Monday at the home of her daughter, Mrs. Bert Loomis, Grant, Ky. She was 90 years old.

Besides Mrs. Loomis she is survived by seven sons, Ben, Booneville, Iowa; Richard and Luther, Phoenix, Ariz.; John, Cincinnati; Claude, Bryan, Ohio; Cash, Blanchester, Ohio and Ward Daugherty, Lexington, Ky.; 17 grandchildren, 16 great-grandchildren and one great-great-grandchild.

Funeral services were held at 1:30 p. m. Wednesday at the Stith funeral home, Florence. Burial was in Gardnersville Cemetery.

Census Enumerators Sworn In Monday; Work Starts Sat.

Work Expected To Be Completed During First Two Weeks of April.

Twelve Census enumerators for Boone County were sworn in Monday for Boone County, according to crew leader, Ernest C. Rupert.

Census work will begin in the County April 1st with the following enumerators in charge: John P. Lockwood, Florence; Mrs. Lula Edwards Huey, Walton; Thomas W. Rogers, Constance; Mrs. Francis Lewis, Walton; Wm. Arthur Holladay, Burlington; Rev. George Hoffman, Walton; Martha Jane Carpenter, Walton; Sara Elsie Jack, Walton; Marvin Porter, Burlington; Mrs. Clayton Brown, Limsburg; Wanda Lee Woods, Union; Mrs. Sarah Scott, Burlington; R. E. Z.

The above enumerators will be calling on the various homes in Boone County for the next two weeks. Each worker is equipped with credentials which will be shown the person called upon by the worker.

The 1950 census of population, housing and agriculture will provide comprehensive, authoritative and official record of the people, their homes and their farming activities, according to William H. Bornhorst, District Supervisor. A great many uses are made of this basic census information.

Through this information Congress determines the number of representatives to which each state is entitled; State legislatures establish Congressional districts and apportion the representation in State legislative bodies among the counties and groups of counties; the numbers and characteristics of low income families are determined to assist governmental agencies concerned with economic problems; the quality of our housing supply and the areas where housing is most needed are determined; information on land values, farm acreage, farm tenancy, types and quantities of crops, etc., is widely used by farmers and farm organizations, as well as by public agencies, and often forms the basis for legislative and administrative programs.

Sawing Demonstration Set For April 5th

There will be a sawing demonstration of the Mall Saw given at the Dale Williamson Farm, Burlington, Ky., R. 2, on Wednesday, April 5th.

The demonstration will be sponsored by Hagedorn's Maytag, Erlanger and the public is cordially invited.

HAMILTON P-T. A. WILL ELECT OFFICERS APRIL 6

The Hamilton P-T. A. will have a meeting April 6th for the election of officers for 1950. A program will be given by the primary room.

All parents are urged to bring their children.

Masons Hold District Meeting At Walton March 24

Grand Master of Kentucky and Other Dignitaries Present.

The following is a summary of the proceedings of the district meeting held at Walton Friday, March 24th. The following article was composed by M. F. Lyons:

On the evening of March 24, a great District meeting of Walton Lodge 719 F. & A. M. took place at the schoolhouse under the auspices of Brother W. O. Rouse, District Deputy for the Worshipful Grand Master of the Grand Lodge of Kentucky, which was presided over by acting Master Brother Arthur Northcutt, Past Master of Golden Rule Lodge 345 F. & A. M.

Neither words nor pen can describe the scene as officers and past officers of the Grand Lodge of Kentucky entered in their regalia, together with other distinguished Masons—Brethren who had labored long and efficiently in the vineyards of Masonry—such as Edwin E. Freshney, Deputy Grand Master; Robert Circle, Grand Junior Warden; Allie E. Orton, Secretary; Orle Ware, Past Grand Master; Arthur Riggs, Junior Deacon; L. T. Goheen, Superintendent of the Widows and Orphans Home; Luther P. Morgan, Superintendent of the Old Masons Home; and W. O. Rouse, Deputy for the Grand Master for District 27. Then as the great throng of Brethren rose, Brother Nat E. King, Most Worshipful Grand Master of the Grand Lodge of Kentucky entered and received the tribute which his high office deserved.

Another highlight of the proceedings was the report of representatives of the various lodges in the district as to their activities during the past year and their hopes for the future, all of which was most heartening and spoke well for the advance of Masonry.

Then rose Brother John L. Vest of Walton Lodge and in a most interesting address demonstrated how a lodge during the early 30's, when Grand Master King and spoke of, nevertheless hold its own, all of which pertained to his dear lodge; and the climax was reached when he presented a golden life membership card of the lodge to Brother W. O. Rouse, who had stood with him and one other esteemed Brother thru all the travail of those terrible years when their membership had dwindled and all seemed lost; and Brother Vest straightened up as he proudly announced that as of today Walton Lodge enjoyed the roll of some 125 members.

But Brother Rouse also had something to say, in the course of which was that one good turn deserved another and approaching Brother Vest he handed him a like golden life membership card in Walton Lodge which caused Brother Vest to gasp somewhat and then say: "Thank you, Brother Rouse. We went through the old days together. I surely do not know that I deserve this golden card, but be assured that I deeply appreciate it." Brother Rouse had not completed his task by many means. He turned to Grand Master King and spoke of how letters had gone out to all the lodges of the District for help to the two Masonic homes, and presented on behalf of Walton Lodge a check for \$102.00 to the Grand Master; after which Brother M. L. Watson was invested by the Grand Master with the 25-year button and declared to have rendered faithful and loyal service, which has caused Masonry to stand out.

Then followed a fine address by Brother L. T. Goheen, Superintendent of the Masonic Widows and Orphans Home. He spoke at length of conditions at the institution; the many departments comprising it; the assistance it has been able to render; the enlargement of its operations through the kindness of the Board of Directors; set forth many appealing propositions with respect to its maintenance—the duty of the brethren to continually interest themselves in its welfare—and he asked all not to forget their individual financial assistance, because without this obligation being performed the home could not continue to operate; and he now informed the Brethren to come forward in the matter so that some of the highest traditions of Masonry could be maintained. In closing he let it be known that on the evening of the 14th of April, at Holmes High School, in Covington, Ky., an orchestra composed of children of the home would give a concert—thus Masons and their families were invited to attend—all of which would give them inspiration and knowledge of how youngsters may be trained and enabled to look toward

the finest things in life.

The Brethren listened most attentively to the concluding address of our Most Worshipful Grand Master King, as he spoke most beautifully of the two Masonic homes and their inmates; how it stimulates the heart and mind to realize that a Mason is part and parcel of such God-like work.

This is neither the time nor the place to write of the Worshipful Grand Master's most intimate remarks with respect to what must be done ever to hold Masonry on the very high plane which it enjoys. The honor of his office together with his wide knowledge of Masonic affairs has placed him in a position that we should all appreciate and be thankful for it is because of such leaders, past and present, that Kentucky stands out boldly as a leader of the Masonic Fraternity—the beginnings of which are often stated to have been at a time beyond which the memory of man runneth not.

And thus as we close, let us pay our profound respects to Brother Henderson G. Hightower, 33 degree Deputy for the Sovereign Grand Commander and Inspector General in the State of Kentucky for the Valley of Covington, who was with us early in the evening but was called away—no doubt in connection with the building of the great Masonic Temple at Covington, which will be enjoyed by all of us, and whose committees are now raising the sum of \$300,000.00 to go forward with the building. Masonry may well be proud of the great work and exclaim:

Build it, O Lord!
Build it, O Lord!
Build it!
Build it in our day! —M. F. L.

Margaret M. Gallenstein

Mrs. Margaret M. Gallenstein passed away Monday, March 20th at 8:10 a. m. at St. Elizabeth Hospital, Covington.

Mrs. Gallenstein, a native of Ashland, was born February 4, 1873 and spent most of her life in Augusta, Bracken County until the past 22 years, which were spent in Florence, where she had made many friends and acquaintances.

For a number of years Mrs. Gallenstein had been in failing health and for the past year had been confined to her home due to a heart condition. The Wednesday before she passed away she had the misfortune to fall in her bedroom, breaking her hip. She was taken to the hospital where she received treatment, but due to her advanced age and general condition, she failed to respond to treatment.

Mrs. Gallenstein was a devoted wife, a kind and loving mother and her friends were numbered by her acquaintances.

She leaves to mourn her passing, her devoted husband, James; two daughters, Mrs. Michael O'Hara and Mrs. Joseph Melman and two sons, Christopher and Lawrence (Bud). One son Jimmy preceded her in death fifteen years ago.

Funeral services were held Thursday morning from the Ralph Stith funeral home followed by Requiem High Mass at St. Paul's Church at 9:30 a. m. amid a vast gathering of relatives and friends. Interment was in St. Mary's Cemetery, Ft. Mitchell.

BASEBALL PRACTICE SET

The Boone County Veterans Baseball club will hold a practice at Bellevue Sunday, April 9th at 2:00 p. m.

Saturday Afternoon Baseball League To Operate This Season

League Entrance Fee Will Be Reduced; Minor Rule Changes Expected.

At a meeting of Boone County Saturday Afternoon Baseball League managers and sponsors last Monday evening, it was decided that the league would again operate this season with slight revisions in league regulations. It was generally agreed by representatives present that the league entrance fee should be less and that minor changes would be made in regard to the signing and use of players. Several other changes were discussed without definite action.

Four teams have definitely indicated they will field teams and several others have shown interest. The league's next meeting will be held Wednesday evening, April 5, at 8 o'clock p. m. at Bob and Gene's Restaurant, Florence. It is absolutely important that all managers planning to have a league team be present at this meeting. If impossible to be present send a representative for your team.

Citizens Health Committee Set Up In Boone County

Serve As Representative Of People In Public Health Problems.

Representatives from thirteen different organizations were present at a meeting held in Burlington for the organization of a Health Committee for Boone County.

The purpose of a County Citizens Health Committee was explained by Judge C. L. Cropper and Mrs. Roy C. Lutes, temporary chairman. The twenty-five citizens in attendance expressed approval of a health committee. They also seemed anxious to work toward securing a county health department.

Judge Cropper explained that there was a possibility that Carroll and Gallatin counties would go with Boone to form a department of health. If the three counties adopt this set-up, one health officer and one sanitary inspector would be supplied for the three counties, while each county would have a public health nurse and office clerk.

Mrs. Lutes told that the purpose of a Citizens Health Committee is to serve as a representative of the people in public health problems which are related to the work of the County Health Department. The function of the committee in a county without a health department is to help the people secure a County Health Department.

The following four citizens were elected by the group to serve on the county committee: Edwin Walton, Burlington, principal of Burlington School; Frank DeMolsey, Walton, president of Lions Club; John Conner, Hebron, cashier of Hebron Bank; and Mrs. Roy C. Lutes, Florence, homemaker. These will serve with a member of the fiscal court, a dentist and a physician of the county.

Vice-Jones

Miss Joyce Vice, daughter of Mr. and Mrs. L. R. Vice, of Woolper Road and Mr. Joe Jones, of Francesville were quietly married Friday evening, March 24th at the Burlington Baptist Church in the presence of a few close relatives and friends. Rev. R. A. Johnson officiated at the ceremony.

Attendants were Miss Lorraine Lincke, Burlington and Mr. Leland Reiman, Hebron.

The bride is a graduate of Burlington High School and is presently employed at the Inter-Ocean Insurance Co., Cincinnati.

The groom is engaged in farming at Francesville.

Pepper-Ligon

Miss Margaret Pepper, youngest daughter of Mr. and Mrs. Charles Pepper, of Hebron and Mr. Jack Ligon, youngest son of Mr. and Mrs. A. B. Ligon, of Bullittsville were united in marriage Saturday night at 8:00 p. m. at Bullittsburg Baptist Church with Rev. E. Lionel Patton officiating.

The only attendants were Mr. and Mrs. Robert Marshall close friends of the bride and groom.

Mrs. William Hill presided at the piano. The bride was attired in a frock of navy blue with matching navy and white accessories and wore a corsage of white roses. The bridesmaid was attired in a pink frock with navy blue accessories and wore a corsage of white roses. The groom and best man both wore blue business suits.

Those present at the ceremony were the parents of both bride and groom. The happy couple left for a brief trip through Kentucky. Their many friends wish them much happiness and prosperity in the years to come.

New Haven and Burlington Junior Plays Scheduled Friday Night

The Burlington Junior class will present "The Angel of Red Canyon" a three-act Western comedy at the Burlington gym Friday night, March 31, at 8:00 p. m.

On the same night at 8:00 p. m. the New Haven Juniors will present "He Couldn't Say Five" a three-act comedy at the New Haven auditorium.

Patrons of the above schools are invited to attend these entertaining plays.

COLLEGE PRESIDENT TO SPEAK AT BURLINGTON

Dr. Sam S. Hill, president of Georgetown College, Georgetown, Ky., will preach next Sunday, April 2, both morning and evening at Burlington Baptist Church.

Everyone is given a cordial invitation to hear him.

Robbers Fail To Obtain Loot At Erlanger Firm

Would-be safe crackers apparently left Colonial Coal & Supply Co., 47 Dixie Highway, Erlanger over the week-end without loot after the combination had been battered off the safe. The culprits gained entrance to the building by forcing a sliding door.

The attempted robbery was discovered Monday when the office was opened for business. Much damage was done to the safe.

The thieves, though forcing the cash register open, apparently overlooked \$20 in bills in it and also overlooked another small amount from the soft drink machine in the office.

Matthew Cleek Released Following Fire Probe

Matthew Cleek, 63, of near Verona was released from Burlington jail last Friday where he was held five days on a charge of drunkenness during an investigation of a \$25,000 fire which destroyed the Phoenix Hotel, Walton, March 17.

Mr. Cleek was questioned concerning his activities in the hotel before the fire, by Sheriff Wendell Easton and a representative of the State Fire Marshal's office.

Cleek told Easton he went into the lobby of the hotel and tossed a match into what he thought was a stove. The sheriff stated the investigation had not determined any criminal intent on the part of Mr. Cleek.

Limestone and Phosphate Available To Local Farmers

Signing Farm Worksheets Under 1950 Agricultural Conservation Program.

The Boone County P. M. A. Committee has announced that farmers now may place their order for limestone and superphosphate under the 1950 Agricultural Conservation Program. This material is available to all farmers who have signed a 1950 Farm Worksheet.

Both limestone and phosphate will be handled by local dealers under the purchase order plan this year. Under this plan, an order is obtained from the county office showing the amount of material to which a farm is entitled and this order is given to the dealer who is furnishing the material. The farmer's payment will be made to the dealer at the time the material is furnished, rather than to the county office.

The farmer's payment on farmyard delivery of lime is \$1.25 per ton and the warehouse delivery price on 20 percent superphosphate is \$11.80 per ton. Some dealers are also handling .18 percent superphosphate and the farmers payment on this material is \$10.60 per ton.

Florence Juniors Will Present Play Friday

An evening of laughs is assured everybody who attends the performance of "Aunt Susie Shoots the Works" as it is presented by the Junior class of Florence High School on the evening of March 31 at the Florence School at 8:00 p. m.

This is not just the usual play that the average amateur society produces. It is, in fact, a most extraordinary play, combining as it does all of the qualities of a thrilling mystery play and containing along with it a veritable tornado of laughs.

The lines in "Aunt Susie Shoots the Works" are so clever that they are bound to be heard around town the morning after the presentation. The cast includes: Sheryl Lipscomb, Aunt Susie Stowe, an eccentric old maid; Betty Hood, Joy Herbert, the delightful young niece; Jo Ann Yelton, Scarlett Deane, Joy's colored maid; Juana Martin, Laura Dawson, another maid; Peggy Eades, Madame Zola, who sees all, knows all and tells nothing; Charlotte Fullerton, Mrs. Edward Dunliffe (Cynthia), a neighbor, Ruth Beaman, Portia Lark, a female lawyer; Sonny Stansel, Omar Graves, a successful business man; Jan Fields, LaSalle Johnson, his colored servant; Charles Dinn, engaged to Joy; Harold Kelly, Slick Conway, who adds to the mystery.

Mr. Caldwell (author of the play) agrees that his play is the funniest in years and that it contains more laughter than any other play ever produced here. Don't forget the date March 31, 1950, and tell all of your friends to be on hand if they want to have an evening of fun and a real treat, when "Aunt Susie Shoots the Works!"

Sewer System To Be Discussed At Mass Meeting

Of Florence Citizens Thursday, March 30 at Community Center

Representatives of the Kentucky State Board of Health will speak at the mass meeting to be held at the Florence Community Center on Thursday, March 30, at 8:00 p. m.

This meeting is being held for the purpose of explaining the engineering and financing plans for the sanitary sewer system being proposed for the City of Florence. In response to a long felt need the Florence Board of Trustees has taken the first steps toward providing for sanitary sewage disposal. Engineering and financial plans are completed and they will be explained by City Attorney E. L. Bramlage and City Engineer O. G. Loomis.

An engineer from the State Board of Health will be in the city for several days prior to the meeting making a survey of conditions and studying the plans. He will report his recommendations to the meeting and will show some motion pictures on the subject.

All of the residents of Florence are urged to attend.

"King of Kings" Will Be Shown At Florence Methodist Church

Rev. Ogg, pastor of Florence Methodist Church announces the showing of a motion picture "King of Kings" at the church Saturday and Sunday, April 8 and 9th. The picture will be shown each evening at 7:30.

No admission will be charged. Rev. Ogg stated. However, a free will offering will be received to help defray costs of the film.

Church Bus To Operate On East Bend Road Sunday

Members of Burlington Baptist Church are sponsoring a bus which will be operated from Locust Grove and East Bend Roads each Sunday; leaving Locust Grove Road at 9:30 a. m. each Sunday morning and returning immediately following morning services. Persons living along this route are urged to take advantage of this service. The bus is capable of carrying twenty-one passengers, and will be operated by Claud Patterson.

O. E. S. PLAN PRACTICE

County Nearing Goal In Red Cross Fund Raising Drive

Many Precincts Over Top, According To County Chairman.

Reports from various precincts throughout the county, indicate that by the latter part of this week the goal for the county will be near, according to Roy A. Johnson, County chairman.

Many precincts in the county have reached their quota and a few have reported exceeding their quota in the present campaign.

The chairman is urging workers throughout the county to complete their solicitation this week and is asking citizens to cooperate with the workers in completing the campaign in their respective precincts.

The third report handed the County chairman is as follows:

| | |
|------------------|---------|
| Beaver | \$97.85 |
| Burlington | 95.75 |
| Bullittsville | 458.00 |
| Constance | 106.00 |
| Florence | 504.00 |
| Hamilton | 13.35 |
| Hebron | 150.00 |
| Petersburg | 71.00 |
| Union | 174.00 |
| Verona | 50.00 |
| Walton | 115.00 |
| Bellevue | 65.00 |
| Countywide gifts | 75.00 |

In submitting this report, the chairman said, "This is a very fine report, and if every one will do their best we can meet our quota by next Friday. What do you say? Help to finish on time, over the top!"

Notes and Comments

From the Editor's Desk

Norman Thomas has dedicated his life to the cause of Socialism which, according to the dictionary, is "A political and economic theory of social organization based on collective or governmental ownership . . . of the essential means for the production and distribution of goods." For many years Mr. Thomas has been the Socialist Party candidate in presidential elections, but has never received more than a handful of votes. The people do not approve of Socialism when it is presented in a forthright manner. And yet in the last decade and a half a large part of the Socialist party platform has been adopted. High political officeholders who profess opposition to the philosophy of Socialism advocate and adopt measures which lead ultimately to all powerful socialist government.

It is time that candidates and officeholders at every level of government be pinned down on a definition of issues. As one observer points out: "A bank clerk develops the habit of falsifying his records and stealing money from the bank at which he is employed, how long will his title remain bank clerk, and when will it change from bank clerk to thief? Or, if a man calls himself a carpenter and constantly works at the cooking trade, should the man be called a carpenter or a cook?"

"Similarly, if a man claims to be a Democrat or Republican, but carries on a socialist program to destroy private business and the profit incentive system—a program that promises the so-called common man everything, one that employs bankruptcy spending, confiscatory taxation and heavier regulations on business, one that takes more control of private property away from the owner, one that makes business costs higher, one that is gradually socializing basic industries and professions, is making more of us wards of the government and is creating regional authorities—should not a man who advocates and works for such a program be called, not a Democrat nor a Republican, but a Socialist?"

Ahead of Grandpa

The huge meals Americans are supposed to have eaten 40 years ago or so are something of a legend. According to it incredible quantities of steaks, roasts and everything else made the dinner table groan three times a day.

The fact is, however, that this year the average American will eat about five more pounds of meat than his forebearer consumed in 1910. And what makes that particularly remarkable is that our human population has increased by 63 percent since 1910, while the meat animal population is only twenty-seven per cent greater.

What has happened is that, in 40 years, enormous progress has been made in the meat industry in all its branches. Many farmers now market two pig crops a year instead of one. Beef is fattened more quickly. Loss of animals has been reduced through better sanitation and handling methods.

The packers of meat have held up their end too. Meat is a highly perishable food, yet spoilage is virtually non-existent. All of the meat is utilized, and all of it moves into the channels of consumption in wholesome condition. And, finally, the retailer, with his dependable sources of supply, is able to keep on hand just the right kinds and quantities of meat for his trade.

The point is that we Americans eat better, more healthful and more nutritious meals than we ever did before. We consume more of the vital proteins—elements which have a direct bearing on stamina and physical and mental well-being. We're ahead of grandpa.

The Taxes You Wear

The American Weekly recently published a full-page picture of a girl dressed for a party. She was wearing some modest jewelry and a fur scarf. She was carrying a purse. She had used the customary make-up—powder, cleaning cream, lipstick, rouge and so on. She had washed her hair with a commercially-made shampoo. She had a pack of cigarettes and a holder and a lighter. The point of the picture was that she was a living, breathing example of the burden of the wartime excise taxes which are still in effect, long after the last shot was fired.

These excise taxes, most of which come to 20 per cent on top of the regular retail price of the commodities affected such as the apparel and accessories worn by the girl in the picture, are, of course, in addition to all the other direct and indirect taxes we pay. Other types of excise tax—created by the war emergency—apply to transportation, telephone calls, etc.

Ask any retail merchant what the effort of the taxes is. Ask any

worker in an industry which produces one of the commodities or services so taxed. Ask manufacturers. They all say the same thing—that the taxes reduce sales, that they force many people to buy inferior goods, and that they are a strong adverse influence on employment and purchasing power. Significantly, Canada, which had taxes of this nature during the war, repealed hers.

When the taxes were passed, it was said that they would be repealed as soon as hostilities ended. That is a moral obligation and their continuance is a clear breach of faith on the part of the government.

FIRE AND WIND INSURANCE AVAILABLE TO FARM BUREAU MEMBERS IN BOONE COUNTY

There has been an increasing demand on the part of Farm Bureau members in Boone County and all over Kentucky for the writing of fire and wind insurance to Farm Bureau members. Late in 1949 the Kentucky Farm Bureau Insurance Company was licensed to write fire and wind insurance with a capital of \$400,000.00, which is partly financed by money borrowed from local Farm Bureau members and local Farm Bureau organizations and partly by surplus money of the Kentucky Farm Bureau Insurance Company.

The Farm Bureau is writing fire and wind coverage, also extended coverage which includes explosion and aircraft damage. A separate fire policy can be written or a combined fire and wind policy or a combined fire and extended coverage. A small amount of additional fire coverage can be added to the coverage that is now in effect in the local mutual assessment companies and wind coverage can be added for an amount equal to the total fire coverage carried in both companies.

This plan works well as it will provide a much cheaper insurance to rural people, also wind coverage can be added as it is badly needed and most of the local assessment companies do not carry it, and in many cases more fire protection is desired.

The Farm Bureau Company can write up to 80% of the value of a building, and they do not have a maximum limit of \$5,000, as do most of the local assessment companies, according to John E. Crigler, local agent for the Farm Bureau. The rates charged are very conservative—as compared with many of the old line companies and as there is a working agreement with the local assessment companies, it is believed that there will soon be a very large demand for this type of insurance in Boone County. Present business written makes this look all the more correct.

Construction has begun on a Naval radio station in Jim Creek, Washington, which will be the most powerful in the world. The transmitter will provide 1,000,000 watts for all-weather Naval communications throughout the Pacific area.

Situated just 12 city blocks from the Capitol, the Naval Gun factory in Washington, D. C., has been in operation for 150 years.

The Glenn L. Martin Company of Middle River, Maryland, is producing a new type antiaircraft target for the Navy.

N. TULCH

Foot Comfort Specialist at— PEOPLE'S SHOE STORE

814-816 Madison, Covington

It has been proven that you cannot be well with unhappy feet! Those headaches, those backaches, those leg pains are caused by the shoes you are wearing. Why not demand the same progress in shoe construction as in trains, planes and other transportation. You walk miles each day, stand hours and yet wear shoes that will surely lead to ill health and awkward posture.

Parents scold children for slouching and slumping when their shoes are to blame. People suffer mental upset, nervousness, aches and pains when proper shoes (shaped to fit and support those fifty-two bones in your feet) would benefit the entire body and preserve your general health.

Fortunes are spent on patent medicines and appliances when a correct shoe is the answer.

Why suffer longer? Why take chances with your health, comfort and peace of mind? Visit the store that has men schooled in foot anatomy and foot mechanics to insure getting the proper type shoe for your particular feet.—Adv.

HELPER'S CIRCLE MEETING HELD MARCH 23RD

The Helper's Circle of the Hebron Lutheran Church met at the home of Mrs. Kenneth Hart, March 23rd, with twenty-five members and one visitor present.

The program for March, "Americans Grow Older," was very interesting as it showed us the joys, the problems, and the responsibilities facing us as Christians in connection with the increasing number of older people in America. The Christian should have, and does have, a very definite interest in those men and women in our midst who have passed the age of 65; we should know of our church's concern and of what we may do to help.

After the business meeting a social hour followed at which time the hostess served a delicious lunch. Visitors are always welcome.

CONTROLS LISTED FOR PESTS OF EVERGREEN

Bagworms, one of the common pests of evergreen trees, can be controlled by picking off and burning, says the Experiment Station, University of Kentucky.

In the case of tall trees, an arsenate of lead spray should be put on. Spraying should not be done when the temperature is above 85 degrees.

Dusting with fine sulphur is the control for the red spider, another evergreen pest. The under sides of the leaves should be thoroughly dusted.

Still another pest, mites, can be washed off with a strong stream of water, applied under pressure to large trees. Young trees, and also old trees where hydrant water is not available, should be sprayed with a nicotine solution.

CARD OF THANKS

While our hearts are filled with sorrow we cannot forget the many kind acts bestowed upon us by our relatives, friends and neighbors in the great loss of our dearly beloved wife, mother and grandmother,

Margaret M. Gallestein.
In particular we wish to thank Right Rev. Edward Carlin for his many comforting visits throughout her illness, for his impressive Requiem and consoling words; Dr. Harry R. Daugherty for his untiring efforts and kindness to her as well as to the family, Dr. James Ryan; the Sisters and nurses at St. Elizabeth Hospital; the Sisters and children at St. Paul's School for their prayers and those of other faithful who offered prayers for her. Especially do we wish to thank Mrs. Katie Scott, Mrs. Edna Cory and Mrs. Naomi England and all friends and neighbors on Dortha Ave. and vicinity for their beautiful floral offerings and spiritual bouquets and many other kind deeds.

Our sincere thanks to the friends of Florence, to all business houses, relatives and friends for their many floral and spiritual offerings and cards of sympathy. Especially do we wish to offer our sincere and heartfelt thanks to Mr. Ralph Smith for his kindness and efficient management of the funeral, which meant so much to us in our hour of sorrow. May God bless each and everyone.

KENTUCKY JOINS FIFTH NAVAL DISTRICT APRIL 1

The State of Kentucky becomes part of the Fifth Naval District with headquarters at the world's largest naval base, the U. S. Naval Base, Norfolk, Va., on April 1, 1950.

This change in administration of the Navy Department is one of several being made to align the geographical boundaries of Naval districts more closely with those of the Army and Air Force areas. The transfer was announced recently in a directive issued by Secretary of the Navy, Francis P. Matthews. The realignment is expected to facilitate better administration within the military establishment.

Previously, the State of Kentucky was part of the Ninth Naval District, with command located at Great Lakes, Illinois. The Fifth Naval District boundaries now include Virginia, West Virginia, Kentucky and Maryland, with the exception of the Potomac and Severn River Commands. These are separate commands and are to be administered by the immediate Washington and Annapolis areas.

The Norfolk Naval Base, which uses the Fifth Naval District Headquarters and Command Headquarters of the Atlantic Fleet, is the largest naval base in the world. Strategic in location, by virtue of having one of the world's best natural harbors and being situated midway along the Atlantic Seaboard, the base includes a variety of activities.

Acquired by the Navy Department in 1917, the original 450 acre base has expanded to over 3,000 acres. This development was due to demands of World War I and II. The chief function of the base is to provide logistic support for Atlantic Fleet Units, overseas bases, and U. S. Army and Air Force occupation forces in Europe.

Among the many and varied units operating within its confines are: Complete overhaul and repair facilities for rebuilding all types of first line naval aircraft; the naval Supply Center, which is housed in the largest building south of the Pentagon and having over 57 acres of floor space and the focal point of logistic supply; dry docks, capable of handling the largest naval vessels afloat; and an assortment of service schools that train personnel for the multitude of technical jobs created by a modern military machine. Unique among these is the Armed Forces Staff College, a pioneer in unification, where high ranking officers of all services are trained in the intricacies of joint command.

There are approximately 80,000 military personnel now attached to shore activities and ships of the Atlantic Fleet based in Norfolk. In addition, civilian personnel employed by the Navy is in excess of 25,000. This total of Navy and civilian personnel represents a \$20,000,000 monthly paycheck in the City of Norfolk.

Prior to its acquisition by the Navy, the area now occupied by the base was the location of the Jamestown Exposition that opened its doors April 26, 1907. The Kentucky House, one of the many state exhibits constructed for the Exposition was torn down to make way for expansion. Its site is now occupied by one of the many huge supply warehouses. Many of the permanent buildings are kept in a constant state of repair and house personnel and administrative offices.

Over 800 Naval Reserve engineers and seaboys are being trained this winter under simulated arctic conditions at Camp Hale, Colorado. In addition to studying geography, navigation, and packing and loading procedures, the men also make cross-country runs to overnight bivouac areas at below freezing temperatures.

One hundred eighty-seven students, due to graduate from civilian medical schools in 1950, have been selected to serve the Navy in U. S. Naval Hospitals. They will be appointed to the rank of lieutenants (junior grade).

3-Year-Old Child Accidentally Killed Playing With Gun

Was Visiting At Home Of Grandparents In Walton.

Barry Michael Roberts, son of Mr. and Mrs. Howard Roberts, of 436 Sixth Ave., Dayton, Ky., shot and killed himself Thursday when examining a .25 caliber automatic pistol at the home of his grandparents in Walton, according to Robert Brugh, coroner.

The three-year-old boy was staying with his maternal grandparents Mr. and Mrs. Hiney Losey, during an illness of his mother.

It was believed that the child climbed upon a bureau and gained possession of the pistol. What followed is largely a matter of conjecture, but from the presence of powder burns on the child's mouth it was evident that he was looking into the barrel of the gun when the weapon discharged in his face.

The bullet entered the boy's mouth and issued above and behind his right ear, killing him.

Mrs. Losey, who was in adjoining room, rushed in at the sound of the shot to find the child dying. Dr. J. M. Huey, Walton physician was summoned, but the boy was beyond help.

Besides his parents and maternal grandparents, the child is survived by his paternal grandparents, Mr. and Mrs. Floyd Jones, of Ellington, Ky.

Funeral services were held at 2:30 p. m. Sunday at the Mt. Zion Baptist Church, with burial in Mt. Zion Cemetery.

Chambers and Grubbs, Walton funeral directors were in charge of arrangements.

John Henry Cooper

Funeral services were held at 2:30 Tuesday afternoon at the Tallaferro funeral home, Erlanger, for John Henry Cooper, retired employee of the Green Line who died early Sunday at his home, Evergreen Drive, near U. S. 42, Florence, after a long illness. Burial was in Forest Lawn Cemetery.

Mr. Cooper, who was 79, had worked for the Green Line 45 years before his death. He is survived by his widow, Mrs. Sara Jane Cooper; two sons, Robert Cooper, Big Bone and Charles Cooper, Louisville; a daughter, Mrs. Gladys Buckhorn, Florence; 10 grandchildren and eight great-grandchildren.

Dan Dudley Sleet

Funeral services were held at 2:30 p. m. Monday at the Tallaferro funeral home, Erlanger, for Dan Dudley Sleet, 202 Timberlake Avenue, Erlanger, who died Friday at St. Elizabeth Hospital. Burial was in Forest Lawn Cemetery.

Mr. Sleet, who was 44 years old, a member of Union Baptist Church. He is survived by his widow, Mrs. Ann Sleet; his mother, Mrs. Fannie Sleet; a sister, Miss Lucille Sleet; a brother, Harold Sleet, and a stepdaughter, Miss Mary Lou Sait, all of Erlanger.

County Chairman Of Easter Seal Sale Reports 55% of Goal

Campaign Will Aid In Treatment of Crippled Children in State.

Response of Boone Countyans to the appeal by the Kentucky Society for Crippled Children for the use of Easter seals boomed the hopes of crippled youngsters during the early stages of the campaign.

The drive for funds to help pay for corrective treatment, care and education of crippled children was Easter Sunday and its success hinges upon public response to the sheets of seals mailed to residents of Boone County and to people throughout all of Kentucky.

Clarence West, Boone County drive chairman, said replies being received at the county and state headquarters were encouraging, but he expressed doubt that they are sufficient to meet the society's budget for the 1950 care and treatment of crippled children.

Boone County has at this date raised 55% of its quota for the current drive. There are approximately 1100 crippled children in Kentucky, according to Mr. West, now awaiting hospitalization and treatment. Their only hope for help this year depends upon contributions to the Easter Seal fund during the remaining few days of the drive.

Youth Revival Planned For Burlington Church

April 12 will be a great hour for the Burlington Baptist Church when another youth revival gets underway. The young people of the church will have complete charge of all services with forty-nine young people participating.

Four students from Georgetown College will have charge of the evening services which start at 8:00. David Jackson will bring the message each evening. He is one of the most outstanding students on the campus and has a message on the heart that will stir the heart of anyone who hears him.

The song service will be led by Bill Cauley with Miss Mable Evans as soloist and Miss Helen White at the organ and Miss June Brown of Burlington at the piano. With these four in charge of the music, you are in for a fine song service at the opening of the services.

Street services will be held in front of the courthouse each evening followed by prayer services at the church. The public is cordially invited to attend.

Mrs. Nannie Madden

Funeral services were held at 1:30 p. m. Monday in Covington for Mrs. Nannie Madden, 505 Garvey Ave. Burial was in Florence Cemetery.

Mrs. Madden, who was 77 years old, had been ill for only a short time.

She is survived by one daughter, Mrs. Margaret Bowman, of Cincinnati.

1950 Cancer Fund Raising Drive Started In County April 1st

Organizational Meeting Held Wednesday, March 29 At Walton.

The 1950 Cancer Crusade got underway this week throughout Boone County following an organizational meeting of practically all chairmen and workers at the home of Mrs. Walter Vest, Walton, co-chairman, held Wednesday, March 29th.

Reports from the district meeting at Williamstown were discussed as well as plans for the Boone County Campaign, which started April 1st. Those in attendance at the meeting were: Miss Lizzy Vest, chairman, Verona; Mrs. S. B. Nunneley, chairman Bullittsville; Mrs. Alberta Dickes, chairman Hebron; Mrs. Chas. Herbstreit, chairman Constance; Mrs. Clayton Jones, chairman Walton; Mrs. Ralph Barlow, chairman Union; Mrs. D. D. Davis, chairman Burlington; Mrs. J. K. Cropper, Mrs. C. L. Cropper and Mrs. R. I. Rouse, Burlington; Mrs. A. L. Pfaltzgraf, Idlewild; Mrs. Walter Vest, Walton, co-chairman and Mrs. Noel Walton, co-chairman.

Other chairmen not present were Mrs. Wm. Scroggins, Verona; Mrs. Beulah Shouse, Florence; Mrs. Jake Clegg, chairman Burlington; Mrs. Betty Dolwick, Bullittsville. The workers will soon be calling at your-door, and you are urged to give as generously as you can in order that your dollars may strike back at that dread disease—Cancer.

Elbert Clore

Elbert Clore, age 64 years, died Tuesday afternoon at General Hospital, Cincinnati, following a very brief illness.

Mr. Clore was born and reared in Boone County, having made his home in or near Burlington until seven years ago. He has made his home in Covington for the past seven years.

He is survived by three daughters, Mrs. Mary Hollis, Mrs. Frances Bailey, Mrs. Hazel Marie Schmidt; and three sons Edward Clore, Martin Ray Clore and Harold Kelly Clore.

Funeral services will be conducted Thursday afternoon at 2:00 p. m. at Rade's funeral home, Covington. Burial will be in Burlington Cemetery.

Friends may call at the funeral Wednesday after 2:00 p. m.

Burlington O. E. S. Inspection Set April 6

Burlington Four Star Chapter, O. E. S. will hold its inspection at the Burlington School auditorium 8:00 p. m. Thursday, April 6th.

All members of the order are urged to be present and visiting members of other chapters are welcome.

Rev. Robert Brown left Monday afternoon for Indianapolis, Ind., where he is conducting a revival meeting.

Walton Legion Post Explains County Magazine Drive

Many Inquiries Received By Walton Post In Regard To Campaign.

American Legion Post No. 277, Walton makes the following explanation of a countywide magazine campaign now in progress:

Due to the many inquiries received by the Walton Legion Post, regarding the present Magazine Campaign, we feel that some explanation of the circumstances is necessary.

There is no need of our repeating the stories which have reached us; needless to say they were derived from a series of misunderstandings. We will simply state the facts as they are and clear up this matter.

The Johnson-McElroy Post No. 227 American Legion of Walton, Ky., has contracted with a large and reputable magazine agency, to allow the use of the Legion Post's name in conjunction with this sales campaign. The magazines these men sell are well known publications of long standing, and are widely read throughout the entire county.

This agency has its own crew of salesmen. These men will not represent themselves as Legionnaires (although some of them are and belong to various Posts throughout the State) but will carry a letter stating that they are representatives of the Johnson-McElroy Post No. 277 American Legion, of Walton, working in conjunction with the Post on this current magazine sales campaign.

Under no circumstances will these men be allowed to solicit or accept a donation for the Legion Post or the Magazine Agency. Their only purpose is to sell magazines. For every magazine sold, the Johnson-McElroy Post will receive a commission, which will be paid to the Post in hospital and sick room equipment. This equipment is to be loaned out to anyone in the county who has need of it.

From this present sales campaign the Legion Post will receive two standard hospital beds, in fact we have already received them. This equipment, plus what we received from the same agency last year, makes a total of two pairs of cots, one folding type wheelchair, two regular type wheelchairs and two standard hospital beds.

All this equipment is for the use of the people in Boone County, free of charge. If you have need of any of the equipment we have on hand, contact our Post and we will be glad to be of service to you.

The Home of the Johnson-McElroy American Legion Post No. 277 is located approximately 100 yards off the Dixie Highway on Beaver Road, in Walton, Ky. On April 1 we hold open house and plan another open house April 29 when squares will be enjoyed at the home. The Ralph Scott trio will furnish the music. We will also hold a popular dance on May 13. Jack Cahill and his orchestra will play for this occasion. So, if you care to stop in at any time, you will be welcome and we will be more than glad to see you.

The above article is signed by George W. Ryan, Commander and Joseph H. Lemmons, Publicity Chairman.

Corn Allotments Mailed To Boone County Growers

Based On Data Gathered From Farmers For Years 1947, 1948 and 1949.

Notice of farm acreage allotments for the 1950 corn crop have been mailed to Boone County corn growers this week by the county Production and Marketing Administration committee. These allotments are primarily based on production data gathered from farmers for the years 1947, 1948 and 1949. Consideration has been given to the relationship between the usual corn acreage for the county and the number of acres in the county allotment available for distribution to eligible.

Failure to comply with the corn allotment will mean loss of price support on corn produced on the farm for which the allotment is established. These allotments are not compulsory and there is no penalty for raising excess corn except the loss of price support on the corn.

SPEAKER AT RALLY

Dr. Dale Moody

County Music Festival Scheduled Wednesday, April 12

Is Annual Program Given By Boone County Band, With Dean Bloss, Director

On Wednesday, April 12 at 8:15 p. m. at the Burlington High School auditorium the Boone County Music Festival. This is the annual program given by the band, the proceeds of which are being accumulated to buy complete uniforms for a marching band.

Music students from all four high schools and Bellevue grade school will participate. Hebron will be represented by their Glee Club under the direction of Weston Rogers, Betty Jean Ryle, Gene Bonita and George Toadine as vocal and instrumental soloists.

Dixie Anderson and Mary Glenn Newman accompanied by Joan Anderson will represent New Haven.

Burlington's Glee Club directed by Frances Horlacher, Billie Jo Brown, Nellie Jo Purdy, Wilma Arnold, Mary Presser and several others will represent Burlington.

Florence Glee Club directed by Dean Bloss, Janet Dolwick, Jan Fields and several groups of singers will represent Florence.

Ella Jean Rogers will be the soloist from Bellevue. Band members will add to the variety of the program.

This presentation will follow the lines of last year's festival which met with great approval of those attending. Come out and encourage and support the young musical talent we have in our own community.

Sewage System For Florence Is Discussed Thursday

At Mass Meeting Called By Council; Opposition Group Holds Meeting

Approximately 300 persons attended a mass meeting held at Florence Thursday night to discuss the proposed \$300,000 sewage disposal plant for that city. The mass meeting was called by the Board of Trustees.

O. G. Loomis, city engineer and Ervin L. Bramlage, city attorney explained the technical and legal aspects of the proposed project, and a representative of the State Health Department also spoke to the group.

A protest meeting to devise means of opposing the immediate construction of the project was held Tuesday at 8:00 p. m. in the Florence High School auditorium. R. V. Lents leader in the fight against the project stated, "We are not against the eventual construction of the sewer, but there are many persons in Florence who feel that its immediate construction would be a needless extravagance."

He stated that the proposed assessment of \$350 a front foot, plus a continuing levy of \$30 a year for 30 or 40 years to pay for the sewer is entirely too high.

The Board of Trustees are empowered to approve the plan if they desire, it was reported. However the mass meeting called by the Board of Trustees was for the purpose of determining the will of the residents of the community.

GOOD FRIDAY SERVICES PLANNED FRIDAY, APRIL 7TH

The Union Presbyterian church invites the churches of the community to a Good Friday service at 8:00 p. m. Friday night, April 7th.

Spring Football Practice Opens Sports Program

In Boone County Schools; Baseball Plans Are Announced.

The Burlington high school spring sports program got underway Monday of this week when the Eagles state champion six-man football champions opened their 2-week spring practice under their new head coach George Maines, Males, who was assistant coach last year when the Eagles ran roughshod over all opposition, replaces Edwin Walton as top Eagles mentor. Coach Walton steps down with an enviable record as his team lost only one game while winning thirteen in a two-year stretch and included in the record was two conference championships and a state title plus recognition as having one of the top six-man outfits in the nation.

Twenty-Two Candidates

Answering the spring call for practice were 22 candidates. They were: Lettermen, Jim Ryle, Bob Walton, Gayle Rouse, Sonny Combs; second year men, Ronnie Jones, Jerry Lustenberg, Ray Holbrook, Jackie Patterson, Dick Abdon, Harold Dringenberg, Ray Deck, Kay Kelly and Ray Smith; first year men, Pete Cropper, Wayne Falkner, Bill Henderson, Bob Black, Kenneth Feldhaus, Jerry Ryle, Frank Thaman, Edgar Rice and Russell Loudon.

Conference May Expand
It is highly probable that the Northern Kentucky six-man Conference will be a seven or eight team league this season as several new teams have indicated that they will have teams. Team members of the Conference are Burlington, Florence, New Haven, Hebron and Dry Ridge.

Baseball Plans Announced
Ralph Maurer, who will handle the Eagle baseball nine this year has announced an eight-game schedule plus participation in the annual Kentucky high school tournament which will begin May 29th.

The baseball squad will be headed by veterans Jim Ryle, Bill Bee, John Cropper and Estil Ryle with the remainder coming from a large squad of youngsters. Heading the list of promising first-year men are Jerry Ryle, Eddie Brown, Gayle Rouse, Ray Deck and Bobby Pelfrey, the latter a transfer student from Lexington.

The Eagles will open April 17 against Campbell County at St. Johns played in Newport. Other games are: April 19 Walton-Verona at Verona; April 25, Campbell County at Burlington; April 28, Walton-Verona at Burlington; May 3, Gallatin County at Burlington; May 12 Gallatin County at Warsaw; May 19 and 24 open.

"Sox" Benson Reports For Spring Training

Dewey Ray "Sox" Benson, son of Mr. and Mrs. C. D. Benson, of Burlington left last Saturday for Newark, O., where he will start spring training with the Newark baseball club.

"Sox" played outstanding ball with the Newark club last year and is returning for his second year. The Newark Club is owned by the New York Yankees.

Our best wishes go with "Sox" as he starts his second year as a professional ball player.

Boone County Red Cross Fund Drive Over Top

Complete Report Will Be Published Next Week, According to Chairman.

The Red Cross fund drive in Boone County is over the top, according to a report received from Rev. R. A. Johnson, county chairman. Although complete reports from precinct chairmen have not been received, the chairman reports that the drive surpassed its goal by approximately \$400.00.

Rev. Johnson stated that he desired to extend thanks to everyone who supported the drive in any way, and to the precinct chairmen who conducted the campaign in such a cooperative and efficient manner. He stated that it was a pleasure to serve as chairman with this fine corps of workers.

A complete report, showing the grand total received in the drive will be published in next week's Recorder.

Sunday School Rally Scheduled April 10th

The North Bend Associational Baptist Sunday School Rally will be held with the Florence Baptist Church at 7:45 p. m. Monday, April 10. The speaker will be Dr. Dale Moody of the Southern Baptist Theological Seminary, Louisville, Ky.

Dr. Moody has been in northern Kentucky on numerous occasions and no doubt will bring an interesting message.

The public is cordially invited to attend this service.

EASTER SERVICES PLANNED AT HUGHES CHAPEL METHODIST

The Hughes Chapel Methodist Church is host to the Union and Richmond Presbyterian Churches and other churches in the community to an Easter Sunrise service Sunday morning, April 9th at 7:00 a. m.

The service is in charge of Rev. V. V. Hill. Rev. Don Hopkins will bring the Easter message. Both invite and welcome all who would worship with them on this Easter morning.

Price Supports Will Be Determined Independently

Without Reference To Eligibility on Other Crops.

Eligibility for farm price supports on each crop subject to allotments in 1950 will be determined independently without reference to eligibility on other crops. R. O. Wilson, Chairman of the Production and Marketing Administration state committee, said here today.

Farm acreage allotments are in effect throughout Kentucky this year for wheat, cotton, tobacco, corn, and for corn in the 55 counties included in the commercial producing area.

Eligibility for price supports on any one of these crops will be dependent only on compliance with farm allotments for that particular crop, the State PMA Chairman explained.

Where a farmer owns or has an interest in more than one farm producing a commodity subject to acreage allotments, Wilson pointed out, provisions vary with the different commodities.

For tobacco, a producer who has more than one farm with an acreage allotment may receive price support on the crop produced on each farm where the acreage allotment has not been exceeded even though the tobacco allotment was exceeded on another farm in which the producer has an interest in the tobacco crop.

For potato-price support eligibility, a producer who has more than one farm must comply with acreage allotments on all farms in which he has an interest. Failure to comply with the allotment for any farm in which the producer is interested will make him ineligible for any potato price support.

For wheat, cotton and corn, a producer will be eligible for price support only if the sum of his shares of the actual acreage of the commodity on all his farms does not exceed the sum of his shares of the acreage allotments for the commodity on all his farms.

However, even though the total of actual acreages of the commodity does not exceed the total of the commodity allotments for the farms, the producer will be eligible for price supports only on those of his farms where individual farm acreage allotments have not been exceeded.

For each of these three commodities, where the total acreage on two or more farms in which the producer is interested exceeds the total allotments for those farms, the producer will not be eligible for price supports for that commodity even though the allotments on one or more of the farms is not exceeded.

These are the rules governing producer eligibility for price support on 1950 crops for which allotments are established, Wilson said. Questions as to specific cases should be directed to county PMA offices. Responsibility for determination of a farmer's compliance with acreage allotments rests with county and state PMA committees.

Three Injured In Boone County Accidents Sunday

Power Service Disrupted Due To Wreck Near Richwood.

Three men were injured serious in accidents in Boone County over the week-end, according to reports. Their condition was reported as serious at St. Elizabeth Hospital, Covington.

Those seriously injured are John Dempsey, of Ludlow, internal injuries, shock and cuts on the face, arms and hands; William H. Doos, Somerset, fractured shoulder and leg and internal injuries, and Ezra Glacken, of Verona, fractured left leg.

Mr. Dempsey was injured Saturday when a truck he was driving west went off U. S. 42 on Beaver Lick Hill, Boone County.

The truck travelling at a high rate of speed swerved off the road and went over an embankment and turned over in midair. It hit the bottom of the bank and its momentum rolled it approximately 15 feet up the opposite bank. Mr. Dempsey was thrown from the cab of the truck when it turned over the second time.

He was removed to St. Elizabeth Hospital, Covington by an ambulance of Chambers and Grubbs' funeral home, Walton.

Mr. Doos was injured when an auto driven by his son, William Doos, Cincinnati, crashed into a light pole near Richwood, U. S. 25, Sunday night. Others injured in the crash were Mrs. Ella Wright, Cincinnati and Dean Doos 4, daughter of the driver. The child was released after treatment at Booth Hospital, when all of the injured were taken.

Power service was cut off for approximately one hour due to the accident.

Mr. Glacken was injured when struck by an auto as he was walking on the highway near Verona.

Eugene Setters and Wife Injured In Accident Mon.

Eugene Setters and his wife Goldie, of Florence were injured Monday night when the car in which they were riding collided with a car driven by Thomas Read, 53, Covington.

The accident occurred on Dixie Highway at Lookout Stud Farm. Visibility was poor due to the heavy downpour of rain, it was reported.

Mr. and Mrs. Setters were removed to St. Elizabeth Hospital, Covington by an ambulance of the Tallaferro funeral home, Erlanger, where they were treated for cuts and bruises.

To Patrons of Boone County School System

After consulting with the Assistant Commonwealth Attorney and talking with several citizens from various precincts, I think the recent actions of our Board of Education should be further discussed as to what action the majority wish to take.

The best way to get the majority opinion is to have an open meeting at the Burlington court house at 8:00 p. m. on April 6th. All interested, please attend.

One Injured In Plane Crash At Local Airport

Motor "Conks Out" Shortly After Take-Off; First Night Accident.

Bracken Allendorf, 23, of 3004 Ralph Woods Lane, Westwood, Cincinnati suffered bruises when the two-seater Fairchild plane in which he was a passenger crashed at the Greater Cincinnati Airport one night last week.

Allendorf and James Remler, 23, pilot of the plane left Lunken Airport at midnight for a flight to the local airport for a cup of coffee. Mr. Remler escaped injury as the motor "conked out" at an altitude of 200 feet and spiraled in darkness to the flying field.

The accident, which happened soon after take-off, was the first night crash at the airport since it was opened January 10, 1947.

The light plane hit on the eastern edge of the field. Only a quick turn by the pilot prevented the plane from crashing beyond the field, which probably would have proved more serious. The plane was badly damaged.

RECENT ACTIVITIES OF NEW HAVEN HOMEMAKERS

At the turn of the calendar to the mid-century mark the New Haven Homemakers undertook a fascinating millinery project. The first lesson was given at the January meeting at Mrs. Henry Fisher's home by the project leader, Mrs. Fred Morrison.

Instruction and work on these chapeaux continues at the February meeting when Mrs. Ardon Wagener was hostess to the club at her sister's home in Erlanger. At this session we were glad to welcome Miss McClaskey, who met with us for the first time. An extra hat workshop was scheduled and held the following week at Mrs. Fisher's. Now the gratifying results of all this straw-twisting are waiting on the closet shelf for the cue to come down and play their parts in the local Easter parades.

On Tuesday, March 14, Mrs. Don Hopkins entertained the club at her home on Richmond road. How to secure "Nutrition in Meal-Planning" is the topic for the March and April lesson. With the covered dish dinner at noon three examples of dishes prepared according to recipes on the lesson sheet were served by the project leaders, Mrs. M. C. Owens and Mrs. Henry Fisher.

The New Haven club has reserved a date in July at radio station WSAI for the "Party-Time" program sponsored by that station. Watch for more information about this plan-for-fun in the future!

—Publicity Chairman.

BALANCED RATIONS

HASTEN PIG GAINS

Lester Farmer and Less Brockman of Marion county proved to their satisfaction that it pays to feed hogs a balanced ration. The two farmers agreed that Mr. Brockman would buy shoats and furnish the feed if Mr. Farmer would do the feeding and care for the hogs, the profits to be divided.

On October 28, Mr. Brockman bought 29 shoats for \$200, each weighing about 60 pounds. When sold in mid-February, they averaged 245 pounds. They had been fed \$335 worth of feed along with Ladino clover and orchard grass pasture. Net profits were well over \$300. In an adjoining lot were 10 hogs not fed a balanced ration. Although they were about two months older, they weighed 35 pounds less.

Mr. Brockman told Farm Agent Gilbert H. Karnes that he considered the money for a balanced ration well spent, as every 100 pounds of pork had been produced with about 6½ bushels of corn and 40 pounds of supplement.

During a six months pasture season a cow removes from the soil 115 pounds of nitrogen, 26 pounds of phosphate and 37 pounds of lime.

BIRTHDAY PARTY

A birthday party, given in honor of Mrs. Alfred Hesselman, Sr., at her home on Turkeyfoot Road, Erlanger, was a gala affair, Sunday. The guests were Mr. and Mrs. Charles Hesselman and daughter Nancy, Becky Sue, Judith and Sharon, Mr. and Mrs. Leonard Isaacs, Mrs. Helen Enzweiler and children Joan, Jerry, Tom and Ted, Mr. and Mrs. Jerome Butsch and children Ruth, Mary Jane, Betty Sue, Peggy Lou, Richard and Mr. and Mrs. Alfred Hesselman, Jr., Mr. Alfred Hesselman, Sr., Mrs. Minnie Greve and Mrs. Emily Ranshaw.

THANK YOU

I cannot find words to express my appreciation to the many who have remembered me during the past few weeks of convalescence.

For every remembrance I certainly am grateful and I assure you I have enjoyed every one very much.

FLORENCE HOMEMAKERS

The Florence Homemakers held their regular meeting Tuesday, March 28 at Mrs. Roy Lutes' charming new home.

During the business session a resolution was made to send a resolution to the fiscal court to the effect that the Florence Homemakers are definitely in favor of the County Health program now being formulated. It was also decided that we meet at the Florence Community Center in the future.

The study session was devoted to "Meal Planning" and "Nutrition." The lesson was very ably presented by Mrs. Robert Cox and Mrs. C. W. Wessler. This lesson included preparation of a well-balanced meal, prepared and served by the leaders, which was very much enjoyed by the members.

A continuation of the reports on Farm and Home Week was given by Mrs. Grant Maddox, who discussed a speech given by exchange student sent to Ireland last summer by the Homemakers. Mrs. Roy Lutes gave a very informative talk on conditions in Germany among the farming people as the International President of the Association of Country Women had observed it the past year during her visit there.

A showing of hats made by the Homemakers during the past several months was also given.

The social hour by Mrs. Cam Kennedy, was very entertaining.

Mrs. Ethelyn Williams was welcomed by the group as a visitor.

Members attending were: Mesdames Victor Benham, Francis Berkshire, Clint Blankenbaker, Robert Carter, Robert Meyer, William Gentry, Virginia Goodridge, Louis Houston, B. M. Jones, James Miner, George Morith, Robert Mulrone, Mabel Sayre, Jane Scott, Fred Vonberg, C. W. Wessler, William Sauer, M. M. Lucas.

LEAFLET TELLS HOW TO MAKE COTTAGE CHEESE

Cottage cheese is a valuable food that can easily be made at home from surplus milk, according to a new leaflet of the College of Agriculture and Home Economics, University of Kentucky. Properly made from skim milk of good quality, cottage cheese is not only a good food in itself but can be used in other combinations.

Full directions for making cottage cheese are given by Dr. Henry Morrison of the dairy division of the college. Ask a home demonstration agent or county agent or write to the college for Leaflet 125, "Making Cottage Cheese at Home."

Field Trips Planned By Local Camera Club

With the advent of Spring the Dixie Camera Club is going outdoors and is planning several group photographic field trips starting with a coverage of the county. If you would like to improve upon the pictures you are getting with your camera, the club invites you to join them in these trips and offers the services of an advanced tutor to help you photograph the local land-marks and scenic spots.

The Dixie Camera Club will hold its next meeting at the old town hall, Florence, Ky., at 8:00 p. m. on Wednesday, April 12 when Harold Skinner, of the Covington Camera Store, will present discussion on the uses of filters in photography. The discussion which will be illustrated by fifty color slides, will be concerned with the reasons filters are used, how they are used, and the results obtained when they are used. Another feature of the meeting will be Print Night, wherein each member will present one print for constructive analysis and judgment by the group.

Large Crowd Attends Red Cross Benefit Dance

A large crowd attended the dance at Florence school auditorium Wednesday night, given for the benefit of the Red Cross.

Music was furnished by the "Kentucky Valley Boys." A floor show by a group of small children was enjoyed by all present and proves that Boone County has some promising talent for the future.

Another highlight of the evening was the awarding of the prizes to the following dancers: Mr. and Mrs. Clarence Fields won the prize for the best square dancing couple, and the prize waltz was won by Wilton Clore and his mother, Mrs. Chas. Clore, of Hebron.

The committee deserves much praise for the manner in which the dance was conducted.

"WATERCADE OF 1950" SCHEDULED FOR CINCINNATI GARDENS APRIL 8-12TH

Recently named "the outstanding swimmer of the half-century" by an official poll of the nation's sportswriters, Johnny Weissmuller so far outdistanced his competition that he compiled more votes than all of his rivals put together. And that's the history of Johnny's amazing career in swimming and currently in his own "Watercade of 1950" which opens April 8 and runs through April 12 at the Cincinnati Gardens.

Born in Winbar, Pennsylvania, Johnny spent most of his childhood in Chicago where the family moved shortly after his birth. The Weissmullers lived near Lake Michigan, and their famous son's earliest memories deal with forbidden swims in the Lake. Later, he attended St. Michaels and Lane Tech, where he participated in track as well as swimming.

After leaving school, he got a job as an errand boy in a Chicago wholesale house and later became a bell hop at the Illinois Athletic Club, which had a swimming pool as well as the greatest coach in the country. His name is William Bachrach, and he recognized Weissmuller's superior ability immediately after seeing the youngster spring the length of the pool.

Under Bachrach's tutelage, Johnny won his first meet at the age of 17, and went on to win 52 national championships and five Olympic crowns. On the way he broke a total of 67 world's records and was never defeated in his entire competitive career.

Weissmuller will do several numbers in the "Watercade" and also will appear off and on during the revue, principally with Bill Lewin, the greatest of water comics.

In addition, the "Watercade" will feature such thrill acts as the Great Athos, who balances himself on one finger; Frank Cook, the sensation of five continents, who performs on a high wire over a huge tank of water; dare-devil stunt divers; 48 beautiful Aquanymphs in alluring swim suits and

dazzling costumes and more than a dozen other individual acts of stage and water.

Weissmuller's "Watercade" which is set for a South-American tour after a nation-wide swing of 20 cities, affords his many fans their first opportunity to see the great swim and film star in person.

"Try me," sayeth the soil. Bring all your tithes of humus, conserved water, contour practices, legumes, grasslands and natural forest conditions, and see if I will not open up and provide you with blessings that your stock, barn, cupboards, bellies and soul will not be able to contain."—Earl Hughes.

THE GARDEN

By John S. Gardner, Kentucky College of Agriculture and Home Economics

As soon as the potatoes come up, two insects will come. These are the Colorado beetle and the black flea beetle. The former makes large

holes in the leaves, sometimes chewing them off. The flea beetle is responsible for the many small holes that cause the setting-back of the plants and sometimes their death even before any tubers are set.

For this insect there was no really effective control until DDT came on the market, but by using it,

yields have always been increased and sometimes doubled, and the crop itself has been hastened by as much as two weeks.

DDT comes in a 50 percent wettable form for making spray and as 5 percent dust ready to use. For making spray, one pound is dissolved in 50 gallons of water, or for smaller amounts, 2 level tablespoons per gallon of water.

Three applications should be made, on the following schedule:

- (1) When all the potatoes are up, the largest plants possibly 4 inches tall, the smallest showing as just a twist of leaves breaking through.
- (2) Ten days later.
- (3) Ten days later.

By this time, the potatoes should be 15 to 18 inches tall, and all the leaves that have been touched with this material will be puncture-free and will remain so for the life of the vines, but above this line, there will be holes. This would indicate that a fourth application might be made and that is so except that there will not be so much profit as from those that make up the above schedule.

DDT kills the Colorado beetles at the same time as it destroys the flea beetles, and as well the cabbage worms and spotted cucumber beetles that sometimes come.

DDT has another use, for making poison bran mash for controlling the cutworms that sometimes migrate from grasslands or over-cropped fields close by. The "recipe" is bran, 8 pounds; 50 percent wettable DDT 1/4 pound and enough water to make a crumbly mash. Pinches of this mash are sown among the plants that show presence of this insect, and particularly as a "barrage" toward the size of the patch whence the cutworms are likely to come.

Six Men Receive Sentences In Judge Yager's Court Mon.

Four Indictments Handed In By Grand Jury After Being In Session One Day.

Judge Ward Yager sentenced six men in Boone Circuit Court Monday when arraigned before him on charges of breaking and entering. All six men pleaded guilty.

The guilty pleas were entered after the court was told by William McEvoy, County Attorney and Sheriff Wendell Easton that they had obtained written confessions in each case.

James Thomas, 35, no home, was sentenced to three years, charged with the theft of a .38-caliber pistol, two watches and a ring from Walter Ryle, of Rabbit Hash.

Victor Price, Hazard, Ky., was sentenced to two years on a charge of breaking and entering a Walton home.

William K. Bradshaw and Jesse R. Miller, both of Florence were sentenced to two years each, charged with breaking into a cottage owned by Betz Cafe, near Rabbit Hash.

Norman Stephens, 19 and his brother Glenn Stephens, 18, Florence were sentenced to one year each on a charge of breaking into the Cress International Harvester Store on Burlington-Florence Pike early in January.

The grand jury after being in session one day, begged to be excused after handing in four indictments and inspecting the county building.

Court was adjourned until Wednesday morning when civil cases were heard by Judge Yager. It is believed that the April term will be of brief duration, due to small amount of cases to be heard.

Jurors serving during the April session are as follows:

Petit Jury No. 1
Russell Yealey, Ivan Clements, C. C. Pruett, Chas. B. Beall, S. P. Brady, John Jones, Ray Hill, Harold Love, Huey Aylor, Harry Dye, L. E. Moore, Ross Atha.

Petit Jury No. 2
E. A. Martin, John Berkshire, Leroy Voshell, M. C. Carroll, R. L. Bowman, E. F. Leek, Norman Herbstritt, H. W. Baker, Chas. F. Tanner, L. W. Scott, Kirtley McWethy, Lute Bradford.

Grand Jury
Earl Acra, Lehman Goodridge, Guy Butler, Dan Carpenter, George Terrill, L. M. Moore, Walton Horton, Vernon Anderson, George Dringenberg, Stamper Whitton, Henry Sleet, Chas. Goodridge, Henry Sleet, Chas. Goodridge.

Census Report Shows Substantial Gain In Dollar Volume

Of Trade from 1939 to 1948, According To Figures from 1948 Census

Retail and service establishments located in Boone County, Ky., showed a substantial expansion in dollar volume of trade from 1939 to 1948 according to preliminary figures from the 1948 Census of Business released today by the Bureau of the Census, U. S. Department of Commerce.

Retail sales in the county during 1948 aggregated \$4.6 million, an increase of 313 percent over the \$1.1 million in 1939, when the preceding Census of Business was taken. The service trades included in the Census of Business recorded receipts totaling \$303,000 in 1948 compared with \$48,000 in 1939.

Employments in the county also rose over the 9-year period between 1939 and 1948 for the above trades. Establishments in these trades reported a combined total of 222 paid employees for the work week ended nearest November 15, 1948. This compared with a total of 80 employees reported for the week of November 15, 1939.

These preliminary figures have been derived from a Census report on Boone County, Kentucky. Final figures, superseding the preliminary data for Boone County, will be included in a bulletin for the State of Kentucky to be issued in several months. Similar data will be made available this year in preliminary and final form for each of the counties and States. A single copy of the preliminary release for Boone County as well as an order blank for other area releases may be obtained by writing to the Bureau of Census, Washington 25, D. C.

Fish and Game Club Members Will Entertain Wives At Meeting April 20

Members of Boone County Fish and Game Club will entertain their wives at the next regular meeting April 20th at 8:00 p. m., it was announced this week by Alvin Clore, president.

Plans have been made for the meeting to be held in the lunchroom of the Burlington school. Girls of the Home Economic department will prepare the meal, it was announced.

Arrangements have been made for a speaker, who will bring an interesting message at the close of refreshments.

Members of the club have been mailed reservation cards, which must be returned to the secretary, Irvin Rouse. This is necessary that the committee in charge will know the amount of food to prepare.

258-ACRE IDLEWILD FARM SOLD FRIDAY

The farm of 258 acres, near Idlewild, owned by Cleveland, Smith and Steen was sold last Friday to Mr. and Mrs. E. A. Martin, adjoining landowners. This purchase gives Mr. and Mrs. Martin a body of land, including their present holds of 425 acres and carries a large tobacco base.

This farm was offered for sale just a few days ago. Negotiations were handled through the A. B. Renaker agency of Burlington.

Farmers Urged To Return Marketing Cards

All Boone County farmers who have not yet turned in their 1949 tobacco marketing cards are urged to do so immediately. It is necessary that these cards be returned to the County P. M. A. office in order that the tobacco sales can be properly accounted for.

Failure to return these cards could mean a reduction in allotments, if the crop is not otherwise properly accounted for.

Soil Tests Will Be Made At Lexington Beginning April 15

This Change Necessary Due To Increased Demand For Testing.

Soil samples brought to the County Agent's office for testing will be sent to the Experiment Station in Lexington beginning April 15, according to Bill Davis, County Agent. This change is made necessary by the increased demand for testing and due to the fact that the materials for testing are now being charged to the County Agent. Bags for sending samples to Lexington and directions for taking the samples are available at the County Agent's office.

Tests will be made for soil acidity (lime), content of available phosphorus and content of available potash. No test is made for nitrogen because the content of nitrogen in the soil changes rapidly. The charge for testing is 85 cents each for the first two samples and 75c for additional samples if all are sent at the same time. Accurate taking of samples is extremely important or the report of the tests and the fertilizing recommendation may be misleading. Samples that do not accurately represent a field are worthless.

(1) In choosing the places for sampling, avoid spots that are not representative of the area to be tested, such as: Places where straw or hay stacks recently stood, or near a row where fertilizer was applied in the row last year, or near a highway where the soil may be affected by limestone dust blown from the highway.

(2) Fields or areas in fields that differ in productivity, or which have been cropped or fertilized quite differently in the past three years should be sampled separately as though they were different fields.

Sample should be taken to plow soil depth. A soil auger or a 3-4 inch bit are the best tools for taking the samples. If a spade is used, make an opening with one straight side to plow depth, from which remove a thin slice of uniform thickness and width from top to bottom.

From each uniform field or area in a field take an equal amount of soil from 8 to 10 places distributed over the area. Put the soil from the different places together, mix well and remove about 1/2 pint from the sample to be sent for analysis. Spread this out to air dry. Do not dry over a stove. Place it in a clean container or in a sampling bag obtained from the County Agent and mail to the Agricultural Experiment Station, Lexington, Ky. Send remittances with the samples. Further information on the taking of samples can be obtained from the County Agent.

Rapid Progress In Cancer Control Made In Recent Years

Cancer is the number one killer today. Tuberculosis has been brought under control to a large extent; smallpox has been wiped out; diphtheria is preventable by serum but cancer has not yet been controlled.

It is true that fifty percent of all known cases of cancer can be cured, but what about the other fifty percent? Are we going to stand by and see them die because we have failed to help? One out of every two families in any given community can be and in many cases are victims of this disease. Look around you and count the known cases that have been fatal in the last two years.

Great strides have been made in

Fire Destroys Five-Room House Near Kensington

Defective Flue Cause Of Blaze, According To Fire Chief J. R. Allen.

Fire destroyed the five-room residence of Thomas Brooks near Kensington Lake, Saturday afternoon, according to Fire Chief J. R. Allen, of the Walton Fire Department.

Chief Allen said the fire started from a defective flue and had gained considerable headway before it was detected. The Walton fire department was summoned as soon as the blaze was discovered, but was unable to save the structure. However, nearby outbuildings were saved through the efforts of the department.

Neighbors and fishermen at Kensington lake aided in removing part of the furniture from the blazing building.

The building was insured with The Farmers' Mutual Fire Insurance Co. It was reported.

Application Filed For Acquisition Of Local Utility Co.

By Union Light, Heat and Power Co., and Kentucky Utilities Company.

The Union Light, Heat and Power Company, Covington, and the Kentucky Utilities Company, Lexington, filed an application today with the Public Service Commission of Kentucky to acquire the properties of the Community Public Service Company located in the State of Kentucky. The main office of the Community Public Service Company is in Ft. Worth, Texas.

Walter C. Beckford, President of The Union Light, Heat and Power Company, stated that the Walton Division properties to be acquired by his company are located in Kenton, Boone, Campbell, Grant and Pendleton counties. Several of the larger communities located in these counties include Walton, Crittenden, Dry Ridge and Independence. The new territory to be served adjoins the present service areas of The Union Light, Heat and Power Company in Kenton, Campbell and Boone counties. The Union Light, Heat and Power Company now sells the Community Public Service Company its entire power requirements for the new territory to be served.

In announcing the filing of the application with the P. S. C., Mr. Beckford promised to provide persons living in his company's new area "with the same high quality electric service that your neighboring communities in Northern Kentucky have enjoyed for nearly 50 years."

"Today, electricity is doing more than twice as much housework, farm work, and factory work as it did 10 years ago. And yet the magic electric age is still just beginning. In the years ahead there will be many new uses for electricity in homes, farms, factories and stores."

Pointing out that his company has boundless faith in the future of the communities it serves, Mr. Beckford said, "We will be constantly planning ahead and building ahead to insure dependable electric service, as greater requirements for electricity develop."

(Delayed)

Mrs. Sarah Orr remains ill in the hospital.
Bro. Stuart, of Louisville preached here Sunday, April 2nd.
Mrs. Walter King underwent an operation last week. She has returned home. She will return to the hospital at a later date for another operation.

Mrs. Frank White, of Wood River, Ill., arrived at the home of father Saturday evening enroute to Bedford, Ky., to be with her daughter Mrs. Troy Meyer who is entertaining a new daughter at her home.

Mr. and Mrs. W. E. Waller and son entertained Sunday for the following: Mrs. Frank White, Wood River, Ill., Billy Mac Waller, Berea, Ky., Mrs. Marie Pennington, Walton and Mrs. Lizzie Noel, Verona.

Several in this community have had the flu.

WILLIAM McMUNN WILL VISIT FLORENCE PASTOR
Among outstanding persons arriving at the Greater Cincinnati Airport on Friday of this week will be the personage of William McMunn, outstanding Christian layman and leader in Oddfellowship from the state of Virginia.

William McMunn, known to his friends as Mr. "Mac" is a Covington, Virginia business man, who has made good at both his business and "helping others." He has served as District Deputy Grand Master of his area for many years, and as such holds the world's record in gaining the greatest number of applications in any one year in the history of the order. In attaining this honor he was the first to receive the "diamond set pin" which had to be made especially for him.

In his younger days Mr. Mac was an ice-skating champion from Canada. His people moved to the mid-west when he was a boy. He has spent most of his days in Covington, Virginia, where he holds the esteem of all its citizens.

Mr. Mac comes to Kentucky as a guest of Rev. H. L. Reid and Mrs. Reid, minister and wife of the Florence Christian Church in Boone County, Kentucky. The congenial Mr. Mac attended the Newport District Oddfellow meeting held there Saturday, April 8th. He renewed acquaintances especially with William Gragg, Grand Secretary of the State of Kentucky. On Sunday he spoke to the Men's Bible Class of the Florence Christian Church and will attend other important meetings with the pastor during his stay.

MT. ZION HOMEMAKERS
The Mt. Zion Homemakers held their regular meeting Wednesday, April 5, at the home of Mrs. David Volz. The lesson on "Serving Lunch and Refreshments for the Social Hour" was given by Mrs. Roger McGuire and Mrs. William Miller. The lunch was served and enjoyed by all.

The club was pleased to welcome Mrs. William Meiners as a new member.

Those attending were Mesdames Burney Brown, Romer Burns, Frank Bresser, Frank Domaschko, A. J. Albers, Henry Holzworth, Roger McGuire, Robert Woods, David Volz, Hubert Winburn, William Miller.

The next meeting will be held May 11th at the home of Mrs. William Miller.

GUNPOWDER HOMEMAKERS

"Refreshments served at hours between meals or at bedtime should be refreshing but not filling and be always light, dainty, attractive and tasty," explained Mrs. Edgar Utzinger to the Gunpowder Homemakers Club at the home of Mrs. Geo. Black at the April meeting concluding the lesson on "Nutrition in Meal Planning" after which pamphlets containing recipes for

refreshments for the social hour were distributed.

The appointment of the nominating committee: Mesdames Edgar Utzinger, Glenn Stevens, and Chas. Tanner as well as plans for the district meeting at Dry Ridge May 3 were revealed at the business meeting.

A new member Mrs. Rogers Knox was welcomed to the club by members Mesdames Robt. Moore, Dolpha Sebree, Geo. Black, Virgil

Kelly, Edgar Utzinger, Cliff Norman Glenn Stevens, B. M. Stevens and agent Miss Nancy McClaskey.

Surgical Shoes

N. TULCH

Foot Comfort Specialist at—
PEOPLE'S SHOE STORE
814-816 Madison, Covington

HISTORY—Mrs. G. E. M. suffered headaches and neckaches. Her neck ached so intensely at the base of the skull she could hardly see. Days at a time she could not get out of bed because of the severity of the pains. She read one of our ads., telling of the good work we were doing, and decided to see what we could do for her. After a very short time wearing surgical shoes, pain in the head and neck lessened till finally it disappeared entirely and she is well and happy. It is now possible for her to do her own work even when it is necessary for her to climb a step ladder. Surgical shoes seemingly worked miracles for her.

COMMENT—Strain on ligaments and tendons naturally has a weakening effect upon muscles. Continued neglect of these conditions may be the cause of your aches and pain in the neck and back and if you have been unable to get relief, come in and let us see what we can do for you.

If your ankles are weak and you are constantly rolling them, surgical shoes are definitely the answer to your problem.—Adv.

Afternoon callers were Mr. and Mrs. Bob Harrison and daughters. Lloyd Stephens and family were supper guests of Mr. and Mrs. Harold Love, Saturday night.

Mrs. Maud Hodges and family spent Sunday evening with the Seebrees.

William Moore's little boy was taken to the hospital last week. We wish for him a speedy recovery. Marilyn Hankinson attended services at Big Bone Church, Sunday morning.

CIVIL SERVICE EXAMINATIONS ANNOUNCED

The United States Civil Service Commission today announced an examination for Laborer for filling various positions including Janitor for duty in various Federal agencies in the States of Ohio, Indiana, and Kentucky.

The age limits for these positions are 18 to 62 years, which may be waived for persons entitled to veterans preferences and under certain conditions for war service in definite employees. The salaries range from \$2120 to \$2674 a year.

Persons appointed to such positions will perform duties involving manual work such as moving furniture, etc., or perform cleaning duties. Positions involving custodial duties are restricted to persons entitled to veterans preference, but other Laborer positions which are not custodial are open to both veterans and non-veterans. A written test is not required, but eligibility

is determined on the basis of the applicant's experience.

Applications must be filed with the Sixth United States Civil Service Regional Office, U. S. Post Office and Courthouse, Cincinnati 2, Ohio and must be received not later than April 24, 1950.

Further information and application forms may be obtained from the Civil Service Commission's Sixth Regional Office, Federal Building, Cincinnati 2, Ohio.

Fencing livestock from the farm pond helps provide clean sanitary stock water, reduces maintenance, and is also necessary for fish production.

WORKERS REACHING 65 SHOULD CONTACT SOCIAL SECURITY ADMINISTRATION

Each worker upon reaching age 65 should call at the nearest office of the Social Security Administration to determine his status under this program. When a worker dies his survivors should get in touch with the social security office for assistance in filing claim for death benefits. On April 20, Edward J. Bolte, field representative of the Social Security Administration will be at the Erlanger Post Office from 10:00 a. m. to 11 a. m. All persons interested in the Old-Age and Survivors Insurance program, or applicants for social security cards should consult this representative.

BIDS OPEN FOR FAIR GROUNDS CONSTRUCTION

Bids for the construction of three additional sections to the grandstand and a new horse barn will be accepted by the 4-H and Utopia Council until April 20. Bids for three types will be accepted: 1. Complete costs including labor and all material; 2. labor only; and 3. materials only.

The 4-H and Utopia Council reserves the right to reject any and all bids. Information on the construction desired may be obtained at the County Agent's office.

FESCUE AND LADINO YIELD GOOD RETURN

Archie Jewell of the Horse Cave community in Hart county figures that he made at least \$2,532 last year from a 14-acre field of fescue and Ladino clover. This is the way he reported it to Farm Agent Free W. Wallace. He sold 7,000 pounds of fescue seed at 25 cents a pound, and 304 pounds of cleaned Ladino clover seed at \$1.75 cents a pound, making a total of \$2,232. Then he estimated the value of 450 bales of threshed clover straw fed to the livestock at \$500 and the value of the pasture at \$200. Thus the 14-acre field brought him an average of \$180 an acre.

Farm ponds may provide water from livestock, fresh fish for food, water for fire protection and irrigation.

INDIAN CREEK RODEO SCHEDULED AT CINCINNATI GARDEN APRIL 23RD

It will be round-up time at the Cincinnati Garden April 20 when cowboys, cowgirls, wild horses, wild steers, and tons of western equipment arrive for the opening of the Indian Creek Rodeo, scheduled to run through April 23. Two-and-one-half hours of western rodeo and variety action awaits those who attend the first attraction of this kind to appear at the big Arena.

The Rodeo is an exhibition type show with the nation's top western performers. The show moves fast with all the thrills and spills of a contest show, but without the delay caused by apprentice and in experienced hands often found at the contest type Rodeo. Each performance is conducted with the precision of a circus, helped along with drum rolls and marching rhythms found only in a good old circus band. The Cowboy Clowns, Rose Steele and her "Dog Town Revue," and Rodyoff's Ballerina Horses, (all formerly with Ringling Brothers) add more of the Big Top atmosphere to this prairie-land attraction.

Arizona Jack and Texie thrill crowds everywhere with their trick and fancy roping, but the big thrill of every Rodeo is the wild

steer wrestling "Bulldogging," the most dangerous of all cowboy sports jumping from the back of a fast running horse to the horns of the steer and throwing him.

Birthdays celebrated Sunday in honor of their son's birthday and Mrs. Wilma Finn. Those present to enjoy the occasion were Mr. and Mrs. Charlie Black and family, Mr. and Mrs. Wilford Hodges, Mr. and Mrs. Joe Hodges, Mr. and Mrs. Buddy Finn, Mr. and Mrs. Dallas Ogden and sons, Mr. and Mrs. Harmon Tanner and sons, Miss Virginia Black, Howard Stephens, Mr. and Mrs. Orville Hodges, William Kruse, Mr. and Mrs. John Black and sons. All left at a late hour wishing the boys and Wilma many more happy birthdays.

Drudgery disappears when Reddy does the work
with an AUTOMATIC WASHER

It's like waving a wand and summoning a genie to do the work when you wash the automatic electric way!

With an automatic washer, you just put in clothes and soap, set a dial and Reddy Kilowatt does the rest. You don't even wet a hand in water while your clothes are washed, rinsed and damp-dried, ready for the line.

Join the millions of women who are enjoying this washday magic by Reddy Kilowatt. Ask for an automatic washer demonstration today!

SPECIAL HONORS FOR
TODD COUNTY WOMAN

Mrs. James Andrews of Todd county was named Homemaker of the Month by Mrs. Rachel Lee Davis home demonstration agent in Negro work in Christian and Todd counties. A member of the Hadensville Homemakers Club, Mrs. Andrews has improved her home with such conveniences as electricity, gas range and heaters, a telephone, refrigerator and a deep freezer.

Owners of their farm, Mr. and Mrs. Andrews are carrying out a live-at-home program for their family of five children. Recently they stored 200 pounds of pork cuts in their deep freezer.

"Mrs. Andrews is a fine mother and homemaker, planner and housekeeper," said the home agent, "encouraging the older children to be good 4-H club members."
